The Company intends to use the net proceeds from the Subscription for repayment of existing indebtedness and general corporate purposes.

THE AGREEMENT

Date

1 August 2023 (before trading hours)

Parties

- (1) the Company;
- (2) the Vendor; and
- (3) the Placing Agents.

Placing Price

The Placing Price is HK\$1.13 per Share and represents:

- (1) a discount of approximately 18.12% to the closing price of HK\$1.38 per Share as quoted on the Stock Exchange on the Last Trading Day;

that, in the sole judgment of the Placing Agents, would make the Placing or the enforcement of contracts to purchase the Placing Shares impracticable or inadvisable, or would materially prejudice trading of the Placing Shares in the secondary market;

- (2) the representations and warranties made by any of the Company and the Vendor pursuant to the Agreement being true and accurate and not misleading as of the date of the Agreement and the Closing Date;
- (3) each of the Company and the Vendor having complied with all of the agreements and undertakings and satisfied all of the conditions on their respective part to be complied with or satisfied under the Agreement on or before the Closing Date;

Completion of the Placing

The Parties expect that the Placing will be completed on the Closing Date.

THE SUBSCRIPTION

Number of Subscription Shares

The Vendor has conditionally agreed to subscribe for, and the Company has conditionally agreed to allot and issue, up to 346,000,000 Subscription Shares (being such number of new Shares which is same as the number of Placing Shares sold pursuant to the Placing).

Assuming the maximum number of Subscription Shares are subscribed for by the Vendor, the 346,000,000 Subscription Shares represent approximately 7.36% of the issued share capital of the Company as at the date of this announcement and approximately 6.86% of the issued share capital of the Company as enlarged by the Subscription (assuming there will be no change in the issue share capital of the Company from the date of this announcement to the completion of the Subscription save for the issue of the Subscription Shares). The aggregate nominal value of the Subscription Shares will be HK\$34,600,000 on the basis of full subscription of all the Subscription Shares.

Subscription Price

The Subscription Price is HK\$1.13 which is the same as the Placing Price.

The net price for the Subscription, after deduction of all relevant fees, costs and expenses to be borne or incurred by the Company, is estimated to be approximately HK\$1.12 per Subscription Share.

The Subscription Price was determined after arm's length negotiations between the Company and the Vendor with reference to the Placing Price.

The Directors consider that the Subscription Price and the terms of the Subscription are fair and reasonable under the current market conditions and are in the interests of the Company and the Shareholders as a whole.

Ranking of the Subscription Shares

The Subscription Shares, when fully paid, will rank *pari passu* in all respects with the other Shares in issue or to be issued by the Company on or prior to the date of completion of the Subscription, including the rights to all dividends and other distributions declared, made or paid on or after the date of allotment of the Subscription Shares (if any).

General mandate to issue the Subscription Shares

The Subscription Shares will be allotted and issued under the General Mandate granted to the Directors at the 2023 AGM. Under the General Mandate, a maximum of 940,009,500 new Shares may be allotted and issued by the Company. As at the date of this announcement, the General Mandate has not been utilised at all. Accordingly, the allotment and issue of the Subscription Shares is not subject to the approval of the Shareholders.

Conditions of the Subscription

Completion of the Subscription is conditional upon the satisfaction of the following conditions:

- (1) the Listing Committee of the Stock Exchange having granted the listing of, and permission to deal in, the Subscription Shares (and such listing and permission not subsequently revoked prior to the delivery of definitive share certificate(s) representing the Subscription Shares); and
- (2) completion of the Placing having occurred pursuant to the terms of the Agreement.

The Company shall, as soon as is reasonably practicable, apply to the Stock Exchange for the granting of listing of, and permission to deal in, the Subscription Shares after the signing of the Agreement.

In the event that the conditions stated above are not fulfilled within fourteen (14) days from the date of the Agreement (or such later date as may be agreed among the Parties), the obligations and liabilities of the Vendor and the Company under the Subscription shall be null and void and neither the Company nor the Vendor shall have any claim against the other for costs, damages, compensation or otherwise.

Completion of the Subscription

Completion of the Subscription is expected to take place on a business day after the last of the above conditions to be satisfied have been so satisfied, provided that it shall take place on a date no later than fourteen (14) days from the date of the Agreement, or at such other time and/or date as the Parties may agree in writing and in compliance with the Listing Rules.

As the Vendor is a connected person of the Company and the Subscription constitutes a connected transaction of the Company exempt under Rule 14A.92(4) of the Listing Rules, if the Subscription is not completed within fourteen (14) days from the date of the Agreement, the relevant provisions of the Listing Rules in relation to connected transactions will apply (including the independent Shareholders' approval requirement) to the Subscription, unless otherwise waived by the Stock Exchange. Further announcement will be made if this occurs.

Application for listing

An application will be made by the Company to the Stock Exchange for the granting of the listing of, and permission to deal in, the Subscription Shares.

Compliance with CSRC Filing Rules

The Company shall comply with the applicable requirements under the CSRC Filing Rules in connection with the Placing and the Subscription.
