- (5) The cumulative voting method will be adopted by the Company for the election of supervisors at the First EGM.

Cumulative voting method

When adopting the cumulative voting method for electing the supervisor as proposed in Resolution 1, each of the shares held by a Shareholder shall carry the same number of votes corresponding to the number of supervisors to be elected. A Shareholder may exercise his voting rights by splitting his votes evenly for each of the candidates of supervisors corresponding to the number of shares he holds; or by casting all his votes carried by each of his shares corresponding to the number of supervisors to be

elected for a particular candidate of supervisors; or by casting a portion of his votes carried by each of his shares corresponding to the number of supervisors to be elected for a certain number of candidates of supervisors.

For example: under the cumulative voting method, the maximum valid votes that a Shareholder is entitled to cast are calculated on the basis of the total number of shares held by such Shareholder times the number of supervisors to be elected (2 persons). If such Shareholder holds 100 shares, then the maximum valid votes he can cast = 100 (the number of shares held by him) \times 2 = 200. The Shareholder could use his discretion to cast 200 votes evenly among 2 candidates, or to place all his votes on one particular candidate, or to split his votes to 2 candidates.

Where the total number of votes cast by a Shareholder for one or several of the candidate(s) of supervisors is in excess of the number of votes carried by the total number of shares held by him, the votes cast by the Shareholder shall be invalid, and the Shareholder shall be deemed to have waived his voting rights. Where the total number of votes cast for one or several candidate(s) of supervisors by a Shareholder is less than the number of votes carried by the total number of shares held by such Shareholder, the votes cast by the Shareholder shall be valid, and the voting rights attached to the shortfall between the votes actually cast and the votes which the Shareholder is entitled to cast shall be deemed to have been waived by the Shareholder.

The candidate is elected when the obtained exceed half of the number of shares (on the basis of non-cumulative number of shares) held by the Shareholders (including their proxies) attending this general meeting.

- (6) Shareholders or their proxies must present proof of their identities upon attending the First EGM. Should a proxy be appointed, the proxy must also present copies of his/her proxy form, or copies of appointing instrument and power of attorney, if applicable.
- (7) The First EGM is expected to last not more than one day. Shareholders or proxies attending the First EGM are responsible for their own transportation and accommodation expenses.
