## CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

### **GENERAL MANDATE AND REPURCHASE MANDATE**

At the AGM, the Directors propose to seek the approval of the Shareholders to grant to the Directors the General Mandate (including the extended General Mandate) and the Repurchase Mandate.

#### **General Mandate**

At the AGM, an ordinary resolution will be proposed such that the Directors be given an unconditional general mandate (i.e. the General Mandate) to allot, issue and deal with unissued Shares or underlying shares of the Company (other than by way of rights issue or pursuant to a share option scheme for eligible persons of the Company or Directors and/or any of its subsidiaries or pursuant to any scrip dividend scheme or similar arrangements providing for the allotment and issue of Shares in lieu of whole or part of the dividend on Shares in accordance with the Articles of Association) or make or grant offers, agreements, options and warrants which might require the exercise of such power, of an aggregate amount of up to 20% of the number of issued Shares as at the date of granting of the General Mandate.

In addition, a separate ordinary resolution will further be proposed for extending the General Mandate authorising the Directors to allot, issue and deal with Shares to the extent of the Shares repurchased pursuant to the Repurchase Mandate. Details on the Repurchase Mandate are further elaborated below.

As at the Latest Practicable Date, the Company has an aggregate of 102,644,466 Shares in issue. Subject to the passing of the resolutions for the approval of the General Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the General Mandate to allot, issue and deal with a maximum of 20,528,893 Shares.

#### **Repurchase Mandate**

At the AGM, an ordinary resolution will also be proposed such that the Directors be given an unconditional general mandate to repurchase Shares (i.e. the Repurchase Mandate) on the Stock Exchange of an aggregate amount of up to 10% of the number of issued Shares as at the date of granting of the Repurchase Mandate.

## LETTER FROM THE BOARD

### GENERAL

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on the resolutions to be proposed at the AGM.

### MISCELLANEOUS

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,  
For and on behalf of the Board of  
**Bingo Group Holdings Limited**  
**LAU Man Kit**  
*Executive Director*

*This appendix serves as an explanatory statement given to all Shareholders relating to a resolution to be proposed at the AGM authorising the proposed Repurchase Mandate.*

*This explanatory statement contains all information pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules which is set out as follows:*

### **1. NUMBER OF SHARES WHICH MAY BE REPURCHASED**

Exercise in full of the Repurchase Mandate, on the basis of 102,644,466 Shares in issue as at the Latest Practicable Date, would result in 10,264,446 Shares (representing approximately 10% of the number of the issued Shares as at the date of passing of the resolution), being repurchased by the Company during the period prior to the next annual general meeting of the Company following the passing of the resolution approving the Repurchase Mandate.

### **2. REASONS FOR PROPOSED REPURCHASE OF SHARES**

The Directors believe that it is in the interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares on GEM. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share.

The Repurchase Mandate will only be exercised when the Directors believe that such purchases will benefit the Company and the Shareholders as a whole. The Directors have no present intention to repurchase any Shares.

### **3. SOURCE OF FUNDS**

In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with its Articles of Association, the laws of the Cayman Islands and the GEM Listing Rules. The laws of the Cayman Islands provide that the amount of capital paid in connection with a repurchase of Shares may only be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the laws of the Cayman Islands. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the laws of the Cayman Islands. The Company will not purchase the Shares on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

#### **4. EFFECT OF EXERCISING THE REPURCHASE MANDATE**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 March 2023) in the event that the Repurchase Mandate is exercised in full at any time during the Relevant Period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

#### **5. DISCLOSURE OF INTERESTS**

None of the Directors nor, to the best of their knowledge having made all reasonable enquires, any of their respective close associates (as defined in the GEM Listing Rules), has any present intention to sell any Shares to the Company or its subsidiaries under the Repurchase Mandate if such is approved by the Shareholders at the AGM.

#### **6. DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the proposed resolution, the GEM Listing Rules and the applicable laws of the Cayman Islands.

#### **7. THE HONG KONG CODE ON TAKEOVERS AND MERGERS**

If, as a result of a repurchase of Shares, pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code.

As a result, a Shareholder, or a group of Shareholders acting in concert (within that term's meaning under the Takeovers Code), depending on the level of increase in the Shareholders' interests, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 or 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge of the Company, the following Shareholder(s) is/are interested in more than 10% of the Shares then in issue. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate, the total interests of such Shareholder(s) in the Shares would be increased to approximately the percentage set out in the last column as follows:
