INDEMNIFICATION

Section 5.01 Indemnity.

(a) Subject to Section 5.02, from and after the Closing, the Company and GDSH (solely in respect of its obligations under Section 4.02 and Section 4.04) shall indemnify, defend and hold harmless each Investor, its Affiliates, its and its Affiliates' respective directors, officers, and shareholders (the "Investor Indemnified Parties") from and against any and all reasonably foreseeable damages, losses, claims, judgement, penalty, fines, Liabilities, Taxes and expenses (including reasonable expenses of investigation and attorneys' fees and expenses, or any diminution in the value of the Investor's Subscription Shares under this Agreement) (each, a "Loss" and collectively, "Losses") suffered by such Investor Indemnified Party arising out of, resulting from or relating to (a) any inaccuracy in or breach of any representation or warranty of the Company contained in Section 3.01, or (b) the nonperformance or breach of any covenant or other agreement to be performed by the Company or GDSH (solely for purposes of the applicable covenants in Section 4.02 and Section 4.04) under this Agreement. The Losses subject to the indemnification obligations herein shall take into account such damages, losses and expenses that are (i) awarded to or recovered by a third party in connection with any Action initiated by such third party against any Group Company or the applicable Investor Indemnified Party and (ii) actually paid or payable by any Group Company or such Investor Indemnified Party.

(b) The Company will pay to the Investors the amount incurred by GDS (Hong Kong) Limited or the relevant Group Company and calculated in accordance with the terms and conditions set forth in Schedule 5.01, which shall not be subject to the liability limitations set forth in Section 5.02.

(c) From the Closing until the date that is six (6) months following the Closing Date (such period, the "Joint Indemnification Period"), the Company and GDSH shall be jointly and severally liable for the Company's obligations under Section 5.01(a) in respect of any inaccuracy in or breach of any representation or warranty of the Company contained in Section 3.01. Following the Joint Indemnification Period, GDSH's obligations pursuant to this Section 5.01(c) shall terminate; provided, that nothing in this Section 5.01(c) shall be deemed or construed to limit, diminish or otherwise impair any liability of GDSH incurred prior to such termination.

Section 5.02 Liability Limitations.

(a) After the Closing, the indemnity under Section 5.01 will be each Investor Indemnified Party's exclusive and sole remedy for any misrepresentation or breach of any representation, warranty, covenant or other agreements of the Company in this Agreement, except in the case of any Losses of any Investor Indemnified Party that were caused by any fraud committed by the Company; provided, that solely with respect to any breach of the covenants or other agreements to be performed by the Company in Section 4.04(a) and Section 4.04(b) (the "Specified Covenants"), the indemnity under Section 5.01 in respect of the Specified Covenants shall apply from and after the date hereof (and the words "from and after the Closing" contained in the first sentence of Section 5.01 shall be disregarded for the indemnity under Section 5.01 in respect of the Specified Covenants) and such indemnity shall, from and after the date hereof, be each Investor Indemnified Party's exclusive and sole remedy in respect of such breaches.

(b) The Company's aggregate Liability in respect of claims for indemnification under Section 5.01(a) by any Investor and its Investor Indemnified Parties in respect of any claim arising under, or in respect of, a breach of any provision of, this Agreement (including any warranty), shall not exceed fifteen percent (15%) of the Subscription Price paid by such Investor.

(c) The Company shall not be liable to any Investor and its Investor Indemnified Parties for indemnification under Section 5.01(a) for any Losses unless and until the aggregate amount of all Losses, counting only such Losses that each exceeds the Per Claim Threshold, suffered by such Investor and its Investor Indemnified Parties under this Agreement exceeds zero point five percent (0.5%) of such Investor's Subscription Price (the "Indemnification Threshold"); and once such Indemnification Threshold has been exceeded, such Investor Indemnified Parties shall have the right to recover all Losses hereunder and not the excess only (subject to the other limitations under this Section 5.02). With respect to any Investor and its Investor Indemnified Parties, the amount of Losses arising from any particular inaccuracy in or breach of any warranty of the Company for indemnification under Section 5.01(a) must exceed zero point zero five percent (0.05%) of such Investor's Subscription Price before such Losses are eligible for indemnification hereunder and counted towards the Indemnification Threshold (the "Per Claim Threshold"), and any Losses below the Per Claim Threshold shall not be counted towards the Indemnification Threshold.

(d) In no event shall the Company or GDSH be liable in connection with this Agreement, the negotiation, execution or performance of this Agreement, or the transactions contemplated hereby, for any Losses that are punitive, incidental, consequential, special or indirect, except to the extent such Losses are reasonably foreseeable or are awarded to or recovered by a third party related to a claim in respect of which indemnity may be sought under Section 5.01 (provided that such Losses have actually been paid or is payable by any Group Company or such Investor Indemnified Party).

(e) Any Losses subject to indemnification hereunder shall be determined without regard to materiality or Material Adverse Effect qualification contained in any representation or warranty, and without duplication of recovery by reason of the state of facts giving rise to such Losses, including if such state of facts constitutes a breach of more than one warranty, covenant or other provision of this Agreement.

(f) The Company shall have no Liability under Section 5.01 in respect of any Losses of any Investor for any misrepresentation or breach of any warranty of the Company in Section 3.01 (other than in respect of claims by any Investor or Investor Indemnified Party (x) for misrepresentation or breach of any Fundamental Warranties, which claims shall survive indefinitely, or (y) with respect to Tax, which shall survive until sixty (60) days following the expiry of the applicable statute of limitations) unless such Investor has validly served on the Company a written notice setting forth the specific claim and the basis therefor in reasonable detail on or before the end of the eighteenth (18th) month following the Closing and, upon serving such notice, such claim shall survive until finally resolved. Such notice shall set forth, to the extent known to the Investor and its Investor Indemnified Parties, in reasonable details of the claim, including all relevant facts, such Investor's then best reasonable estimate of the amount of its and its Investor Indemnified Parties' Losses eligible for indemnification hereunder, and the bases for such estimate, provided that failure to do so shall not affect the Company's indemnification obligations except to the extent that the Company is actually prejudiced by such failure. The covenants and agreements of each party contained in this Agreement shall survive the Closing Date.

(g) Neither the Company nor GDSH shall have any Liability in respect of any Loss to the extent:

(i) of any amount which is included as a liability in, or is otherwise specifically reflected on, set forth in, or specifically allowed for or provided for in, the Accounts in respect of the subject matter of such Loss; or

(ii) of any amount recovered under any other claim in respect of the same matter, fact or circumstance.

(h) Neither the Company nor GDSH shall have any Liability in respect of any Loss to the extent that such Loss is attributable to, or arises as a result of, or is increased by:

(i) any voluntary act, omission or transaction carried out by or at the written request of or with the written consent of any Investor;

(ii) anything expressly provided to be done or omitted to be done pursuant to this Agreement or the other Transaction Documents;

(iii) any change in Applicable Law or in administrative practice of any Governmental Authority or any Order delivered or occurring after the date of this Agreement; or

(iv) any change after the Closing in the Taxation or accounting bases, policies, practices or methods applied in preparing any accounts or valuing any assets of the Group from those used in preparing the Accounts, in each case, to the extent required due to a change in Applicable Law occurring after the Closing Date, or any increase in the rates of Taxation or any imposition of Taxation not in effect at the Closing Date or any withdrawal after the Closing Date of any practice or generally applicable extra-statutory concession previously published by any Tax Authority (whether or not purporting to be retrospective in whole or in part).

(i) The amount of any Loss that are subject to indemnification under this Article V shall be reduced by (i) the amount of any insurance proceeds and any indemnity, contribution or other similar payment actually received by an Investor Indemnified Party in respect of such Loss or any of the events, conditions, facts or circumstances resulting in or relating to such Loss ("Third-Party Payments"), and (ii) an amount equal to any Tax benefit realized as a result of such Loss by the Investor or any of the Group Companies. If an Investor Indemnified Party receives any Third-Party Payment with respect to any Loss for which it has previously been indemnified (directly or indirectly) by the Company or GDSH, the Investor Indemnified Party shall promptly (and in any event within ten (10) Business Days after receiving such Third-Party Payment) pay to the Company or GDSH, as applicable, an amount equal to such Third-Party Payment (after deducting the costs incurred for realizing such Third-Party Payment) or, if it is a lesser amount, the amount of such previously indemnified Loss.

(j) Notwithstanding any provisions contained herein to the contrary, no limitation of Liability contained in this Section 5.02 shall apply in the case of any Losses arising out of or relating to any fraud on the part of the Company.

- (a) upon the mutual consent in writing of each of the parties hereto;
- (b) by the Company or any Investor only with respect to such Investor, if the Closing with respect to such Investor has not been completed by the Long Stop Date; provided that the right to terminate this Agreement pursuant to this Section 7.01(b) shall not be available to any Person if such Person's failure to fulfil any obligation under this Agreement or the other Transaction Documents or breach hereunder or thereunder has been a material cause of, or resulted in, the failure of the Closing to occur on or before the Long Stop Date;

ARTICLE VIII

(i) to such party's Representatives in the normal course of the performance of their duties on a need-to-know basis for the purposes of implementing the terms hereof or enforcing such party's rights hereunder as long as such Person has been advised of the confidential nature of such information and has agreed to keep such information confidential on substantially the same terms as provided herein (and any non-compliance by such Person with such confidentiality obligation shall be deemed a breach of this provision by such party);

(c) Each Investor hereby acknowledges that the Confidential Information furnished by or on behalf of the Company and GDSH may contain material non-public information (“**MNPI**”). Each Investor confirms that (i) each Investor and its Representatives is aware that applicable securities laws of the U.S. and Hong Kong prohibit any Person who is in possession of MNPI of a company from purchasing or selling securities of such company or from communicating such information to any other Person under circumstances in which it is reasonably foreseeable that such Person may purchase or sell such securities, and (ii) the Investors will, and the Investors will direct each of its Affiliates and Representatives to, take any action reasonably necessary or appropriate to prevent any violation of applicable securities laws while in possession of any MNPI regarding the Company or GDSH.

(d) Any confidentiality agreement entered into between any Investor (or its Affiliate) and the Company shall terminate on execution of this Agreement (without prejudice to any rights, Liabilities or obligations that have accrued prior to termination).

Section 8.02 Public Announcements

(a) The parties hereto agree that the Company and its Affiliates (including GDSH) may make a public announcement of the transactions contemplated by this Agreement after the Closing, and may publicize the same in marketing materials, newspapers and other publications, provided that no party hereto shall disclose, use, publish or reproduce the names, trademarks, tradenames or logos of any Investor or any variation, adaptation or abbreviation thereof in any public announcements, marketing, advertising or promotion materials or publications without the prior written consent of such Investor.

(b) Unless required by Applicable Law or already in the public domain (other than as a result of a disclosure by an Investor or its Representatives in violation of this Agreement), no Investors, and none of the Investors’ shareholders, Representatives or Affiliates, shall issue any press release or make any public statement relating to this Agreement, any other Transaction Documents or any other agreements referred to herein, or the transactions contemplated hereby or thereby, in each case, without the Company’s written approval (which approval shall not be unreasonably withheld), and each Investor shall be liable for any failure of its shareholders, Representatives or Affiliates to comply with the restrictions set forth under this Section 8.02(b).

(c) Promptly after execution of this Agreement, GDSH will file one or more current reports on Form 6-K with the SEC attaching the announcement press release in compliance with Section 8.02(a) and a copy of this Agreement (without the Schedules) as exhibits, provided that the Company shall offer a reasonable opportunity to the Investor to review and comment on such announcement press release and the Company will consider such comments reasonably proposed by such Investor in good faith before issuing such announcement press release.

Section 8.03 Binding Effect; Assignability; Benefit.

(a) This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective heirs, successors and permitted assigns.

(b) Neither this Agreement nor any of the rights, interests, remedies, obligations or Liabilities arising hereunder or by reason hereof may be assigned or delegated, in whole or in part, by operation of law or otherwise, by any party hereto without the prior written consent of the other parties, and any such assignment without such prior written consent shall be null and void, provided that the Investor may assign its rights and obligations under this Agreement to any of its Affiliates that is not a Competitor.

(c) Except as provided in Section 5.01, Section 5.02 and Section 8.07, nothing in this Agreement, express or implied, is intended to confer on any Person other than the parties hereto, and their respective heirs, successors, legal representatives and permitted assigns, any rights, remedies, obligations or Liabilities under or by reason of this Agreement under the Contracts (Rights of Third Parties) Ordinance (Chapter 623 of the Laws of Hong Kong).

Section 8.05 Waiver; Amendment. No provision of this Agreement may be waived except by an instrument in writing executed by the party against whom the waiver is to be effective, and no provision of this Agreement may be amended or otherwise modified except by an instrument in writing executed by each of the parties hereto. Any party hereto may at any time irrevocably waive any or all of its rights under this Agreement by delivering a waiver of such rights, which states that such waiver is irrevocable, in writing to each of the other parties hereto.

Section 8.06 Fees and Expenses. All costs and expenses incurred in connection with the preparation of this Agreement, or any amendment hereto or waiver hereof, and the evaluation, negotiation, execution and consummation of the transactions contemplated hereby shall be paid by the party incurring such costs or expenses.

Section 8.07 No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, and notwithstanding the fact that certain of the parties may be corporations, partnerships or limited liability companies, each party hereto covenants, agrees and acknowledges that no recourse under this Agreement shall be had against any former, current or future equity holders, general or limited partners, members, controlling persons, directors, officers, employees, managers, agents or Affiliates of any other party hereto or any former, current or future equity holders, general or limited partners, members, controlling persons, directors, officers, employees, managers, agents or Affiliates of any of the foregoing (collectively "Non-Recourse Persons"), as such, whether by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other Applicable Law, it being expressly agreed and acknowledged that no personal Liability whatsoever shall attach to, be imposed on or otherwise be incurred by any Non-Recourse Person under this Agreement for any claim based on, in respect of or by reason of such obligations or their creation.

Section 8.08 Governing Law. This Agreement and all matters arising hereunder or in respect hereof shall be governed by, and construed in accordance with, the laws of Hong Kong, without regard to any principles of conflict of laws that would result in the application of any other laws.

Section 8.09 Jurisdiction. Any dispute, controversy, difference or claim arising out of or in connection with this Agreement, including any question regarding its existence, validity, interpretation, performance, breach or termination and the parties' rights and obligations hereunder, or any dispute regarding non- contractual obligations arising out of or relating to it shall be referred to and finally resolved by arbitration (the "Arbitration") in Hong Kong administered by the HKIAC in accordance with HKIAC Arbitration Rules under the time being in force when the notice of Arbitration is submitted in accordance with those rules (the "HKIAC Rules"). The tribunal shall comprise three (3) arbitrators appointed in accordance with the HKIAC Rules. The seat of the Arbitration shall be Hong Kong. The language of the Arbitration shall be English. Any award shall be final and binding upon the parties concerned. Judgment on the award may be entered and enforced by any court of competent jurisdiction. Each party may at any time request from any competent judicial authority any interim or conservatory measure. The parties agree that all documents and evidence submitted in the Arbitration (including any statements of case and any interim or final award, as well as the fact that an arbitral award has been made) shall remain confidential both during and after any final award that is rendered unless the parties otherwise agree in writing.

Section 8.10 Specific Enforcement. Each party hereto acknowledges that irreparable injury to the other parties hereto may occur in the event that any provision of this Agreement was not performed by any party hereto in accordance with its specific terms or was otherwise breached, and the remedies at law of the other parties for a breach or threatened breach of this Agreement would be inadequate and, in recognition of this fact, any party hereto, without posting any bond, and in addition to all other remedies that may be available at law or in equity, shall be entitled to obtain equitable relief in the form of specific performance, a temporary restraining order, a temporary or permanent injunction or any other equitable remedy that may then be available.

Section 8.11 Exercise of Rights and Remedies. No delay of or omission in the exercise of any right, power or remedy accruing to any party as a result of any breach or default by any other party under this Agreement shall impair any such right, power or remedy, nor shall it be construed as a waiver of or acquiescence in any such breach or default, or of any similar breach or default occurring later; nor shall any such delay, omission or waiver of any single breach or default be deemed a waiver of any other breach or default occurring before or after such waiver. Each Investor agrees that, to the extent that it is or becomes entitled to any immunity on the grounds of sovereignty or otherwise based upon its status as an agency or instrumentality of any government from any legal proceeding or arbitration relating to this Agreement from the jurisdiction of any competent court, from service of process, from execution pursuant to a judgment or an arbitral award or from any other legal process in any jurisdiction, such Investor hereby irrevocably and unconditionally waives, and agrees not to plead or claim, any such immunity with respect to matters arising with respect to this Agreement or the subject matter hereof. Any waiver, permit, consent or approval of any kind or character on the part of any party hereto of any breach or default under this Agreement or any waiver on the part of any other party of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement, or by law or otherwise afforded to any party hereto, shall be cumulative and not alternative.

Section 8.12 Counterparts; Effectiveness. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Counterparts may be delivered via facsimile, electronic mail (including PDF) or other transmission methods and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes. This Agreement shall become effective when each party hereto shall have received counterparts hereof executed by all of the other parties hereto. Until and unless each party has received a counterpart hereof executed by the other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

Section 8.13 Entire Agreement. This Agreement, the Shareholders Deed and the other Transaction Documents constitute the entire agreement among the parties hereto and supersede all prior and contemporaneous agreements and understandings, both oral and written, among the parties hereto with respect to the subject matter hereof and thereof.

