### CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

## **FUNDING OF REPURCHASE**

Repurchase by the Company must be funded out of funds legally available for such purpose in accordance with the Articles, the applicable laws and regulations of the Cayman Islands and the GEM Listing Rules. A listed company is prohibited from repurchasing its own securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Subject to the foregoing, any repurchase by the Company may be made out of its profits, share premium, or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase and in the case of any premium payable on a repurchase, out of profits of the Company or from sums standing to the credit of the share premium account of the Company. Subject to the Companies Law of the Cayman Islands and if so authorised by the Articles, a repurchase

may also be made out of the capital of the Company. Repurchase to be made pursuant to the Repurchase Mandate would be financed out of funds legally available for the purpose in accordance with the Articles and the applicable laws of the Cayman Islands.

### **IMPACT OF REPURCHASE**

Taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position as at 31 December 2023, being the date of the Company's latest published audited consolidated financial statements. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

### **DIRECTORS' INTENTION TO SELL SHARES**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates currently intends to sell Shares to the Company or its subsidiaries.

### **DIRECTORS' CONFIRMATION**

The Directors, so far as the same may be applicable, will exercise the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

The Directors confirmed that neither this explanatory statement nor the Repurchase Mandate has any unusual features.

### **CONNECTED PARTIES**

The GEM Listing Rules prohibit a company from knowingly purchasing securities on GEM from a core connected person, that is, a Director, chief executive or substantial Shareholder of the Company or any of its subsidiaries or their respective close associates, and a core connected person is prohibited from knowingly selling his/her/its securities of the Company to the Company.

As at the Latest Practicable Date, no core connected person has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

### **EFFECT OF THE TAKEOVERS CODE**

If, as a result of a securities repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code.

Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and may become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and the provision may apply as a result of any such increase. The Directors are not aware of any consequences of repurchase which would arise under the Takeovers Code.

As at the Latest Practicable Date, the following Shareholders held 5% or more of the issued share capital of the Company:

Entity name	Number of Shares held (Note 1)	Nature of interest	Approximate % of total issued Shares

3. Dafeng Port Development Group and Jiangsu Yancheng and PGYC are deemed to be interested in the shares of the Company held by Dafeng Port Overseas under the SFO.

The Directors will not repurchase the Shares on GEM if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25% of the total issued share capital of the Company, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.

The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchase made under the Repurchase Mandate.
