CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

An explanatory statement containing information relating to the Repurchase Mandate and as required pursuant to the GEM Listing Rules is set out in Appendix I to this circular. This explanatory statement contains information reasonably necessary to enable Shareholders to make an informed decision on whether to vote for or against the resolution relating to the Repurchase Mandate at the Annual General Meeting.

As at the Latest Practicable Date, the issued share capital of the Company comprised 508,000,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Repurchase Mandate and the Issue Mandate, the maximum number of Shares which may be repurchased pursuant to the Repurchase Mandate on the date of passing the resolution approving the Repurchase Mandate will be 50,800,000 Shares and the maximum number of Shares which may be issued pursuant to the Issue Mandate on the date of passing the resolution approving the Issue Mandate will be 101,600,000 Shares.

2. RE-ELECTION OF RETIRING DIRECTORS

A retiring Director shall be eligible for re-election. Any Director appointed by the Board pursuant to Article 109 of the Articles shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at such meeting. Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting or at any adjournment thereof if you so wish and in such event, the form of proxy shall be deemed to be revoked.

4. VOTING BY WAY OF POLL

LETTER FROM THE BOARD

6. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and is not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

7. GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,
For and on behalf of the Board
Million Stars Holdings Limited
Gan Xiaohua Tian Yuan
Co-Chairman

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information to enable you to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit companies listing on GEM to repurchase their shares on GEM or on another stock exchange recognised for this purpose by the SFC and the Stock Exchange, subject to the provisions of the Code on Share Buy-backs and certain restrictions, amongst which the GEM Listing Rules provide that the shares proposed to be repurchased by the issuer must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate to its directors to make the purchase(s) or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares in issue is 508,000,000. Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the date of the Annual General Meeting, the Directors will be authorised to repurchase a maximum of 50,800,000 Shares, being 10% of the number of issued Shares as at the date of passing of the relevant resolution for granting the Repurchase Mandate during the period up to (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the Company is required by its Articles or the applicable laws of the Cayman Islands to hold its next annual general meeting; or (c) the revocation, variation or renewal of the Repurchase Mandate by ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company, whichever occurs first.

3. REASONS FOR THE REPURCHASES

The Directors believe that it is in the best interests of the Company and its Shareholders to seek general authority from the Shareholders to enable the Directors to exercise power of the Company to repurchase its Shares on GEM pursuant to the Repurchase Mandate. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

4. FUNDING OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for such purpose in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands. Under the Companies Act, any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by its Articles and subject to the provisions of the Companies Act, out of capital and, in the case of any premium payable on a repurchase, such premium must be provided for out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by its Articles and subject to the provisions of the Companies Act, out of capital. The Company may not repurchase securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. WORKING CAPITAL

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual reports for the years ended 30 June 2022 and 30 June 2023) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital requirements of the Company or its gearing levels which, in the opinion of the Board, are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares were traded on GEM in each of the twelve months preceding the Latest Practicable Date and up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
October	0.600	0.340
November	0.570	0.175
December	0.169	0.106
2023		
January	0.148	0.117
February	0.209	0.111
March	0.220	0.150
April	0.255	0.203
May	0.224	0.173
June	0.203	0.175
July	0.199	0.142
August	0.157	0.099
September	0.139	0.107
October (up to Latest Practicable Date)	0.123	0.123

7. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If, as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, as recorded in the register required to be kept by the Company pursuant to Section 336 of the SFO and to the best of the Directors' knowledge, information and belief having made all reasonable enquiries, Shanghai Hutong Investments Centre (Limited Partnership)* (上海胡桐投資中心(有限合夥)), United Conquer Limited and Mr. Zhu Yongjun (the "Concert Party Group"), as a group of Shareholders deemed to be acting in concert, were interested in 110,895,955 Shares, representing approximately 21.83% of the issued Shares.

In the event that the Directors exercise in full the power to repurchase the Shares under the Repurchase Mandate (if it is approved by the Shareholders at the Annual General Meeting) and assuming that none of the share options of the Company is exercised, the percentage voting rights controlled by the Concert Party Group in the Company would increase to approximately 24.26% of the issued share capital of the Company. To the best knowledge and belief of the Directors, the Directors are not aware of any consequence under the Takeovers Code as a result of the full exercise of the Repurchase Mandate. The Directors have no intention to exercise the Repurchase Mandate that would result in the number of Shares held by the public would fall below 25% of the total issued share capital of the Company (or such other percentage as may be prescribed as the minimum public shareholding under the GEM Listing Rules).

8. DISCLOSURE OF INTERESTS AND UNDERTAKING

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, has any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons of the Company that they have a present intention to sell any Shares to the Company, or have undertaken not to sell any Shares held by them to the Company, if the Repurchase Mandate is approved by the Shareholders.

9. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the GEM Listing Rules, the Memorandum and Articles of Association of the Company and the applicable laws of the Cayman Islands.

10. SHARE REPURCHASE MADE BY THE COMPANY

No repurchase of Shares (whether on GEM or otherwise) has been made by the Company during the previous six months prior to the Latest Practicable Date.

The particulars of the retiring Directors proposed to be re-elected at the Annual General Meeting are set out below:
