FIRST QUARTERLY REPORT

CHARACTERISTICS OF "GEM" OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and The Stock Exchange of Hong Kong Limited take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the "**Directors**") of China Digital Video Holdings Limited (the "**Company**") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of The Stock Exchange (the "**GEM Listing Rules**") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

MANAGEMENT DISCUSSIONS AND ANALYSIS

BUSINESS REVIEW AND OUTLOOK

We are a leading digital video technology solution and service company in the TV broadcasting industry in China. We provide a full range of solutions, services and products to TV broadcasters and other digital video content providers, to effectively assist and enhance digital video technology content in the upgrade and management works on the post-production segment, a critical part of the People's Republic of China (the "PRC") TV broadcasting market. We have been at the forefront of digital video technology innovation in China. Our emphasis on developing a demand-driven and highly responsive R&D is particularly critical for us because of our focus on the solutions and services businesses, where the customers demand customised services. Our solutions, services and products businesses facilitate the processing, enhancement and management of digital video content at the post-production stage between the ingestion of raw content and the output of finished content. There is no significant development in the segment in which we operate.

We have established business relationships with most of the central- and provincial-level TV stations in China and with some of the provincial-level TV broadcasters in China for over 26 years. We have also served alternative broadcasting platforms, such as cable network operators, Internet media content providers and IPTV operators. In view of the sustained losses of the Group, while we will continue our existing principal business, we will conduct a review of our business activities for the purpose of formulating business plans and strategies for our future business development. We may explore other business opportunities and consider whether any asset disposal, asset acquisition, business rationalisation, business divestment, fund raising, restructuring of the existing business and/or business diversification will be appropriate in order to enhance our long-term growth potential.

FINANCIAL REVIEW

We recorded a revenue of RMB42.1 million for the three months ended 30 June 2023, representing a decrease of 25.8% from RMB56.8 million for the three months ended 30 June 2022. We recorded a loss of RMB18.4 million for the three months ended 30 June 2023 as compared to a loss of RMB8.5 million for the three months ended 30 June 2022. The increase in loss was mainly attributable to the increase in impairment loss.

ANALYSIS ON CONDENSED CONSOLIDATED STATEMENTS OF PROFIT AND LOSS AND OTHER COMPREHENSIVE INCOME

Revenue

We derived revenue primarily from (i) the sale of solutions; (ii) the provision of services; and (iii) the sale of products.

Our revenue decreased by 25.8% to RMB42.1 million for the three months ended 30 June 2023 from RMB56.8 million for the three months ended 30 June 2022. The decrease in revenue was mainly attributable to (i) the slowing down of the implementation of ultra-high definition projects in provincial-and municipal-level TV stations; and (ii) the delay in bidding timetable for CCTV broadcasting projects.

MANAGEMENT DISCUSSIONS AND ANALYSIS

Cost of Sales

Our cost of sales decreased by 47.4% to RMB28.5 million for the three months ended 30 June 2023 from RMB54.1 million for the three months ended 30 June 2022. The decrease in cost of sales was primarily due to the decrease in revenue.

Gross Profit and Gross Profit Margin

Our gross profit represents revenue less cost of sales. Our gross profit increased by 412.7% to RMB13.7 million for the three months ended 30 June 2023 from RMB2.7 million for the three months ended 30 June 2022, primarily due to service projects having a relatively higher gross profit. Our gross profit margin increased to 32.4% for the three months ended 30 June 2023 from 4.7% for the three months ended 30 June 2022.

Other Income

Other income decreased to RMB1.4 million for the three months ended 30 June 2023 from RMB10.2 million for the three months ended 30 June 2022. The Group recorded proceeds from the sale of intangible assets for the three months ended 30 June 2022. The Group did not record such proceeds for the three months ended 30 June 2023.

Selling and Marketing Expenses

Our selling and marketing expenses increased by 15.1% to RMB13.6 million for the three months ended 30 June 2023 compared to RMB11.8 million for the three months ended 30 June 2022, primarily due to an increase in employee severance payment.

