II. DESCRIPTION OF OPERATING RESULTS AND FINANCIAL POSITIONS

In 2023, the volatility in the capital market intensified and the overall operating pressure in the securities industry increased. With serving the real economy and managing the wealth for residents as the core, the Company actively built up its all-round integrated financial service capability by relying on its advantage of operating with a full licence. Amidst the complex market environment, the Company overcame multiple pressures and achieved growth against the prevailing unfavorable market trend.

The Company achieved annual operating revenue of RMB17.638 billion, representing a year-on-year increase of 4.90%; and net profit of RMB1.824 billion, representing a year-on-year increase of 7.18%. As at the year end of 2023, the Company's total assets increased by 6.25% from the end of the previous year; the owner's equity attributable to shareholders of the listed company increased by 3.41% from the end of the previous year; and the net assets per share attributable to ordinary shareholders of the listed company increased by 4.01% from the end of the previous year.

III. RISK WARNINGS

The major financial data for the year of 2023 as set out in this announcement is preliminary

accounting data, which has not been audited by an accounting firm. Such data may be different from those to be disclosed in the 2023 annual report of the Company. Investors are advised to pay attention to investment risks.

IV. DOCUMENTS AVAILABLE FOR INSPECTION

The comparative balance sheet and income statement are signed and sealed by the current legal representative, the accounting chief and person-in-charge of the accounting department of the Company.

End.
