廣州白雲山醫葯集團股份有限公司

GUANGZHOU BAIYUNSHAN PHARMACEUTICAL HOLDINGS CO., LTD.

(a joint stock company with limited liability established in the People's Republic of China)

(H Share Stock Code: 0874)

PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION

This announcement is made by the Company pursuant to Rule 13.51(1) of the Hong Kong Listing Rules.

Proposed Amendments to the Articles of Association

The Company hereby announces that the Board has resolved on 15 March 2024 to propose to the Shareholders the Proposed Amendments to the Articles of Association.

On 14 February 2023, the State Council (the “**State Council**”) of the PRC issued the “Decision of the State Council to Repeal Certain Administrative Regulations and Documents*” (《國務院關於廢止部分行政法規和文件的決定》), and on 17 February 2023, the CSRC issued the “Trial Administrative Measures of Overseas Securities Offering and Listing by Domestic Enterprises*” (《境內企業境外發行證券和上市管理試行辦法》) and relevant guidance (collectively, the “**New Regulations**”), which came into effect on 31 March 2023. On the same day when the New Regulations became effective, the “Mandatory Provisions for Articles of Association of Companies Listed Overseas*” (《到境外上市公司章程必備條款》) and the “State Council’s Special Regulations on Overseas Offering and Listing of Shares by Joint Stock Limited Companies*” (《國務院關於股份有限公司境外募集股份及上市的特別規定》) were repealed. Pursuant to the New Regulations, PRC issuers shall formulate their articles of association with reference to the Guidelines for the Articles of Association of Listed Companies* (《上市公司章程指引》) and holders of A Shares and H Shares are no longer regarded as different classes of shareholders, and therefore, the class meeting requirement applicable to holders of A Shares and H Shares are no longer necessary. In light of the above New Regulations, the Hong Kong Stock Exchange has made consequential amendments to the Hong Kong Listing Rules which have come into effect since 1 August 2023 to, amongst others, reflect the New Regulations.

In addition, on 1 August 2023 and 15 December 2023 respectively, the CSRC issued the Management Measures for Independent Directors of Listed Companies (《上市公司獨立董事管理辦法》), Guidance No. 3 on the Supervision of Listed Companies – Cash Dividends of Listed Companies (Revision 2023) (《上市公司監管指引第3號 – 上市公司現金分紅 (2023年修訂)》), the Guidelines on the Articles of Association of Listed Companies (Revision 2023) (《上市公司章程指引 (2023年修訂)》) and other relevant laws, regulations, to strengthen the management of independent directors and cash dividends. In view of the aforesaid change in rules and regulations and having regard to its actual circumstances, the

Company proposed to amend the existing Articles of Association.

The Proposed Amendments mainly include (a) deletion or addition of wordings to reflect recent relevant changes in PRC regulations and corresponding Hong Kong Listing Rules updates; (b) amendments to certain provisions relating to the Company's dissemination of corporate communications for the purposes of clarifying existing practice to provide more detailed guidance in relation thereto and align with the paperless listing regime of the Hong Kong Stock Exchange; (c) amendments to certain provisions relating to the independent directors in accordance with the Management Measures for Independent Directors of Listed Companies; (d) amendments to certain provisions relating to the Company's dividend policy; and (e) certain housekeeping amendments to update outdated references and correct clerical inconsistencies with certain PRC laws and regulations, etc. The full text of the Proposed Amendments is set out in the Appendix to this announcement. The English version of the Proposed Amendments to the Articles of Association is an unofficial translation of its Chinese version. In case of any discrepancies, the Chinese version shall prevail.

As A Shares and H Shares are considered as the same class of ordinary shares under the PRC law and the substantive rights attached thereto, including voting rights, dividends, and distribution of assets upon liquidation, are the same, the Board is of the view that the removal of the provisions relating to the class meetings in the Articles of Association of the Company will not compromise the protection of H Shareholders and will not have a significant impact on shareholder protection measures. The Board considers that the Proposed Amendments are in the interests of the Company and its Shareholders as a whole.

AGM and Class Meetings

The Proposed Amendments to the Articles of Association shall be subject to, among others, the approval by the Shareholders at the Company's AGM, A Share Class Meeting and H Share Class Meeting (collectively, the "**Class Meetings**") by way of special resolutions.

The Board also announces that the AGM and Class Meetings are scheduled to be held on or before 28 June 2024 to consider and, if thought fit, approve the Proposed Amendments to the Articles of Association. A circular containing, among other things, the details of the Proposed Amendments to the Articles of Association and notice of the AGM and Class Meetings will be dispatched by the Company to its Shareholders as soon as practicable.

