- (iv) being charged, convicted or held liable for any offence under the relevant securities laws in Hong Kong or any other applicable laws or regulations in force from time to time; or
- (v) retiring by agreement with a member of the Group at any time prior to or on the vesting date.

Arrangement for the Group to provide financial assistance to a grantee to facilitate the purchase of Shares:

There are no arrangements for the Company or any of its subsidiaries to provide financial assistance to any RSU Grantees to facilitate the purchase of RSUs under the Post-IPO RSU Scheme.

In any event, the Board has the discretion to accelerate the above vesting schedule of the Share Options, subject to compliance of the requirements under Rule 17.03F of the Listing Rules as and when appropriate.

Performance target:

The Share Options granted are not subject to performance targets.

Having considered that (i) the Grant of Share Options can bring about an immediate incentivization effect for the Share Option Grantees, which is considered a more attractive motivation to the Share Option Grantees for continuing to serve in such roles; (ii) the Grant of Share Options to the Share Option Grantees is a recognition for their past contributions to the Group; and (iii) the Grant of Share Options without performance target is consistent with the Company's customary practice on previous grants of share incentives to the Directors, employees of the Company (including members of senior management) and Service Providers, the Compensation Committee considers that without performance target, the Grant of Share Options to the Share Option Grantees could align the interests of the Share Option Grantees with incentive to the Share Option Grantees to work towards the continued success of the Group, and reinforce their commitment to providing long-term services to the Group, which is in line with the purpose of the Post-IPO ESOP.

Clawback mechanism:

The Grant of Share Options is subject to the clawback mechanism under the Post-IPO ESOP in the event that the Board determines a grantee shall cease to be an employee by reason of acts including without limitation:

- (i) grave misconduct, willful default or willful neglect in the discharge of his or her duties with the Group;
- (ii) fraudulent activity whether or not in connection with the affairs of the Group;
- (iii) being convicted of any offence;
- (iv) being proved to take advantages of his/her position to make interest for him/herself or for others;

- (v) being proved to appropriate assets of the Group;
- (vi) serious violation or persistent breach of any terms of the employment agreement, the confidentiality and intellectual property rights assignment agreement, the non-compete and non-solicitation agreement, the anti-bribery agreement or any other agreements entered into by and between such grantee and any member of the Group;
- (vii) repeated drunkenness or use of illegal drugs or being addicted to gambling which adversely interferes with or is reasonably expected to adversely interfere with the performance of such grantee's obligations and duties of employment; and
- (viii) any other conduct which, as the Board determines in good faith, would justify the termination of his or her contract.

In such case, any Share Option (whether vested or unvested) held by such Share Option Grantee shall immediately lapse, unless the Board resolves otherwise in its absolute discretion.

If any of the Share Option Grantees ceases to be an eligible person by reason of (i) death; or (ii) serious illness or injury which, in the opinion of the Board, renders him/her unfit to perform the duties of his/her employment and which in the normal course would render such Share Option Grantee unfit to continue performing the duties under his/her contract provided such illness or injury is not self-inflicted or as a result of alcohol or drug abuse, any unvested Share Options will immediately lapse.

Arrangement for the Group to provide financial assistance to a grantee to facilitate the subscription of Share Options	There are no arrangements for the Company or any of its subsidiaries to provide financial assistance to any Share Option Grantees to facilitate the subscription of Share Options under the Post-IPO ESOP.

Mr. Edward Hu

Non-executive Director

1,000,000

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, save as disclosed in this announcement, none of the Share Option Grantees is (i) a Director, a chief executive, a substantial shareholder of the Company, or an associate of any of them; (ii) a participant with options and RSUs granted and to be granted exceeding the 1% individual limit under Rule 17.03D of the Listing Rules; or (iii) a related entity participant or service provider with options and RSUs granted and to be granted in any 12-month period exceeding 0.1% of the total issued Shares. As at the date of this announcement, after the Grant of RSUs and the Grant of Share Options above, 77,629,345 underlying Shares will be available for future grants under the Scheme Mandate Limit, and 12,663,640 underlying Shares will be available for future grants under the Service Provider Sublimit.

REASONS FOR AND BENEFITS OF THE GRANT OF RSU AND THE GRANT OF SHARE OPTIONS

The purposes and the objectives of the Post-IPO RSU Scheme and the Post-IPO ESOP include to: (i) recognize the contributions by the selected participants; (ii) encourage and retain such individuals for the continual operation and development of the Group; (iii) provide additional incentives for them to achieve performance goals; (iv) attract suitable personnel for further development of the Group; and (v) motivate the selected participants to maximize the value of the Group for the benefits of both the selected participants and the Company, with a view to achieving the objectives of increasing the value of the Group and aligning the interests of the selected participants directly to the shareholders of the Company through ownership of Shares.

The reasons for the Grant of RSUs and the Grant of Share Options are to provide incentives for the Grantees to exert maximum efforts and reward their continued efforts for the success of the Group, and to provide a means by which the RSU Grantees and the Share Option Grantees may be given an opportunity to benefit from increases in value of the Shares through the Grant of RSUs and the Grant of Share Options. It is considered that the grants under the Post-IPO RSU Scheme and/or the Post-IPO ESOP will provide incentives to the employees of the Group and Service Providers to further contribute to the Group and to align their interests with the best interests of the Company and the Shareholders as a whole. The Grant of RSUs and the Grant of Share Options form part of the remuneration to the RSU Grantees and the Share Option Grantees (including Service Providers).

For the above reasons, the Board (including all the independent non-executive Directors but excluding Dr. Jianxin Yang, Dr. Wei Li and Mr. Edward Hu, who have abstained from voting on the resolutions relating to RSUs and Share Options proposed to be granted to themselves and have not been counted towards the quorum of the Board meeting in respect of such resolutions) is of the view that the RSUs and the Share Options proposed to be granted to Dr. Jianxin Yang, Dr. Wei Li and Mr. Edward Hu (including the amount of the RSUs and the Share Options) are fair and reasonable and in the interest of the Company and the Shareholders as a whole. In accordance with Rule 17.04(1) of the Listing Rules, the Grant of RSUs and the Grant of Share Options have been approved by all of the independent non-executive Directors and also have been reviewed and approved by the Compensation Committee.

In addition, the Service Provider who was granted the RSUs and the Share Options is an independent contractor, who work for the Group where the continuity and frequency of its services are akin to those of employees in providing advisory services, consultancy services, and/or other professional services to the Group on areas relating to, or ancillary to, the Group's

principal business to help maintain or enhance the competitiveness of the Group. The Board considers that such grants to the Service Provider will encourage it to work towards enhancing the value of the Company and the Shares for the benefits of the Company and Shareholders as a whole, which is in the interest of the long-term development of the Company and aligns with the purposes of the Post-IPO RSU Scheme and the Post-IPO ESOP.

IMPLICATIONS UNDER THE LISTING RULES

Dr. Jianxin Yang and his respective associate(s) shall abstain from voting on the resolutions to the Grant of RSUs and the Grant of Share Options to himself at the AGM.