Section 8.14 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such a determination, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner so that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

Section 8.15 Exculpation Among the Investors. It is acknowledged and agreed by the parties hereto that the Investors' respective obligations and Liabilities, including their obligations to consummate the Closing and pay their respective Subscription Price are several, and neither joint nor joint and several. No Investor or its Affiliates, officers, directors, partners, agents or employees shall be liable to any Group Company for any breach by any other Investor of any representation, warranty, covenant, agreement or obligation contained in, or in default by any other Investor under, this Agreement, or any action taken or omitted to be taken by any other Investor in connection with the transactions contemplated under the Transaction Documents.

Section 8.16 Further Assurance. Each party hereto agrees to from time to time execute and deliver, or cause to be executed and delivered, such additional or further consents, documents and other instruments as any other party may reasonably request for the purpose of effectively carrying out the transactions contemplated by the Transaction Documents.

Section 8.17 Use of English Language. This Agreement has been executed and delivered in the English language. Any translation of this Agreement into another language shall have no interpretive effect. All documents or notices to be delivered pursuant to or in connection with this Agreement shall be in the English language or, if any such document or notice is not in the English language, accompanied by an English translation thereof, and the English language version of any such document or notice shall control for purposes thereof.

RIGHT OF FIRST OFFER; PREEMPTIVE RIGHTS; TAG-ALONG

Section 4.01 Right of First Offer.

(a) Subject to Article III and Section 4.01(g), (i) for so long as GDSH is a Major Shareholder, if any other Shareholder desires to Transfer any Company Securities to any Person that is not an Affiliate of such Shareholder (other than any Transfer of Company Securities contemplated by Section 5.01, Section 5.02 or Section 5.06), or (ii) if GDSH desires to Transfer any Company Securities pursuant to Section 3.02(b) (other than any Transfer of Company Securities contemplated by Section 5.01, Section 5.02 or Section 5.06) (any such Transfer described in the foregoing sub-clauses (i) and (ii), a “Sale”), such Shareholder or GDSH, as the case may be (a “Seller”), shall give written notice (a “Transfer Notice”) to, in the case of sub-clause (i), GDSH or, in the case of sub-clause (ii), each Investor (each Shareholder entitled to a Transfer Notice, a “Non-Selling Shareholder”) that the Seller desires to consummate a Sale (together with a copy thereof to the Company). The Transfer Notice shall set forth the class and number of Company Securities proposed to be Transferred (the “Offered Securities”).

(b) For [ten (10)] Business Days from the date of receipt of the Transfer Notice (the “Transfer Notice Period”), each Non-Selling Shareholder shall have the right, but not the obligation, to make a binding offer (an “Offer”) to the Seller to purchase all, but not less than all, of the Offered Securities by delivering written notice of such Offer, including the proposed aggregate purchase price with respect to such Offered Securities (the “Offer Price”) and all other material terms and conditions thereof (an “Offer Notice”) to the Seller and the Company prior to the expiration of the Transfer Notice Period. The giving of an Offer Notice to the Seller by a Non-Selling Shareholder shall constitute an offer by such Non-Selling Shareholder to purchase the Offered Securities from the Seller at the Offer Price and on the other terms set forth in the Offer Notice. The Seller shall have a period of time specified in an Offer Notice (which shall be no less than [fifteen (15)] calendar days but no more than [thirty (30)] calendar days following receipt of the Offer Notice) (the “Offer Period”) in which to accept the Offer specified in such Offer Notice by giving a notice of acceptance (the “Acceptance Notice”) to the Non-Selling Shareholder(s) making such Offer(s) (together with a copy thereof to the Company) prior to the expiration of such Offer Period.

(c) In the case of a Sale by GDSH, if more than one Non-Selling Shareholders delivered an Offer Notice and the Seller elects to accept an Offer, GDSH shall accept the Offer with the most favorable terms (as to GDSH) set forth in the Offer Notice (as reasonably determined by GDSH taking into account of the Offer Price and all other material terms and conditions thereof) and shall, within the Offer Period, give an Acceptance Notice to the Non-Selling Shareholder that delivered the Offer Notice with such most favorable terms.

(d) If any Non-Selling Shareholder fails to deliver an Offer Notice to the Seller within the Transfer Notice Period, such Non-Selling Shareholder shall be deemed to have waived its right to deliver an Offer under this Section 4.01 with respect to such Sale. If a Seller fails to give an Acceptance Notice to a Non-Selling Shareholder and the Company prior to the expiration of the relevant Offer Period, it shall be deemed to have declined and rejected the Offer made by such Non-Selling Shareholder.

(e) If a Seller elects to accept an Offer, the Non-Selling Shareholder making such Offer shall purchase and, by wire transfer of immediately available funds to an account designated by the Seller, pay for the Offered Securities that such Non-Selling Shareholder is purchasing within fifteen (15) Business Days after the date of the Acceptance Notice or otherwise in accordance with the duration set out in the Offer Notice (which shall be no more than [thirty (30)] Business Days after the date of the Acceptance Notice); provided that, if the Sale of such Offered Securities is subject to any prior regulatory approval, the time period during which such Sale may be consummated shall be extended until the expiration of fifteen (15) Business Days after all such approvals shall have been received, but in no event shall such period be more than ninety (90) calendar days following the date of the Acceptance Notice.

(f) After the expiration of the Transfer Notice Period, upon delivery of a notice of rejection (or deemed rejection) of each Offer actually made, during a one hundred twenty (120) calendar day period from the last rejection or acceptance (the “Transfer Period”), a Seller shall have the right to effect a Transfer of all of the Offered Securities, on substantially the same or more favorable (as to the Seller) terms and conditions as were set forth in the Offer Notices that were rejected or deemed rejected at a price higher than the highest Offer Price among the Offers; provided that (i) any transferee that is not already a party to this Deed shall have agreed in writing to be bound by the terms of this Deed and shall have entered into a Deed of Adherence (if applicable), and (ii) such Transfer is not in violation of Applicable Law; provided further, that (x) if any such Transfer is subject to prior regulatory approvals, the Transfer Period shall be extended until the expiration of ten (10) Business Days after all such approvals shall have been received, but in no event shall the Transfer Period be extended for more than an additional [ninety (90)] calendar days, and (y) if Section 4.01(e) applies and the relevant Non-Selling Shareholder fails to obtain any required prior regulatory approval for the purchase of the Offered Securities within the period specified under Section 4.01(e), the Offer made by such Non-Selling Shareholder shall be deemed rejected and the Seller shall be entitled to effect a Transfer of all of the Offered Securities according to the terms of this Section 4.01(f), and the Transfer Period shall be extended for an additional thirty (30) days from the date of the deemed rejection of such Offer. If the Seller does not consummate the Transfer of the Offered Securities in accordance with the foregoing time and other limitations, then the right of the Seller to effect a Transfer of such Offered Securities pursuant to this Section 4.01(f) shall terminate and the Seller shall again comply with the procedures set forth in this Section 4.01 with respect to any proposed Transfer of Company Securities to any Person that is not an Affiliate of such Seller.

(g) The provisions of this Section 4.01 shall not apply to any proposed Transfer of Company Securities in any IPO.

(h) The provisions of this Section 4.01 shall terminate upon the consummation of an IPO.

Section 4.02 Right of First Notice.

(a) Following the expiration of the Lock-Up Period, if GDSH desires to, directly or indirectly, Transfer any of its Company Securities to any Person that is not an Affiliate of GDSH, GDSH shall deliver written notice, setting out the number and class of Company Securities subject to such Transfer and the identity of the transferee, to each of the Investors as soon as reasonably practicable following the execution of the definitive agreements for such Transfer and in any event prior to the consummation of such Transfer; provided that the provisions of this Section 4.02 shall not apply to any Transfers in any IPO.

(b) The provisions of this Section 4.02 shall terminate upon the consummation of an IPO.

Section 4.03 Preemptive Rights.

(a) Subject to Section 4.03(e), the Company shall give written notice (an “Issuance Notice”) of any proposed issuance by the Company of any Company Securities (the “Subject Shares”) to each Shareholder (a “Preemptive Rights Holder”) at least twenty (20) Business Days prior to the proposed issuance date. The Issuance Notice shall specify the number and type of Company Securities to be issued, the price per share at which such Subject Shares are to be issued and any other material terms of the issuance. Subject to Section 4.03(e), each Preemptive Rights Holder shall be entitled to purchase up to a percentage of such Subject Shares equal to such Preemptive Rights Holder’s Aggregate Ownership Percentage (determined immediately before giving effect to the issuance), at the price and on the terms specified in the Issuance Notice.

(b) Each Preemptive Rights Holder may elect to purchase any or all of its Aggregate Ownership Percentage of the Subject Shares specified in the Issuance Notice by delivering written notice to the Company (each, an “Exercise Notice”) of its election to purchase such Subject Shares within fifteen (15) Business Days following receipt of the Issuance Notice, specifying the number (or amount) of Subject Shares to be purchased by such Preemptive Rights Holder and shall constitute exercise by such Preemptive Rights Holder of its rights under this Section 4.03 and a binding agreement of such Preemptive Rights Holder to purchase, at the price and on the terms specified in the Issuance Notice, the number (or amount) of Subject Shares specified in the Exercise Notice. If, at the expiration of such fifteen (15) Business Day period, any Preemptive Rights Holder has not delivered an Exercise Notice to the Company, such Preemptive Rights Holder shall be deemed to have waived all of its rights under this Section 4.03 to purchase its Aggregate Ownership Percentage of such Subject Shares. For the avoidance of doubt, each Preemptive Rights Holder that fully exercises its preemptive rights with respect to any issuance of Subject Shares will not have any oversubscription right with respect to any Subject Shares that are not subscribed by other Preemptive Rights Holders.

(c) The Company shall have ninety (90) days from the date of the Issuance Notice (the “Issuance Period”) to consummate the proposed issuance of any or all of such Subject Shares that the Preemptive Rights Holders have not elected to purchase at the same or higher price and upon terms that are not in the aggregate less favorable to the Company than those specified in the Issuance Notice; provided that, if such issuance is subject to regulatory approval, the Issuance Period shall be extended until the expiration of five (5) Business Days after all such approvals have been received, but in no event later than one hundred twenty (120) days from the date of the Issuance Notice; provided further, that such Person to which the Company shall issue such Subject Shares shall have executed and delivered a Deed of Adherence to the Company. If the Company proposes to issue any such Subject Shares after the Issuance Period (as may be extended for obtaining regulatory approval) or on a different price or on other terms that are in the aggregate less favorable to the Company, it shall again comply with the procedures set forth in this Section 4.03.

(d) In connection with the consummation of the issuance of such Subject Shares, the Company shall deliver to each Preemptive Rights Holder a copy of its register of members updated to reflect such issuance, against payment by such Preemptive Rights Holder of the purchase price for such Subject Shares in accordance with the terms and conditions as specified in the Issuance Notice.

(e) Notwithstanding the foregoing, no Preemptive Rights Holder shall be entitled to purchase Subject Shares as contemplated by this Section 4.03 in connection with issuances of Subject Shares (i) to management, employees or consultants of the Group Companies pursuant to any equity incentive plan established for the benefit of such Persons (the “Employee Plans”) that has been duly approved in accordance with this Deed and the Articles, including upon the exercise of employee share options granted pursuant to the Management Equity Grant or any other Employee Plans, (ii) in connection with any share dividend, share split or subdivision, reverse share split or consolidation, reclassification or similar changes in the capital structure of the Company that is effected on a pro rata basis with respect to all outstanding Shares and is duly approved in accordance with this Deed and the Articles, (iii) in connection with any direct or indirect merger, acquisition or similar transaction (including the terms of the proposed issuance in connection therewith) that has been duly approved in accordance with Section 2.08(a)(ii) including by each Investor Director or in accordance with Section 2.08(b)(ii) by each Major Shareholder, as applicable, and the Articles, (iv) in connection with any IPO that is duly approved in accordance with this Deed and the Articles, (v) pursuant to the Subscription Agreement, (vi) upon the conversion, exchange or exercise of any equity or debt securities issued by the Company in compliance with this Deed and the Articles, or (vii) to any third party lenders as “equity kickers” in connection with a loan transaction pursuant to any agreement or arrangement (including the terms of the proposed issuance) that has been duly approved by each Major Shareholder in accordance with Section 2.08(b)(vi) and the Articles.

(f) The Company shall not be obligated to consummate any proposed issuance of Subject Shares, nor be liable to any Preemptive Rights Holder if the Company has not consummated any proposed issuance of Subject Shares pursuant to this Section 4.03 for whatever reason, regardless of whether it shall have delivered an Issuance Notice or received any Exercise Notices in respect of such proposed issuance.

Section 4.04 Change of Control Tag-Along Right.

(a) Subject to Section 3.01 and Section 3.02, if any Shareholder(s) (the “Tag-Along Seller”) propose to Transfer, in a single transaction or a series of related transactions, Company Securities that would result in a GDSI Change of Control (but not a Transfer that constitutes a GDSH Change of Control), including through Transfers of interests in direct or indirect holding entities for the purpose of circumventing the Transfer restrictions and requirements set forth in this Section 4.04 (a “Tag-Along Sale”), the Tag-Along Seller shall provide each other Shareholder (the “Tag-Along Right Holder”) written notice of the terms and conditions of such proposed Transfer (the “Tag-Along Notice”) and offer each Tag-Along Right Holder the opportunity to participate in such Transfer in accordance with this Section 4.04 (the “Tag-Along Offer”); provided that, if a Tag-Along Sale comprises only of a Transfer of Company Securities by GDSH during the Lock-Up Period in compliance with Section 3.02(b), other Shareholders shall not have a Tag-Along Right under this Section 4.04.

(b) The Tag-Along Notice shall identify the number and class of Company Securities proposed to be sold by the Tag-Along Seller, the consideration for which the Transfer is proposed to be made (as determined on an Ordinary Share Equivalents basis), and all other material terms and conditions of the Tag-Along Offer, including the form of the proposed agreement, if any.

(c) Each Tag-Along Right Holder shall have the right (a “Tag-Along Right”), exercisable by written notice (a “Tag-Along Response Notice”) given to the Tag-Along Seller within fifteen (15) Business Days after its receipt of the Tag-Along Notice (the “Tag-Along Notice Period”), to request that the Tag-Along Seller include in the proposed Transfer up to a number of Company Securities (as determined on an Ordinary Share Equivalents basis) representing such Tag-Along Right Holder’s Tag-Along Portion (each such exercising Tag-Along Right Holder, a “Tagging Shareholder”); provided that, each Tagging Shareholder shall be entitled to include in the Tag-Along Sale no more than its Tag-Along Portion of Company Securities (as determined on an Ordinary Share Equivalents basis) and the Tag-Along Seller shall be entitled to include the number of Company Securities (as determined on an Ordinary Share Equivalents basis) proposed to be Transferred by the Tag-Along Seller as set forth in the Tag-Along Notice (reduced, to the extent necessary, so that each Tagging Shareholder shall be able to include its Tag-Along Portion). Each Tag-Along Response Notice shall include wire transfer or other instructions for payment of any consideration for the Company Securities being Transferred in such Tag-Along Sale.

(d) The Tag-Along Sale shall be completed within one hundred and twenty (120) days after delivery of such Tag-Along Notice (which one hundred and twenty (120) day-period shall be extended if the Tag-Along Sale is subject to regulatory approval until the expiration of five (5) Business Days after all such approvals have been received, but in no event later than one hundred and eighty (180) days following delivery of the Tag-Along Notice by the Tag-Along Seller).

(e) Simultaneously with the consummation of the Tag-Along Sale, the Tag-Along Seller shall, or cause the buyer in the Tag-Along Sale to, (i) notify the Tagging Shareholders thereof, (ii) remit to the Tagging Shareholders the total consideration for the Company Securities of the Tagging Shareholders Transferred pursuant thereto, with the cash portion of the purchase price paid by wire transfer of immediately available funds in accordance with the wire transfer instructions in the applicable Tag-Along Response Notices and (iii) furnish such other evidence of the completion and the date of completion of such Transfer and the terms thereof as may be reasonably requested by the Tagging Shareholders. The Tag-Along Seller shall, or cause the buyer in the Tag-Along Sale to, promptly remit to the Tagging Shareholders any additional consideration payable upon the release of any escrows, holdbacks or adjustments in purchase price.

(f) If any Tag-Along Right Holder declines to exercise its Tag-Along Right or any Tagging Shareholder elects to exercise its Tag-Along Right with respect to less than such Tagging Shareholder's Tag-Along Portion, the Tag-Along Seller shall be entitled to Transfer, pursuant to the Tag-Along Offer, a number of Company Securities held by it equal to the number of Company Securities (as determined on an Ordinary Share Equivalents basis) constituting, as the case may be, the Tag-Along Portion of such Tag-Along Right Holder or the portion of such Tagging Shareholder's Tag-Along Portion with respect to which Tag-Along Right was not exercised.

Section 5.01 Liquidity Options.

(a) If no IPO has been completed on or prior to the fifth (5th) anniversary of the Effective Date, at any time thereafter, the Major Shareholders shall discuss in good faith, and use commercially reasonable efforts to cooperate with each other, to identify appropriate and viable liquidity options, including a sale of all of their Company Securities or a sale of all or substantially all of the material assets of the Group (a "Liquidity Transaction") at such price and on such terms as are acceptable to the Major Shareholders.

(b) If no IPO has been completed on or prior to the sixth (6th) anniversary of the Effective Date, at any time thereafter, either (i) the Series A Majority or (ii) the holders of a majority of the Ordinary Shares may by written notice request the Company to, and the Company shall, within [thirty (30) Business Days] following the receipt of such notice, conduct a Liquidity Transaction Process, pursuant to which the Company shall accept the highest obtainable Liquidity Transaction Offer Price, and all Shareholders shall take all reasonably necessary actions, and provide all reasonably necessary assistance to the Company, to consummate the Liquidity Transaction at such offer price.

