MANDATE FOR DISPOSAL OF CHS SHARES;
(2) PROPOSED ADOPTION OF
NEW AMENDED MEMORANDUM AND ARTICLES;
AND
(3) NOTICE OF EXTRAORDINARY GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with, among other things, (i) further details of the Disposal Mandate and the Possible Disposal as disclosed in the Announcement, (ii) the financial information and other information of the Group as required under the Listing Rules; (iii) the information in respect of the special resolutions to be proposed at the EGM relating to the proposed adoption of New Amended Memorandum and Articles; and (iv) a notice of the EGM.

LETTER FROM THE BOARD

(I) THE DISPOSAL MANDATE AND THE POSSIBLE DISPOSAL

DISPOSAL OF CHS SHARES

As disclosed in the Announcement, the Group, through the Seller (a wholly-owned subsidiary of the Company), has disposed of an aggregate of 19,527,000 CHS Shares through the open market at an aggregate consideration of HK\$67,670,720 (excluding transaction costs) during the 12-month period immediately preceding the date of the Announcement (i.e. the Previous Disposal).

As the Previous Disposal was made through the open market, the identities of the buyers of the CHS Shares cannot be ascertained. To the best knowledge, information and belief of the Directors having made all reasonable enquiries, the buyers of the CHS Shares and their respective ultimate beneficial owners are Independent Third Parties and is not a shareholder of the Company.

Each of the applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the Previous Disposal (on standalone or aggregation basis) at the relevant time was less than 5%, the Previous Disposal (on standalone or aggregation basis) did not constitute a notifiable transaction of the Company under Chapter 14 of the Listing Rules at the relevant time.

As at the Latest Practicable Date, the Group, through the Seller, held 1,189,050,693 CHS Shares, representing approximately 72.71% of the total issued share capital of CHS. The Group intends to further dispose of up to 140,000,000 Approved Sale Shares through the open market based on the prevailing market conditions and the actual consideration for the Possible Disposal will be the market price of the CHS Shares at the respective dates of disposal.

Given the volatility of the stock market, disposing shares at the best possible price requires prompt disposal actions at the right timing and it would not be practicable to seek prior Shareholders' approval for each disposal of such CHS Shares.

To allow flexibility in effecting the disposal at appropriate occasions, the Company proposes to seek from its Shareholders the Disposal Mandate subject to certain parameters, including the maximum number of CHS Shares to be disposed of, the Mandate Period, the Trading Mechanism and the Minimum Selling Price as set out below. There is no assurance that the Company will proceed with the Possible Disposal within any particular time frame after obtaining the Disposal Mandate or at all. Whether and when the Company will embark on the disposal depends on a number of factors including the then prevailing market prices and market conditions at the relevant time.

LETTER FROM THE BOARD

The Disposal Mandate may constitute a major transaction of the Company under Chapter 14 of the Listing Rules and is therefore subject to the reporting, announcement, circular and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

THE DISPOSAL MANDATE

1. Mandate Period

The Disposal Mandate shall last for a period of 12 months from the date of passing of the relevant ordinary resolution at the EGM.

2. Maximum number of CHS Shares to be disposed

The Disposal Mandate authorises and empowers the Board to sell up to 140,000,000 CHS Shares.

3. Scope of Authority

The Board is authorised and empowered to determine, decide, execute and implement with full discretion all matters relating to the Possible Disposal, including but not limited to the number of batches of disposals, the number of CHS Shares to be sold in each disposal, and the timing of each disposal.

4. Manner of Disposal

The Possible Disposal shall be conducted in the open market on the Stock Exchange through the trading system of the Stock Exchange and will only be effected if:

- (i) the selling price of each CHS Share shall be based on prevailing market price of CHS Shares at the time making the disposal and shall be conducted in accordance with the Trading Mechanism (as defined below);
- (ii) the Minimum Selling Price per Approved Sale Share shall not be less than HK\$1.00 per CHS Share; and
- (iii) all of the applicable percentage ratios under the Listing Rules for the Possible Disposal (and in aggregation basis with the Previous Disposal in the previous 12-month period) are below 75% ("**75% Limit**").

LETTER FROM THE BOARD

The Company will adopt the following internal control procedures in monitoring the sales of the Approved Sales Shares during the Mandate Period:

At each Possible Disposal

The Company will appoint a licensed securities agent to execute the Possible Disposal on the open market subject to the Trading Mechanism (as defined in paragraph headed “6. Minimum Selling Price” in the Letter from the Board), the Minimum Selling Price as well as an order size limit at each Possible Disposal provided by the Company’s investment department (as authorised by the Board to execute the Possible Disposal) with reference to the terms of the Disposal Mandate (i.e. numbers of Approved Sale Shares and the applicable percentage ratios under Rule 14.07 of the Listing Rules) confirmed with the company secretary of the Company (the “**Company Secretary**”).

The licensed securities agent will provide for the record of the Company the relevant contract notes on the date of relevant Possible Disposal and the investment department will update its record of the transactions of the Approved Sale Shares and provide a report to the Company Secretary on the date after the relevant Possible Disposal. The Company Secretary will review the report and ensure the transactions are complied with Disposal Mandate.

Monthly update

The Company’s investment department and the Company Secretary will provide a joint report on the transactions of the Approved Sale Shares to the Board on monthly basis.

