Third Quarterly Report
第三季度報告

CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on the GEM are generally small and mid-sized companies, there is a risk that securities traded on the GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on the GEM.

Hong Kong Exchange and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

Management Discussion and Analysis

BUSINESS REVIEW

Hanvey Group Holdings Limited (the “**Company**”), and its subsidiaries (collectively refer to as the “**Group**”) are principally engaged in the design and development, manufacturing and distribution of watch products on original design manufacturing basis for watch manufacturers, brand owners and watch importers across the globe.

The Group derives revenue mainly from the sale of: (i) finished watches, (ii) semi-knocked-down kit, and (iii) watch parts.

For the nine months ended 30 September 2023 (the “**Period**”), the Group’s revenue amounted to approximately HK\$143.61 million, decreased by approximately 30.86% when compared with that for the corresponding period of 2022.

The Hong Kong Trade Development Council (“**HKTDC**”) used to conduct a survey every quarter, which involves interviewing 500 local exporters from six major industries that include machinery, electronics, jewellery, watches and clocks, toys and clothing to gauge their business confidence on near-term export prospects. According to the HKTDC’s research entitled: “**HKTDC Export Index 3Q23: Export Sentiment Softens from Two-year High**” dated 27 September 2023, the HKTDC Export Index (the “**Index**”) decreased by 7.3 points to 40.5 in the third quarter of 2023 (“**3Q23**”), after reaching a two-year high of 47.8 in the second quarter of 2023 (“**2Q23**”), mainly due to weakening global demand and continued geopolitical tensions. Timepieces saw the most substantial drop, falling by 15.9 points from 48.8 in the 2Q23 to 32.9 in the 3Q23.

Relatively speaking, Hong Kong exporters are more optimistic about the Asian market. ASEAN performed best with a sub-index of 41.6.

Economic risks remain the top concern. Almost half of the respondents (48.6%) saw economic slowdowns or recession risks in overseas markets as the biggest challenge, followed by rising geopolitical tensions (17.9%) and a lower-than-expected boost from the mainland’s economic recovery (16.5%).

With the economic gradually recovering from the COVID-19 pandemic, the Group will adopt a prudent approach, and continue exercising stringent control over operating costs, aiming to enhance operating efficiency and improve profitability.

PROSPECTS

Looking ahead, the business environment in overseas markets remains uncertain, the risk of an economic slowdown or recession in overseas markets is the biggest challenge to the export performance in the next few months.

The equity market is likely to remain volatile because of the US Federal Reserve continues to raise interest rates, and the cost of capital has risen, which has caused unprecedented difficulties in business operations. Taking into consideration the challenges faced by the Group, the Group will closely observe the market.

For overseas markets, economic growth in Europe and the United States is projected to slow down due to the negative market outlook under high inflation. However, in the Southeast Asian market that we focus on, there is still a huge market demand of automatic mechanical watch and quartz watch. The Group will closely observe the market trend and provide designs that suit the customers and market needs.

We intend to continue to focus on the core business, take efforts in strengthening our product design and developing capability to maximise the long term returns of the shareholders of the Company.

SHARE OPTION SCHEME

The Company has a share option scheme (the “**Share Option Scheme**”) which was approved and adopted by the shareholders of the Company (the “**Shareholder(s)**”) by way of written resolutions passed on 20 June 2018. The Share Option Scheme shall be valid and effective for a period of 10 years commencing on the date it was adopted. The purpose of the Share Option Scheme is to provide incentives or rewards to participants for their contribution to our Group and/or to enable our Group to recruit and retain high-calibre employees and attract human resources that are valuable to our Group and any entity in which our Group holds any equity interest (“**Invested Entity**”).

Under the Scheme, the Board of Directors of the Company may grant options to eligible employees, including directors of the Company and its subsidiaries, to subscribe for shares in the Company. The total number of shares in respect of which options may be granted under the Scheme is not permitted to exceed 10% of the shares in issue at any point in time, without prior approval from the Company’s shareholders. The Company may not grant any options if the number of shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the Scheme and other schemes exceeds 30% of the Shares in issue from time to time. Options granted to the substantial shareholders or Independent Non-executive Directors of the Company in excess of 0.1% of the Company’s share capital or with a value in excess of HK\$5,000,000 must be approved in advance by the Company’s shareholders. The option will be offered for acceptance for a period of not less than five trading days from the date on which the option is granted. Upon acceptance of the option, Directors and eligible employees of the Company shall pay HK\$1.00 to the Company by way of consideration for the grant.

Options may be exercised at any time from the date of grant of the share option to the tenth anniversary of the date of grant. The exercise price is determined by the Board of Directors of the Company, and will not be less than the highest of (i) the nominal value of the Company’s share; (ii) the closing price of the Shares on the date of grant; and (iii) the average closing price of the Shares for the five business days immediately preceding the date of grant. No share options have been granted since the adoption of the Scheme on 28 June 2018.

Management Discussion and Analysis

CORPORATE GOVERNANCE CODE

The Board is of the view that the Company has met the code provisions set out in the Corporate Governance Code (the “**Corporate Governance Code**”) contained in Appendix 15 to the GEM Listing Rules throughout the Period, except for the deviation as specified and explained below with considered reasons for such deviations.

Provision C.2.1 of the Corporate Governance Code stipulates that the roles of chairman and chief executive officer should be separate and should not be performed by the same individual. Mr. Cheuk Sin Cheong Clement is currently both the chairman of our Board and the chief executive officer of our Company. In view of the fact that Mr. Cheuk has been assuming the day-to-day responsibilities in operating and managing our Group since 1986 and the rapid development of our Group, the Board believes that with the support of Mr. Cheuk’s extensive experience and knowledge in the business of the Group, vesting the roles of both the chairman of our Board and the chief executive officer of our Company in Mr. Cheuk strengthens the solid and consistent leadership and thereby allows for efficient business planning and decision which is in the best interest to our Group.

The Directors consider that the deviation from provision C.2.1 of the Corporate Governance Code is appropriate in such circumstances. Notwithstanding the above, the Board is of the view that this management structure is effective for our Group’s operations, and sufficient checks and balances are in place.

CODE OF CONDUCT REGARDING SECURITIES TRANSACTIONS BY DIRECTORS

The Company had adopted a code of conduct regarding securities transactions by Directors on terms no less exacting than the required standard of dealings as set out in Rules 5.48 to 5.67 of the GEM Listing Rules. Having made specific enquiry, the Company confirms that the Directors have complied with required standard of dealings and its code of conduct regarding securities transactions by Directors throughout the Period.

AUDIT COMMITTEE

The Company established an audit committee (the “**Audit Committee**”) on 20 June 2018 with written terms of reference in compliance with Rules 5.28 to 5.33 of the GEM Listing Rules, and paragraph C.3 of the Corporate Governance Code. The members of the Audit Committee comprise Mr. Yu Sau Ning, Homer M.H., Mr. Zhao Zhipeng and Ms. Yee Wai Fong, Wendy. The chairperson of the Audit Committee is Mr. Yu Sau Ning, Homer M.H..

The primary duties of the Audit Committee are mainly to make recommendations to our Board on the appointment and removal of the external auditor, review the financial statements and related materials and provide advice in respect of the financial reporting process and oversee the internal control procedures of our Group.

The financial information in this quarterly report has not been audited by the auditor of the Company, but the Audit Committee has reviewed the unaudited consolidated results of the Group for the Period, which the Audit Committee was of the opinion that such results have been prepared in compliance with the applicable accounting standards and the GEM Listing Rules, and that adequate disclosures have been made.