(c) All costs, fees and expenses reasonably incurred in conducting the Liquidity Transaction Process shall be borne by the Company and be deducted from the proceeds payable or distributable to the Shareholders in connection with the Liquidity Transaction.

(d) Notwithstanding anything in this Deed to the contrary, for so long as the Aggregate Ownership Percentage of GDSH is no less than thirty percent (30%), none of the other Shareholders shall enter into or commit or agree to enter into any transaction, or series of transactions, that would result in a Control Transaction without the prior written consent of GDSH except for a transaction that has complied with Section 5.01(a) or Section 5.01(b).

Section 5.02 Strategic Review.

(a) If an IPO has been consummated on or prior to the sixth (6th) anniversary of the Effective Date and any Series A Preferred Shares remain outstanding following the sixth (6th) anniversary of the Effective Date, the Series A Majority shall be entitled to require the Board to engage financial and other necessary advisors to conduct a strategic review (the "Strategic Review") on the business and operations of the Company by submitting a written request to the Board (the "Strategic Review Request"). All costs, fees and expenses incurred in connection with the Strategic Review shall be borne by the Company.

(b) Within thirty (30) Business Days after the Board has received the Strategic Review Request from the Series A Majority pursuant to Section 5.02(a), the Board shall form a special committee of independent directors (the “Special Committee”) and retain legal, financial, and other necessary advisors to facilitate the Strategic Review. The Special Committee shall consider all reasonable alternatives and make a recommendation to the Board that is in the best interests of Shareholders and enables the Board to fully discharge its fiduciary duties. The Company and all Shareholders shall use commercially reasonable efforts to facilitate any implementation of the recommendations of the Special Committee that are approved by the Board following the Strategic Review.

Section 5.03 Company Redemption Rights.

(a) If an IPO has been consummated on or prior to the sixth (6th) anniversary of the Effective Date and any Series A Preferred Shares remain outstanding following the sixth (6th) anniversary of the Effective Date, the Company shall have the right at its election (but not the obligation) from time to time to redeem all or any of the then outstanding Series A Preferred Shares on a pro rata basis in accordance with the relative Aggregate Ownership Percentage among the holders of such Series A Preferred Shares in cash at a redemption price (the “Redemption Price”) that will generate an IRR of at least ten percent (10%) for the holder of each Series A Preferred Share (the “Company Redemption Rights”).

(b) If the Company elects to exercise the Company Redemption Rights pursuant to Section 5.03(a), the Company shall give written notice of redemption (the “Redemption Notice”) to all Series A Preferred Shareholders (the “Redeeming Shareholders”) setting out the number of Series A Preferred Shares to be redeemed (the “Redemption Shares”) and the Redemption Price (including the calculation thereof) at least twenty-five (25) Business Days prior to the Redemption Date designated therein. A Redemption Notice delivered by the Company may not be later revoked or withdrawn by the Company. If any Redeeming Shareholders delivers, at least five (5) Business Days prior to the Redemption Date, a written notice to the Company to convert any or all of its Series A Preferred Shares into Ordinary Shares, such holder shall be entitled to receive the Ordinary Shares issued upon conversion of such Series A Preferred Shares (by way of the repurchase by the Company of such Series A Preferred Shares in consideration for the issuance of such Ordinary Shares or otherwise in accordance with the Articles), and for the avoidance of doubt, neither such Ordinary Shares nor such Series A Preferred Shares shall be subject to any Company Redemption Rights.

(c) The Redemption Notice shall contain instructions for the Redeeming Shareholders to deliver to the Company’s share register or transfer agent, as applicable, the share certificates for the Redemption Shares (if any, or if such certificates have been lost or destroyed, to give an indemnity in favor of the Company in relation to such lost or destroyed certificates) and to provide payment details to the Company. Upon such delivery of the share certificates for the Redemption Shares, the Company shall pay or cause to be paid directly or via a transfer agent to each Redeeming Shareholder that has complied with the instructions set forth in such Redemption Notice such Redeeming Shareholder’s Redemption Price in cash by wire transfer to its designated bank account on or prior to the Redemption Date as designated in the notice, and shall procure that the register of members is updated to reflect such redemption of such Redemption Shares.

(d) With respect to any Redemption Shares which have been specified to be redeemed by the Company pursuant to the Company Redemption Rights in accordance with the provisions of this Section 5.03, and for which the Company has irrevocably paid the Redemption Price to the applicable Redeeming Shareholders: (i) dividends shall cease to accrue on such Redemption Shares, (ii) such Redemption Shares shall no longer be deemed outstanding, and (iii) all rights with respect to such Redemption Shares shall cease and terminate.

Section 5.04 Public Listing and QIPO.

(a) For so long as GDSH is a Major Shareholder, GDSH shall have the right to demand the Company to use its reasonable efforts to consummate a QIPO following the first (1st) anniversary of the Effective Date.

(b) Any Major Shareholder shall have the right to demand the Company to use its reasonable efforts to consummate a QIPO following the third (3rd) anniversary of the Effective Date.

(c) Without prejudice to the Investor's rights under this Deed and the Articles, each Investor agrees to use reasonable best efforts to cooperate with the Company and GDSH and to take all such actions within its power as are reasonably necessary and reasonably requested by the Company or GDSH to effect an IPO that has been approved in accordance with this Deed and the Articles, including:

(i) providing reasonable assistance to the Company in connection with its appointment of appropriate advisers;

(ii) to the extent such Investor is a selling shareholder in the IPO, providing customary warranties and indemnities to the purchaser or underwriters (as applicable) in relation to the IPO if required by the purchaser or underwriters in respect of all selling shareholders, provided that, such Investor shall only be required to provide a limited, liability-capped indemnity in respect of information relating to itself as provided by it and included in the offering document;

(iii) providing reasonable and customary assistance to the Company's advisers in connection with the IPO to the extent considered by such advisors to be necessary;

(iv) providing reasonable assistance for approving (or procuring the passing of) any necessary board or shareholders' resolutions (including to increase the maximum number of Shares authorized to be issued by the Company and issue any new Company Securities) and providing reasonable assistance for executing customary documents, in each case, as may be reasonably necessary to implement or facilitate the implementation of the IPO (including any agreements to effect or implement any restructuring of the Company in preparation for or in connection with an IPO and an underwriting (or ancillary) agreement);

(v) agreeing to exchange or convert any Company Securities it holds into securities in the Newco, in the same proportion as the proportion exchanged or converted by the other Shareholders; provided that, such exchange and conversion shall have no adverse impact on the Investor including tax consequences and that following such exchange or conversion:

(A) the parties hereto shall enter into a shareholders' agreement relating to Newco containing the same provisions as this Deed and Newco shall adopt constitutional documents containing the same provisions as the Articles (except that references to "Company" shall be to "Newco", "Shares" or "Company Securities" shall be to securities in the Newco and "Shareholders" shall be to shareholders of Newco), which shall provide the Newco securities received in exchange for the Company Securities with the same rights, benefits and privileges as attached to such Company Securities; and

(B) if no shareholders' agreement relating to Newco has been entered into, this Deed shall be interpreted as if it is a shareholders' agreement relating to Newco and the Articles shall be interpreted as if they are the constitutional documents of Newco, with all references being interpreted in the same manner, provided that such arrangement shall be enforceable under Applicable Law.

(d) Subject to the underwriter(s)' reasonable opinion and taking into account then relevant market conditions, following an IPO, the Company agrees to use commercially reasonable efforts to cooperate with the Investors and to take all commercially reasonable actions within its power as is reasonably requested by the Investors in connection with customary marketing activities to promote the Shares in a marketed secondary sale of the Shares.

(e) The Series A Preferred Shares shall automatically convert into Ordinary Shares in accordance with the Articles concurrently with the completion of the IPO if the offer price for each Ordinary Share in the IPO represents a premium of seventy five percent (75%) or more of the Series A Conversion Price (as appropriately adjusted for any distribution, share dividend, share split or subdivision, combination or consolidation, reorganization, recapitalization, reclassification or other similar event affecting the Series A Preferred Shares) (the "Automatic Conversion Price"). Following the later of the completion of a Public Listing and the expiration of the IPO Lock-Up (if any), the Series A Preferred Shares shall automatically convert into Ordinary Shares in accordance with the Articles if the 30-Day VWAP and the 30-Day ADTV of the Ordinary Shares following the Public Listing (irrespective of whether any IPO shall have been consummated) is equal to or more than the Automatic Conversion Price and US\$10 million respectively (for the avoidance of doubt, both conditions shall be satisfied); provided that, if there is an IPO in connection with or following the Public Listing, the calculation of the 30-Day VWAP and the 30-Day ADTV of the Ordinary Shares shall commence after the expiration of any applicable IPO Lock-Up.

(f) Following the completion of an IPO, each Series A Preferred Share shall automatically convert into Ordinary Shares in accordance with the Articles upon any Transfer of such Series A Preferred Share by any Investor to any Third Party.

Section 5.05 Registration Rights. Each Investor shall be entitled to (a) customary demand registration rights if at such time such Investor's Aggregate Ownership Percentage exceeds five percent (5%), and (b) short-form registration (on Form S-3/F-3) rights and piggyback registration rights, in the case of each of sub-clauses (a) and (b), that are commensurate with those rights set forth under that certain Investor Rights Agreement, dated as of June 26, 2020, among GDSH, Gaoling Fund, L.P., and YHG Investment, L.P. (collectively, the "Registration Rights"). The Company shall enter into a separate registration rights agreement (the "Registration Rights Agreement") with the Investors providing for the Registration Rights. The Company and the Investors shall use reasonable efforts to enter into the Registration Rights Agreement in form and substance reasonably satisfactory to each Major Shareholder as soon as reasonably practicable following the Effective Date and in any event not later than the earlier of (i) [twenty (20)] Business Days after the Effective Date and (ii) the consummation of a subsequent round of equity financing by the Company.

Section 5.06 Series A Change of Control Redemption Rights

(a) Upon the occurrence of either a GDSH Change of Control or a GDSI Change of Control (each, a "Series A CoC Transaction"), the holder of each Series A Preferred Share shall have the right (but not the obligation) at its election to require the Company to redeem, and the Company shall be obligated pursuant to this Section 5.06 to redeem, such Series A Preferred Share in cash at a price (the "Series A CoC Redemption Price") that will generate an IRR of ten percent (10%) in respect of such Series A Preferred Share (the "Series A CoC Redemption Rights"); provided that, if a GDSI Change of Control transaction is also a Tag-Along Sale for which Tag-Along Right is available to holders of Series A Preferred Shares under Section 4.04, then any holder of Series A Preferred Shares that has exercised its Tag-Along Right and sold its Tag-Along Portion in such Tag-Along Sale shall not be entitled to exercise the Series A CoC Redemption Rights for the same transaction.

(b) Promptly following and in any event no later than five (5) Business Days following the consummation of a Series A CoC Transaction, GDSH and the Company shall notify each holder of Series A Preferred Shares in writing (the “Series A CoC Transaction Notice”). The Series A CoC Transaction Notice shall identify the nature of the transaction or series of transactions that constitute the Series A CoC Transaction, including the consideration and all other material terms and conditions thereof (which, in case of a GDSI Change of Control for which a Tag-Along Notice has been delivered, shall include any material modifications, if any, to the information set forth in such Tag-Along Notice) and shall identify the Series A CoC Redemption Price and the Series A CoC Redemption Date, which shall be no earlier than ten (10) Business Days and no later than thirty (30) Business Days following the consummation of the Series A CoC Transaction.

(c) If a holder of Series A Preferred Shares elects to exercise its Series A CoC Redemption Rights pursuant to Section 5.06(a) (a “Series A CoC Redemption Party”), such Series A CoC Redemption Party shall give written notice (the “Series A CoC Redemption Notice”) to the Company setting out the number of Series A Preferred Shares to be redeemed (the “Series A CoC Redemption Shares”) at the Series A CoC Redemption Price and its bank account details by no later than [ten (10)] Business Days following the date of the Series A CoC Transaction Notice.

(d) On the Series A CoC Redemption Date, the Company shall pay, or cause to be paid, directly or via a transfer agent to each Series A CoC Redemption Party such Series A CoC Redemption Party’s Series A CoC Redemption Price in cash in immediately available funds by wire transfer to its designated bank account set forth in its Series A CoC Redemption Notice, and shall procure that the register of members is updated to reflect such redemption of such Series A CoC Redemption Shares.

(e) With respect to any Series A CoC Redemption Shares which have been redeemed by the Company pursuant to the Series A CoC Redemption Rights in accordance with the provisions of this Section 5.06, and for which the Company has irrevocably paid the Series A CoC Redemption Price to the applicable Series A CoC Redemption Party(ies): (i) dividends shall cease to accrue on such Series A CoC Redemption Shares, (ii) such Series A CoC Redemption Shares shall no longer be outstanding, and (iii) all rights with respect to such Series A CoC Redemption Shares shall cease and terminate.

- (iv) In the event of an automatic conversion pursuant to Article 13.1(b)(ii), the relevant transferor holder of Series A Preferred Shares shall give not less than ten (10) Business Days' prior written notice to the Company that such holder intends to transfer any or all of the Series A Preferred Shares it holds and surrender the certificate or certificates representing such Series A Preferred Shares, duly endorsed, at the Registered Office or principal place of business of the Company or of any share registrar and transfer agent (or, where such certificate(s) have been lost or destroyed, such holder may provide an indemnity in relation to such certificate(s) being lost or destroyed) for such Series A Preferred Shares to be converted upon the completion of such transfer (which date if not already specified in the notice, shall be notified to the Company as soon as practicable and in any event by no later than three (3) Business Days prior to the completion of such transfer). The Company shall as soon as reasonably practicable issue and deliver to (A) the transferee (whose name if not already specified in the notice, shall be notified to the Company as soon as practicable and in any event by no later than three (3) Business Days prior to the completion of such transfer) a certificate or certificates for the number of Ordinary Shares to which such transferee is entitled pursuant to this Article 13.1 and Article 13.2 and a check or monetary remittance denominated in US\$ payable to such transferee in the amount of any cash amounts payable (if any) as a result and in lieu of a conversion into fractional Ordinary Shares, and, if applicable, (B) the transferor a certificate or certificates for the number of Series A Preferred Shares that are represented by the surrendered certificate or certificates but are not transferred to the transferee, and (C) on the date of completion of such transfer, provide to the transferee and transferor a certified copy of the Register of Members which reflects the conversion by way of the repurchase by the Company of such number of such transferor's Series A Preferred Shares to be converted, in consideration for the issuance to the transferee of such number of Ordinary Shares to which such transferee is entitled pursuant to this Article 13.1 and Article 13.2, on the date of completion of such transfer. All certificates evidencing the Series A Preferred Shares which are required to be surrendered for conversion in accordance with the provisions hereof shall, from and after the date such certificates are so required to be surrendered, be deemed to have been retired and canceled and the Series A Preferred Shares represented thereby converted into Ordinary Shares for all purposes, notwithstanding the failure of the holder or holders thereof to surrender such certificates on or prior to such date.
- (v) The Directors may effect such conversion in any manner available under Applicable Law, including redeeming, repurchasing, re-designating or varying the rights of the relevant Series A Preferred Shares on issue and applying the proceeds thereof towards payment for the new Ordinary Shares. For purposes of the repurchase or redemption, the Directors may, subject to the Company being able to pay its debts in the ordinary course of business and to the extent permitted under Applicable Law, make payments out of its capital.
-

- (vi) The Company shall at all times keep available out of its authorized but unissued Ordinary Shares solely for the purpose of effecting the conversion of the Series A Preferred Shares such number of Ordinary Shares as shall from time to time be sufficient to effect the conversion of all outstanding Series A Preferred Shares. If at any time the number of authorized but unissued Ordinary Shares shall not be sufficient to effect the conversion of all outstanding Series A Preferred Shares, in addition to such other remedies as shall be available to the holder of such Series A Preferred Shares, the Company and the Members shall take such corporate action as may be necessary to increase the authorized but unissued Ordinary Shares to such number of Ordinary Shares as shall be sufficient for such purposes.
- (vii) For the avoidance of doubt, no conversion of any Series A Preferred Share shall prejudice the right of the holder of such Series A Preferred Share to receive dividends and other distributions declared in accordance with the Shareholders Deed and the Articles but not paid on such Series A Preferred Share on or before the date of such conversion.