5. Compliance

The Possible Disposal shall comply with relevant applicable laws and regulations, including any applicable trading regulations in Hong Kong. The Group will also report on the progress of the Possible Disposal in the relevant interim report as well as the annual report of the Company in compliance with the Listing Rules.

The Company will re-comply with the Listing Rules requirements and seek another Shareholders’ approval for the Possible Disposal in the event that the Possible Disposal cannot be completed within the Disposal Mandate.

LETTER FROM THE BOARD

As the Possible Disposal will be made through the open market, the Company will not be aware of the identities of the buyers of such CHS Shares and it is expected that the buyer(s) of such CHS Shares will be Independent Third Parties. In the event that the Company becomes aware that any counterparty of the disposed CHS Shares is a connected person of the Company, the Company will comply with the reporting, announcement and independent shareholders' approval requirements under Chapter 14A of the Listing Rules as applicable.

6. Minimum Selling Price

The selling price of CHS Share shall be at the then market price(s) of CHS Share at the relevant time, provided that each disposal in the open market shall be at the market price of no more than 10% discount to the average closing price as quoted on the Stock Exchange for the five (5) consecutive trading days immediately before the date of each disposal during the Mandate Period (the "**Trading Mechanism**"); and shall not be less than HK\$1.00 per CHS Share (i.e. Minimum Selling Price).

The proposed Minimum Selling Price is HK\$1.00 per CHS Share, which is a price that is not less than 50% of the average closing price of HK\$1.89 per CHS Share in the last three months immediately prior to the date of the Announcement (i.e. approximately HK\$0.945 per CHS Share) in consideration of the following factors:–

- (i) the wind power industry is heavily influenced by national policies in the PRC and hence, the uncertainties in stock price movement during the one-year Mandate Period as a result of the potential change of national policies, capital market and stock market conditions; and

LETTER FROM THE BOARD

- (ii) CHS Shares have been traded on a downward trend and based on the closing price of the CHS Shares in the past one year immediately before the date of the Announcement, the highest closing price was HK\$3.88 per CHS Share on 2 February 2023 and the lowest closing price was HK\$1.73 per CHS Share on 19 October 2023. For the last 30, 90 and 180 trading days before the date of the Announcement, the average closing prices of the CHS Shares were approximately HK\$1.89 per CHS Share, HK\$2.25 per CHS Share and HK\$2.57 per CHS Share respectively.

- (iii) the Minimum Selling Price is set at a level that takes into account the volatility in the market price and the trading volume of the CHS Shares in the past 12-month period as shown by the data quoted from Bloomberg and the Stock Exchange, which during the 12-month period immediately before the date of the Announcement (“**12-month Period**”), (a) the closing prices of CHS Shares ranged from HK\$1.73 per share to HK\$3.88 per share, representing a difference of approximately 55.41% during the 12-month Period and the volatility (standard deviation) of the daily return of CHS Shares was 3.09% as compared to 1.58% of that of the Hang Seng Index during the 12-month Period; and (b) the average daily trading volume of the CHS Shares has been thin in general as the monthly average daily trading volume of the CHS Shares as a percentage of the total number of the CHS Shares in issue during the 12-month Period ranged from 0.07% to 0.35% and as percentage of the total number of the CHS Shares held by the public shareholders during the 12-month Period ranged from 0.25% to 1.27%.

The Company notes that the Minimum Selling Price represents a discount of approximately 47% to the average closing price of HK\$1.89 per CHS Share in the last three months immediately prior to the date of the Announcement. Taking into account the declining trend of trading prices of the CHS Shares in the past one year immediately before the date of the Announcement, the volatile nature of the share prices of CHS Shares, the generally low trading volume of the CHS Shares as illustrated above and the bearish market sentiment on the CHS Shares and overall Hong Kong stock market in the past one year, the Minimum Selling Price will allow maximum flexibility for the Directors to accommodate fluctuation in market conditions in the exercise of the Disposal Mandate within a reasonable price range in the event that market sentiments and market conditions are not favourable, and at the same time reflects the lowest acceptable price to dispose of the Approved Sale Shares. In addition, the Trading Mechanism will also safeguard the interest of the Company and the Shareholders as a whole by ensuring that each disposal will not deviate from the prevailing trading prices of the CHS Shares.

LETTER FROM THE BOARD

The Directors noted that the Minimum Selling Price represents a discount of approximately 88% to net asset value per CHS Share as at 30 June 2023. However, considering the CHS Shares had been consistently traded at a substantial discount to the net assets value per Share for the 2023 (up to the date of the Announcement) (ranging from a minimum discount of approximately 54.15% to a maximum discount of approximately 79.55%), the Company considered that the net asset value per CHS Share may not be a appropriate reference.

As set out in “4. Manner of Disposal” above, the Possible Disposal will be made at prevailing market prices of CHS Shares on the open market, and the Minimum Selling Price only reflects the lowest acceptable selling price per CHS Shares and is not reflective of the final selling price per CHS Shares in any Possible Disposal(s).

INFORMATION ON THE COMPANY AND THE SELLER

The Company

The Company is a company incorporated in the Cayman Islands with limited liability, whose issued Shares are listed on the Main Board of the Stock Exchange under the stock code 607. The Group (excluding CHS Group) is principally engaged in (a) property development and investment, (b) tourism, (c) investment and financial services, and (d) provision of healthcare and education products and services.

