LETTER FROM THE BOARD

Exercise Period of Share Options : The Share Options which have vested may be exercised for a period commencing from the Date of Grant of the Share Options and expiring on the date falling 10 years from the Date of Grant of the Share Options.

Vesting Period of Share Options : The Share Options shall be vested and become exercisable in three tranches as set out in the table below:

		Percentage of Share Options shall be vested
Tranche	Vesting Date	
First	The first trading day after 12 months from the Date of Grant	25%
Second	The first trading day after 24 months from the Date of Grant	35%
Third	The first trading day after 36 months from the Date of Grant	40%

Performance Target : The vesting of 30% of each tranche of the Share Options to Mr. HAN and Mr. LAM respectively as described above is subject to satisfaction of performance targets to be determined by the Board. The performance targets were determined with reference to, including but not limited to, the revenue contribution to the Group as a whole and of the applicable business by Mr. HAN and Mr. LAM, the length of the service to the Group and other key performance indicators such as the upkeep of the corporate governance standards and sustainability of the business of the Group as determined by the Board and may vary among Mr. HAN and Mr. LAM.

The Board will determine the performance targets by the end of each calendar year and assess and determine the performance targets after the finalisation of financial results next year and determine the total number of Share Options that can be vested at their sole discretion.

The performance targets applied to Mr. HAN and Mr. LAM comprise of the followings:

- (a) Revenue growth rate of the Group;
- (b) Net profit growth rate of the Group; and

LETTER FROM THE BOARD

(c) upkeep the corporate governance standard.

For the vesting of 30% of first tranche of the Share Options to Mr. HAN and Mr. LAM, it is expected that the revenue and the net profit of the Group should increase at least 5% or more as compared to last year respectively. The performance targets for the remaining tranches will be determined by the Board as set out in the above paragraphs under the “Performance Target”.

They can exercise 30% of each tranche when they achieve all the performance targets. In case of partial achievement and satisfaction of the performance targets, the applicable Share Options will not be vested or will be vested in proportion to the performance targets actually achieved for the relevant year. The unvested portion of the Share Options shall lapse.

There is no performance target attached to the vesting of the remaining 70% of each tranche of the Share Options to Mr. HAN and Mr. LAM.

The purpose of requiring the vesting of 30% of each tranche to be subject to the satisfaction of performance targets is to align with the purpose of the Share Option Scheme which is to motivate and provide incentives to the Grantees through rewarding them for achieving the performance targets set for them. Where such performance targets are partially or not fully achieved, the Grantees may exercise the remaining 70% of options in each tranche which were granted to motivate them to remain with the Group and to incentivise them to continue to contribute to the growth of the Company.

Clawback mechanism : Upon the occurrence of any of the following events in relation to a Participant, all outstanding Share Options held by the relevant Participant shall lapse automatically and not be exercisable:

- i) the expiry of the period for exercising the Share Options which is the date falling 10 years from the Date of Grant of the Share Options;

LETTER FROM THE BOARD

- ii) the Grantees cease to be a Participant (other than death) including the termination of employment with the Group, unless the Board otherwise determines that such Share Option (or the remainder thereof) shall be exercisable for such period after the relevant date of the cessation as the Board may determine in its absolute discretion;
- iii) the Grantees cease to be a Participant by the reason of the termination of his employment or directorship on grounds that he has been guilty of serious misconduct, or appears either to be unable to pay or to have no reasonable prospect of being able to pay his debts or has become bankrupt or has made any arrangement or composition with his creditors generally, or has been convicted of any criminal offence on any other ground on which the employer would be entitled to terminate his employment summarily.

The Board shall be entitled to cancel any Share Option, in whole or in part, when the Grantees assign, transfers or creates any interest in favour of any third party over or in relation to the Share Option(s) in breach of the terms of the Share Option Scheme. The Board may also at any time cancel any Option granted but not exercised.

Financial Assistance : There is no arrangement for the Company or any of its subsidiaries to provide any financial assistance to Mr. HAN and Mr. LAM to facilitate the purchases of the Shares under the Share Option Scheme.

No Shares Option has been granted by the Company to Mr. HAN and Mr. LAM within the 12-month period prior to the Date of Grant.

The Shares to be allotted upon exercise of the Share Options shall rank *pari passu* with the Shares then in issue in all respects, including voting rights, entitlement to dividends, transfer and other rights (including those arising on liquidation of the Company) paid or made on or after the relevant exercise date of the Share Options. The Shares Options themselves, however, do not carry any right to voting, dividend, transfer or other rights (including those arising on the liquidation of the Company) prior to their being exercised and the underlying Shares being issued.

LETTER FROM THE BOARD

REASONS FOR THE PROPOSED GRANT

The purpose of the Share Option Scheme is to reward Participants who have contributed or will contribute to the Group and to encourage Participants to work towards enhancing the value of the Company and its Shares for the benefit of the Company and its Shareholders as a whole.

The Proposed Grant is to (i) serve as an appreciation of the dedication and the significant efforts and contribution of Mr. HAN and Mr. LAM in the business development and performance of the Group in the past few years, and (ii) provide incentives for their persistent devotion to and leadership of the Group going forward by further aligning the interests of the Group with them.

Mr. HAN is the Co-Chairman of the Board and executive Director since February 2017. He led the Group and provide the direction. Mr. LAM is the Co-Chairman of the Board, executive Director and Chief Executive Officer of the Group. He is responsible for the overall management of the Group's business.

Under the leadership of Mr. HAN and Mr. LAM, the Group has been steadily expanding and developing its brokerage, investment banking, asset management, wealth management, structural finance and debt capital market in the past few years. They also facilitated the smooth and gradual completion of the change of control of the Group on 3 February 2023 which marked a new milestone of the Group by removing the uncertainty that arose from the receivership of certain Shares which commenced since October 2021 and the financial issues encountered by the former controlling shareholders of the Group.

