The Directors wish to state that they have no immediate plans to repurchase any Shares or allot and issue any new Shares other than such Shares which may fall to be allotted and issued upon the exercise of any options granted under the share option scheme of the Company.

An explanatory statement containing all relevant information relating to the proposed granting of the Repurchase Mandate is set out in the Appendix I to this circular to provide you with information reasonably necessary to enable you to make an informed decision on whether to vote for or against the resolution in relation to the granting of the Repurchase Mandate.

LETTER FROM THE BOARD

RE-ELECTION OF RETIRING DIRECTORS

Resolutions will be proposed at the AGM for re-election of Mr. Xu Ziming (“Mr. Xu”), Ms. Huang Sizhen (“Ms. Huang”) and Ms. Xu Yayi (“Ms. Xu”) (collectively, the “Retiring Directors”) as directors according to the Company’s Articles of Association. Their particulars are set out in Appendix II to this circular:

The Nomination Committee had taken into account the working profile and extensive experience of each of the Retiring Directors as set out in Appendix II to this circular and their meeting of nomination criteria (including but not limited to, character, professional qualifications, skills, knowledge and experience that are relevant to the Company’s business and corporate strategy, time commitment to effectively discharge duties as Board member) set out in the nomination policy of the Company and has considered the diversity aspects (including but not limited to gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge and length of services) set out in the diversity policy of the Company, and has taken the view that the Retiring Directors have been contributing to the Group effectively and are committed to their role as Directors.

Having regard to the Board’s diversity policy and the nomination policy adopted by the Company, the Nomination Committee recommended re-election of the Retiring Directors to the Board. This Appendix I serves as an explanatory statement, as required by the Listing Rules, to provide all the information in relation to the Repurchase Mandate for your consideration.

1. LISTING RULES RELATING TO THE REPURCHASES OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their fully-paid shares on the Stock Exchange subject to certain restrictions, the important of which are summarised below:

(a) Shareholders' approval

The Listing Rules provide that all shares repurchases on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, which may be by way of general mandate or by a special approval.

(b) Share capital

Under the Repurchase Mandate, the number of Shares that the Company may repurchase shall not exceed 10% of the total number of issued shares of the Company as at the date of the passing of the relevant resolution granting the Repurchase Mandate. As at the Latest Practicable Date, the Company has 930,000,000 Shares in issue. Subject to the passing of the proposed resolution for the granting of the Repurchase Mandate and on the basis that no Shares are issued or repurchased by the Company prior to the AGM, the exercise of the Repurchase Mandate in full would result in up to 93,000,000 Shares being repurchased by the Company.

(c) Reasons for repurchase

The Directors believe that it is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

(d) Funding of repurchase

Repurchases must be funded out of the funds legally available for the purpose in accordance with the Articles, the Listing Rules, the laws of the Cayman Islands and/or any other applicable laws, as the case may be. A listed company is prohibited from repurchasing its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Any purchase by the Company may be made out of the profits of the Company or out of a fresh issue of Shares made for the purpose of the purchase or, if authorised by the Articles and subject to the Companies Act,

out of capital and, in the case of any premium payable on redemption or purchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles and subject to the Companies Act, out of its capital.

(e) Impact of repurchase

As compared with the financial position of the Company as at 31 December 2023 (being the date of its latest audited accounts), the Directors consider that there would not be a material adverse impact on the working capital or gearing position of the Company if the Repurchase Mandate is to be exercised in full during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level (as compared with the position disclosed in its most recent published audited accounts) which in the opinion of the Directors are from time to time appropriate for the Company.

(f) Undertaking

None of the Directors nor, to the best knowledge of the Directors having made all reasonable enquiries, any of their associates has any present intention to sell Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected person (as defined in the Listing Rules) has notified the Company that he has a present intention to sell Shares to the Company, or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the Repurchase Mandate in accordance with the Articles, the Listing Rules, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

The Company confirms that neither the explanatory statement nor the proposed Share purchase has any unusual features.

(g) Takeovers Code

A repurchase of Shares by the Company may result in an increase in the proportionate interest of a substantial Shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Thrive Shine Limited (a company owned by Mr. Xu Ziming and Ms. Huang Sizhen as to 80% and 20% respectively) and Thrive Era Investments Limited (a company wholly owned by Ms. Xu Yayi), who held approximately 51.63% and 13.99% of the issued share capital of the Company respectively and are parties acting in concert under the Code, were the only substantial Shareholders holding

more than 10% of the issued share capital of the Company. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the resolution, the shareholding of such shareholders in the Company would be increased to approximately 57.37% and 15.55% of the issued share capital of the Company respectively and such increase would not give rise to an obligation on them to make a mandatory offer under Rule 26 of the Takeovers Code.

The Listing Rules prohibit a company from making repurchase of its shares on the Stock Exchange if the result of the repurchase would lead to less than 25% (or such prescribed minimum percentage as determined by the Stock Exchange) of the Company's issued share capital being in public hands. The Company will not repurchase Shares if that repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the Company's issued share capital.

2. SHARE PURCHASE MADE BY THE COMPANY

During the previous six months up to the Latest Practicable Date, no Share had been repurchased by the Company.

3. SHARE PRICES

During each of the previous 12 months up to the Latest Practicable Date, the highest and lowest traded prices for Shares on the Stock Exchange were as follows:

| Month | Per Share | |
|---|-------------------------------|------------------------------|
| | Highest <i>HK\$</i> | Lowest <i>HK\$</i> |
| 2023 | | |

| June | 0.780 | 0.640 |
| July | 0.760 | 0.650 |
| August | 0.710 | 0.530 |
| September | 0.710 | 0.620 |
| October | 0.780 | 0.500 |