13.2 Adjustments to Conversion Price.

- (a) Special Definitions. For the purposes of this Article 13.2, the following definitions apply:
 - (i) “**Convertible Securities**” means any evidences of indebtedness, shares or other securities directly or indirectly convertible into or exchangeable for Ordinary Shares.
 - (ii) “**Options**” means rights, options or warrants to subscribe for, purchase or otherwise acquire either Ordinary Shares or Convertible Securities, including those granted or issued pursuant to the Management Equity Grant or any other Employee Plans.
 - (b) No Adjustment of Conversion Price. Notwithstanding any provision to the contrary contained herein, no adjustment in the Conversion Price shall be made in respect of the issuance of New Securities, unless the issue price per Ordinary Share for such New Securities issued or deemed to be issued pursuant to Article 13.2(c) by the Company is lower than the Conversion Price in effect on the date of and immediately prior to such issue.
 - (c) Deemed Issuance of New Securities. In the event that the Company issues any Options or Convertible Securities or shall fix a record date for the determination of holders of any class or series of shares of the Company entitled to receive any such Options or Convertible Securities, then the maximum number of Ordinary Shares (as set forth in the instrument relating thereto without regard to any provisions contained therein for a subsequent adjustment of such number that would result in an adjustment pursuant to Article 13.2(c)(ii)) issuable upon the exercise of such Options or, in the case of Convertible Securities and Options therefor, the conversion or exchange of such Convertible Securities, shall be deemed to be New Securities issued as at the time of such issue or, in case such a record date shall have been fixed, as at the close of business on such record date; provided, that New Securities shall be deemed to not have been issued, unless the issue price per Ordinary Share (as determined pursuant to Article 13.2(e)) of such New Securities would be less than the Conversion Price in effect on the date of and immediately prior to such issue, or such record date, as the case may be; provided, further, that in any such case in which New Securities are deemed to be issued:
-

- (i) no further adjustment in the Conversion Price shall be made upon the subsequent issue of Convertible Securities or Ordinary Shares upon the exercise of such Options or conversion or exchange of such Convertible Securities;
 - (ii) if such Options or Convertible Securities by their terms provide, with the passage of time or otherwise, for any increase or decrease in the consideration payable to the Company, or increase or decrease in the number of Ordinary Shares issuable, upon the exercise, conversion or exchange thereof, the Conversion Price computed upon the original issuance thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon any such increase or decrease becoming effective, be recomputed to reflect such increase or decrease insofar as it affects such Options or the rights of conversion or exchange under such Convertible Securities;
 - (iii) upon the expiration of any such Options or any rights of conversion or exchange under such Convertible Securities which shall not have been exercised, the Conversion Price computed upon the original issuance thereof (or upon the occurrence of a record date with respect thereto), and any subsequent adjustments based thereon, shall, upon such expiration, be recomputed as if:
 - (A) in the case of Convertible Securities or Options for Ordinary Shares, the only New Securities issued were Ordinary Shares, if any, actually issued upon the exercise of such Options or the conversion or exchange of such Convertible Securities and the consideration received therefor was the consideration actually received by the Company for the issue of all such Options, whether or not exercised, plus the consideration actually received by the Company upon such exercise, or for the issue of all such Convertible Securities which were actually converted or exchanged, plus the additional consideration, if any, actually received by the Company upon such conversion or exchange; and
 - (B) in the case of Options for Convertible Securities, only the Convertible Securities, if any, actually issued upon the exercise thereof were issued at the time of issue of such Options, and the consideration received by the Company for the New Securities deemed to have been then issued was the consideration actually received by the Company for the issue of all such Options, whether or not exercised, plus the consideration deemed to have been received by the Company upon the issue of the Convertible Securities with respect to which such Options were actually exercised;
 - (iv) no readjustment pursuant to Article 13.2(c)(ii) or Article 13.2(c)(iii) shall have the effect of increasing the Conversion Price to an amount which exceeds the lower of (A) the Conversion Price on the original adjustment date and (B) the Conversion Price that would have resulted from any issuance of New Securities between the original adjustment date and such readjustment date; and
 - (v) in the case of any Options which expire by their terms not more than thirty (30) days after the date of issue thereof, no adjustment of the Conversion Price shall be made until the expiration or exercise of all such Options, whereupon such adjustment shall be made in the manner provided in Article 13.2(c)(iii).
-

- (d) Adjustment of Conversion Price upon Issuance of New Securities below the Conversion Price. In the event that the Company shall issue or be deemed to have issued New Securities to any Person without consideration or for a consideration per Ordinary Share less than the Conversion Price in effect on the date of and immediately prior to such issuance or deemed issuance, the Conversion Price shall (except as otherwise provided in this Article 13.2) be reduced, concurrently with such issuance or deemed issuance, to a price (calculated to the nearest cent) determined as set forth below:

$$\text{NCP} = \text{OCP} * (\text{OS} + (\text{NP}/\text{OCP})) / (\text{OS} + \text{NS})$$

where:

NCP = the new Conversion Price;

OCP = the Conversion Price in effect immediately before the issuance or deemed issuance of the New Securities;

OS = the total number of Ordinary Shares outstanding immediately before the issuance or deemed issuance of the New Securities (treating for this purpose as outstanding all Ordinary Shares issuable (i) upon exercise of Options outstanding immediately prior to such issuance or deemed issuance or (ii) upon conversion or exchange of Convertible Securities (including the Series A Preferred Shares) outstanding (assuming exercise of any outstanding Options therefor) immediately prior to such issuance or deemed issuance, but otherwise calculated on a non-diluted basis);

NP = the total consideration received for the issuance or deemed issuance of the New Securities; and

NS = the total number of New Securities actually issued or deemed to be issued.

- (e) Determination of Consideration. For purposes of this Article 13.2, the consideration received by the Company for the issuance or deemed issuance of any New Securities shall be computed as follows:

- (i) Except as provided in Article 13.2(e)(ii), such consideration shall:

- (A) insofar as it consists of cash, be computed at the aggregate amount of cash received by the Company, excluding amounts paid or payable for accrued interest or accrued dividends;
- (B) insofar as it consists of property other than cash, be computed at the fair value thereof at the time of such issue, as determined in good faith by the Board; provided, that no value shall be attributed to any services performed by any employee, officer or director of the Company; and
- (C) in the event that New Securities are issued or deemed issued together with other shares or securities in or other assets of the Company for consideration which covers both such New Securities and such other shares or securities or other assets, be the proportion of such consideration so received with respect to such New Securities, computed as provided in Article 13.2(e)(i)(A) and Article 13.2(e)(i)(B), as determined in good faith by the Board.

- (ii) The consideration per Ordinary Share received by the Company for New Securities deemed to have been issued pursuant to Article 13.2(c), relating to Options and Convertible Securities, shall be determined by dividing:
-

- (A) the total amount, if any, received or receivable by the Company (net of any selling concessions, discounts or commissions) as consideration for the issue of such Options or Convertible Securities, plus the minimum aggregate amount of additional consideration (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such consideration) payable to the Company upon the exercise of such Options or the conversion or exchange of such Convertible Securities, or in the case of Options for Convertible Securities, the exercise of such Options for Convertible Securities and the conversion or exchange of such Convertible Securities; by
 - (B) the maximum number of Ordinary Shares (as set forth in the instruments relating thereto, without regard to any provision contained therein for a subsequent adjustment of such number) issuable upon the exercise of such Options or the conversion or exchange of such Convertible Securities.
- (f) Adjustments for Share Dividends, Subdivisions, Combinations or Consolidations of Company Securities. In the event that the issued and outstanding Ordinary Shares shall be subdivided (by share dividend, share split or subdivision or otherwise) into a greater number of Ordinary Shares, the Conversion Price then in effect shall, concurrently with the effectiveness of such subdivision, be proportionately decreased. In the event that the issued and outstanding Ordinary Shares shall be combined or consolidated, by reclassification or otherwise, into a fewer number of Ordinary Shares, the Conversion Price then in effect shall, concurrently with the effectiveness of such combination or consolidation, be proportionately increased.
- (g) Adjustments for Other Distributions. In the event that the Company at any time or from time to time makes, or fixes a record date for the determination of holders of Ordinary Shares entitled to receive, any distribution payable in securities in or assets of the Company other than Ordinary Shares, then and in each such event provision shall be made so that the holders of Series A Preferred Shares shall receive upon conversion thereof, in addition to the number of Ordinary Shares receivable thereupon, the amount of securities in or assets of the Company which they would have received had their Series A Preferred Shares been converted into Ordinary Shares on the date of such event and had they thereafter, during the period from the date of such event to and including the date of conversion, retained such securities or assets receivable by them as aforesaid during such period, subject to all other adjustments called for during such period under this Article 13.2 with respect to the rights of the holders of Series A Preferred Shares.
- (h) Adjustments for Reclassification, Exchange and Substitution. If the Ordinary Shares issuable upon conversion of the Series A Preferred Shares shall be changed into the same or a different number of shares of any other class or classes of shares of the Company, whether by capital reorganization, reclassification, re-designation or otherwise (other than a subdivision or combination of shares provided for above), then and in each such event the holder of each Series A Preferred Share shall have the right thereafter to convert such Series A Preferred Share into the kind and amount of shares and other securities and property receivable upon such reorganization or reclassification or re-designation or other change by holders of the number of Ordinary Shares that would have been subject to receipt by the holders upon conversion of the Series A Preferred Shares immediately before that change, all subject to further adjustment as provided herein.
-

- (i) Other Dilutive Events. In case any event shall occur as to which the other provisions of this Article 13.2 are not strictly applicable, but the failure to make any adjustment to the Conversion Price would not fairly protect the conversion rights of the Series A Preferred Shares in accordance with the essential intent and principles hereof, then, in each such case, the Directors, in good faith, shall determine the appropriate adjustment to be made, on a basis consistent with the essential intent and principles established in this Article 13.2, necessary to preserve, without dilution, the conversion rights of the Series A Preferred Shares.
- (j) No Impairment. Subject to the Applicable Law, the Company shall not, by amendment of the Memorandum or the Articles or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action not duly approved in accordance with the Shareholders Deed and the Articles if required, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company but shall at all times in good faith assist in the carrying out of all the provisions of this Article 13.2 and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights of the Series A Preferred Shares against impairment.
- (k) Certificate as to Adjustments. Upon the occurrence of each adjustment or readjustment of the Conversion Price pursuant to this Article 13.2, the Company, at its expense, shall promptly compute such adjustment or readjustment in accordance with the terms hereof, and furnish to each holder of Series A Preferred Shares who is affected by such adjustment or readjustment a certificate setting forth such adjustment or readjustment and showing in detail the facts upon which such adjustment or readjustment is based. The Company shall, upon the written request at any time of any holder of Series A Preferred Shares who is affected by such adjustment or readjustment, furnish or cause to be furnished to such holder a like certificate setting forth (i) such adjustments and readjustments, (ii) the Conversion Price, at the time in effect, and (iii) the number of Ordinary Shares and the amount, if any, of other property which at the time would be received upon the conversion of Series A Preferred Shares.
- (l) Calculations. All calculations under this Article 13.2 shall be made to the nearest cent or to the nearest 1/100 of a Share, as the case may be.
- (m) No Adjustment. No adjustment in the Conversion Price need be made if such adjustment would result in a change in the Conversion Price of less than US\$0.0001. Any adjustment of less than US\$0.0001 which is not made shall be carried forward and shall be made at the time of and together with any subsequent adjustment which, on a cumulative basis, amounts to an adjustment of US\$0.0001 or more in the Conversion Price. If an adjustment in the Conversion Price would result in the reduction of the Conversion Price to below the par value of an Ordinary Share, the Conversion Price shall be deemed to be reduced to an amount equal to the par value of an Ordinary Share.

14. Lien on Shares

- 14.1 The Company shall have a first and paramount lien on all Shares (whether fully paid-up or not) registered in the name of a Member (whether solely or jointly with others) for all debts, liabilities or engagements to or with the Company (whether presently payable or not) by such Member or their estate, either alone or jointly with any other person, whether a Member or not, but the Directors may at any time declare any Share to be wholly or in part exempt from the provisions of this Article. The registration of a transfer of any such Share shall operate as a waiver of the Company's lien thereon. The Company's lien on a Share shall also extend to any amount payable in respect of that Share.
-

- 14.2 The Company may sell, in such manner as the Directors think fit, any Shares on which the Company has a lien, if a sum in respect of which the lien exists is presently payable, and is not paid within fourteen (14) clear days after notice has been received or deemed to have been received by the holder of the Shares, or to the person entitled to it in consequence of the death or bankruptcy of the holder, demanding payment and stating that if the notice is not complied with, the Shares may be sold.
- 14.3 To give effect to any such sale, the Directors may authorize any person to execute an instrument of transfer of the Shares sold to, or in accordance with the directions of, the purchaser. The purchaser or their nominee shall be registered as the holder of the Shares comprised in any such transfer, and they shall not be bound to see to the application of the purchase money, nor shall their title to the Shares be affected by any irregularity or invalidity in the sale or the exercise of the Company's power of sale under the Articles.
- 14.4 The net proceeds of such sale after payment of costs, shall be applied in payment of such part of the amount in respect of which the lien exists as is presently payable and any balance shall (subject to a like lien for sums not presently payable as existed upon the Shares before the sale) be paid to the person entitled to the Shares at the date of the sale.

15. Call on Shares

- 15.1 Subject to the terms of the allotment and issue of any Shares, the Directors may make calls upon the Members in respect of any monies unpaid on their Shares (whether in respect of par value or premium), and each Member shall (subject to receiving at least fourteen (14) clear days' notice specifying the time or times of payment) pay to the Company at the time or times so specified the amount called on the Shares. A call may be revoked or postponed, in whole or in part, as the Directors may determine. A call may be required to be paid by instalments. A person upon whom a call is made shall remain liable for calls made upon them notwithstanding the subsequent transfer of the Shares in respect of which the call was made. For the purposes of Articles 15 and 16, Director(s) that are nominated by the Member(s) whose Shares are subject to calls pursuant to this Article 15 shall be excluded from deliberating, voting and deciding on the subject matters covered hereunder.
- 15.2 A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.
- 15.3 The joint holders of a Share shall be jointly and severally liable to pay all calls in respect thereof.
- 15.4 If a call remains unpaid after it has become due and payable, the person from whom it is due shall pay an interest equal to fifteen percent (15%) per annum on the amount unpaid from the day it became due and payable until it is paid or at such other interest rate as the Directors may determine from time to time (and in addition all expenses that have been incurred by the Company by reason of such non-payment), but the Directors may waive payment of the interest or expenses wholly or in part.
- 15.5 An amount payable in respect of a Share on issue or allotment or at any fixed date, whether on account of the par value of the Share or premium or otherwise, shall be deemed to be a call and if it is not paid all the provisions of the Articles, shall apply as if that amount had become due and payable by virtue of a call.
-

- 15.6 Subject to Article 45 hereof, the Directors may issue Shares with different terms as to the amount and times of payment of calls, or the interest to be paid.
- 15.7 The Directors may, if they think fit, receive an amount from any Member willing to advance all or any part of the monies uncalled and unpaid upon any Shares held by that Member, and may (until the amount would otherwise become payable) pay interest at such rate as may be agreed upon between the Directors and the Member paying such amount in advance.
- 15.8 No such amount paid in advance of calls shall entitle the Member paying such amount to any portion of a Dividend or other distribution payable in respect of any period prior to the date upon which such amount would, but for such payment, become payable.

16. Forfeiture of Shares

- 16.1 If a call or instalment of a call remains unpaid after it has become due and payable, the Directors may give to the person from whom it is due not less than fourteen (14) clear days' notice requiring payment of the amount unpaid together with an interest equal to fifteen percent (15%) per annum on the amount unpaid from the day it became due and payable until it is paid and any expenses incurred by the Company by reason of such non-payment. The notice shall specify where payment is to be made and shall state that if the notice is not complied with, the Shares in respect of which the call was made will be liable to be forfeited.
- 16.2 If the notice is not complied with, any Share in respect of which it was given may, before the payment required by the notice has been made, be forfeited by a resolution of the Directors. Such forfeiture shall include all Dividends, other distributions or other monies payable in respect of the forfeited Share and not paid before the forfeiture.
- 16.3 A forfeited Share may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Directors think fit and at any time before a sale, re-allotment or disposition, the forfeiture may be canceled on such terms as the Directors think fit. Where for the purposes of its disposal a forfeited Share is to be transferred to any person, the Directors may authorize any person to execute an instrument of transfer of the Share in favor of that person.
- 16.4 A person any of whose Shares have been forfeited shall cease to be a Member in respect of the Shares forfeited and shall surrender to the Company for cancellation the certificate for the Shares forfeited (all certificates evidencing such forfeited Shares shall be deemed to have been retired and canceled notwithstanding the failure of the holder or holders thereof to surrender such certificates) and shall remain liable to pay to the Company all monies which at the date of forfeiture were payable by that person to the Company in respect of those Shares together with an interest equal to fifteen percent (15%) per annum on the amount unpaid from the day it became due and payable until it is paid or at such other interest rate as the Directors may determine from time to time, but that person's liability shall cease if and when the Company shall have received payment in full of all monies due and payable by them in respect of those Shares.
- 16.5 A certificate in writing under the hand of one Director or authorized officer of the Company that a Share has been forfeited on a specified date shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the Share. The certificate shall (subject to the execution of an instrument of transfer) constitute a good title to the Share and the person to whom the Share is sold or otherwise disposed of shall not be bound to see to the application of the purchase money, if any, nor shall their title to the Share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale or disposal of the Share.
-

16.6 The provisions of the Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a Share, becomes payable at a fixed time, whether on account of the par value of the Share or by way of premium as if it had been payable by virtue of a call duly made and notified.

17. Transmission of Shares

17.1 If a Member dies, the survivor or survivors (where they were a joint holder) or their legal personal representatives (where they were a sole holder), shall be the only persons recognized by the Company as having any title to the deceased Member's Shares. The estate of a deceased Member is not thereby released from any liability in respect of any Share, for which the Member was a joint or sole holder.

17.2 Any person becoming entitled to a Share in consequence of the death or bankruptcy or liquidation or dissolution of a Member (or in any other way than by transfer) may, upon such evidence being produced as may be required by the Directors, elect, by a notice in writing sent by that person to the Company, either to become the holder of such Share or to have some person nominated by them registered as the holder of such Share. If they elect to have another person registered as the holder of such Share, they shall sign an instrument of transfer of that Share to that person. The Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the relevant Member before their death or bankruptcy or liquidation or dissolution, as the case may be.

17.3 A person becoming entitled to a Share by reason of the death or bankruptcy or liquidation or dissolution of a Member (or in any other case than by transfer) shall be entitled to the same Dividends, other distributions and other advantages to which they would be entitled, if they were the holder of such Share. However, they shall not, before becoming a Member in respect of a Share, be entitled in respect of it to exercise any right conferred by membership in relation to general meetings of the Company and the Directors may at any time give notice requiring any such person to elect either to be registered or to have some person nominated by them registered as the holder of the Share (but the Directors shall, in either case, have the same right to decline or suspend registration as they would have had in the case of a transfer of the Share by the relevant Member before their death or bankruptcy or liquidation or dissolution or any other case than by transfer, as the case may be). If the notice is not complied with within ninety (90) days of being received or deemed to be received (as determined pursuant to the Articles) the Directors may thereafter withhold payment of all Dividends, other distributions, bonuses or other monies payable in respect of the Share, until the requirements of the notice have been complied with.

