PROFIT WARNING FOR THE YEAR OF 2023

The Board hereby informs the shareholders of the Company and potential investors that, based on the preliminary assessment by the Board of the internal unaudited consolidated management accounts of the Group and information on market conditions currently available, as compared to a net profit of approximately RMB679 million for the year ended 31 December 2022 as disclosed in the annual results announcement for the year 2022, the Group is expected to record a net profit of approximately RMB1,250 million to approximately RMB1,450 million for the year ended 31 December 2023, which is mainly attributable to the significant year-on-year increase in the number of civil aviation passengers.

The Board hereby reminds investors that the Company is still in the process of finalizing the Company's financial results for the year 2023, if there is any change, the Company will perform information disclosure obligations according to relevant requirements under the Listing Rules in due course (if necessary). The information contained in this announcement is only preliminary assessment according to the internal management records of the Company and with reference to the information currently available, which has not been reviewed or audited by the auditors of the Company and the audit and risk management committee (supervisory committee) of the Company and may be subject to finalization and necessary adjustments. The monthly operating data and relevant financial data disclosed by the Company only serve as preliminary and periodical data for investors' reference, which may differ from the figures to be disclosed in the audited consolidated financial statements to be published by the Company on an annual basis. The actual financial results of the Company for the year ended 31 December 2023, which may differ from those disclosed in this announcement due to changes in the market conditions during such period, will be disclosed in the annual results announcement of the Company for the year ended 31 December 2023 which is expected to be published by the end of March 2024.

Shareholders of the Company and potential investors should exercise caution when investing or dealing in the shares of the Company.