Administrative Expenses

Our administrative expenses decreased by 19.1% to RMB7.8 million for the three months ended 30 June 2023 from RMB9.7 million for the three months ended 30 June 2022, primarily due to (1) the decrease in staff cost; and (2) the decrease in the rental payment as a result of a decrease in leased area.

Research and Development Expenses

Our research and development expenses increased by 17.9% to RMB6.1 million for the three months ended 30 June 2023 from RMB5.2 million for the three months ended 30 June 2022, primarily due to the decrease in the capitalized amount of research and development.

Finance Costs

Our finance costs decreased by 30.2% to RMB2.6 million for the three months ended 30 June 2023 from RMB3.7 million for the three months ended 30 June 2022, primarily because of the decrease in loan amount which results in a decrease in interest expenses.

Reversal of Impairment Loss on Financial and Contract Assets

For the three months ended 30 June 2022, reversal of impairment loss in the amount of RMB 6.8 million represented the reversal of certain impairment loss due to the recovery of loans during such period. For the three months ended 30 June 2023, impairment loss amounted to RMB3.9 million.

Loss before Income Tax

As a result of the foregoing factors, our loss before income tax amounted to RMB18.4 million for the three months ended 30 June 2023 as compared to a loss before income tax of RMB8.5 million for the three months ended 30 June 2022.

Income Tax Credit

We did not record any income tax credit for the three months ended 30 June 2023 (three months ended 30 June 2022: nil) as there was no taxable profit.

Loss for the Period

As a result of the foregoing factors, our loss for the three months ended 30 June 2023 amounted to RMB18.4 million as compared to a loss of RMB8.5 million for the three months ended 30 June 2022.

Non-controlling Interest and Loss Attributable to Equity Holders

Our non-controlling interest and loss attributable to equity holders amounted to RMB-0.6 million and RMB19 million for the three months ended 30 June 2023, as compared to RMB1.9 million and RMB6.6 million for the three months ended 30 June 2022, respectively.

Other Comprehensive Loss

We recorded other comprehensive loss of RMB4.5 million for the three months ended 30 June 2023 as compared to other comprehensive loss of RMB1.2 million for the three months ended 30 June 2022, primarily due to the exchange difference arising from the translation of foreign currencies.

Total Comprehensive Loss for the Period attributable to Equity Holders and Non-controlling Interests

Our total comprehensive loss for the period attributable to equity holders and non-controlling interests amounted to RMB22.9 million for the three months ended 30 June 2023 as compared to RMB9.7 million for the three months ended 30 June 2022.

SHARE AWARD SCHEME

On 20 March 2017, the Company adopted the Share Award Scheme to recognize and reward the contribution of certain selected participants to the growth and development of the Group. The Share Award Scheme does not constitute a share option scheme or an arrangement analogous to a share option scheme for the purpose of Chapter 23 of the GEM Listing Rules. The shares under the Share Award Scheme will be acquired by a trustee by way of subscription of new shares (whether pursuant to general mandate or specific mandate granted by the shareholders or otherwise) and/or purchase of shares from the market out of cash contributed by the Group and be held on trust for the participants until such awarded shares are vested in the relevant selected participants in accordance with the provisions of the Share Award Scheme. The administrator of the Share Award Scheme may, from time to time, at its absolute discretion, select any participant for participation in the Share Award Scheme as a selected participant.

The Company has appointed The Core Trust Company Limited as the trustee (the “Trustee”). The Trustee is an independent third party of the Company and is acting for a wide scope of participants under the Share Award Scheme.

Unless early terminated by the Board, the Share Award Scheme shall be valid and effective for a term of 10 years commencing on the adoption date of the Share Award Scheme provided that no contribution to the trust fund will be made by the Company on or after the 10th anniversary date of the adoption date of the Share Award Scheme.

