This announcement is made pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of Lee Kee Holdings Limited (the “Company”, and together with its subsidiaries, the “Group”) wishes to inform the shareholders of the Company and investors that based on the preliminary assessment of the Group’s latest unaudited management accounts, the Group is expected to report a loss attributed to equity holders of the Company for the six months ended 30th September 2023 (the “Interim Period”), ranging from approximately HK\$11.8 million to approximately HK\$17.7 million compared to the loss of approximately HK\$7.0 million recorded in the same period in 2022. The loss in the Interim Period was mainly attributed to a decrease in revenue caused by a decline in tonnage sold that was greatly impacted by unfavourable global macroeconomic conditions and a drop in metal prices, particularly zinc. During the Interim Period, the Group recorded an approximate 16.9% decrease in tonnage sold as compared to the same period in 2022.

The information contained in this announcement is only based on the preliminary assessment made by the Company and has not been reviewed or audited by the auditors of the Company. Further details of the results of the Group for the Interim Period (the “Interim Results”) will be provided in the Company’s Interim Results announcement.

Shareholders of the Company and investors are advised to exercise caution when dealing in the shares of the Company.