Seller

The Seller is a direct wholly-owned subsidiary of the Company and is principally engaged in the investment holding business.

INFORMATION ON CHS

CHS is a company incorporated in the Cayman Islands with limited liability, whose issued shares are listed on the Main Board of the Stock Exchange under the stock code 658. CHS Group is principally engaged in the research, design, development, manufacture and sales of a broad range of mechanical transmission equipment that is used in wind power and a wide range of industrial applications and trade of goods.

LETTER FROM THE BOARD

Set out below is the extracted audited consolidated financial information of CHS Group for the two financial years ended 31 December 2021 and 31 December 2022:

	For the year ended 31 December 2021 <i>(RMB'million)</i>	For the year ended 31 December 2022 <i>(RMB'million)</i>
Revenue	20,211	21,080
Profit before income tax	1,632	1,044
Profit for the year	1,397	644

Based on the interim report of CHS for the six months ended 30 June 2023, the unaudited net assets of CHS as at 30 June 2023 is RMB13,837 million.

REASONS FOR AND BENEFITS OF THE POSSIBLE DISPOSAL AND THE DISPOSAL MANDATE

To allow flexibility in effecting future disposal(s) of CHS Shares at appropriate time(s) and price(s) so as to maximise the returns to the Company and to improve the liquidity position of the Group for repayment of its short term loans, the Board proposes to seek approval for the Disposal Mandate and the Possible Disposal from the Shareholders at the EGM in advance to allow the Directors to dispose of the Approved Sale Shares during the Mandate Period.

The number of Approved Sale Shares (together with the 75% Limit) is determined with reference to (i) the trading volume of CHS Shares in the past one year as disclosed above; (ii) the recent market prices of CHS Shares; and (iii) the amount of the expected gross proceeds of approximately HK\$260 million based on the closing price of CHS Shares as at the date of the Announcement can be realised from the Possible Disposal based on the recent market prices of CHS Shares for the repayment of the Group's interest-bearing loans. In addition, it is the Company's intention to remain as the majority shareholder of CHS.

The limit on the number of the Approved Sale Share (together with the 75% Limit) can potentially:

1. limit the downward pressure on CHS Share price due to the disposal to the detriment of shareholders of the CHS as a whole by restricting the volume of CHS Shares that can be sold in any one year and the discount to market price at which those shares can be sold;

LETTER FROM THE BOARD

2. allow the Company (and therefore indirectly the shareholders of the Company as a whole) to benefit upon disposal of the CHS Shares from future improvement in market price of the CHS Shares by realizing those shares at a higher price and/or sell fewer CHS Shares; and
3. the Company will remain as the majority shareholder of the CHS holding more than 50% of CHS Shares.

In the event that the Company becomes aware that, taking into account of the then market conditions, the terms of the Disposal Mandate in particular, the predetermined number of the Approved Sale Shares (together with the 75% Limit), are unable to meet the funding requirements of the Group as intended, the Company will re-comply with the Listing Rules requirements and seek another Shareholders' approval for the Disposal Mandate as applicable.

In addition, the Board is of the view that the appropriate measures as disclosed in the paragraph headed "Information about the Disposal Mandate" are in place to safeguard the interests of the Company and its Shareholders as a whole for the Disposal Mandate including:

- (i) the Possible Disposal will be conducted in the open market based on the prevailing market price of CHS Shares and subject to the price limit as reference to the Trading Mechanism;
- (ii) the Minimum Selling Price and specific time period have been set for the Possible Disposal;
- (iii) the number of the Approved Sale Shares represents the maximum number of CHS Shares can be disposed of under the Disposal Mandate and as detailed in paragraph headed "4. Manner of the Disposal" above, the applicable percentage ratios of each Possible Disposal and in aggregation basis with the Previous Disposal in the previous 12-month period shall not be 75% or more.

Assuming that all 140,000,000 Approved Sale Shares will have been disposed of within the Mandate Period at the closing price of each CHS Share as at the date of the Announcement of HK\$1.86 per CHS Share, the Company is expected to receive the gross proceeds of HK\$260.4 million.

LETTER FROM THE BOARD

Based on the latest interim reports of the Group and the CHS Group for the six months ended 30 June 2023, the Group (excluding CHS Group) has interest bearing loans from financial institutions (“**Financial Institutions**”) in an aggregate principal amount of approximately RMB1,347 million due to be paid within one year, bearing interest rates from approximately 6% per annum to 9% per annum. Considering the cash position of the Group (excluding CHS Group) of approximately RMB106 million as at 30 June 2023, the Directors have been exploring various fund raising opportunities, including the subscriptions under general mandate with net proceeds of HK\$186.5 million completed on 19 October 2023 with a view to ease the short term financial stress and lower the interest burden of the Group.

The Group considers the Possible Disposal provides an opportunity to partially realise its interest in CHS so as to enhance the cash position, reduce the finance costs and to accommodate the liquidity needs of the Group. The Company intends to use the proceeds from the Possible Disposal for repayment of the Group’s loans from Financial Institutions.

To the best of the Directors’ knowledge, information and belief, and having made all reasonable enquiries, the Financial Institutions and their respective ultimate beneficial owners are Independent Third Parties.

The Company will inform the Shareholders by way of an announcement if there is any material change in the use of proceeds.