18. Amendments of Memorandum and Articles of Association and Alteration of Capital

18.1 Subject to the provisions of the Statute and Article 45 hereof, the Company may by Ordinary Resolution:

- (a) increase its share capital by such sum as the Ordinary Resolution shall prescribe and with such rights, priorities and privileges annexed thereto, as the Company in general meeting may determine;
 - (b) consolidate and divide all or any of its share capital into Shares of larger amount than its existing Shares;
 - (c) convert all or any of its paid-up Shares into stock, and reconvert that stock into paid-up Shares of any denomination;
-

- (d) by subdivision of its existing Shares or any of them divide the whole or any part of its share capital into Shares of smaller amount than is fixed by the Memorandum or into Shares without par value; and
 - (e) cancel any Shares that at the date of the passing of the Ordinary Resolution have not been taken or agreed to be taken by any person and diminish the amount of its share capital by the amount of the Shares so canceled.
- 18.2 All new Shares created in accordance with the provisions of the preceding Article shall be subject to the same provisions of the Articles with reference to the payment of calls, liens, transfer, transmission, forfeiture and otherwise as the Shares in the original share capital.
- 18.3 Subject to the provisions of the Statute and Article 45 hereof, the Company may by Special Resolution:
- (a) change its name;
 - (b) alter or add to the Articles;
 - (c) alter or add to the Memorandum with respect to any objects, powers or other matters specified therein; and
 - (d) reduce its share capital or any capital redemption reserve fund.

19. Offices and Places of Business

Subject to the provisions of the Statute, the Company may by resolution of the Directors change the location of its Registered Office. The Company may, in addition to its Registered Office, maintain such other offices or places of business as the Directors determine.

20. General Meetings

- 20.1 All general meetings other than annual general meetings shall be called extraordinary general meetings.
- 20.2 The Company may, but shall not (unless required by the Statute) be obliged to, in each year hold a general meeting as its annual general meeting, and shall specify the meeting as such in the notices calling it. Any annual general meeting shall be held at such time and place as the Directors shall appoint. At these meetings the report of the Directors (if any) shall be presented.
- 20.3 The Directors may call general meetings, and they shall on a Members' requisition forthwith proceed to convene an extraordinary general meeting of the Company.
- 20.4 A Members' requisition is a requisition of Members holding at the date of deposit of the requisition not less than ten percent (10%) of the aggregate voting power of all of the Ordinary Shares entitled to attend and vote at general meetings of the Company (including the Series A Preferred Shares on an as-converted basis).
- 20.5 The Members' requisition must state the objects of the meeting and must be signed by the requisitionists and deposited at the Registered Office, and may consist of several documents in like form each signed by one or more requisitionists.
- 20.6 If there are no Directors as at the date of the deposit of the Members' requisition or if the Directors do not within twenty-one (21) days from the date of the deposit of the Members' requisition duly proceed to convene a general meeting to be held within a further twenty-one (21) days, the requisitionists, or any of them representing more than one-half ($\frac{1}{2}$) of the total voting rights of all of the requisitionists, may themselves convene a general meeting, but any meeting so convened shall remain to be subject to other Articles hereof and shall be held no later than the day which falls three (3) months after the expiration of the said twenty-one (21)-day period.
-

20.7 A general meeting convened as aforesaid by requisitionists shall be convened in the same manner as nearly as possible as that in which general meetings are to be convened by Directors.

21. Notice of General Meetings

21.1 At least seven (7) Business Days' notice shall be given of any general meeting. Every notice shall specify the place, the day and the hour of the meeting and the general nature of the business to be conducted at the general meeting and shall be given in the manner hereinafter mentioned; provided, that a general meeting of the Company shall, whether or not the notice specified in this Article has been given and whether or not the provisions of the Articles regarding general meetings have been complied with, be deemed to have been duly convened, if it is so agreed by all of the Members entitled to attend and vote thereat.

21.2 The accidental omission to give notice of a general meeting to, or the non-receipt of notice of a general meeting by, any person entitled to receive such notice shall not invalidate the proceedings of that general meeting.

22. Proceedings at General Meetings

22.1 No business shall be transacted at any general meeting unless a quorum is present. Members holding (a) a majority of the aggregate voting power of all of the Ordinary Shares and (b) a majority of the aggregate voting power of all of the Series A Preferred Shares, entitled to attend and vote thereat, present in person or by proxy or (in the case of a corporation or other non-natural person) by its duly authorized representative or proxy shall be a quorum.

22.2 A person may participate at a general meeting by conference telephone or other communications equipment by means of which all the persons participating in the meeting can communicate with each other. Participation by a person in a general meeting in this manner is treated as presence in person at that meeting.

22.3 A resolution (including a Special Resolution) in writing (in one or more counterparts) signed by or on behalf of all of the Members for the time being entitled to receive notice of and to attend and vote at general meetings (or, being corporations or other non-natural persons, signed by their duly authorized representatives) shall be as valid and effective as if the resolution had been passed at a general meeting of the Company duly convened and held.

22.4 If a quorum is not present within one hour from the time appointed for the meeting to commence or if during such a meeting a quorum ceases to be present, the meeting, if convened upon a Members' requisition, shall be dissolved and in any other case it shall stand adjourned to the same day in the next week at the same time and/or place or to such other day, time and/or place as the Directors may determine, and if at the adjourned meeting a quorum is not present within one hour from the time appointed for the meeting to commence, the Members present shall be a quorum.

22.5 The Directors may, at any time prior to the time appointed for the meeting to commence, appoint any person to act as chairperson of a general meeting of the Company or, if the Directors do not make any such appointment, the chairperson, if any, of the Board shall preside as chairperson at such general meeting. If there is no such chairperson, or if the chairperson shall not be present within fifteen (15) minutes after the time appointed for the meeting to commence, or is unwilling to act, the Directors present shall elect by majority one of their present members to be chairperson of the meeting.

- 22.6 If no Director is willing to act as chairperson or if no Director is present within fifteen (15) minutes after the time appointed for the meeting to commence, the Members present shall choose one of their members to be chairperson of the meeting.
- 22.7 The chairperson may, with the consent of a meeting at which a quorum is present (and shall, if so directed by the meeting) adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.
- 22.8 When a general meeting is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as in the case of an original meeting. Otherwise, it shall not be necessary to give any such notice of an adjourned meeting.
- 22.9 At any general meeting a resolution put to the vote of the meeting shall be decided through a poll.
- 22.10 A poll shall be taken as the chairperson directs, and the result of the poll shall be deemed to be the resolution of the general meeting.
- 22.11 In the case of an equality of votes, the chairperson shall not be entitled to a second or casting vote, and such resolution shall fail.

23. Votes of Members

- 23.1 At all general meetings of the Company: (a) the holder of Ordinary Shares issued and outstanding shall have one (1) vote in respect of each Ordinary Share held by such holder, (b) the holder of Series A Preferred Shares shall be entitled to such number of votes as equals the number of Ordinary Shares into which such holder's collective Series A Preferred Shares are convertible immediately after the close of business on the record date of the determination of the Company's Members entitled to vote or, if no such record date is established, at the date such vote is taken or any written resolution of the Company's Members is first solicited. To the extent that the Articles or the Shareholders Deed require or contemplate the Series A Preferred Shares to vote separately as a class or series with respect to any matters and to the extent permitted by the Statute, such Series A Preferred Shares shall have the right to vote separately as a class or series with respect to such matters. Otherwise, the holders of Series A Preferred Shares and the holders of Ordinary Shares shall vote together as a single class.
- 23.2 In the case of joint holders, the vote of the senior holder who tenders a vote, whether in person or by proxy (or, in the case of a corporation or other non-natural person, by its duly authorized representative or proxy), shall be accepted to the exclusion of the votes of the other joint holders, and seniority shall be determined by the order in which the names of the holders stand in the Register of Members.
- 23.3 A Member of unsound mind, or in respect of whom an order has been made by any court, having jurisdiction in lunacy, may vote by their committee, receiver, *curator bonis*, or other person on such Member's behalf appointed by that court, and any such committee, receiver, *curator bonis* or other person may vote by proxy.
- 23.4 No person shall be entitled to vote at any general meeting or at any separate class meeting of the holders of a series of Shares, unless they are registered as a Member on the record date for such meeting nor unless all calls or other monies then payable by them in respect of Shares have been paid.
-

- 23.5 No objection shall be raised as to the qualification of any voter, except at the general meeting or adjourned general meeting at which the vote objected to is given or tendered and every vote not disallowed at the meeting shall be valid. Any objection made in due time in accordance with this Article shall be referred to the chairperson whose decision shall be final and conclusive.
- 23.6 Votes may be cast either personally or by proxy (or in the case of a corporation or other non-natural person by its duly authorized representative or proxy). A Member may appoint more than one proxy or the same proxy under one or more instruments to attend and vote at a meeting. Where a Member appoints more than one proxy the instrument of proxy shall specify the number of Shares in respect of which each proxy is entitled to exercise the related votes.
- 23.7 On a poll, a Member holding more than one Share need not cast the votes in respect of their Shares in the same way on any resolution and therefore may vote a Share or some or all such Shares either for or against a resolution and/or abstain from voting a Share or some or all of the Shares and, subject to the terms of the instrument appointing the proxy, a proxy appointed under one or more instruments may vote a Share or some or all of the Shares in respect of which they are appointed either for or against a resolution and/or abstain from voting a Share or some or all of the Shares in respect of which they are appointed.

24. Proxies

- 24.1 The instrument appointing a proxy shall be in writing and shall be executed under the hand of the appointor or of their attorney duly authorized in writing, or, if the appointor is a corporation or other non-natural person, under the hand of its duly authorized representative. A proxy need not be a Member.
- 24.2 The Directors may, in the notice convening any meeting or adjourned meeting, or in an instrument of proxy sent out by the Company, specify the manner by which the instrument appointing a proxy shall be deposited and the place and the time (being not later than the time appointed for the commencement of the meeting or adjourned meeting to which the proxy relates) at which the instrument appointing a proxy shall be deposited. In the absence of any such direction from the Directors in the notice convening any meeting or adjourned meeting or in an instrument of proxy sent out by the Company, the instrument appointing a proxy shall be deposited not less than forty-eight (48) hours before the time appointed for the meeting or adjourned meeting to commence at which the person named in the instrument proposes to vote.
- 24.3 The chairperson may in any event at their discretion declare that an instrument of proxy shall be deemed to have been duly deposited. An instrument of proxy that is not deposited in the manner permitted and has not been declared to have been duly deposited by the chairperson, shall be invalid.
- 24.4 The instrument appointing a proxy may be in any usual or common form (or such other form as the Directors may approve) and may be expressed to be for a particular meeting or any adjournment thereof or generally until revoked.
- 24.5 Votes given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal or revocation of the proxy or of the authority under which the proxy was executed, or the transfer of the Share in respect of which the proxy is given, unless notice in writing of such death, insanity, revocation or transfer was received by the Company before the commencement of the general meeting, or adjourned meeting at which it is sought to use the proxy.
-

25. Corporate Members

Any corporation or other non-natural person which is a Member may in accordance with its constitutional documents, or in the absence of such provision by resolution of its directors or other governing body, authorize such person as it thinks fit to act as its representative at any meeting of the Company or of any class of Members, and the person so authorized shall be entitled to exercise the same powers on behalf of the corporation which they represent as the corporation could exercise, if it were an individual Member.

26. Shares that May Not be Voted

Shares in the Company that are beneficially owned by the Company shall not be voted, directly or indirectly, at any meeting and shall not be counted in determining the total number of outstanding Shares at any given time.

27. Directors

- 27.1 Subject to this Article 27, there shall be a Board consisting of no more than [●] ([●]) persons (exclusive of alternate Directors); provided, however, that the Company may by Ordinary Resolution increase the limits in the number of Directors as may be required to effect the appointment contemplated under Article 45.2(h).
- 27.2 Each Member shall be entitled to nominate and appoint one (1) director to the Board for every seven point five percent (7.5%) of its Aggregate Ownership Percentage (each such director, a “**Shareholder Director**” and, collectively, the “**Shareholder Directors**”), and shall be entitled to remove any Shareholder Director nominated and appointed by it pursuant to this Article 27.2. Each appointment, removal or replacement made pursuant to this Article 27.2 shall be made by the relevant Member by notice in writing to the Company, and subject to applicable law, shall take effect immediately on the date stated in such written notice (being a date on or after the date of such written notice).
- 27.3 Notwithstanding Article 27.2, for so long as the GDSH Founder holds one percent (1%) or more of the share capital of the Company (calculated on a fully-diluted basis), the GDSH Founder shall be entitled to nominate, appoint and remove one (1) director to or from the Board (the “**GDSH Founder Director**”). This Article 27.3 shall survive the consummation of any IPO.
- 27.4 Subject to Article 28.5, if the Board reasonably determines in its sole discretion that a Shareholder Director has or is reasonably likely to have a conflict of interest with any Group Company or any business conducted by any Group Company (the “**Conflicted Shareholder Director**”), the Board may, and each Major Shareholder shall (if requested by the Board) cause its respective Shareholder Director(s) to, (i) suspend or terminate the appointment of the Conflicted Shareholder Director, (ii) exclude the Conflicted Shareholder Director from relevant Board Meetings, or (iii) withhold competitively sensitive information from the Conflicted Shareholder Director; provided that nothing in this Article 27.4 shall impair the right of the Member who appointed such Conflicted Shareholder Director to appoint another individual to replace such Conflicted Shareholder Director and serve as a replacement Shareholder Director pursuant to Article 27.2 or Article 27.3, as applicable.
-

28. Powers of Directors

- 28.1 Subject to the provisions of the Statute, the Memorandum and Article 45 hereof, and to any directions given by Special Resolution, the business of the Company shall be managed by the Directors who may exercise all the powers of the Company, including to adopt such policy, guidance or governance framework for the purposes as the Directors deem appropriate, including for the corporate governance of the Company. No alteration of the Memorandum or Articles and no such direction shall invalidate any prior act of the Directors which would have been valid, if that alteration had not been made or that direction had not been given. A duly convened meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.
- 28.2 All checks, promissory notes, drafts, bills of exchange and other negotiable or transferable instruments and all receipts for monies paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed as the case may be in such manner as the Directors shall determine by resolution.
- 28.3 The Directors on behalf of the Company may pay a gratuity or pension or allowance on retirement to any Director who has held any other salaried office or place of profit with the Company or to their surviving spouse, civil partner or dependents and may make contributions to any fund and pay premiums for the purchase or provision of any such gratuity, pension or allowance.
- 28.4 Subject to Article 45, the Directors may exercise all the powers of the Company to borrow money and to mortgage or charge its undertaking, property and assets (present and future) and uncalled capital or any part thereof and to issue debentures, debenture stock, mortgages, bonds and other such securities whether outright or as security for any debt, liability or obligation of the Company or of any third party.
- 28.5 If the Board is required to determine whether a Person has or is reasonably likely to have a conflict of interest with any Group Company or any business conducted by any Group Company under Articles 27.4 and 35.6 (the “**Potential Conflicted Person**”), such determination shall be made by the Board acting by majority of the directors who are not appointed by the Member(s) appointing the Potential Conflicted Person(s).

29. Appointment and Removal of Directors

- 29.1 Subject to the provisions of Sections 2.01, 2.04 and 2.05 of the Shareholders Deed and the Articles including Articles 27.2, 27.3 and 27.4, the Company may by Ordinary Resolution appoint any person to be a Director or may by Ordinary Resolution remove any Director.
- 29.2 Subject to the provisions of Sections 2.01, 2.04 and 2.05 and 2.08(a)(iii) of the Shareholders Deed and the Articles including Articles 27.2, 27.3, 27.4 and 45.1(c), the Directors may appoint any person to be a Director, either to fill a vacancy or as an additional Director, provided, that the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with the Articles as the maximum number of Directors.

30. Vacation of Office of Director

The office of a Director shall be vacated, if:

- (a) the Director is removed pursuant to Article 27 or Article 29 hereof or Section 2.01 (subject to Section 2.10) or Section 2.04 of the Shareholders Deed; or
 - (b) the Director gives notice in writing to the Company that they resign the office of Director; or
-

- (c) the Director dies, becomes bankrupt or makes any arrangement or composition with their creditors generally; or
- (d) the Director is found to be or becomes of unsound mind; or
- (e) if the Director ceases to be a Director by virtue of, or becomes prohibited from being a Director by reason of, an order made under the provisions of any law or enactment;

provided that nothing in this Article 30 shall impair the right of the Member who appointed such vacated Director to appoint another individual to replace such vacated Director and serve as a replacement Director pursuant to Article 27.2 or Article 27.3, as applicable.

