## MANAGEMENT DISCUSSION AND ANALYSIS

Save as disclosed above, the Group has applied the net proceeds according to plans as previously disclosed, and the remaining amount of the unutilised net proceeds are expected to be utilised in the same manner as disclosed in the Prospectus, the Change in Use of Proceeds Announcement and the Interim Report.

The expected timeline for fully utilising the unutilised proceeds disclosed above is based on the best estimation from the Board with latest information as at the date of this interim report. The Board confirms that there is no material change in the business nature of the Group as set out in the Prospectus and the Group considers that the delay in use of net proceeds does not have any material adverse impacts on the operation of the Group. However, due to the unstable geopolitical environment on worldwide economies, the Board will continue to closely monitor the situation and evaluate the impacts on the timeline to utilise the unutilised proceeds and will keep shareholders and potential investors informed if there are any material changes.

### EVENTS AFTER REPORTING PERIOD

The Group does not have any significant events after the reporting period and up to the date of this report.

### FUTURE DEVELOPMENT AND OUTLOOK

The Group will continue its efforts to be one of the leading LED lighting solutions providers in Asia. During the six months ended 30 September 2023, approximately 79.4% of our sales originates from the PRC and we believe that the domestic demand from luxury renowned brands will remain active in the PRC market which will therefore require more renovation of retail stores in the PRC's shopping mall. The Group will continue to look for new luxury renowned brands' customers to expand our customer base through our existing network.

Looking ahead, we believe that the recovery brought about by the resumption of cross-border travel will certainly drive the economy growth again, however, there is still uncertainty and with new challenges. We will continue to focus on strengthening our core businesses, and at the same time explore for new business opportunities.