In order to recognise their efforts and contribution to the development of the Group by Mr. HAN and Mr. LAM, and to provide incentive to strive for the further development of the Group's business operation, the Board conditionally granted in aggregate 37,500,000 Share Options to Mr. HAN and Mr. LAM. In determining the number of Share Options of the Proposed Grant, the Board (save and except Mr. HAN and Mr. LAM) has considered factors such as their experience in the Group's business, length of service to the Group and contribution and dedication to the promotion of the Group's business, their contribution to the overall business performance, sustainable development and good corporate governance of the Group.

BASIS OF DETERMINING THE TERMS AND CONDITIONS OF THE PROPOSED GRANT

The primary duties of the Remuneration Committee are to review and determine the terms of remuneration packages, bonuses and other compensation payable to the Directors and senior management, by reference to their respective duties, responsibilities, experience and qualification, and make recommendations to the Board.

LETTER FROM THE BOARD

In determining the Proposed Grant, the Remuneration Committee had considered the following factors:

- a) the time commitment and responsibilities of Mr. HAN as Co-Chairman of the Board and executive Director and the leadership that he brings to the Group;
- b) the time commitment, responsibilities and his length of service with the Group since 2001 of Mr. LAM as Co-Chairman of the Board, executive Director and the Chief Executive Officer of the Group;
- c) they are key senior managements and are crucial to the future development of the Group's financial business; and
- d) the dilution effect of the Proposed Grant is not significant.

Having considered all the above factors, the Remuneration Committee considered that the grant of Share Options will align the interests of Mr. HAN and Mr. LAM with those of the Company and the Shareholders, motivate them to commit themselves to the Company's continued competitiveness, operating results and growth in the future and is therefore consistent with the objectives of the Share Option Scheme. Therefore, the Remuneration Committee had recommended the Board to approve the Proposed Grant.

The Board considers that the economic benefits of the Share Options depend upon the increase in share price of the Company which can be driven by improving the operational performance of the Group. Thus, the Proposed Grant provides an incentive to Mr. HAN and Mr. LAM to increase the profitability of the Group, thereby raising the share price and share value of the Group and benefit all the Shareholders.

The Proposed Grant forms part of the remuneration package for the Grantees. Given their seniority and experience, their remuneration would compose of short-term compensation and long-term incentives, which aligns with the existing practice of the Group of awarding share options to employees and senior management and market practice. This would encourage the executive management to focus on the Company's long-term performance and better align their interests with that of Shareholders while promoting retention. Accordingly, the Proposed Grant is in line with the remuneration policies of the Company and the market practice.

LISTING RULES IMPLICATIONS

Pursuant to Rule 17.04(1) of the Listing Rules and the terms of Share Option Scheme, each grant of Share Options to a Director, chief executive or substantial Shareholder of the Company, or any of their respective associates, must be approved by independent non-executive Directors. Accordingly, the Proposed Grant was approved by the Independent Non-executive Directors.

LETTER FROM THE BOARD

Pursuant to Rule 17.04(3) of the Listing Rules and the terms of the Share Option Scheme, if the grant of Share Options to a substantial Shareholder or any of its associates would result in the total number of Shares in issue and to be issued under all Share Options granted (excluding any Share Options under the terms of the Share Option Scheme and awards under the terms of its scheme which has lapsed) in the 12-month period up to the date of grant of Share Options to such person exceeding in aggregate 0.1% of the Shares of the relevant class in issue (the “**0.1% Limit**”), then such proposed grant of Share Options shall be approved by the Shareholders in a general meeting in the manner described in Rule 17.04(4). The grantee, its associates and all core connected persons of the Company must abstain from voting in favour at such general meeting.

As the total number of Shares to be issued upon exercise of the Proposed Grant exceeds 0.1% Limit in a 12-month period, the Proposed Grant will therefore be conditional upon and subject to the approval of the Shareholders at the SGM to be convened where Mr. HAN and Mr. LAM together with their associates and all core connected persons of the Company shall abstain from voting in the relevant resolution at the SGM.

To the best knowledge, belief and information of the Directors, having made all reasonable enquiries, save for Mr. HAN and Mr. LAM, their respective associates and all core connected persons of the Company (comprises the Directors, 8 directors of the subsidiaries of the Company and Quam Tonghai Holdings (being the substantial Shareholder) together with their close associates), are required to abstain from voting on the relevant resolution in relation to the Proposed Grant, no other Shareholder has a material interest in the relevant resolution which would be required to abstain from voting on the relevant resolution at the SGM.

As at the Latest Practicable Date, to the best knowledge of the Directors after making reasonable enquiry, Mr. HAN, Mr. LAM and Quam Tonghai Holdings directly or indirectly held 4,329,882,404 Shares in aggregate, representing 69.87% of the total issued Shares. Please see the table below for details:

Name	Identity	Number of Shares held	Approximate percentage of shareholding in the Shares in issue
Mr. LAM	The executive Director and one of the Grantees	113,072,833	1.82
Quam Tonghai Holdings	A company owned as to 51% by Mr. LAM and 49% by Mr. HAN, the substantial Shareholder	4,216,809,571	68.05

LETTER FROM THE BOARD

Save as disclosed above, the other core connected person which comprises the Directors (other than Mr. HAN and Mr. LAM), 8 directors of the subsidiaries of the Company together with their close associates, did not hold any Shares at the Latest Practicable Date.

As at the Latest Practicable Date, none of the Shareholders who are required to abstain from voting in favour of the resolution approving the Proposed Grant have given the Company notice of their intention to vote against the resolution at the SGM.