31. Proceedings of Directors

- 31.1 Meetings of the Board (“**Board Meetings**”) shall take place at least [once every quarter]. Board Meetings may be convened by any Director on not less than seven (7) Business Days’ written notice, which shall specify the date, time and place of such Board Meeting and be accompanied by an agenda of the businesses to be transacted and copies of all papers relevant for such Board Meetings and given to the Company and each Director. Board Meetings may be held on a shorter notice with the written consent of all of the Directors, or waived by any Director who does not receive timely notice with the written consent of that Director or by his presence at such Board Meetings. The Company shall at all times facilitate the participation of the Directors by videoconference, teleconference or other remote communication device, if such Director(s) are not physically present at any Board Meeting.
 - 31.2 A quorum of the Board Meetings shall consist of a majority of the Directors then appointed, including at least one (1) Director appointed by each of the Major Shareholders; provided, that, if a quorum is not present within one (1) hour after the time appointed for a Board Meeting, such meeting shall be adjourned to such date, time and place as the Board may determine on not less than four (4) Business Days’ notice, and if at such adjourned meeting a quorum is not present within one (1) hour from the time appointed for such meeting, then the Directors present at such meeting will constitute a quorum.
 - 31.3 A person who holds office as an alternate Director shall, if their appointor is not present, be counted in the quorum. A Director who also acts as an alternate Director shall, if their appointor is not present, count twice towards the quorum.
 - 31.4 Subject to the Board Reserved Matters under Article 45.1 and Section 2.08(c) of the Shareholders Deed, all actions of the Board shall require the affirmative vote of at least a majority of the Directors present at a duly convened Board Meeting, at which a quorum is present, or the written consent of all of the Directors. Each Director may exercise one (1) vote; provided, that, in the event less than all of the GDSH Directors are present at a Board Meeting, the GDSH Director(s) attending such meeting shall be entitled to exercise (in the aggregate) such number of votes that is equal to the total number of GDSH Directors that GDSH is entitled to nominate and appoint at such time.
 - 31.5 Subject to the provisions of the Articles, the Directors may regulate their proceedings as they think fit. In the case of an equality of votes, the chairperson shall not have a second or casting vote. A Director who is also an alternate Director shall be entitled in the absence of their appointor to a separate vote on behalf of their appointor in addition to their own vote.
 - 31.6 A person may participate in a meeting of the Directors or any committee of Directors by conference telephone or other communications equipment by means of which all the persons participating in the meeting can communicate with each other at the same time. Participation by a person in a meeting in this manner is treated as presence in person at that meeting. Unless otherwise determined by the Directors, the meeting shall be deemed to be held at the place where the chairperson is located at the start of the meeting.
-

- 31.7 A resolution in writing (in one or more counterparts) signed by all the Directors or all the members of a committee of the Directors or, in the case of a resolution in writing relating to the removal of any Director or the vacation of office by any Director, all of the Directors other than the Director who is the subject of such resolution (an alternate Director being entitled to sign such a resolution on behalf of their appointor and if such alternate Director is also a Director, being entitled to sign such resolution both on behalf of their appointor and in their capacity as a Director), subject to Section 2.08(a)(iii) of the Shareholders Deed and Article 45.1(c) and if applicable, Sections 2.01 and 2.10 of the Shareholders Deed and Article 27, shall be as valid and effectual as if it had been passed at a meeting of the Directors, or committee of Directors as the case may be, duly convened and held.
- 31.8 The continuing Directors (or a sole continuing Director, as the case may be) may act notwithstanding any vacancy in their body; but if and so long as their number is reduced below the number fixed by or pursuant to the Articles as the necessary quorum of Directors, the continuing Directors or Director may act for the purpose of increasing the number of Directors to be equal to such fixed number, or of summoning a general meeting of the Company, but for no other purpose.
- 31.9 The Directors may elect a chairperson of their board and determine the period for which they are to hold office; but if no such chairperson is elected, or if at any meeting the chairperson is not present within thirty (30) minutes after the time appointed for the meeting to commence, the Directors present may choose one of their members to be chairperson of the meeting.
- 31.10 A Director but not an alternate Director may be represented at any meetings of the Board by a proxy appointed in writing by that Director. The proxy shall count towards the quorum and the vote of the proxy shall for all purposes be deemed to be that of the appointing Director.

32. Directors' Interests

Subject to the provisions of the Articles including Article 27.4:

- 32.1 A Director or alternate Director may hold any other office or place of profit under the Company (other than the office of Auditor) in conjunction with their office of Director for such period and on such terms as to remuneration and otherwise as the Directors may determine.
- 32.2 A Director or alternate Director may act on their own or by, through or on behalf of their firm in a professional capacity for the Company and they or their firm shall be entitled to remuneration for professional services as if they were not a Director or alternate Director.
- 32.3 A Director or alternate Director may be or become a director or other officer of or otherwise interested in any company promoted by the Company or in which the Company may be interested as a shareholder, a contracting party or otherwise, and no such Director or alternate Director shall be accountable to the Company for any remuneration or other benefits received by them as a director or officer of, or from their interest in, such other company.
- 32.4 No person shall be disqualified from the office of Director or alternate Director or prevented by such office from contracting with the Company, either as vendor, purchaser or otherwise, nor shall any such contract or any contract or transaction which is entered into by or on behalf of the Company in which any Director or alternate Director shall be in any way interested and is duly approved in accordance with the Articles be or be liable to be avoided, nor shall any Director or alternate Director so contracting or being so interested be liable to account to the Company for any profit realized by or arising in connection with any such contract or transaction by reason of such Director or alternate Director holding office or of the fiduciary relationship thereby established. A Director (or their alternate Director in their absence) shall be at liberty to vote in respect of any contract or transaction in which they are interested; provided, that the nature of the interest of any Director or alternate Director in any such contract or transaction shall be disclosed by them at or prior to its consideration and any vote thereon.
-

32.5 A general notice that a Director or alternate Director is a shareholder, director, officer or employee of any specified firm or company and is to be regarded as interested in any transaction with such firm or company shall be sufficient disclosure for the purposes of voting on a resolution in respect of a contract or transaction in which they have an interest, and after such general notice it shall not be necessary to give special notice relating to any particular transaction.

33. Minutes

The Directors shall cause minutes to be made in books kept for the purpose of recording all appointments of officers made by the Directors, all proceedings at meetings of the Company or the holders of any class and/or series of Shares and of the Directors, and of committees of the Directors, including the names of the Directors or alternate Directors present at each meeting.

34. Delegation of Directors' Powers

34.1 The Directors may delegate any of their powers, authorities and discretions, including the power to sub-delegate, to any committee consisting of one or more Directors. They may also delegate to any managing director or any Director holding any other executive office such of their powers, authorities and discretions as they consider desirable to be exercised by that Director; provided, that an alternate Director may not act as managing director and the appointment of a managing director shall be revoked forthwith, if they cease to be a Director. Any such delegation may be made subject to any conditions the Directors may impose and either collaterally with or to the exclusion of their own powers and any such delegation may be revoked or altered by the Directors. Subject to any such conditions, the proceedings of a committee of Directors shall be governed by the Articles regulating the proceedings of Directors, so far as they are capable of applying.

34.2 Subject to Schedule 3 of the Shareholders Deed, the Directors may establish any committees, local boards or agencies or appoint any person to be a manager or agent for managing the affairs of the Company and may appoint any person to be a member of such committees, local boards or agencies. Subject as otherwise provided in Schedule 3 of the Shareholders Deed, any such appointment may be made subject to any conditions the Directors may impose, and either collaterally with or to the exclusion of their own powers and any such appointment may be revoked or altered by the Directors. Subject to any such conditions and Schedule 3 of the Shareholders Deed, the proceedings of any such committee, local board or agency may be governed by the Articles regulating the proceedings of Directors, so far as they are capable of applying.

34.3 The Directors may by power of attorney or otherwise appoint any person to be the agent of the Company on such conditions as the Directors may determine; provided, that the delegation is not to the exclusion of their own powers and may be revoked by the Directors at any time.

- 34.4 The Directors may by power of attorney or otherwise appoint any company, firm, person or body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or authorized signatory of the Company for such purpose and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under the Articles) and for such period and subject to such conditions as they may think fit, and any such powers of attorney or other appointment may contain such provisions for the protection and convenience of persons dealing with any such attorneys or authorized signatories as the Directors may think fit and may also authorize any such attorney or authorized signatory to delegate all or any of the powers, authorities and discretions vested in them.
- 34.5 The Directors may appoint such officers of the Company (including, for the avoidance of doubt and without limitation, any secretary) as they consider necessary on such terms, at such remuneration and to perform such duties, and subject to such provisions as to disqualification and removal as the Directors may think fit. Unless otherwise specified in the terms of their appointment, an officer of the Company may be removed by resolution of the Directors or Members. An officer of the Company may vacate their office at any time, if they give notice in writing to the Company that they resign their office.
- 34.6 Notwithstanding anything to the contrary herein, from the Series A Closing Date through the fifth (5th) anniversary thereof, for so long as the GDSH Founder remains a Director, any appointment or removal of, or any material amendment to the terms of employment of, the chief executive officer, the chief financial officer, the chief operating officer, or any other equivalent officer of the Company shall, in each case, require the prior written consent of (a) the GDSH Founder if he was then a GDSH Director or (b) the GDSH Founder Director; provided that (x) the foregoing shall cease to apply upon the occurrence of Cause in respect of the GDSH Founder (as determined by a court of competent jurisdiction in a final and non-appealable judgment), and (y) the GDSH Founder and the GDSH Founder Director may not assign or delegate their rights, interests, remedies, obligations, and liabilities under this [Article 34.6](#) to any Person. This [Article 34.6](#) shall survive the consummation of any Public Listing or IPO, subject to good faith consultation by the GDSH Founder with the Public Listing or IPO underwriters and compliance with Applicable Law.

35. Alternate Directors

- 35.1 Any Director (but not an alternate Director) may by writing appoint any other Director, or any other person willing to act, to be an alternate Director and by writing may remove from office an alternate Director so appointed by them.
- 35.2 An alternate Director shall be entitled to receive notice of all meetings of Directors and of all meetings of committees of Directors of which their appointor is a member, to attend and vote at every such meeting at which the Director appointing them is not personally present, to sign any written resolution of the Directors, and generally to perform all the functions of their appointor as a Director in their absence.
- 35.3 An alternate Director shall cease to be an alternate Director, if their appointor ceases to be a Director.
- 35.4 Any appointment or removal of an alternate Director shall be by notice to the Company signed by the Director making or revoking the appointment or in any other manner approved by the Directors.
-

- 35.5 Subject to the provisions of the Articles, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for their own acts and defaults and shall not be deemed to be the agent of the Director appointing them.
- 35.6 Subject to Article 28.5, if the Board reasonably determines in its sole discretion that an alternate Director of a Shareholder Director has or is reasonably likely to have a conflict of interest with any Group Company or any business conducted by any Group Company, the Board may cause the appointing Director to suspend or terminate the appointment of such alternate Director or exclude such alternate Director from relevant Board Meetings, or withhold competitively sensitive information from such alternate Director.

36. Remuneration of Directors

- 36.1 The remuneration to be paid to the Directors, if any, shall be such remuneration as the Directors shall determine. The Directors shall also be entitled to be paid all documented travelling, hotel and other out-of-pocket expenses reasonably incurred by them in connection with their attendance at meetings of Directors or committees of Directors, or general meetings of the Company, or separate meetings of the holders of any class and/or series of Shares or debentures of the Company, or otherwise in connection with the business of the Company or the discharge of their duties as a Director, or to receive a fixed allowance in respect thereof as may be determined by the Directors, or a combination partly of one such method and partly the other.
- 36.2 The Directors may by resolution approve additional remuneration to any Director for any services which in the opinion of the Directors go beyond that Director's ordinary routine work as a Director. Any fees paid to a Director who is also counsel, attorney or solicitor to the Company, or otherwise serves it in a professional capacity shall be in addition to their remuneration as a Director.

37. Seal

- 37.1 The Company may, if the Directors so determine, have a Seal. The Seal shall only be used by the authority of the Directors or of a committee of the Directors authorized by the Directors. Every instrument to which the Seal has been affixed shall be signed by at least one person who shall be either a Director or some officer of the Company or other person appointed by the Directors for the purpose.
- 37.2 The Company may have for use in any place or places outside the Cayman Islands a duplicate Seal or Seals each of which shall be a facsimile of the common Seal of the Company and, if the Directors so determine, with the addition on its face of the name of every place where it is to be used.
- 37.3 A Director or officer, representative or attorney of the Company may without further authority of the Directors affix the Seal over their signature alone to any document of the Company required to be authenticated by them under seal or to be filed with the Registrar of Companies in the Cayman Islands or elsewhere wheresoever, provided that if the execution of such document requires approval of the Board or the Members in accordance with the Articles, such approval shall be obtained.

38. Dividends, Distributions and Reserve

- 38.1 Subject to the Statute and Article 45.2(g) and except as otherwise provided by the rights attached to any Shares, the Directors may resolve to pay Dividends and other distributions on Shares in issue and authorize payment of the Dividends or other distributions out of the funds of the Company lawfully available therefor. A Dividend shall be deemed to be an interim Dividend, unless the terms of the resolution pursuant to which the Directors resolve to pay such Dividend specifically state that such Dividend shall be a final Dividend. No Dividend or other distribution shall be paid, except out of the realized or unrealized profits of the Company, out of the share premium account or as otherwise permitted by Applicable Law.
-

- 38.2 If the Board declares a distribution on the holders of the Ordinary Shares in accordance with the Articles, the holders of the Series A Preferred Shares shall be entitled to receive, on parity with each other and *pari passu* with the holders of the Ordinary Shares, non-cumulative dividends ratably (on a fully-diluted and as-converted basis) on the record date for such dividend for each Series A Preferred Share held by such holders (as adjusted for any share splits or subdivision, share dividends, combinations, consolidations, recapitalizations or similar transactions affecting the Series A Preferred Shares), payable out of funds when and as such funds become legally available thereof.
- 38.3 Except as otherwise provided by the rights attached to any Share, all Dividends and other distributions shall be paid according to the amounts paid or credited as paid on the Shares of such class issued and outstanding on the record date for such Dividend or distribution as determined in accordance with the Articles. If any Share is issued on terms providing that it shall rank for Dividend as from a particular date, that Share shall rank for Dividend accordingly.
- 38.4 The Directors may deduct from any Dividend or other distribution payable to any Member all sums of money (if any) then payable by the Member to the Company on account of calls or otherwise.
- 38.5 Subject to the provisions of the Articles, the Directors may resolve that any Dividend or other distribution be paid wholly or partly by the distribution of specific assets and in particular (but without limitation) by the distribution of shares, debentures or securities of any other company or in any one or more of such ways and where any difficulty arises in regard to such distribution, the Directors may settle the same as they think expedient and in particular may issue fractional Shares and may fix the value for distribution of such specific assets or any part thereof and may determine that cash payments shall be made to any Members upon the basis of the value so fixed in order to adjust the rights of all Members and may vest any such specific assets in trustees in such manner as may seem expedient to the Directors.
- 38.6 Except as otherwise provided by the rights attached to any Share, Dividends and other distributions may be paid in any currency. The Directors may determine the basis of conversion for any currency conversions that may be required and how any costs involved are to be met.
- 38.7 The Directors may, before resolving to pay any Dividend or other distribution, set aside such sums as they think proper as a reserve or reserves which shall, at the discretion of the Directors, be applicable for any purpose of the Company and pending such application may, at the discretion of the Directors, be employed in the business of the Company.
- 38.8 Any Dividend, other distribution, interest or other monies payable in cash in respect of Shares may be paid by wire transfer to the holder or by check or warrant sent through the post directed to the registered address of the holder or, in the case of joint holders, to the registered address of the holder who is first named on the Register of Members or to such person and to such address as such holder or joint holders may in writing direct. Every such check or warrant shall be made payable to the order of the person to whom it is sent. Any one of two or more joint holders may give effectual receipts for any Dividends, other distributions, bonuses or other monies payable in respect of the Share held by them as joint holders.
-

- 38.9 No Dividend or other distribution shall bear interest against the Company.
- 38.10 Any Dividend or other distribution which cannot be paid to a Member and/or which remains unclaimed after six (6) months from the date on which such Dividend or other distribution becomes payable may, in the discretion of the Directors, be paid into a separate account in the Company's name; provided, that the Company shall not be constituted as a trustee in respect of that account and the Dividend or other distribution shall remain as a debt due to the Member. Any Dividend or other distribution which remains unclaimed after a period of six (6) years from the date on which such Dividend or other distribution becomes payable shall be forfeited and shall revert to the Company.

39. Capitalization

Subject to the provisions of the Articles, the Directors may at any time capitalize any sum standing to the credit of any of the Company's reserve accounts or funds (including the share premium account and capital redemption reserve fund) or any sum standing to the credit of the profit and loss account or otherwise available for distribution; appropriate such sum to Members in the proportions in which such sum would have been divisible among such Members had the same been a distribution of profits by way of Dividend or other distribution; and apply such sum on their behalf in paying up in full unissued Shares for allotment and distribution credited as fully paid-up to and among them in the proportion aforesaid. In such event, the Directors shall do all acts and things required to give effect to such capitalization, with full power given to the Directors to make such provisions as they think fit in the case of Shares becoming distributable in fractions (including provisions whereby the benefit of fractional entitlements accrue to the Company rather than to the Members concerned). The Directors may authorize any person to enter on behalf of all of the Members interested into an agreement with the Company providing for such capitalization and matters incidental or relating thereto and any agreement made under such authority shall be effective and binding on all such Members and the Company.

40. Books of Account

- 40.1 The Directors shall cause proper books of account (including, where applicable, material underlying documentation including contracts and invoices) to be kept with respect to all sums of money received and expended by the Company and the matters in respect of which the receipt or expenditure takes place, all sales and purchases of goods by the Company and the assets and liabilities of the Company. Such books of account must be retained for a minimum period of five (5) years from the date on which they are prepared. Proper books shall not be deemed to be kept, if there are not kept such books of account as are necessary to give a true and fair view of the state of the Company's affairs and to explain its transactions.
- 40.2 Subject to the provisions of the Articles and Section 6.06 of the Shareholders Deed, the Directors shall determine whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of Members not being Directors and no Member (not being a Director) shall have any right of inspecting any account or book or document of the Company, except as conferred by Statute or authorized by the Directors or by the Company in general meeting.
- 40.3 The Directors may cause to be prepared and to be laid before the Company in general meeting profit and loss accounts, balance sheets, group accounts (if any) and such other reports and accounts as may be required by Applicable Law.
-

41. Audit

- 41.1 The Directors may appoint an Auditor of the Company who shall hold office on such terms as the Directors determine.
- 41.2 Every Auditor of the Company shall have a right of access at all times to the books and accounts and vouchers of the Company and shall be entitled to require from the Directors and officers of the Company such information and explanation as may be necessary for the performance of the duties of the Auditor.
- 41.3 Auditors shall, if so required by the Directors, make a report on the accounts of the Company during their tenure of office at the next extraordinary general meeting following their appointment, and at any other time during their term of office, upon request of the Directors or any general meeting of the Members.

