RE-ELECTED AT THE ANNUAL GENERAL MEETING**

Save as disclosed above, as at the Latest Practicable Date, Mr. Xiao (i) did not have any interests in Shares within the meaning of Part XV of the SFO; (ii) did not hold any other position with the Company and other members of the Group; (iii) did not hold any directorship in the last three years prior to the Latest Practicable Date in public companies, the securities of which are listed on any securities market in Hong Kong or overseas; and (iv) did not have any relationship with any Directors, senior management or substantial or controlling shareholders (as defined in the Listing Rules) of the Company.

Save as disclosed above, there is no other information in relation to Mr. Xiao required to be disclosed pursuant to Rules 13.51(2)(h) to 13.51(2)(v) of the Listing Rules, nor are there other matters concerning Mr. Xiao that need to be brought to the attention of the Shareholders.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,200,000,000 Shares.

Subject to the passing of the ordinary resolution numbered 4 as set out in the notice of Annual General Meeting in respect of the granting of the Repurchase Mandate and assuming that the total number of Shares in issue will remain unchanged on the date of the Annual General Meeting, the Company will be authorised under the Repurchase Mandate to repurchase a total of 120,000,000 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting, during the period from the passing of the resolution approving the grant of the Repurchase Mandate until whichever is the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; and
- (iii) the date on which the authority set out in this resolution is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

Under the Listing Rules, Shares proposed to be repurchased by the Company must be fully paid up.

The Company may not issue or announce a proposed new issue of Shares for a period of 30 days immediately following a repurchase of Shares, whether on the Stock Exchange or otherwise (other than an issue of Shares pursuant to an exercise of warrants, share options or similar instruments requiring the Company to issue Shares which were outstanding prior to such repurchase), without the prior approval of the Stock Exchange.

In addition, the Company shall not repurchase the Shares if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which the Shares were traded on the Stock Exchange.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

The Listing Rules further prohibit the Company from purchasing its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange prevailing from time to time.

The Company shall procure that any broker appointed by it to effect the purchase of its Shares shall disclose to the Stock Exchange such information with respect to purchases made on behalf of the Company as the Stock Exchange may request.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Repurchase Mandate is in the best interests of the Company and the Shareholders.

Shares repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and the Company's assets and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

3. FUNDING OF SHARE REPURCHASE

Share repurchases pursuant to the Repurchase Mandate would be funded out of funds legally available for the purposes in accordance with the Company's memorandum of association, the Articles of Association, the laws of the Cayman Islands, the Listing Rules and/or any other applicable laws.

Pursuant to the Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including profits of the Company, out of the share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company. Subject to the Companies Act, Cap. 22 (as consolidated and revised) of the Cayman Islands, a repurchase of shares may also be paid out of capital of the Company.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2023) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the opinion of the Directors, have a material adverse effect on the working capital or gearing position of the Company and would only exercise the Repurchase Mandate when in the opinion of the Directors, is from time to time appropriate for the Company.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during each of the previous 12 months prior to the Latest Practicable Date were as follows:

2023		
April	0.450	0.405
May	0.430	0.365
June	0.425	0.370
July	0.405	0.395
August	0.470	0.375
September	0.410	0.370
October	0.430	0.370

December	0.710	0.390
2024		
January	0.760	0.485
February	0.620	0.470
March	0.650	0.465
April (<i>up to the Latest Practicable Date</i>)	0.540	0.465

6. GENERAL

None of the Directors nor, to the best of their knowledge and having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) has any present intention to sell any Shares to the Company under the Repurchase Mandate in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Listing Rules prohibit the Company from knowingly repurchasing its Shares on the Stock Exchange from a core connected person (as defined in the Listing Rules), that is, a Director, chief executive or substantial Shareholder of the Company or any of its subsidiaries or their respective close associates (as defined in the Listing Rules), and a core connected person (as defined in the Listing Rules) shall not knowingly sell Shares to the Company on the Stock Exchange.

APPENDIX II EXPLANATORY STATEMENT ON THE REPURCHASE MANDATE

Save as disclosed above, the Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that he/she/it has a present intention to sell any Shares to the Company under the Repurchase Mandate, nor that they have undertaken not to sell any Shares held by them to the Company, in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

The Company confirms that neither the explanatory statement nor the Repurchase Mandate has any unusual features.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, China Gas Investors Ltd. is interested in 468,096,000 Shares and Huitang Zhihe (Hong Kong) Co., Limited (惠唐鄧和(香港)有限公司) is interested in 431,904,000 Shares, representing approximately 39.01% and 35.99% respectively of the total number of Shares in issue of the Company. If the Directors were to exercise the Repurchase Mandate in full, the percentage shareholdings of China Gas Investors Ltd. and Huitang Zhihe (Hong Kong) Co., Limited (惠唐鄧和(香港)有限公司) in the Company would be increased to approximately 43.34% and 39.99% respectively immediately upon the exercise of the Repurchase Mandate in full. Such increases would give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in such mandatory offer obligation arising or that would result in the public shareholding falling below the minimum percentage prescribed under the Listing Rules.

8. PUBLIC FLOAT

The Listing Rules also prohibit the Company from making repurchases of its own Shares on the Stock Exchange if the repurchase would result in the number of the Company's listed Shares which are in the hands of the public falling below the relevant prescribed minimum percentage for the Company as required by the Stock Exchange, which is currently 25%.

9. SHARE REPURCHASES MADE BY THE COMPANY

During the six months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