Definitions

In this announcement, unless the context otherwise requires, the following terms have the following meanings:

AGM	the annual general meeting of the Company proposed to be held on or before 28 June 2024, including any adjournment thereof;

	<p>2. Method of profit distribution: The Company may implement profit distribution in the form of cash, bonus shares or a combination of both, or such other forms which are permitted by laws and regulations. For the purpose of profit distribution, distribution in the form of cash dividend shall have priority over dividend in the form of shares. If the Company shall distribute profits in the form of bonus shares, such distribution shall be made subject to the provision of reasonable dividend in the form of cash and maintenance of an appropriate size of share capital, taking into account, among other things, the growth of the Company and dilution of the net asset value per share.</p> <p>Subject to the satisfaction of the conditions for distribution of cash dividend, the Company shall distribute dividend in cash annually. The Board may, subject to conditions and base on the financial position of the Company, recommend the Company to declare interim dividends.</p> <p>3. Conditions of profit distribution and minimum dividend proportion: The Company shall <u>pay dividends</u> and the total amount of cash dividends so paid (including the interim dividend in cash having been distributed) shall not be less than 30% of the net profit attributable to shareholders of the Company for the year <u>and the accumulated profits distributed in cash in the last three years shall not be less than 30% of the average realized annual distributable profits for the last three years</u>, provided that the working capital requirement for the Company's normal production and operation is met and the long-term and sustainable growth of the Company is maintained, and that there is no material investment plan or material cash expense.</p>	<p>2. Method of profit distribution: The Company may implement profit distribution in the form of cash, bonus shares or a combination of both, or such other forms which are permitted by laws and regulations. For the purpose of profit distribution, distribution in the form of cash dividend shall have priority over dividend in the form of shares. If the Company shall distribute profits in the form of bonus shares, such distribution shall be made subject to the provision of reasonable dividend in the form of cash and maintenance of an appropriate size of share capital, taking into account, among other things, the growth of the Company and dilution of the net asset value per share.</p> <p>Subject to the satisfaction of the conditions for distribution of cash dividend, the Company shall distribute dividend in cash annually. The Board may, subject to conditions and base on the financial position of the Company, recommend the Company to declare interim dividends.</p> <p><u>When the Company convenes an annual general meeting to deliberate the annual profit distribution plan, it may deliberate and approve the conditions, and the upper limit of the proportion and the amount of cash dividends in the next year. The upper limit of the interim dividends for the next year as deliberated at the annual general meeting of shareholders shall not exceed the net profit attributable to shareholders of the Company during the corresponding period. According to the resolution of the general meeting of shareholders, the Board of Directors shall formulate a specific interim dividend plan under the condition of profit distribution.</u></p>

No.	Before amendments	After amendments
	<p><u>No dividend shall be distributed before the Company offsets its losses and makes contributions to the statutory surplus reserve and the statutory public welfare fund.</u></p> <p>Material investment plan or material cash expense means the proposed external investment, acquisition or purchase of assets by the Company in the next twelve months with accumulated expenses amounting to or exceeding 10% of the latest audited net assets of the Company.</p> <p>For distribution of dividends, the Board shall take into account, among other things, features of the industries where the Company operates, stage of development, the Company's own business model, profits level and whether there is significant capital expenditure arrangement in distinguishing the following situations and form different profits distribution proposals in accordance with the provisions of the Articles of Association:</p> <p>(1) If the Company is at the mature stage of development and has no significant capital expenditure arrangement, the proportion of cash dividends shall be at least 80% in the profit distribution;</p> <p>(2) If the Company is at the mature stage of development and has significant capital expenditure arrangement, the proportion of cash dividends shall be at least 40% in the profit distribution;</p> <p>(3) If the Company is at the growing stage and has significant capital expenditure arrangement, the proportion of cash dividends shall be at least 20% in the profit distribution.</p>	<p>3. Conditions of profit distribution and minimum dividend proportion</p> <p>The Company shall pay the total amount of cash dividends so paid (including the interim dividend in cash having been distributed) shall not be less than 30% of the net profit attributable to shareholders of the Company for the year, provided that the working capital requirement for the Company's normal production and operation is met and the long-term and sustainable growth of the Company is maintained, and that there is no material investment plan or material cash expense.</p> <p>Material investment plan or material cash expense means the proposed external investment, acquisition or purchase of assets by the Company in the next twelve months with accumulated expenses amounting to or exceeding 10% of the latest audited net assets of the Company.</p> <p>For distribution of dividends, the Board shall take into account, among other things, features of the industries where the Company operates, stage of development, the Company's own business model, profits level, <u>solvency</u> and whether there is significant capital expenditure arrangement, and <u>investor return</u> in distinguishing the following situations and form different <u>cash dividend distribution</u> proposals in accordance with the procedures specified by the Articles of Association:</p> <p>(1) If the Company is at the mature stage of development and has no significant capital expenditure arrangement, the proportion of cash dividends shall be at least 80% in the profit distribution;</p> <p>(2) If the Company is at the mature stage of development and has significant capital expenditure arrangement, the proportion of cash dividends shall be at least 40% in the profit distribution;</p>

