The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on a preliminary assessment of the latest financial information of the Group and other information currently available, it is expected that the Group will record a loss attributable to equity shareholders of the Company in the range of HK\$65 million to HK\$85 million for the six months ended 30 June 2023 as compared to the profit recorded by the Group for the six months ended 30 June 2022 (the “**Corresponding Period**”).

Based on the analysis of the information currently available to management, such expected loss were mainly due to (i) the significant increase in expected credit losses on trade receivables in the supply chain business caused by the continuing delayed payment of outstanding invoices by several customers; (ii) the significant decrease in dividend income from equity investments of which HK\$35.8 million was recorded in the Corresponding Period; and (iii) the revenue contribution from the Group’s supply chain business has significantly decreased for the six months ended 30 June 2023.