As the Possible Disposal will be made at prevailing market price and on the open market of the Stock Exchange, the Directors consider that the terms of the Possible Disposal and the Disposal Mandate are fair and reasonable, on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

FINANCIAL IMPACT OF THE POSSIBLE DISPOSAL

As a result of the Possible Disposal, assuming all Approved Sale Shares are sold within the Mandate Period, the shareholding interest of the Company in CHS will decrease from approximately 72.71% to approximately 64.15%. CHS will continue to be an indirect non-wholly owned subsidiary of the Company and its financial results will continue to be consolidated with each of the Group’s results. The Possible Disposal is accounted for as equity transaction and it is expected that it will have no gain or loss to be recognised in profit or loss arising from the Possible Disposal for the Company.

LETTER FROM THE BOARD

LISTING RULES IMPLICATIONS

Assuming that all the Approved Sale Shares will have been disposed of within the Mandate Period at the closing price of each CHS Share as at the date of the Announcement, one of the applicable percentage ratios of the Possible Disposal alone or when aggregated with the Previous Disposal conducted in the previous 12-month period from the Previous Disposal may exceed 25% but be less than 75%, the Possible Disposal may constitute a major transaction of the Company under Chapter 14 of the Listing Rules and shall be subject to the reporting, announcement, circular and Shareholders' approval requirements under Chapter 14 of the Listing Rules.

GENERAL

None of the Directors has a material interest in the Possible Disposal and the Disposal Mandate and hence no Director was required to abstain from voting on the Board resolution(s) approving the same.

There is no assurance that the Company will proceed with the Possible Disposal after obtaining the Disposal Mandate. Whether and when the Company will proceed with the Possible Disposal or not will depend on a number of factors including without limitation the prevailing market sentiments and market conditions at the proposed time of executing the Possible Disposal. Shareholders and potential investors of the Company are therefore advised to exercise extreme caution when dealing in the Shares.

(II) PROPOSED ADOPTION OF NEW AMENDED MEMORANDUM AND ARTICLES

Pursuant to the Consultation Conclusions on Listing Regime for Overseas Issuers published by the Stock Exchange in November 2021, the Listing Rules have been amended with effect from 1 January 2022 which requires, among others, listed issuers to adopt a uniform set of "Core Standards" for shareholder protections.

At the EGM, a special resolution will be proposed to adopt the new amended and restated Memorandum and Articles of Association (the "**New Amended Memorandum and Articles**") to replace the existing amended and restated Memorandum and Articles of Association. The main reasons for the adoption of the New Amended Memorandum and Articles are among others, to bring the Memorandum and Articles of Association in line with the amendments made to the Listing Rules and the applicable laws of the Cayman Islands.

LETTER FROM THE BOARD

The major proposed amendments in the New Amended Memorandum and Articles are summarised as follows:

1. to require the annual general meeting to be held in each financial year and such annual general meeting shall be held within six months after the end of the Company's financial year unless a long period would not infringe the Listing Rules;
2. to provide for shareholders right to speak and vote at a general meeting except a shareholder is required, by the applicable rules of a designated stock exchange to abstain from voting to approve the matter under consideration;
3. to provide for shareholders right to convene an extraordinary general meeting and propose resolutions to the general meeting agenda;
4. to require an ordinary resolution of shareholders to approve the appointment, removal and remuneration of the Company's auditors;
5. to revise the situations that the directors of the Company shall not vote (nor be counted in the quorum) on resolutions of directors;
6. to allow the declaration and payment of dividends by the directors from the share premium account of the Company without the sanction of ordinary resolutions; and
7. other amendments to better align with core shareholder protection standards in the Listing Rules and the wordings of applicable laws of Cayman Islands.

Details of the proposed changes to the existing amended and restated Memorandum and Articles of Association brought about by the adoption of the New Amended Memorandum and Articles are set out in Appendix III to this circular. A special resolution will be proposed at the EGM to approve the New Amended Memorandum and Articles.

Reference is also made to the circular of the Company dated 13 November 2023. The Company will hold an extraordinary general meeting on 30 November 2023 to obtain Shareholder's approval for, amongst other things, the Share Consolidation and the Increase in Authorised Share Capital. In the event that the relevant resolutions for the Share Consolidation and the Increase in Authorised Share Capital are passed at the extraordinary general meeting on 30 November 2023, two special resolutions will be proposed at the EGM to further amend, (in the case of Share Consolidation) clause 8 of the new amended and restated memorandum of association of the Company and article 3(1) of the new amended and restated articles of association of the Company, and (in the case of Increase in Authorised Share Capital) clause 8 of the new amended and restated memorandum of association of the Company, in order to reflect the effect of the Share Consolidation and the Increase in Authorised Share Capital in the New Amended Memorandum and Articles.

LETTER FROM THE BOARD

The legal advisers to the Company as to Hong Kong laws have confirmed that the Proposed Amendments to the existing amended and restated Memorandum and Articles of Association are not inconsistent with the requirements of the Listing Rules so far as they are applicable and the legal advisers to the Company as to Cayman Islands laws have confirmed that the Proposed Amendments to the existing amended and restated Memorandum and Articles of Association are not inconsistent with the applicable laws of Cayman Islands.

The Company confirms that there is nothing unusual about the Proposed Amendments to the existing amended and restated Memorandum and Articles of Association. The Shareholders are advised that the New Amended Memorandum and Articles are available only in English and the Chinese translation of the New Amended Memorandum and Articles provided in Appendix III to this circular in Chinese is for reference only. In case of any inconsistency, the English version shall prevail.

