APPENDIX 1 – EXPLANATORY STATEMENT ON SHARE REPURCHASE

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the special resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 469,787,392 Domestic Shares with a nominal value of RMB1.00 each and 246,551,024 H Shares with a nominal value of RMB1.00 each.

2. REASONS FOR REPURCHASE OF H SHARES

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to seek a mandate from the Shareholders to enable the Company to repurchase H Shares in the market. Such repurchase may, depending on the market conditions and funding arrangement at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders taken as a whole.

3. EXERCISE OF THE REPURCHASE MANDATE

Subject to the passing of the relevant special resolution set out in the respective notices of the AGM, the Directors will be granted the Repurchase Mandate until the end of the Relevant Period (as defined in the notice of the AGM). In addition, the exercise of the Repurchase Mandate may be subject to the approvals of the relevant PRC regulatory authorities as required by the laws, rules and regulations of the PRC being obtained and to the compliance with the requirements by laws, regulations and the Articles of Association, including but not limited to Chapter 10 of the Listing Rules, and the Company not being required by any of its creditors to repay or to provide guarantee in respect of any amount due to any of them (or if the Company is so required by any of its creditors, the Company having, in its absolute discretion, repaid or provided guarantee in respect of such amount).

As at the Latest Practicable Date, assuming the Repurchase Mandate is approved at the AGM, the exercise in full of the Repurchase Mandate would result in up to 3,942,020 H Shares (assuming there is no issue of additional H Shares from the Latest Practicable Date up to the date of the AGM) being repurchased by the Company during the Relevant Period (as defined in the notice of the AGM).

4. FUNDING OF REPURCHASE OF H SHARES

The Company may only apply funds legally available for share repurchase in accordance with its Articles of Association, the laws of PRC and/or any other applicable laws, as the case may be.

APPENDIX 1 – EXPLANATORY STATEMENT ON SHARE REPURCHASE

In accordance with the requirements of PRC applicable laws or administrative regulations, and may be subject to the approval of relevant authority, the Company is entitled by its Articles of Association to purchase its H Shares. The Company may not repurchase H Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Based on the financial position disclosed in the recently published audited accounts for the year ended 31 December 2023, the Directors consider that there will not be any material adverse impact on the working capital or gearing position of the Company in the event that the Repurchase Mandate is to be exercised in full at any time during the proposed repurchase period. The number of H Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regarded to the circumstances then prevailing and in the best interests of the Company.

5. STATUS OF REPURCHASED H SHARES

The Listing Rules provide that the listing of all the H Shares repurchased by the Company shall automatically be cancelled and the relevant share certificates shall be cancelled and destroyed.

6. MARKET PRICES OF H SHARES

The highest and lowest prices per H Share at which H Shares have traded on the Stock Exchange during the period from January 9, 2024, the date when the Company's H Shares were initially listed on the Main Board of the Stock Exchange, up to and including the Latest Practicable Date were as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
January 2024	14.60	9.70
February 2024	17.54	11.64
March 2024	24.80	14.50
April 2024 (<i>up to the Latest Practicable Date</i>)	27.20	19.62

7. GENERAL INFORMATION

The Directors consider that there would not be a material adverse impact on the working capital or on the gearing position of the Company in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period (as compared with the position disclosed in the latest published audited accounts of the Company for the year ended 31 December 2023). However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company. The number of H Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Board at the relevant time having regarded to the circumstances then prevailing, in the best interests of the Company.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases under the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws, rules and regulations of the PRC.

To the best of the knowledge of the Directors having made all reasonable enquiries, none of the Directors or any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any H Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders. The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any H Shares to the Company, or that they have undertaken not to sell any H Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

8. EFFECT OF THE TAKEOVERS CODE

If as a result of a repurchase of H Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, our Controlling Shareholders are entitled to exercise approximately 47.32% of the voting rights of the Company. In the event that the Directors exercise the proposed Repurchase Mandate in full, our Controlling Shareholders would be entitled to exercise approximately 49.90% of the voting rights of the Company.

The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code and/or result in the aggregate number of H Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange. The Directors are not aware of any consequences which will arise under the Takeovers Code and/or any similar applicable law, as a result of any purchases to be made under the Repurchase Mandate. The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any H shares to the Company, or that they have undertaken not to sell any H Shares held by them to the Company in the event that the Repurchase Mandate is approved and the conditions (if any) to which the Repurchase Mandate are fulfilled.

9. SHARE REPURCHASE MADE BY THE COMPANY

During the period from the Listing Date up to and including the Latest Practicable Date, the Company had not repurchased any of its H Shares (whether on the Stock Exchange or otherwise).