42. Notices

- 42.1 Except as otherwise provided in the Articles, notice shall be in writing and may be given by the Company to any Member either personally or by sending it by courier, post, telex, fax or email to such Member or to such Member's address as shown in the Register of Members (or where the notice is given by email by sending it to the email address provided by such Member). Any notice, if posted from one country to another, is to be sent by airmail.
 - 42.2 Where a notice is sent by courier, service of the notice shall be deemed to be effected by delivery of the notice to a courier company, and shall be deemed to have been received on the third (3rd) day (not including Saturdays or Sundays or public holidays) following the day on which the notice was delivered to the courier. Where a notice is sent by post, service of the notice shall be deemed to be effected by properly addressing, pre-paying and posting a letter containing the notice, and shall be deemed to have been received on the fifth (5th) day (not including Saturdays or Sundays or public holidays in the Cayman Islands) following the day on which the notice was posted. Where a notice is sent by telex or fax, service of the notice shall be deemed to be effected by properly addressing and sending such notice and shall be deemed to have been received on the same day that it was transmitted. Where a notice is given by email, service shall be deemed to be effected by transmitting the email to the email address provided by the intended recipient and shall be deemed to have been received on the same day that it was sent, and it shall not be necessary for the receipt of the email to be acknowledged by the recipient.
 - 42.3 A notice may be given by the Company to the person or persons which the Company has been advised are entitled to a Share or Shares in consequence of the death or bankruptcy of a Member in the same manner as other notices which are required to be given under the Articles and shall be addressed to them by name, or by the title of representatives of the deceased, or trustee of the bankrupt, or by any like description at the address supplied for that purpose by the persons claiming to be so entitled, or at the option of the Company by giving the notice in any manner in which the same might have been given, if the death or bankruptcy had not occurred.
 - 42.4 Notice of every general meeting shall be given in any manner authorized by the Articles to every holder of Shares carrying an entitlement to receive such notice on the record date for such meeting, except that in the case of joint holders the notice shall be sufficient if given to the joint holder first named in the Register of Members and every person upon whom the ownership of a Share devolves because they are a legal personal representative or a trustee in bankruptcy of a Member where the Member but for their death or bankruptcy would be entitled to receive notice of the meeting, and no other person shall be entitled to receive notices of general meetings.
-

43. Winding Up

- 43.1 If the Company shall, subject to Article 45.2(d) hereof, be wound up, the liquidator shall apply the assets of the Company in satisfaction of creditors' claims in such manner and order as such liquidator thinks fit.
- 43.2 Subject to Article 44 hereof, if the Company shall be wound up, the liquidator may, subject to the rights attaching to any Shares and with the approval of a Special Resolution of the Company and any other approval required by the Statute, divide among the Members in kind the whole or any part of the assets of the Company (whether such assets shall consist of property of the same kind or not) and may for that purpose value any assets and determine how the division shall be carried out as between the Members or different classes of Members. The liquidator may, with the like approval, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the Members as the liquidator, with the like approval, shall think fit, but so that no Member shall be compelled to accept any asset upon which there is a liability.

44. Liquidation Preference

- 44.1 Notwithstanding anything to the contrary herein, in the event of any Liquidation Event, whether voluntary or involuntary, all assets and funds of the Company legally available for distribution to the Members shall be distributed to the Members as follows:
- (a) The holders of the Series A Preferred Shares shall be entitled to receive, on parity with each other and prior and in preference to any distribution of any such assets or funds of the Company to the holders of the Ordinary Shares by reason of their ownership of such shares, an amount per Series A Preferred Share (the "**Series A Preference Amount**") equal to the greater of:
- (i) the amount that will enable each Series A Preferred Share to generate an IRR for the holder of such Series A Preferred Share of at least ten percent (10%); and
 - (ii) the amount which would have been payable to each such holder had their respective Series A Preferred Shares been converted into Ordinary Shares immediately prior to such Liquidation Event.

In the event that the Company has insufficient assets to permit payment of the Series A Preference Amount in full to all holders of Series A Preferred Shares, then the assets and funds of the Company shall be distributed ratably to the holders of the Series A Preferred Shares in proportion to the Series A Preference Amount each such holder of Series A Preferred Shares would otherwise be entitled to receive.

- (b) If there are any assets or funds remaining after the aggregate Series A Preference Amount has been distributed or paid in full to the applicable holders of Series A Preferred Shares, the remaining assets and funds of the Company available for distribution shall be distributed among the holders of Ordinary Shares pro rata based on the number of Ordinary Shares (for the avoidance of doubt, excluding any Ordinary Share issued or issuable upon the conversion of any Series A Preferred Shares if the Series A Preference Amount has been paid in respect of such Shares) held by each holder.
- 44.2 A "**Liquidation Event**" shall mean any of the following (in a single transaction or a series of related transactions), unless otherwise waived in writing by the Series A Supermajority: (a) any liquidation, dissolution or winding-up of the Company; (b) any sale, transfer, or other disposal, of all or substantially all of the assets of the Group, taken as a whole; (c) a merger or consolidation of the Company with or into another Person, except for a merger or consolidation (i) in which the holders of the Shares (on an Ordinary Share Equivalents basis) immediately prior to such merger or consolidation continue to hold in the aggregate at least fifty percent (50%) of the voting power or the issued share capital of the surviving or acquiring Person, or (ii) that is effected for purposes of any internal restructuring or reincorporation into another domicile; and (d) to the extent not captured by Article 44.2(c), any sale, transfer or other disposal of Shares (whether by merger, reorganization or other transaction) in which the holders of the Shares (on an Ordinary Share Equivalents basis) immediately prior to such transaction cease to hold in the aggregate at least fifty percent (50%) of the outstanding voting power or issued share capital of the surviving or acquiring Person.
-

44.3 Subject to Article 45, in the event the Company proposes to distribute assets other than cash following a Liquidation Event, the value of the assets to be distributed to the Members shall be determined in good faith by the Board; provided, that any securities not subject to restrictions on free marketability shall be valued as follows:

- (a) if traded on a securities exchange, the value shall be deemed to be 30-Day VWAP as of the date of the distribution;
- (b) if traded over-the-counter, the value shall be deemed to be the average of the closing bid prices over the thirty (30) consecutive day period ending three (3) days prior to the distribution; and
- (c) if there is no active public market, the value shall be the fair market value thereof as determined in good faith by the Board,

provided, further, that the method of valuation of securities subject to restrictions on free marketability shall be adjusted to make an appropriate discount from the market value determined as above in Articles 44.3(a) through 44.3(b) to reflect the fair market value thereof as determined in good faith by the Board (including the prior written consent of the majority of the Investor Directors).

45. Protective Provisions

45.1 Notwithstanding anything to the contrary herein but subject to Section 2.08(c) of the Shareholders Deed, the Company shall not, and shall cause each of its Subsidiaries not to, take, permit, approve, authorize, or agree or commit to any action with respect to any of the following matters (each, a “**Board Reserved Matter**”), whether in a single transaction or a series of related transactions and whether directly or indirectly, without the prior written approval of a majority of the Board, which shall include (A) at least one of the GDSH Directors, and (B) each of the then duly appointed Investor Directors:

- (a) any approval of, entry into, or any adjustment or modification to or waiver of the terms of, or any dispute (including any proceedings or settlement in respect thereof) relating to, any transaction or series of related transactions involving any Group Company, on the one hand, and any Related Party (which, for the avoidance of doubt, shall include GDSH and any Affiliate or Associate of GDSH), on the other hand, other than any transaction or series of related transactions, or any of the foregoing actions in respect thereof, which (x) during the period when the applicable GDSH Services Agreements remain in effect, (A) is expressly contemplated pursuant to the terms of the GDSH Services Agreements and (B) involves any payment by the Group Companies of no more than US\$15 million in any consecutive twelve (12)-month period (when aggregated with all other payments by the Group Companies that fall under this Article 45.1(a)(x)(B)) during such twelve (12)-month period), or (y) following the termination of the GDSH Services Agreements, that is conducted in the ordinary course of business on arm’s-length basis and involves payment by the Group Companies of no more than US\$1 million in any consecutive twelve (12)-month period (when aggregated with all other payments by the Group Companies that fall under this Article 45.1(a)(y)) during such twelve (12)-month period);
-

- (b) any investment in, or purchase or other acquisition of, any individual project or other assets or investments, or any sale, transfer or other disposal of any individual project or other assets or investments of the Group, in each case, in an amount in excess of US\$200 million;
- (c) any alteration in the size or composition of the board of directors of any Group Company, or any committee thereof, except as otherwise permitted under the Transaction Documents; or
- (d) adoption of, or any amendment to, any Employee Plans, other than the adoption of the Management Equity Grant in accordance with Section 6.08 of the Shareholders Deed.

45.2 Notwithstanding anything to the contrary herein and subject always to the Statute, the Company shall not, and shall cause each of its Subsidiaries not to, take, permit, approve, authorize, or agree or commit to any action with respect to any of the following matters (each, a “**Shareholder Reserved Matter**”), whether in a single transaction or a series of related transactions and whether directly or indirectly, without the prior written approval of each of the Major Shareholders, in addition to any other approval required under the Articles and the Statute:

- (a) amendment of or modification to, or waiver under, the Memorandum or the Articles, other than any amendment, modification or waiver (excluding any amendment or modification for issuance of additional Series A Preferred Shares, which shall require the approval of the then existing Series A Supermajority) that (x) would not disproportionately and adversely affect the rights, preferences or privileges of any Major Shareholder compared to other similarly situated Members in any material respect, (y) is made solely for administrative purposes or is made solely to align the Memorandum or the Articles with the provisions of the Shareholders Deed pursuant to Section 2.09 thereof, or (z) is required to comply with Applicable Law;
 - (b) except as otherwise permitted under the Shareholders Deed (including for the avoidance of doubt any transactions contemplated under Section 5.01, Section 5.02 or Section 5.06 of the Shareholders Deed), merger, recapitalization, amalgamation, spin-off, consolidation or similar transaction which would be considered a Control Transaction and would imply an equity valuation of the Company that will result in (x) an IRR to the holder of each Series A Preferred Share being less than ten percent (10%), and (y) the amount (after deduction of transaction expenses incurred and Taxes paid by the Company in connection with such Control Transaction) paid to the holder of each Series A Preferred Share representing a premium of less than seventy-five percent (75%) of the Series A Preferred Share Issue Price, in each case, as appropriately adjusted for any distribution, share dividend, share split or subdivision, combination or consolidation, reorganization, recapitalization, reclassification or other similar event affecting the Series A Preferred Shares;
 - (c) change of name of any Group Company; provided that, the use of “GDS” and “GDS International” by any Group Company shall be pursuant to and in accordance with the terms of the relevant GDSH Services Agreements;
 - (d) commencement of or consent to (x) any voluntary liquidation, whether solvent or insolvent, or (y) any proceeding seeking (A) to adjudicate it as bankrupt or insolvent, (B) liquidation, winding up, dissolution, reorganization, or other arrangement under Applicable Law relating to bankruptcy, insolvency or reorganization or relief of debtors, or (C) the entry of an order for relief or the appointment of a receiver, trustee, or other similar official for it or for any substantial part of its property;
-

- (e) sale, transfer or other disposal of all or substantially all of the undertaking, goodwill or assets of the Group which would imply an equity valuation of the Company of less than its fair market value, except as otherwise permitted under the Shareholders Deed (including for the avoidance of doubt any applicable transactions contemplated under Section 5.01, Section 5.02 or Section 5.06 of the Shareholders Deed);
- (f) borrowing or lending of any money or securing or providing guarantee for any indebtedness that is, in each case, (x) not in the ordinary course of business of the Group Companies and (y) not expressly contemplated pursuant to the terms of the GDSH Services Agreements;
- (g) making of any distribution of profits of the Company by way of interim or final dividend, capitalization of reserves or otherwise, except for distribution in connection with a transaction contemplated under Section 5.01, Section 5.02 or Section 5.06 of the Shareholders Deed;
- (h) appointment of any independent director to the Board other than pursuant to Section 2.01 or 2.05 of the Shareholders Deed, as the case may be or the Articles; or
- (i) any Public Listing, other than a QIPO consummated following the first (1st) anniversary of the Series A Closing Date.

provided, that where any Ordinary Resolution or Special Resolution is required to approve any of the matters referred to in this Article 45.2 and such matter has not received the approval of each of the Major Shareholders, as required by this Article 45.2, the Members who vote against such Ordinary Resolution or Special Resolution shall have the number of votes equal to (i) the votes of all Members who vote for such resolution, plus (ii) one.

- 45.3 Notwithstanding anything to the contrary herein, following consultation with the senior members of the management of the Company in good faith, a majority of the Board (excluding GDSH Directors), shall have the right to cause the Company or any of its Subsidiaries to enforce any of its rights and seek remedies under or in accordance with the terms of any agreements or transactions between GDSH or any Affiliate or Associate of GDSH, as applicable, on the one hand, and any Group Company, on the other hand, against GDSH or such Affiliate or Associate of GDSH, as applicable; for the avoidance of doubt, GDSH Directors shall abstain from voting on the aforementioned matters.

46. Indemnity and Insurance

- 46.1 Every Director and officer of the Company (which, for the avoidance of doubt, shall not include auditors of the Company), together with every former Director and former officer of the Company (each an “**Indemnified Person**”) shall be indemnified out of the assets of the Company against any liability, action, proceeding, claim, demand, costs, damages or expenses, including legal expenses, whatsoever which they or any of them may incur as a result of any act or failure to act in carrying out their functions other than such liability (if any) that they may incur by reason of their own actual fraud or willful default, to the fullest extent permitted by Applicable Law. No Indemnified Person shall be liable to the Company for any loss or damage incurred by the Company as a result (whether direct or indirect) of the carrying out of their functions, unless that liability arises through the actual fraud or willful default of such Indemnified Person. No person shall be found to have committed actual fraud or willful default under this Article, unless or until a court of competent jurisdiction shall have made a finding to that effect.
-

- 46.2 The Company shall advance to each Indemnified Person reasonable attorneys' fees and other documented costs and out-of-pocket expenses reasonably incurred in connection with the defense of any action, suit, proceeding or investigation involving such Indemnified Person for which indemnity will or could be sought. In connection with any advance of any expenses hereunder, the Indemnified Person shall execute an undertaking to repay the advanced amount to the Company, if it shall be determined by final judgment or other final adjudication that such Indemnified Person was not entitled to indemnification pursuant to this Article. If it shall be determined by a final judgment or other final adjudication that such Indemnified Person was not entitled to indemnification with respect to such judgment, costs or expenses, then such party shall not be indemnified with respect to such judgment, costs or expenses and any advancement shall be returned to the Company (without interest) by the Indemnified Person.
- 46.3 The Directors, on behalf of the Company, may purchase and maintain insurance for the benefit of any Director or other officer of the Company against any liability which, by virtue of any rule of law, would otherwise attach to such person in respect of any negligence, default, breach of duty or breach of trust of which such person may be guilty in relation to the Company.

47. **Financial Year**

Unless the Directors otherwise prescribe, the financial year of the Company shall end on December 31st in each year and, following the year of incorporation, shall begin on January 1st in each year.

48. **Transfer by Way of Continuation**

If the Company is exempted as defined in the Statute, it shall, subject to the provisions of the Statute and with the approval of a Special Resolution, have the power to register by way of continuation as a body corporate under the laws of any jurisdiction outside the Cayman Islands and to be deregistered in the Cayman Islands.

49. **Mergers and Consolidations**

Subject to [Article 45.2\(b\)](#), the Company shall have the power to merge or consolidate with one or more other constituent companies (as defined in the Statute) upon such terms as the Directors may determine and (to the extent required by the Statute) with the approval of a Special Resolution.