4. Contingent liabilities

As at 30 September 2023, contingent liabilities not provided for in the consolidated financial statements were as follows:

- (i) As at 30 September 2023, the Group had contingent liabilities in relation to guarantees of approximately RMB2,608,000 given to banks in connection with mortgage facilities granted to purchasers of certain property units.
- (ii) In addition, as at 30 September 2023, financial guarantees were given to one associate and three independent third parties in favour of bank loans of RMB29,687,000 and RMB1,139,800,000, respectively. These amounts represented the balances that the Group could be required to be paid if the guarantees were called upon in its entirety, out of which RMB2,859,000 was recognised as liabilities for the financial guarantees.
- (iii) On 30 August 2019, a sale and purchase agreement was entered into between an independent third party (the “**Purchaser**”), Fullshare Value Fund I (A) L.P. (the “**Vendor**”), a joint venture of the Group, and the general partner of the Vendor, pursuant to which the Vendor agreed to sell, and the Purchaser agreed to purchase, 100% of the issued and paid-up shares of Five Seasons XXII Limited (“**BVI SPV**”), a wholly-owned subsidiary of the Vendor, subject to the terms and conditions thereof. The BVI SPV indirectly holds the interests of GSH Plaza in Singapore. The former owner of the GSH Plaza is under certain legal cases with the property builders.

On the same day, in order to facilitate the conclusion of the sales, the Company entered into a deed of guarantee with the Purchaser, pursuant to which, the Company agreed to guarantee to the Purchaser the due and punctual performance and observance by the Vendor of the Vendor's obligations under the sale and purchase agreement, subject to a maximum liability of up to SGD169,822,000 (equivalent to approximately RMB906,666,000) (the "Guarantee money"). The Guarantee money is used to compensate the Purchaser for any adverse effect of the legal cases. These Guarantee money would be reimbursed by the former owner.

In the opinion of the directors, based on the claim history from the purchaser to the Group and the reimbursement history from the former owner to the Group, the possibility of default or inability of discharging the relevant obligations by the Group is remote. Accordingly, no provision in relation to the guarantee has been made as at 30 September 2023.

Save as aforesaid or as otherwise disclosed herein, and apart from intra-group liabilities and normal trade and other payables in the ordinary course of business, the Group did not have any other debt securities issued and outstanding or authorised or otherwise created but unissued, term loans, other borrowings or indebtedness in the nature of borrowing, mortgages or charges, contingent liabilities or guarantees as at 30 September 2023.

3. WORKING CAPITAL SUFFICIENCY

The Directors are of the opinion that, taking into account the effect of the Possible Disposal, the internally generated funds, existing facilities available to the Group and financial resources presently available to the Group, the Group will have sufficient working capital for its present requirements for at least the next twelve months from the date of the publication of this circular, in the absence of unforeseeable circumstances.

4. MATERIAL ADVERSE CHANGE

As at the Latest Practicable Date, the Directors are not aware of any material adverse change in the financial position or trading position of the Group since 31 December 2022 being the date to which the latest published audited financial statements of the Group was made up.

5. FINANCIAL AND TRADING PROSPECTS OF THE GROUP

Based on the latest interim reports of the Group and the CHS Group for the six months ended 30 June 2023, the Group (excluding CHS Group) has interest bearing loans from financial institutions in an aggregate principal amount of approximately RMB1,347 million due to be paid within one year. Taking into account the cash position of the Group (excluding CHS Group) of approximately RMB106 million as at 30 June 2023, the Directors consider that the Disposal Mandate will allow the Group to partially realise its interest in CHS so as to strengthen the Group's cash position in order to accommodate the liquidity needs of the Group.

As disclosed in the annual report of the Company for the year ended 31 December 2022, the Group will pursue steady growth on existing business segments, combine with the layout of the big healthcare industry, pay close attention to the market, especially the domestic high-quality big healthcare projects, and invest with a cautious attitude. At the same time, resource operation and integration will be carried out on the resource side and platform side of self-operation, equity participation and cooperation in order to achieve a considerable comprehensive return. The Group firmly believes that a diversified business portfolio can bring sustainable and stable revenue, and that the synergies between the businesses will be fully utilized, thus laying a solid foundation for the Group's development.

The Group will continue to strive for a prudent financial management policy, improve the effectiveness of capital utilisation, strengthen internal corporate governance, control operational and financial risks and enhance its risk resistance capability.

To every such separate general meeting all the provisions of these Articles relating to general meetings of the Company shall, *mutatis mutandis*, apply, but so that:

- (a) the necessary quorum (other than at an adjourned meeting) shall be two persons (or in the case of a Member being a corporation, its duly authorized representative) holding or representing by proxy not less than one-third ~~in nominal value~~ of the issued shares of that class and at any adjourned meeting of such holders, two holders present in person or (in the case of a Member being a corporation, its duly authorized representative) or by proxy (whatever the number of shares held by them) shall be a quorum;
- (b) every holder of shares of the class shall be entitled on a poll to one vote for every such share held by him; and
- (c) any holder of shares of the class present in person or by proxy or authorised representative may demand a poll.

11. The special rights conferred upon the holders of any shares or class of shares shall not, unless otherwise expressly provided in the rights attaching to or the terms of issue of such shares, be deemed to be varied, modified or abrogated by the creation or issue of further shares ranking *pari passu* therewith.

