Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick, the retiring Independent Non-executive Directors, have met the independence criteria stated in the Policy on Independence of Directors adopted by the Company, which sets out more stringent independence criteria than those contained in the Listing Rules. Moreover, Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick have given the confirmation of independence to the Company. With due consideration of the above factors, the Board believes that Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick are independent.

In view of the diversified knowledge, experience and skills of each of Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick in business management and strategy, corporate governance, accounting and finance, banking operation, risk management, compliance and sustainable development, the Board believes that their expertise will enable them to fulfill their roles as independent non-executive directors effectively, provide useful and constructive opinion and make contribution to the Board and the development of the Company.

Based on the diversified background of Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick, including but not limited to cultural and educational background, ethnicity, professional experience, skills and knowledge, it is believed that Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick can contribute to diversity of the Board.

Having considered the above aspects and in view of the contribution that Dr CHOI Koon Shum, Mr LAW Yee Kwan Quinn, Mr LIP Sai Wo and Prof MA Si Hang Frederick have made to the Board, their re-election will be in the best interests of the Company and its shareholders as a whole.

(vii) Other information

Information on the biographical details of the retiring Directors standing for re-election and their respective attendance records at Board and Committee meetings (if applicable) are set out in Appendix II to this circular.

Save as disclosed above, there are no other matters concerning the retiring Directors that need to be brought to the attention of the shareholders of the Company nor any information to be disclosed pursuant to the requirements of Rule 13.51(2) of the Listing Rules.

4. Re-appointment of auditor

Pursuant to the Policy on External Auditor Management adopted by the Board, the Audit Committee reviewed and was satisfied with the independence and professionalism of Messrs PricewaterhouseCoopers (“PwC”), the Group’s external auditor, based on the principles and standards set out in the said policy that were in line with international best practices. Upon the recommendation of the Audit Committee, the Board proposed that PwC be re-appointed as auditor of the Group at the AGM. Subject to authorisation by the shareholders, the Board will authorise the Audit Committee to determine the remuneration of PwC.

For 2023, the fee paid or payable by the Group to PwC was HK\$32 million (2022: HK\$44 million), of which HK\$30 million (2022: HK\$25 million) related to audit services and HK\$2 million (2022: HK\$19 million) related to other services (mainly including tax compliance services and services provided to meet the requirements of regulatory bodies).

The Audit Committee was satisfied that the non-audit services in 2023 did not affect the independence of PwC.

5. General mandates to issue and buy back Shares

At the annual general meeting of the Company held on 29 June 2023, the Board was granted general mandates (i) to allot, issue and otherwise deal with Shares up to 10%, or in the case of issue of Shares solely for cash and unrelated to any asset acquisition, 5% of the issued shares of the Company as at the date thereof, and the discount rate of issue price shall not exceed 10% of the Company’s benchmarked price; and (ii) to buy back Shares on the Stock Exchange up to 10% of the issued shares of the Company as at the date thereof. Under the Companies Ordinance and the Listing Rules, these general mandates will lapse at the conclusion of the AGM, unless renewed at that meeting.

Taking into consideration of the investors’ concerns regarding the potential dilution of the shareholders’ value arising from the exercise of the general mandate to issue Shares, and on the basis of full commitment of the Company to adopt a high standard of corporate governance and following the Companies Ordinance, as well as fully considering the strategic business development plan of the Group and made reference to market practices, the Board proposes, as in the previous year, the following further restrictions be placed on the general mandates:

- (a) the maximum percentage of Shares to be issued under general mandate shall be 10% of the total number of Shares in issue as at the date of passing of this Resolution (subject to adjustment in the case of any subdivision and consolidation of Shares after the passing of this Resolution);
- (b) setting of the discount rate of issue price shall not exceed 10% of the Company’s benchmarked price; and
- (c) to restrict the general mandate to allot and issue Shares up to 5% (as opposed to 20% permitted under the Listing Rules) of the total number of Shares in issue as at the date of passing of this Resolution (subject to adjustment in the case of any subdivision and consolidation of Shares after the passing of this Resolution) in the capital of the Company if the Shares are issued solely for cash and unrelated to any asset acquisition.

As further safeguard of shareholders’ rights, the Board has adopted the following internal policies for the exercise of such power in the case of an issue of Shares solely for cash:

- (a) The Board will not exercise the mandate at a discount that will result in significant dilution of shareholders’ value; and
- (b) The Board will have regard to factors such as the Group’s capital adequacy ratio and in particular, its Tier 1 capital, cost and benefit of raising Tier 2 capital, need for cash for the Group’s business development, the principle that shareholders should be treated equally, pro-rata rights of shareholders and the alternative of doing a rights issue.

