ANNOUNCEMENT PROFIT WARNING

This announcement is made by Beijing Capital International Airport Company Limited (the “**Company**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company hereby informs the shareholders and potential investors of the Company that, based on the preliminary assessment of the latest unaudited management accounts of the Company and other information currently available to the Board, the Company is expected to record a net loss in the range of approximately RMB1.65 billion to approximately RMB1.75 billion for the year ended 31 December 2023 (the “**Year**”), as compared with the net loss of approximately RMB3.53 billion for the year ended 31 December 2022 (the “**Preceding Year**”).

The Board considered that along with the continuous recovery of the civil aviation industry since 2023, the aeronautical and non-aeronautical businesses of Beijing Capital International Airport have resumed their growth. However, as the international routes have not yet been fully recovered, coupled with the impact of diversion of flights to Beijing Daxing International Airport, the Company continued to be operating under relatively huge pressure, and accordingly, the operating results of the Company continued to incur loss in 2023.

The information contained in this announcement is only based on the preliminary assessment by the Board with reference to the information currently available including the unaudited management accounts of the Company for the Year, which have not been audited or reviewed by the Company’s auditors or the audit and risk management committee of the Company. Such information will be subject to finalisation and necessary adjustments. The annual results announcement of the Company for the Year is expected to be published by the end of March 2024 in accordance with the requirements of the Listing Rules and the corresponding annual report will be published subsequently in accordance with the requirements of the Listing Rules.

Shareholders and potential investors of the Company are reminded to exercise caution when dealing in the shares of the Company.

By order of the Board