SHARES

12. (1) Subject to the ~~Law~~ Act, these Articles, any direction that may be given by the Company in general meeting and, where applicable, the rules of any Designated Stock Exchange and without prejudice to any special rights or restrictions for the time being attached to any shares or any class of shares, the unissued shares of the Company (whether forming part of the original or any increased capital) shall be at the disposal of the Board, which may offer, allot, grant options over or otherwise dispose of them to such persons, at such times and for such consideration and upon such terms and conditions as the Board may in its absolute discretion determine but so that no shares shall be issued at a discount. Neither the Company nor the Board shall be obliged, when making or granting any allotment of, offer of, option over or disposal of shares, to make, or make available, any such allotment, offer, option or shares to Members or others with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable. Members affected as a result of the foregoing sentence shall not be, or be deemed to be, a separate class of members for any purpose whatsoever.

(2) The Board may issue warrants or convertible securities or securities of similar nature conferring the right upon the holders thereof to subscribe for any class of shares or securities in the capital of the Company on such terms as it may from time to time determine.

13. The Company may in connection with the issue of any shares exercise all powers of paying commission and brokerage conferred or permitted by the ~~Law~~ Act. Subject to the ~~Law~~ Act, the commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one and partly in the other.

14. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or required in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any fractional part of a share or (except only as otherwise provided by these Articles or by law) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

15. Subject to the ~~Law~~ Act and these Articles, the Board may at any time after the allotment of shares but before any person has been entered in the Register as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Board considers fit to impose.

SHARE CERTIFICATES

16. Every share certificate shall be issued under the Seal or a facsimile thereof and shall specify the number and class and distinguishing numbers (if any) of the shares to which it relates, and the amount paid up thereon and may otherwise be in such form as the Directors may from time to time determine. No certificate shall be issued representing shares of more than one class. The Board may by resolution determine, either generally or in any particular case or cases, that any signatures on any such certificates (or certificates in respect of other securities) need not be autographic but may be affixed to such certificates by some mechanical means or may be printed thereon.

17. (1) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one certificate therefor and delivery of a certificate to one of several joint holders shall be sufficient delivery to all such holders.

Where a share stands in the names of two or more persons, the person first named in the Register shall as regards service of notices and, subject to the provisions of these Articles, all or any other matters connected with the Company, except the transfer of the shares, be deemed the sole holder thereof.

18. Every person whose name is entered, upon an allotment of shares, as a Member in the Register shall be entitled, without payment, to receive one certificate for all such shares of any one class or several certificates each for one or more of such shares of such class upon payment for every certificate after the first of such reasonable out-of-pocket expenses as the Board from time to time determines.

19. Share certificates shall be issued within the relevant time limit as prescribed by the ~~Law~~ Act or as the Designated Stock Exchange may from time to time determine, whichever is the shorter, after allotment or, except in the case of a transfer which the Company is for the time being entitled to refuse to register and does not register, after lodgment of a transfer with the Company.

20. (1) Upon every transfer of shares the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the shares transferred to him at such fee as is provided in paragraph (2) of this Article. If any of the shares included in the certificate so given up shall be retained by the transferor a new certificate for the balance shall be issued to him at the aforesaid fee payable by the transferor to the Company in respect thereof.

(2) The fee referred to in paragraph (1) above shall be an amount not exceeding the relevant maximum amount as the Designated Stock Exchange may from time to time determine provided that the Board may at any time determine a lower amount for such fee.

21. If a share certificate shall be damaged or defaced or alleged to have been lost, stolen or destroyed a new certificate representing the same shares may be issued to the relevant Member upon request and on payment of such fee as the Designated Stock Exchange may determine to be the maximum fee payable or such lesser sum as the Board may determine and, subject to compliance with such terms (if any) as to evidence and indemnity and to payment of the costs and reasonable out-of-pocket expenses of the Company in investigating such evidence and preparing such indemnity as the Board may think fit and, in case of damage or defacement, on delivery of the old certificate to the Company provided always that where share warrants have been issued, no new share warrant shall be issued to replace one that has been lost unless the Directors are satisfied beyond reasonable doubt that the original has been destroyed.

LIEN

22. The Company shall have a first and paramount lien on every share (not being a fully paid share) for all moneys (whether presently payable or not) called or payable at a fixed time in respect of that share. The Company shall also have a first and paramount lien on every share (not being a fully paid share) registered in the name of a Member (whether or not jointly with other Members) for all amounts of money presently payable by such Member or his estate to the Company whether the same shall have been incurred before or after notice to the Company of any equitable or other interest of any person other than such member, and whether the period for the payment or discharge of the same shall have actually arrived or not, and notwithstanding that the same are joint debts or liabilities of such Member or his estate and any other person, whether a Member of the Company or not. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.

23. Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.

24. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.

27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.

28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.

29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.

32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:

- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
- (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.

(2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.

35. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.

36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.

37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.

41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:

- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
- (b) the date on which each person was entered in the Register; and
- (c) the date on which any person ceased to be a Member.

(2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.

