The Board believes that the grant of the Issue Mandate and the Repurchase Mandate, the election of Directors and the re-appointment of the auditors are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Board recommends that all Shareholders vote in favour of the resolutions to be proposed at the AGM.

Yours faithfully,

By order of the Board

C CHENG HOLDINGS LIMITED

Liang Ronald

Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules to provide the Shareholders with all the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the resolution to approve the Repurchase Mandate.

1. STOCK EXCHANGE RULES FOR REPURCHASES OF SHARES

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved by shareholders in advance by an ordinary resolution at a general meeting, either by way of a general mandate or by a specific approval of a particular transaction and that the shares to be repurchased must be fully paid up.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 288,260,780 Shares.

Subject to the passing of the relevant ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Directors would be authorised to exercise the powers of the Company to repurchase a maximum of 28,826,078 Shares, being 10% of the number of Shares in issue as at the Latest Practicable Date. The Shares repurchased by the Company shall, subject to applicable law, be automatically cancelled upon such repurchase.

3. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

4. FUNDING AND EFFECT OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for such purpose in accordance with the memorandum of association of the Company, the Articles of Association, the Listing Rules, and the applicable laws of the Cayman Islands.

Under the Listing Rules, a listed company may not repurchase its own shares listed on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange as amended from time to time.

The Directors consider that, if the Repurchase Mandate was to be exercised in full, there might be a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2023, being the date of its latest published audited financial statements. However, the Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

5. CONFIRMATIONS BY THE DIRECTORS AND THE COMPANY

The Directors confirmed that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Articles of Association and the applicable laws of the Cayman Islands.

The Company has confirmed that neither the explanatory statement nor the Repurchase Mandate has any unusual features.

6. TAKEOVER CODE CONSEQUENCE

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as was known to, or could be ascertained after reasonable enquiry by the Directors, Beijing Design Group Company Limited, which is the substantial shareholder of the Company, was interested in a total of 79,473,780 Shares, representing approximately 27.57% of the issued Shares. Beijing General Municipal Engineering Design & Research Institute Co., Ltd and Beijing Enterprises Group Company Limited, being its holding companies, were therefore deemed to have the same interests pursuant to the SFO.

In the event that the Repurchase Mandate is exercised in full, the shareholding of Beijing Design Group Company Limited, Beijing General Municipal Engineering Design & Research Institute Co., Ltd and Beijing Enterprises Group Company Limited would be increased to approximately 30.63%.

Such increase will give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such an extent as would result in takeover obligations. Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that would result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%. The Directors will not exercise the Repurchase Mandate to such extent that may jeopardise the public float requirement.

7. SHARE PURCHASED BY THE COMPANY

No repurchases of Shares had been made by the Company during the previous six months (whether on the Stock Exchange or otherwise) preceding the Latest Practicable Date.

8. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules), have any present intention, in the event that the proposal on the Repurchase Mandate is approved by the Shareholders, to sell Shares to the Company or its subsidiaries.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, nor have undertaken to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

9. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months before the Latest Practicable Date were as follows:

Month	Highest (HK\$)	Lowest (HK\$)
2023		
April	0.86	0.65
May	0.86	0.82
June	0.82	0.78

August	0.75	0.49
September	0.60	0.47