50. **Company Redemption Rights**

- 50.1 If an IPO has been consummated on or prior to the sixth (6th) anniversary of the Series A Closing Date and any Series A Preferred Shares remain outstanding following the sixth (6th) anniversary of the Series A Closing Date, the Company shall have the right at its election (but not the obligation) from time to time to redeem all or any of the then outstanding Series A Preferred Shares on a pro rata basis in accordance with the relative Aggregate Ownership Percentage among the holders of such Series A Preferred Shares in cash at a redemption price (the "**Redemption Price**") that will generate an IRR of at least ten percent (10%) for the holder of each Series A Preferred Share (the "**Company Redemption Rights**").
- 50.2 If the Company elects to exercise the Company Redemption Rights pursuant to [Article 50.1](#), the Company shall give written notice of redemption (the "**Redemption Notice**") to all Series A Preferred Shareholders (the "**Redeeming Shareholders**") setting out the number of Series A Preferred Shares to be redeemed (the "**Redemption Shares**") and the Redemption Price (including the calculation thereof) at least twenty-five (25) Business Days prior to the Redemption Date designated therein. A Redemption Notice delivered by the Company may not be later revoked or withdrawn by the Company. If any Redeeming Shareholders delivers, at least five (5) Business Days prior to the Redemption Date, a written notice to the Company to convert any or all of its Series A Preferred Shares into Ordinary Shares in accordance with [Article 13](#), such holder shall be entitled to receive the Ordinary Shares issued upon conversion of such Series A Preferred Shares (by way of the repurchase by the Company of such Series A Preferred Shares in consideration for the issuance of such Ordinary Shares), and for the avoidance of doubt, neither such Ordinary Shares nor such Series A Preferred Shares shall be subject to any Company Redemption Rights.
-

- 50.3 The Redemption Notice shall contain instructions for the Redeeming Shareholders to deliver to the Company's share register or transfer agent, as applicable, the share certificates for the Redemption Shares (if any, or if such certificates have been lost or destroyed, to give an indemnity in favor of the Company in relation to such lost or destroyed certificates) and to provide payment details to the Company. Upon such delivery of the share certificates for the Redemption Shares, the Company shall pay or cause to be paid directly or via a transfer agent to each Redeeming Shareholder that has complied with the instructions set forth in such Redemption Notice such Redeeming Shareholder's Redemption Price in cash by wire transfer to its designated bank account on or prior to the Redemption Date as designated in the notice, and shall procure that the register of members is updated to reflect such redemption of such Redemption Shares.
- 50.4 With respect to any Redemption Shares which have been specified to be redeemed by the Company pursuant to the Company Redemption Rights in accordance with the provisions of this Article 50, and for which the Company has irrevocably paid the Redemption Price to the applicable Redeeming Shareholders: (a) dividends shall cease to accrue on such Redemption Shares, (b) such Redemption Shares shall no longer be deemed outstanding, and (c) all rights with respect to such Redemption Shares shall cease and terminate.

51. Series A Change of Control Redemption Rights

- 51.1 Upon the occurrence of either a GDSH Change of Control or a GDSI Change of Control (each, a "**Series A CoC Transaction**"), the holder of each Series A Preferred Share shall have the right (but not the obligation) at its election to require the Company to redeem, and the Company shall be obligated pursuant to this Article 51 to redeem, such Series A Preferred Share in cash at a price (the "**Series A CoC Redemption Price**") that will generate an IRR of ten percent (10%) in respect of such Series A Preferred Share (the "**Series A CoC Redemption Rights**"); provided that, if a GDSI Change of Control transaction is also a Tag-Along Sale for which Tag-Along Right (each as defined in the Shareholders Deed) is available to holders of Series A Preferred Shares under Section 4.04 of the Shareholders Deed, then any holder of Series A Preferred Shares that has exercised its Tag-Along Right and sold its Tag-Along Portion (as defined in the Shareholders Deed) in such Tag-Along Sale shall not be entitled to exercise the Series A CoC Redemption Rights for the same transaction.
- 51.2 Promptly following and in any event no later than five (5) Business Days following the consummation of a Series A CoC Transaction, GDSH and the Company shall notify each holder of Series A Preferred Shares in writing (the "**Series A CoC Transaction Notice**"). The Series A CoC Transaction Notice shall identify the nature of the transaction or series of transactions that constitute the Series A CoC Transaction, including the consideration and all other material terms and conditions thereof (which, in case of a GDSI Change of Control for which a Tag-Along Notice (as defined in the Shareholders Deed) has been delivered pursuant to Section 4.04 of the Shareholders Deed, shall include any material modifications, if any, to the information set forth in such Tag-Along Notice) and shall identify the Series A CoC Redemption Price and the Series A CoC Redemption Date, which shall be no earlier than ten (10) and no later than thirty (30) Business Days following the consummation of the Series A CoC Transaction.
-

- 51.3 If a holder of Series A Preferred Shares elects to exercise its Series A CoC Redemption Rights pursuant to Article 51.1) (a “**Series A CoC Redemption Party**”), such Series A CoC Redemption Party shall give written notice (the “**Series A CoC Redemption Notice**”) to the Company setting out the number of Series A Preferred Shares to be redeemed (the “**Series A CoC Redemption Shares**”) at the Series A CoC Redemption Price and its bank account details by no later than [ten (10)] Business Days following the date of the Series A CoC Transaction Notice.
- 51.4 On the Series A CoC Redemption Date, the Company shall pay, or cause to be paid, directly or via a transfer agent to each Series A CoC Redemption Party such Series A CoC Redemption Party’s Series A CoC Redemption Price in cash in immediately available funds by wire transfer to its designated bank account set forth in its Series A CoC Redemption Notice, and shall procure that the register of members is updated to reflect such redemption of such Series A CoC Redemption Shares.
- 51.5 With respect to any Series A CoC Redemption Shares which have been redeemed by the Company pursuant to the Series A CoC Redemption Rights in accordance with the provisions of this Article 51, and for which the Company has irrevocably paid the Series A CoC Redemption Price to the applicable Series A CoC Redemption Party(ies): (a) dividends shall cease to accrue on such Series A CoC Redemption Shares, (b) such Series A CoC Redemption Shares shall no longer be outstanding, and (c) all rights with respect to such Series A CoC Redemption Shares shall cease and terminate.

Except as expressly provided for under the terms of this Agreement, the Parties acknowledge and agree that (i) the Company shall not acquire any right, title or interest in any intellectual property rights of the Service Provider by reason of the provision of the Services provided hereunder and (ii) each Party retains and reserves any and all rights under all intellectual property rights and proprietary rights not expressly granted to the other Party hereunder.

(b) License. Each Party shall grant, or shall cause its applicable Affiliates to grant, to the other Party, a nonexclusive, worldwide, royalty-free license to use the rights of such Party or its applicable Affiliate with respect to the copyrights (including copyrights in computer software), applications, and registrations of such Person, solely for the purpose of, and only to the extent necessary for, providing or receiving the Services.

(c) Ownership of Data. As between the Parties hereto, all data provided by the Company and its Affiliates for processing by the Service Provider through the Services shall remain the property of the Company. As among the Parties hereto, all data provided by the Service Provider in connection with their provision of the Services shall remain the property of the Service Provider. Notwithstanding the immediately preceding sentence, any data that is created by the Service Provider exclusively for the Company in performing the Services shall be owned by the Company; provided that the Service Provider shall be the sole and exclusive owners of all data of a technical or administrative nature relating to the operation, development and maintenance of the systems used to provide the Services. Each Party shall only process personal data that it may receive from the other Party in the course of carrying out its obligations under this Agreement (a) in such a manner as is necessary to carry out those obligations, (b) in accordance with the instructions of the Company, and (c) as required or permitted by Applicable Law.

Section 9.2 Data Security. The Parties shall, and shall require its Affiliates and Subcontractors to, maintain security procedures and protocols using appropriate legal, technical, and organizational measures to prevent (a) the unauthorized or unlawful processing, use, transfer, loss, destruction, damage, alteration, or disclosure of personal data and/or Confidential Information; and (b) against any breach or attempted breach of such Party's or its Affiliates' information technology systems. In the event of any loss, theft, or unauthorized access, modification, unavailability, outage, alteration, or destruction or disclosure of a Party's information technology systems, Confidential Information, personal data, facilities, and other assets relevant to the Services ("Security Incident"), to the extent permitted by Applicable Law, the breached party will notify the other in writing without undue delay, but in any event within forty-eight (48) hours, following the determination that a Security Incident has occurred, describing (i) the nature of the breach of security measures; (ii) the types of potentially compromised personal data; (iii) the duration and expected consequences of the Security Incident; and (iv) any mitigation or remediation measures taken or planned in response to the Security Incident. Upon any such discovery, the Party or its Affiliates experiencing the Security Incident shall (A) take all reasonable steps to investigate, remediate, and mitigate the effects of the Security Incident, and (B) provide the other Party with assurances reasonably satisfactory to the other Party that such Security Incident shall not recur. Additionally, if and to the extent any Security Incident occurs as a result of an act or omission of a Party or its Affiliates (or their respective services providers or subcontractors) (a "Designated Party"), and if the other Party determines that notices (whether in the Service Provider's or the Company's name) or other remedial measures are warranted, then the Designated Party shall, at the other Party's request and at the Designated Party's cost and expense, undertake the aforementioned remedial actions.

Section 9.3 Privacy. The Parties and each of their respective Affiliates shall comply with the provisions of all data privacy laws, including the GDPR and the U.S. Data Privacy and Protection Laws, to the extent applicable to its performance of Services under this Agreement.

Section 9.4 Force Majeure. The failure by either Party to perform any term hereunder when caused by or resulting from a Force Majeure Event shall not constitute a default or breach under any term of this Agreement; provided, however, that each Party shall use its commercially reasonable efforts to continue to perform its obligations under this Agreement and to minimize the adverse effects arising from any Force Majeure Event. If any such excused delay occurs, the time for performance shall be extended for a period equal to the time lost by reason of the delay unless this Agreement has previously been terminated under Article V or under this Section 9.4. Any Party claiming the benefit of this provision shall, as soon as reasonably practicable after the occurrence of any such event, (a) provide written notice to the other Party of the nature and extent of any such Force Majeure Event, and (b) use its commercially reasonable efforts to remove any such causes and resume performance under this Agreement as soon as reasonably practicable unless this Agreement has previously been terminated under Article V or under this Section 9.4. During the period of a Force Majeure Event, (i) no Charges shall be assessed or otherwise accrue for the duration of such Force Majeure Event to the extent such Charges relate to Services the Service Provider is unable to provide as a result of such Force Majeure Event, (ii) the Company may obtain replacement Services from a Third Party with respect to the Services that are affected by the Force Majeure Event, and the Service Provider shall reimburse the Company for the cost of any such replacement Services paid for by the Company, less the amount the Company would have paid for such Services under this Agreement, and (iii) the Company shall be entitled to permanently terminate such Service(s) if a Force Majeure Event shall continue to exist for more than sixty (60) consecutive days or for more than sixty (60) days in any ninety (90)-day period by delivering written notice of such termination to the Service Provider, it being understood that such termination may be effective immediately upon delivery of such written notice.

Section 9.5 Independent Contractors. The Parties each acknowledge that they are separate entities, each of which has entered into this Agreement for independent business reasons. The relationship of the Parties hereunder is that of independent contractors and nothing contained herein shall be deemed to create a joint venture, partnership or any other relationship. Employees performing services hereunder do so on behalf of, under the direction of, and as employees of, the Service Provider or its Affiliates, and the Company shall have no right, power or authority to direct such employees. The Service Provider shall be solely responsible for the selection, employment, supervision, direction, discharge and control of its and its Affiliates' employees, agents and Subcontractors and the payment of all salary and benefits and all related fringe benefits program expenses such as insurance costs, pension or retirement plans, profit sharing plans, vacation, sick leave, severance pay and similar matters and all income tax, social security taxes, unemployment compensation tax, workers' compensation tax, other employment taxes or withholdings and premiums and remittances with respect to employees of the Service Provider and its Affiliates used to provide Services. The Service Provider shall be solely responsible for the actions, liability and safety of its employees, agents and Subcontractors, including all claims made by or on behalf of any such employees, agents and Subcontractors. The Service Provider shall be solely responsible for compliance with any and all applicable employment laws and regulations relating to its employees, agents and Subcontractors. In all instances where any of the Service Provider's employees, agents and Subcontractors are covered by a collective bargaining agreement, the Service Provider shall be solely and completely responsible for administration of such agreement and shall fully comply with all provisions of such agreement. Specifically, and without limiting the foregoing, should any employee, agent or Subcontractor of the Service Provider be terminated as a result of the termination of this Agreement or otherwise, the Service Provider shall have full responsibility for compliance with all relevant laws and regulations and the provisions of all applicable collective bargaining agreements, including severance pay obligations. The Company shall not be deemed an employer of any individual providing Services under this Agreement unless such individual enters into an employment or similar agreement with the Company directly.

Section 9.6 Dispute Resolution. Prior to initiating any action in accordance with Section 9.7, any dispute, controversy or claim arising out of, relating to or in connection with the Services or this Agreement, or the breach, termination, interpretation or validity thereof (a “Dispute”), shall be resolved by submitting such Dispute in writing first to the Service Provider Representatives or Company Representatives, as applicable, and the Service Provider Representatives and Company Representatives shall seek to resolve such Dispute through good-faith negotiation. If any Dispute is not resolved by the good-faith negotiation between the Service Provider Representatives and Company Representatives within twenty (20) Business Days (or such longer period as the Parties may agree) after the claiming Party provides written notice to the other Party of the Dispute, then either Party may pursue any other remedy to which they may be entitled (in accordance with Section 9.7) at law. Notwithstanding the foregoing, this Section 9.6 shall not apply to any Service Breach, and shall not apply to any action for specific performance or any other action for equitable relief pursuant to Section 9.8.

Section 9.7 Governing Law and Jurisdiction. This Agreement and all matters arising hereunder or in respect hereof shall be governed by, and construed in accordance with, the laws of Hong Kong, without regard to any principles of conflict of laws that would result in the application of any other laws. The Parties irrevocably agree that any Dispute shall be referred to and finally resolved by arbitration administered by the Hong Kong International Arbitration Centre (“HKIAC”) under the HKIAC Administered Arbitration Rules in force when the notice of arbitration is submitted (“Rules”) in accordance with the Rules. The number of arbitrators shall be three (3), one of whom shall be nominated by the claimant(s), one by the respondent(s) and the third of whom, who shall act as Chairman, shall be nominated by the two (2) party-nominated arbitrators, provided that if the third arbitrator has not been nominated within twenty (20) Business Days of the nomination of the second party-nominated arbitrator, such third arbitrator shall be appointed by the HKIAC Council in accordance with the Rules. The seat of arbitration shall be Hong Kong and the language of arbitration shall be English.

Section 9.8 Specific Performance. The Parties agree that if any of the provisions of this Agreement were not to be performed as required by their specific terms or were to be otherwise breached, irreparable damage will occur, no adequate remedy at law would exist and damages would be difficult to determine, and that such Party shall be entitled to an injunction or injunctions to prevent breaches, and to specific performance of the terms, of this Agreement, in addition to any other remedy at law or equity. The Parties agree to not seek, and agree to waive, any requirement for securing or posting of a bond in connection with the Party’s seeking or obtaining any relief pursuant to this Section 9.8.

Section 9.9 Waiver; Amendment. Any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by the Parties, or in the case of a waiver, by the Party or Parties against whom the waiver is to be effective. No failure or delay by any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

Section 9.10 Assignment. No Party to this Agreement may assign any of its rights or obligations under this Agreement (whether by operation of law or otherwise) without the prior written consent of the other Party, and any attempted or purported assignment in contravention of this provision shall be null and void. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by the Parties and their respective successors and permitted assigns.

Section 9.11 Notices. All notices or other communications hereunder to a Party shall be deemed to have been duly given and made if in writing and if served by personal delivery, if delivered by registered or certified mail (return receipt requested), or by a national courier service, or by email so long as such email states it is a notice delivered pursuant to this Section 9.11 (provided no notice is received by the email sender within one (1) hour thereafter indicating that such electronic mail was undeliverable or otherwise not delivered).

Section 9.12 Counterparts. This Agreement may be executed in two (2) or more counterparts (including by facsimile or other electronic means such as “.pdf.” or “.jpg” files), each of which shall be deemed to constitute an original, but all of which together shall be deemed to constitute one and the same instrument, it being understood that all Parties need not sign the same counterpart.

Section 9.13 Entire Agreement; Third Party Beneficiaries. This Agreement, together with the Schedule hereto, constitute the entire agreement between the Parties with respect to the subject matter of this Agreement and supersede any prior discussion, correspondence, negotiation, proposed term sheet, letter of intent, agreement, understanding or arrangement, and there are no agreements, understandings, representations or warranties between the Parties other than those set forth or referred to in this Agreement or the other agreements (and Schedule) set forth above. Nothing in this Agreement, express or implied, is intended to confer on any Person other than the Parties hereto, and their respective heirs, successors, legal representatives and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement under the Contracts (Rights of Third Parties) Ordinance (Cap. 623 of the Laws of Hong Kong). In the event of a conflict between the body of this Agreement and Schedule 1, Schedule 1 shall control.

Section 9.14 Severability. The provisions of this Agreement shall be deemed severable and the invalidity or unenforceability of any provision shall not affect the validity or enforceability of the other provisions hereof. If any provision of this Agreement, or the application thereof to any Person or entity or any circumstance, is found by a court or other Governmental Authority of competent jurisdiction to be invalid or unenforceable, (a) a suitable and equitable provision shall be substituted therefore in order to carry out, so far as may be valid and enforceable, the intent and purpose of such invalid or unenforceable provision, and (b) the remainder of this Agreement and the application of such provision to other Persons, entities or circumstances shall not be affected by such invalidity or unenforceability, nor shall such invalidity or unenforceability affect the validity or enforceability, of such provision, or the application thereof, in any other jurisdiction.

Section 9.15 Further Assurances. Each Party hereto shall take, or cause to be taken, any and all reasonable actions, including the execution, acknowledgment, filing and delivery of any and all documents and instruments that any other Party hereto may reasonably request in order to effect the intent and purpose of this Agreement and the transactions contemplated hereby.

Section 9.16 Insurance. The Service Provider shall maintain in full force and effect, for so long as it is providing Services hereunder, general liability insurance coverage insuring (a) the Service Provider's and its agents', servants' and employees' liability to pay for any bodily injuries or death received or sustained by any person or persons, including agents, servants and employees of the Company, in any manner caused by, arising from, incident to, connected with or growing out of any acts taken by the Service Provider's agents, servants or employees pursuant to this Agreement, (b) the Service Provider's and its agents', servants' and employees' liability to pay for any and all physical loss, damage or injury to the tangible property of any and all Persons in any manner caused by, arising from, incident to, connected with or growing out of any acts of the Service Provider's agents, servants and employees in connection with this Agreement, and (c) the Service Provider's and its agents', servants' and employees' liability to pay for any third party claims directly arising from, incident to, connected with, or related to, the provision of the Services contemplated by this Agreement.