44. The Register and branch register of Members, as the case may be, shall be open to inspection for at least two (2) hours on every business day by Members without charge or by any other person, upon a maximum payment of \$2.50 or such lesser sum specified by the Board, at the Office or such other place in the Cayman Islands at which the Register is kept in accordance with the ~~Law Act~~ or, if appropriate, upon a maximum payment of HK\$1.00 or such lesser sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper or any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45. Notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:

- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue and such record date may be on, or at any time not more than thirty (30) days before or after, any date on which such dividend, distribution, allotment or issue is declared, paid or made;
- (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.

47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.

(2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.

(3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

(4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place in the Cayman Islands at which the Register is kept in accordance with the Law Act.

49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:–

- (a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;

- (b) the instrument of transfer is in respect of only one class of share;
- (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the ~~Law~~ Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (d) if applicable, the instrument of transfer is duly and properly stamped.

50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.

51. The registration of transfers of shares or of any class of shares may, after notice has been given by advertisement in an appointed newspaper or any other newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine.

TRANSMISSION OF SHARES

52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.

53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article ~~75(2)~~72(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

(2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:

- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles of the Company have remained uncashed;
- (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
- (c) the Company, if so required by the rules governing the listing of shares on the Designated Stock Exchange, has given notice to, and caused advertisement in newspapers in accordance with the requirements of, the Designated Stock Exchange to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

(3) To give effect to any such sale the Board may authorize some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

~~56. An annual general meeting of the Company shall be held in each year other than the year of the Company's incorporation (within a period of not more than fifteen (15) months after the holding of the last preceding annual general meeting or not more than eighteen (18) months after the date of incorporation, unless a longer period would not infringe the rules of the Designated Stock Exchange, if any) at such time and place as may be determined by the Board.~~

56. An annual general meeting of the Company shall be held in each financial year other than the financial year of the Company's adoption of these Articles and such annual general meeting must be held within six (6) months after the end of the Company's financial year unless a longer period would not infringe the Listing Rules (if any).

57. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. General meetings may be held in any part of the world, as may be determined by the Board.

58. The Board may whenever it thinks fit call extraordinary general meetings. Any one or more Members holding at the date of deposit of the requisition not less than one-tenth of the paid-up voting rights on a one vote per share basis in the share capital of the Company ~~carrying the right of voting at general meetings of the Company~~ shall at all times have the right, by written requisition to the Board or the Secretary of the Company, to require an extraordinary general meeting to be called by the Board for the transaction of any business or resolution specified in such requisition and add resolutions to the agenda of a meeting; and such meeting shall be held within two (2) months after the deposit of such requisition. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the ~~requisitionist(s)~~ requisitionist(s) himself (themselves) may do so in the same manner, and all reasonable expenses incurred by the requisitionist(s) as a result of the failure of the Board shall be reimbursed to the requisitionist(s) by the Company.

NOTICE OF GENERAL MEETINGS

59. (1) An annual general meeting and any extraordinary general meeting at which the passing of a special resolution is to be considered shall be called by not less than twenty-one (21) clear days' Notice. All other extraordinary general meetings may be called by not less than fourteen (14) clear days' Notice but a general meeting may be called by shorter notice, subject to the ~~Law~~Act, if it is so agreed:

- (a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and
- (b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together holding not less than ninety-five per cent. (95%) in nominal value of the issued shares giving that right.

(2) The notice shall specify the time and place of the meeting and, in case of special business, the general nature of the business. The notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notice from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors and the Auditors.

60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

61. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of:

- (a) the declaration and sanctioning of dividends;
- (b) consideration and adoption of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet;
- (c) the election of Directors whether by rotation or otherwise in the place of those retiring;

- (d) appointment of Auditors (where special notice of the intention for such appointment is not required by the ~~Law~~ Act) and other officers;
- (e) the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors;
- (f) the granting of any mandate or authority to the Directors to offer, allot, grant options over or otherwise dispose of the unissued shares in the capital of the Company representing not more than 20 per cent. in nominal value of its existing issued share capital; and
- (g) the granting of any mandate or authority to the Directors to repurchase securities of the Company.

(2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. Two (2) Members entitled to vote and present in person or by proxy or (in the case of a Member being a corporation) by its duly authorised representative shall form a quorum for all purposes.

62. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.

63. The chairman of the Company shall preside as chairman at every general meeting. If at any meeting the chairman, is not present within fifteen (15) minutes after the time appointed for holding the meeting, or is not willing to act as chairman, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by proxy and entitled to vote shall elect one of their number to be chairman.

64. The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment.

65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

~~66. Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a show of hands every Member present in person (or being a corporation, is present by a duly authorized representative), or by proxy shall have one vote and on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. A resolution put to the vote of a meeting shall be decided on a show of hands unless a poll is taken as may from time to time be required under the rules of the Designated Stock Exchange or any other applicable laws, rules or regulations or unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:~~

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that, in the case of a physical meeting, the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person (or being a corporation, is present by a duly authorized representative), or by proxy(ies) shall have one vote provided that where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Director or the chairman of the meeting may determine.

(2) In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:

~~(a) — by the chairman of such meeting; or~~

~~(a)(b)~~ by at least three Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or

~~(b)(e)~~ by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or

~~(c)(d)~~ by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right; ~~or.~~

~~(e) — if required by the rules of the Designated Stock Exchange, by any Director or Directors who, individually or collectively, hold proxies in respect of shares representing five per cent. (5%) or more of the total voting rights at such meeting.~~

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by a Member.

