The Share Subdivision is conditional upon, among other things, the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Subdivision.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 4,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Subdivision becoming effective, the board lot size for trading on the Stock Exchange be changed from 4,000 Existing Shares to 2,000 Subdivided Shares.

GENERAL

The EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the Share Subdivision. A circular containing, among other things, further details of the Share Subdivision, the Change in Board Lot Size and the notice of the EGM is expected to be despatched to the Shareholders on or before Friday, 5 January 2024.

Shareholders and potential investors of the Company should take note that the Share Subdivision is conditional upon the fulfilment of certain conditions set out in this announcement and the Change in Board Lot Size is conditional upon the Share Subdivision becoming effective. Therefore, the Share Subdivision and the Change in Board Lot Size may or may not proceed.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company, and if they are in any doubt about their position, they should consult their professional advisers.

PROPOSED SHARE SUBDIVISION

The Board proposes to implement the Share Subdivision on the basis that each Existing Share of par value of HK\$0.01 each in the share capital of the Company be subdivided into four (4) Subdivided Shares of par value of HK\$0.0025 each.

Effects of the Share Subdivision

As at the date of this announcement, the authorised share capital of the Company is HK\$100,000,000 divided into 10,000,000,000 Shares of par value of HK\$0.01 each, and there are 1,000,000,000 Existing Shares in issue which are fully paid or credited as fully paid. The Company has no outstanding convertible securities, call options or warrants in issue, which confer any rights to subscribe for, convert or exchange into Existing Shares as at the date of this announcement. Assuming no further Shares will be issued or repurchased from the date of this announcement up to the date of the EGM, upon the Share Subdivision becoming effective, there will be 4,000,000,000 Subdivided Shares in issue which are fully paid or credited as fully paid. The authorised share capital of the Company will be HK\$100,000,000 divided into 40,000,000,000 Subdivided Shares of par value of HK\$0.0025 each.

Upon the Share Subdivision becoming effective, the Subdivided Shares shall rank *pari passu* in all respects with each other in accordance with the articles of association of the Company and shall have the same rights and privileges and be subject to the same restriction as the Shares in issue prior to the Share Subdivision, and the Share Subdivision will not result in any change in the relevant rights of the Shareholders.

Conditions of the Share Subdivision

The Share Subdivision is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders at the EGM to approve the Share Subdivision;
- (ii) the Stock Exchange granting the listing of, and permission to deal in, the Subdivided Shares upon the Share Subdivision becoming effective; and
- (iii) the compliance with all relevant procedures and requirements and the obtaining of all necessary approvals from the regulatory authorities or otherwise as may be required (if any) under the applicable laws of Cayman Islands and the requirements from the Stock Exchange to effect the Share Subdivision.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the Subdivided Shares upon the Share Subdivision becoming effective.

Subject to the granting of the approval for the listing of, and the permission to deal in, the Subdivided Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Subdivided Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the Subdivided Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Subdivided Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt on any other stock exchange other than the Stock Exchange, and at the time the Share Subdivision becomes effective, the Subdivided Shares in issue will not be listed or dealt on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded on the Stock Exchange in board lots of 4,000 Existing Shares. It is proposed that, subject to and conditional upon the Share Subdivision becoming effective, the board lot size for trading on the Stock Exchange be changed from 4,000 Existing Shares to 2,000 Subdivided Shares.

Based on the closing price of HK\$8.550 per Existing Share (equivalent to the theoretical closing price of HK\$2.1375 per Subdivided Share) as at the date of this announcement, (i) the market value of each board lot of 4,000 Existing Shares is HK\$34,200; (ii) the market value of each board lot of 4,000 Subdivided Shares would be HK\$8,550, assuming the Share Subdivision had become effective; and (iii) the estimated market value of each board lot of 2,000 Subdivided Shares would be HK\$4,275 on the assumption that the Change in Board Lot Size had also become effective.

The Change in Board Lot Size will not result in any change in the relative rights of the Shareholders.

EXCHANGE OF SHARE CERTIFICATES

Subject to the Share Subdivision becoming effective, Shareholders may submit their existing share certificates in blue colour for the Existing Shares to the Company's branch share registrar in Hong Kong, Computershare Hong Kong Investor Services Limited, Shops 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wanchai, Hong Kong for exchange for new share certificates in pink colour for the Subdivided Shares at the expense of the Company.

Shareholders should note that after the prescribed time for free exchange of new share certificates, a fee of HK\$2.5 (or such higher amount as may from time to time be allowed by the Stock Exchange) will be payable by the Shareholders for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Subdivided Shares, whichever the number of certificates cancelled/issued is higher.

After 4:10 p.m. on Wednesday, 28 February 2024, trading will only be in Subdivided Shares, the share certificates of which will be issued in pink colour. Existing share certificates in blue colour for the Existing Shares will remain valid and effective as documents of title and may be exchanged for certificates for Subdivided Shares at any time, but will cease to be valid for delivery, trading and settlement purposes.

REASON FOR THE SHARE SUBDIVISION AND CHANGE IN BOARD LOT SIZE

The Share Subdivision will increase the number of shares issued by the Company, and reduce the nominal value and trading price of each Share. The Board believes that this will lower the investment barrier and increase the trading liquidity of the Share. The increase in trading liquidity would attract more investors to trade in the Shares, and give the Company more flexibility to explore future fundraising activities.

Based on the closing price of HK\$8.550 per Share as of the date of this announcement, the market value per board lot of 4,000 Shares is approximately HK\$34,200. The expected value per new board lot of 2,000 Subdivided Shares would be approximately HK\$4,275 immediately upon the Share Subdivision and the Change in Board Lot Size becoming effective. Upon the Change in Board Lot Size, the Company is expected to be in compliance with the board lot value being more than HK\$2,000 as set out in the Guide on Trading Arrangements for Selected Types of Corporate Actions issued by the Hong Kong Stock Exchange on November 28, 2008 and updated on October 1, 2020. Although the Share Subdivision will result in downward adjustment to the trading price of the Shares, the Share Subdivision would, together with the Change in Board Lot Size, enhance the liquidity in trading of Subdivided Shares and thereby would enable the Company to attract more investors and broaden its Shareholder base. Both the Share Subdivision and the Change in Board Lot Size will not result in odd lots or fractional shares.

When considering the Share Subdivision and change in board lot size, the Board has taken into account the business plan of the Company for the next 12 months. As of the date of this announcement, the Company has no intention to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Subdivision and the Change in Board Lot Size, and the Company has no concrete plan for any fund raising activities in the next 12 months.

Save for the expenses to be incurred by the Company in relation to the Share Subdivision and the Change in Board Lot Size, the implementation of the Share Subdivision will not, by itself, alter the underlying assets, business operations, management or the financial position of the Company or the proportionate interest of the Shareholders.

Based on the above, the Board considers that the proposed Share Subdivision and Change in Board Lot Size are fair and reasonable, as well as in the best interests of the Company, its Shareholders and investors overall.

The expected timetable for the Share Subdivision and Change in Board Lot Size is set out below. The expected timetable is subject to the results of the EGM and is therefore for indicative purpose only.
