The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the currently available information and the preliminary review of the Group’s unaudited management accounts for the six months ended 31 December 2023, the Group is expected to record a profit attributable to owners of the Company of not more than HK\$23.0 million for the six months ended 31 December 2023 as compared to the profit attributable to owners of the Company of approximately HK\$268.1 million for the six months ended 31 December 2022.
