BUSINESS OPERATIONS

The Group has well established white and black hogs in the Shiti and Xianglixiang farms in Putian, Fujian, for many years. However because of the African swine fever since 2018 and COVID-19 since 2019, the Group suffered from the continuing sharp price drop in the pork and live hogs under the extreme bad sentiment of the hogs raising industry. This hindered the development plan of the Hebei CGU which was established in 2015 with the initial investment of over HK\$220 million. These setbacks had resulted a significant impairment loss reflected in the 2021 audited results. Since 2022, the continuing worsen account receivables turnover

cycle in the hogs raising industry chain had created a lot difficulty in the sales and operation management of the Group. Under this severe tight cashflow situation, the turnover and the gross profit margin of the Group is expected to continue to drop significantly in 2023. However, the management of the Group still maintained a certain level of business sales volume in the Fujian market with its best effort under this severe tight cash flow situation.

As at the date of this announcement, the business operations of the Group are continuing as usual in all material respects. The Board will continue to assess and monitor the impact of the suspension of trading (if any) on the operations and financial performance of the Company.

RESUMPTION GUIDANCE IMPOSED BY THE STOCK EXCHANGE

As disclosed in the Company's announcement dated 8 June 2023, the Company received the Resumption Guidance from the Stock Exchange on 6 June 2023 setting out the following guidance for the resumption of trading in the shares:

- (i) publish all outstanding financial results required under the Listing Rules and address any audit modifications;
- (ii) demonstrate the Company's compliance with Rule 13.24 of the Listing Rules; and
- (iii) inform the market of all material information for the Company's shareholders and investors to appraise the Company's position.

The Stock Exchange may modify or supplement the Resumption Guidance if the Company's situation changes.

PROGRESS ON THE FULFILMENT OF THE RESUMPTION GUIDANCE

Pursuant to Rule 13.24A of the Listing Rules, the Board wishes to update the Shareholders, creditors and potential investors of the Company that, as at the date of this announcement, the latest development on the progress of the Company's efforts to fulfil the Resumption Guidance are as follows:

The Financing and Debt Restructuring Plan

Based on the latest development in respect of the possible financing and debt restructuring plan (the "**Financing and Debt Restructuring Plan**"), the Company, the Potential New Investor and the Creditor are still engaging in active discussion and negotiation.

All parties have shown signs of willingness to engage in dialogue and the Board expects to achieve a formal proposal for the Financing and Debt Restructuring Plan in the coming three months.

The Statutory Demand

On 18 April 2023, the Company received the Statutory Demand from the solicitors acting on behalf of Vandi Investments Limited, an indirectly and wholly-owned subsidiary of CCB International (Holdings) Limited, (the “**Creditor**”) pursuant to Section 178(1)(a) or 327(4)(a) of the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Chapter 32 of the Laws of Hong Kong), demanding the Company to pay the Debt.

The Board wishes to update the Shareholders and potential investors of the Company that, as at the date of this announcement, (a) despite the Company has not repaid the Debt within 3 weeks from the date of service of the Statutory Demand, the Company has not received any further notice of the Creditor having taken any further legal action regarding the Statutory Demand against the Company, including the filing of a winding-up petition against the Company; and (b) the Company and the Potential New Investor are in the course of active negotiation with the Creditor in respect of the Financing and Debt Restructuring Plan for the settlement of the Debt under the Statutory Demand.

Possible disposal of Hebei CGU

As stated in the Announcements, the Hebei CGU was established to be developed into a large-scale black hog production facility since 2015. According to the Company’s book account as at 31 December 2021, the Group had invested over RMB220 million in Hebei CGU, however because of the African swine fever in 2018 and the Coronavirus Disease since 2019, the development of black hog business in Hebei was hindered, and the Hebei CGU recorded an operating loss of RMB46 million and impairment loss of RMB105 million was recorded under the fair value assessment test by the valuer for the year ended 31 December 2021. The negative sentiment of hog raising industry was sustained in year 2022 and 2023. The Hebei CGU operation was further scaled down to minimal in order to minimize the operation loss under the Group’s serious cash flow difficulty situation. The Company is currently considering disposal of the Hebei CGU to possible potential third parties in order to reduce the operating loss of Hebei CGU and to improve the Group cash flow position with the sales proceedings from Hebei CGU.

The Company is now still actively seeking possible potential third-party buyers for negotiation of the possible disposal of the Hebei CGU. It is expected that the possible disposal of Hebei CGU will rely on an independent valuer to evaluate the fair value of the Group’s CGUs.

Further delay in publication of the 2022 Annual Results and despatch of the annual report of the Group for the year ended 31 December 2022

As stated in the Announcements, the reason for delay in publication of the 2022 Annual Results is that, based on the latest development in respect of the Statutory Demand, the Financing and Debt Restructuring Plan and the possible disposal of Hebei CGU and recent discussion with the Auditors, additional time is still required for addressing certain outstanding requests raised by the Auditors to the Board and the audit committee of the

Company in respect of the negotiation development and arrangement about the Financing and Debt Restructuring Plan and the possible disposal of Hebei CGU for the Auditors to complete the audit process of the 2022 Annual Results.

The Board hereby provides an update to the Shareholders and potential investors of the Company that, having considered the latest development and progress of the negotiating process with the Creditor and the Potential New Investor and the possible disposal of Hebei CGU, additional time is required for the completion of the said negotiation with the Creditor and the said audit process in order to finalise the 2022 Annual Results. Hence, it is expected that, subject to any unforeseeable circumstances and assuming that the audit procedure will be completed on or before 31 March 2024, the 2022 Annual Results will be published on or before 31 March 2024. Due to the delay in the publication of the 2022 Annual Results, it is expected that, subject to any unforeseeable circumstances, the annual report of the Group for the year ended 31 December 2022 (the “**2022 Annual Report**”) will be despatched on or before 30 April 2024. As a result of the further delay in publication of the 2022 Annual Results and despatch of the 2022 Annual Report, it is expected that the convening of the annual general meeting of the Company will be postponed accordingly.

The Board acknowledges that the delay in publication of the 2022 Annual Results and the despatch of the 2022 Annual Report will constitute non-compliance with Rule 13.49(1) and Rule 13.46(2)(a) of the Listing Rules.

Rule 13.49(3) of the Listing Rules provides that where an issuer is unable to issue its preliminary results in accordance with Rules 13.49(1) and (2) of the Listing Rules, it must announce its results based on the financial results that have yet to be agreed with the auditors (so far as the information is available).

After due and careful consideration, the Board is of the view that it may not be appropriate for the Company to publish the unaudited management accounts of the Group for the year ended 31 December 2022 at this stage as they may not accurately reflect the financial performance and position of the Group, and their publication may be misleading and/or confusing to the Shareholders and potential investors of the Company.

Further delay in publication of the 2023 Interim Results and despatch of the interim report of the Group for the six months ended 30 June 2023

The Company hereby announces that as the publication of the 2022 Annual Results is still pending, the 2023 Interim Results and the interim report of the Group for the six months ended 30 June 2023 (the “**2023 Interim Report**”) will not be published and despatched as required under the Listing Rules.

The Board acknowledges that the delay in the publication of the 2023 Interim Results and the despatch of the 2023 Interim Report will constitute non-compliance with Rule 13.48(1) and Rule 13.49(6) of the Listing Rules.