APPENDIX I BUSINESS OF ANNUAL GENERAL MEETING

The exercise of the Share Buy-back Mandate, on the other hand, will generally lead to an enhancement in shareholders' value in terms of, among others, net assets or earnings per share and return on equity. Accordingly, the Board proposes to maintain the Share Buy-back Mandate at 10% of the Company's issued shares as at the date of shareholders' approval at the AGM. Again, for good corporate governance, the Board has adopted the following internal policies for the exercise of such power:

- (a) The Board will exercise the power upon the occurrence of the triggering events, namely:
- Market price of the Shares is lower than the fair value of the Shares.
 - The Group has surplus funds which are in excess of its short to mid-term development requirements.
 - The Board considers it proper and appropriate to exercise the power for enhancing the return on equity or net assets or earnings per share of the Company.
- (b) In general, such buy-backs will be made on the Stock Exchange. However, if it is expected that the size of the buy-backs may lead to a disorderly market for the Shares, then the Board will consider making the buy-backs through a general offer, i.e. in proportion to the shareholding of all existing shareholders.
- (c) The buy-back price should not be higher than the fair value of the Shares.

As at the Latest Practicable Date, the total number of Shares in issue was 10,572,780,266 Shares. Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares would be issued or bought back prior to the AGM, exercise in full of the 10% and 5% general mandate to issue Shares would result in the issue of 1,057,278,026 and 528,639,013 new Shares respectively and exercise in full of the Share Buy-back Mandate would result in the buy-back of 1,057,278,026 Shares.

The full text of the resolutions to renew the general mandate to allot and issue Shares and the Share Buy-back Mandate is set out in the notice of the AGM contained in this circular. The explanatory statement required by the Listing Rules to be sent to shareholders in connection with the Share Buy-back Mandate is set out in Appendix III to this circular.

APPENDIX III EXPLANATORY STATEMENT FOR SHARE BUY-BACK MANDATE

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to shareholders for their consideration of the Share Buy-back Mandate which permits the buy-back of Shares up to a maximum of 10% of the total number of shares of the Company in issue as at the date of passing of the Share Buy-back Resolution. The Listing Rules provide that all buy-backs of shares on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the board of directors of the company to make such buy-backs.

This Appendix also constitutes a memorandum of the terms of the Share Buy-back Mandate as required under sections 238 and 239 of the Companies Ordinance.

1. SHARES ISSUED

As at the Latest Practicable Date, the total number of Shares in issue was 10,572,780,266 Shares.

Subject to the passing of the Share Buy-back Resolution and on the basis that no further Shares would be issued or bought back prior to the AGM, the Company would be allowed under the Share Buy-back Resolution to buy back a maximum of 1,057,278,026 Shares based on the total number of shares of the Company in issue as at the Latest Practicable Date (subject to adjustment in the case of any subdivision and consolidation of Shares after the passing of the Share Buy-back Resolution).

2. REASONS FOR SHARE BUY-BACK

The Board of Directors believes that the Share Buy-back Mandate is in the interests of the Company and its shareholders as a whole. Such buy-back may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per share of the Company and will only be made when the Board of Directors believes that such a buy-back will benefit the Company and its shareholders as a whole.

3. FUNDING OF BUY-BACKS

In the buy-back of Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the Companies Ordinance. The Companies Ordinance provides that the amount paid in connection with a buy-back may only be made from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the buy-back to the extent permissible under the Companies Ordinance.

If the Share Buy-back Mandate is to be carried out in full at any time during the proposed buy-back period, the Board of Directors will ensure that there will not be any material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts of the Company for the year ended 31 December 2023.

4. SHARE PRICE

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous 12 months before the Latest Practicable Date and up to the Latest Practicable Date were as follows:

	Share Price (HK\$)	
	Highest	Lowest
2023		
April	25.65	24.30
May	25.35	23.15
June	24.55	23.05
July	23.90	22.25
August	23.65	20.80
September	22.60	20.90
October	22.15	20.45
November	21.85	20.50
December	21.35	20.00
2024		
January	21.30	17.86
February	21.20	18.02
March	22.05	20.40
April (up to the Latest Practicable Date)	23.35	22.00

5. EXERCISE OF SHARE BUY-BACK MANDATE

The Board of Directors confirms that neither the explanatory statement for the Share Buy-back Mandate nor the proposed Share buy-back has any unusual features.

None of the Directors and, to the best of their knowledge having made all reasonable enquiries, their close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company if the Share Buy-back Mandate is granted by the shareholders.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to sell any Shares to the Company in the event that the Share Buy-back Mandate is granted by the shareholders.

6. EFFECT OF THE TAKEOVERS CODES

The Board of Directors is not aware of any consequences which the exercise in full of the Share Buy-back Mandate would have under the Takeovers Codes. Based on the register maintained by the Company pursuant to section 336 of the SFO, as at the Latest Practicable Date, Central Huijin beneficially owned Shares representing approximately 66.06% of the total number of issued shares of the Company. If the Board were to exercise the Share Buy-back Mandate in full, Central Huijin's percentage shareholding in the Company would be increased to approximately 73.40%. Such an increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Codes.

The Board of Directors shall ensure that no buy-back of Shares would result in the aggregate number of Shares held by public shareholders falling below the minimum percentage specified by the Stock Exchange in respect of the Company.

7. BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any Shares (whether on the Stock Exchange or otherwise) in the 6 months preceding the date of this circular.