~~67. Unless a poll is taken as may from time to time be required under the rules of the Designated Stock Exchange or any other applicable laws, rules or regulations or unless a poll is duly demanded and the demand is not withdrawn Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution. The result of the poll shall be deemed to be the resolution of the meeting. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules.~~

~~68. If a poll is duly demanded the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the rules of the Designated Stock Exchange.~~

~~69. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken in such manner (including the use of ballot or voting papers or tickets) and either forthwith or at such time (being not later than thirty (30) days after the date of the demand) and place as the chairman directs. It shall not be necessary (unless the chairman otherwise directs) for notice to be given of a poll not taken immediately.~~

~~70. The demand for a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which the poll has been demanded, and, with the consent of the chairman, it may be withdrawn at any time before the close of the meeting or the taking of the poll, whichever is the earlier.~~

~~68.71.~~ On a poll votes may be given either personally or by proxy.

~~69.72.~~ A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

~~70.73.~~ All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Law Act. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.

~~71.74:~~ Where there are joint holders of any share any one of such joint holder may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

~~72.75:~~ (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, whether on a show of hands or on a poll, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote on a poll by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting or poll, as the case may be.

(2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.

~~73.76:~~ (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.

(2) All Members (including a Member which is a clearing house (or its nominee(s)) have the right to (a) speak at a general meeting; and (b) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration.

~~(3)(2)~~ Where any Member is, under the rules of the Designated Stock Exchange, required to abstain from voting on any particular resolution or restricted to voting only for or only against any particular resolution any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted.

~~74.77.~~ If:

- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

~~75.78.~~ Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.

~~76.79.~~ The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.

~~77.80:~~ The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate) not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than twenty-four (24) hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

~~78.81:~~ Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

~~79.82:~~ A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting, or the taking of the poll, at which the instrument of proxy is used.

~~80.83:~~ Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply mutatis mutandis in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

~~81.84.~~(1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.

(2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may appoint proxies or authorise such persons as it thinks fit to act as its representatives, who enjoy rights equivalent to the rights of other Members, at any meeting of the Company (including but not limited to any general meeting and creditors meeting) or at any meeting of any class of Members provided that the authorisation shall specify the number and class of shares in respect of which each such representative or proxy is so authorised. Each person so authorised under the provisions of this Article shall be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including the right to speak and vote, and where a show of hands is allowed, the right to vote individually on a show of hands.

~~135.138.~~ Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:

- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and

- (b) all dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.

~~136.139.~~ The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

~~137.140.~~ The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares all sums of money (if any) presently payable by him to the Company on account of calls or otherwise.

~~138.141.~~ No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company.

~~139.142.~~ Any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant sent through the post addressed to the holder at his registered address or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one of two or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders.

~~140.143.~~ All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

~~141.144.~~ Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

~~142.145.~~ (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, the Board may further resolve either:

- (a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:
 - (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

- (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (“the non-elected shares”) and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or
- (b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:
- (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks’ Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

- (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised (“the elected shares”) and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2)
 - (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (2) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
 - (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

(5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall mutatis mutandis apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

~~143.146.~~ (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. The Company may apply the share premium account in any manner permitted by the Law Act. The Company shall at all times comply with the provisions of the Law Act in relation to the share premium account.

(2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

~~144.~~~~147.~~ The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.

~~145.~~~~148.~~ The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

~~146.~~~~149.~~ The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the ~~Law~~ Act:

(1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:

- (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the “Subscription Rights Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
- (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and

(d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.

(2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

(3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.

(4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

ACCOUNTING RECORDS

~~147.150.~~ The Board shall cause true accounts to be kept of the sums of money received and expended by the Company, and the matters in respect of which such receipt and expenditure take place, and of the property, assets, credits and liabilities of the Company and of all other matters required by the ~~Law~~ Act or necessary to give a true and fair view of the Company's affairs and to explain its transactions.

~~148.151.~~ The accounting records shall be kept at the Office or, at such other place or places as the Board decides and shall always be open to inspection by the Directors. No Member (other than a Director) shall have any right of inspecting any accounting record or book or document of the Company except as conferred by law or authorised by the Board or the Company in general meeting.

~~149.152.~~ A printed copy of the Directors' report, accompanied by the balance sheet and profit and loss account, including every document required by law to be annexed thereto, made up to the end of the applicable financial year and containing a summary of the assets and liabilities of the Company under convenient heads and a statement of income and expenditure, together with a copy of the Auditors' report, shall be sent to each person entitled thereto at least twenty-one (21) days before the date of the general meeting and laid before the Company at the annual general meeting held in accordance with Article 56 provided that this Article shall not require a copy of those documents to be sent to any person whose address the Company is not aware of or to more than one of the joint holders of any shares or debentures.

~~150.153.~~ Subject to due compliance with all applicable Statutes, rules and regulations, including, without limitation, the rules of the Designated Stock Exchange, and to obtaining all necessary consents, if any, required thereunder, the requirements of Article ~~152~~149 shall be deemed satisfied in relation to any person by sending to the person in any manner not prohibited by the Statutes and instead of such copies, a summary financial statement derived from the Company's annual accounts and the directors' report which shall be in the form and containing the information required by applicable laws and regulations, provided that any person who is otherwise entitled to the annual financial statements of the Company and the directors' report thereon may, if he so requires by notice in writing served on the Company, demand that the Company sends to him, in addition to a summary financial statement, a complete printed copy of the Company's annual financial statement and the directors' report thereon.
