BASIS OF DETERMINATION FOR THE CONSIDERATION

The Directors confirmed that the consideration of the Subscription of Wealth Management Allwin No. 86 was determined on the basis of commercial terms negotiated at arm's length between the Group and CITIC Bank, having considered (i) the current available surplus cash of the Group for treasury management purpose; and (ii) the expected investment return and terms of the relevant product.

REASONS FOR AND BENEFITS OF THE SUBSCRIPTION OF WEALTH MANAGEMENT ALLWIN NO. 86

Using temporary idle funds reasonably and effectively will enhance the capital gain of the Company, which is consistent with the core objectives of the Company to ensure capital safety and liquidity and meet the capital needs of the Group's daily operations and dividend payment, etc. The risk associated with the Subscription of Wealth Management Allwin No. 86 is low, while the Company can enjoy a relatively higher return from investments in the Subscription of Wealth Management Allwin No. 86 than current savings or time deposits generally offered by commercial banks in the PRC.

The Directors considered that the terms and the transaction contemplated under the agreement in respect of the Subscription of Wealth Management Allwin No. 86 are fair and reasonable, on normal commercial terms, and are in the interests of the Company and its Shareholders as a whole.

The Group has implemented adequate and appropriate internal control procedures to ensure the Subscription of Wealth Management Allwin No. 86 would not affect the working capital or the operations of the Group, and that such investment would be conducted on the principle of protecting the interests of the Company and its Shareholders as a whole.