No.	Before amendments	After amendments
	<p>If it is difficult to distinguish the Company's stage of development but there is significant capital expenditure arrangement, the profit distribution may be dealt with pursuant to the rules applied in the previous distribution.</p> <p>The proportion of cash dividends in the profit distribution shall be the cash dividend divided by the sum of cash dividend and stock dividend.</p> <p>4. In the event of misappropriation of the Company's funds by a Shareholder, the Company can deduct the funds misappropriated from the cash dividends to be allocated to that Shareholder as repayment.</p> <p>(II) The management of the Company shall make reasonable proposals on profit distribution to the Board based on, among other things, the provisions of the Articles of Association, size of share capital, profits, investment arrangements, capital needs, cash flow and returns to the shareholders of the Company. The Board should fully and widely listen to the opinions of the <u>independent directors</u> and minority shareholders with respect to the profit distribution proposal through multiple channels and propose detailed annual or interim profit distribution plans which are scientific and reasonable. <u>The independent directors shall fully express their independent opinions with respect to such profit distribution plan(s).</u></p>	<p>(3) If the Company is at the growing stage and has significant capital expenditure arrangement, the proportion of cash dividends shall be at least 20% in the profit distribution.</p> <p>If it is difficult to distinguish the Company's stage of development but there is significant capital expenditure arrangement, the profit distribution may be dealt with pursuant to the provisions of <u>previous Paragraph (3)</u>.</p> <p>The proportion of cash dividends in the profit distribution shall be the cash dividend divided by the sum of cash dividend and stock dividend.</p> <p>4. In the event of misappropriation of the Company's funds by a Shareholder, the Company can deduct the funds misappropriated from the cash dividends to be allocated to that Shareholder as repayment.</p> <p>(II) Decision-making procedures of profit distribution by the Company:</p> <p>The management of the Company shall make reasonable proposals on profit distribution to the Board based on, among other things, the provisions of the Articles of Association, size of share capital, profits, investment arrangements, capital needs, cash flow and returns to the shareholders of the Company. <u>When making specific plan for cash dividends, the Board should earnestly study and demonstrate the timing, conditions and minimum ratio for cash dividends, conditions for adjustment and their decision-making procedures, etc.</u> and should fully and widely listen to the opinions of minority shareholders with respect to the profit distribution proposal through multiple channels and propose detailed annual or interim profit distribution plans which are scientific and reasonable.</p>

No.	Before amendments	After amendments
	<p>When the profit distribution plan(s) is being considered by the Board, it shall be approved by the majority of all directors and <u>approved by more than one half of the independent directors who are also required to express their explicit independent opinions.</u> <u>When the profit distribution plan(s) is being considered by the supervisory committee, it shall be approved by the majority of all supervisors.</u> The profit distribution plan(s) should only be submitted to the shareholders' meeting for consideration and approval after it has been considered and approved by the Board and the supervisory committee and the plan(s) shall be approved by shareholders present at the general meeting and who hold more than half of the voting rights.</p> <p><u>Independent directors may solicit opinions of minority shareholders, propose profit distribution plans and directly submit them to the Board for consideration. The performance of the above functions and exercise of the above authorities by independent directors must be approved by more than one half of all the independent directors.</u></p>	<p>When the profit distribution plan(s) is being considered by the Board, it shall be approved by the majority of all directors. The profit distribution plan(s) should only be submitted to the shareholders' meeting for consideration and approval after it has been considered and approved by the Board, and shall be approved by shareholders present at the general meeting and who hold more than half of the voting rights.</p> <p><u>If an independent director believes that the specific plan for cash dividends might be detrimental to the interests of the Company or minority shareholders, he or she shall have the right to express their independent opinions.