The maximum number of shares which may be allocated and awarded to a selected participant under the Share Award Scheme in any 12-month period shall not exceed 1% of the issued share capital of the Company immediately preceding such allocation and award.

Vesting of the shares will be conditional on the selected participant remaining a participant at all times from after the relevant dates of the fulfilment of the performance targets (if any) specified by the Board and on the vesting date until and on each of the relevant vesting dates and his/her execution of the relevant documents to effect the transfer from the Trustee, unless otherwise determined by the Board.

During the three months ended 30 June 2023, the Company neither issued new shares nor arranged any funds to be paid to the Trustee for purchasing of shares of the Company from the market.

COMPETING BUSINESSES

MANAGEMENT DISCUSSIONS AND ANALYSIS

COMPLIANCE WITH CORPORATE GOVERNANCE PRACTICES

The Company has adopted the code provisions as set out in the Corporate Governance Code (the “**Corporate Governance Code**”) as contained in Appendix 15 of the GEM Listing Rules as its corporate governance practices.

Code provision C.2.1 of the Corporate Governance Code stipulates that the roles of the chairman of the board of directors and the chief executive officer of a Company should be separate and should not be performed by the same individual, and that the division of responsibilities between the chairman and the chief executive officer should be clearly stated.

Mr. ZHENG Fushuang was appointed as the chief executive officer of the Company (the “**CEO**”) with effect from 3 April 2018 and is currently serving as both the chairman (the “**Chairman**”) and the CEO of the Company. Such practice deviates from code provision C.2.1 of the Corporate Governance Code. The Board believes that vesting the roles of both the Chairman and the CEO in the same person can facilitate the execution of the Group’s business strategies and boost the effectiveness of its operation. The Board is comprised of three executive Directors and three independent non-executive Directors, which is appropriately structured to ensure that there is a balance of power to provide sufficient checks to protect the interests of the Company and its shareholders. Therefore, the Board considers that the deviation from code provision C.2.1 of the Corporate Governance Code is appropriate in such circumstance.

Save as disclosed, in the opinion of the Directors, the Company has complied with all the code provisions set out in the Corporate Governance Code from 1 April 2023 and up to the date of this report.

CODE OF CONDUCT REGARDING SECURITIES TRANSACTIONS BY DIRECTORS

The Company has adopted a code of conduct regarding Directors’ securities transactions on terms no less exacting than the required standard of dealings set out in Rules 5.48 to 5.67 of the GEM Listing Rules. The Company had made specific enquiries to all the Directors who confirmed their compliance with the required standard of dealings and the code of conduct regarding Directors’ securities transactions from 1 April 2023 and up to the date of this report. No incident of non-compliance was noted by the Company during this period.

AUDIT COMMITTEE AND REVIEW OF QUARTERLY RESULTS

The Company has established an audit committee with written terms of reference in compliance with the GEM Listing Rules on 23 May 2016. The primary duties of the Audit Committee are mainly to review the financial information and reporting process, internal control procedures and risk management system, effectiveness of the internal audit function, audit plan and relationship with external auditors and arrangements to enable employees of the Company to raise, in confidence, concerns about possible improprieties in financial reporting, internal control or other matters of the Company.

The audit committee comprises three independent non-executive Directors, namely Dr. LI Wanshou, Mr. Frank CHRISTIAENS and Mr. LI Youliang, and is chaired by Mr. LI Youliang. The audit committee has reviewed the unaudited financial statements for the three months ended 30 June 2023 and is of the opinion that (i) the unaudited financial statements of the Group for the three months ended 30 June 2023 comply with the applicable accounting standards and the GEM Listing Rules; and (ii) adequate disclosures have been made in such unaudited financial statements.

COMPOSITION OF THE BOARD AND BOARD COMMITTEES

The composition of the Board reflects the necessary balance of skills and experience desirable for effective leadership of the Company and independence in decision making. The Board currently comprises three executive Directors and three independent non-executive Directors. The Directors have no financial, business, family or other material/relevant relationships with one another.
