The explanatory statement required by the Listing Rules to be included in this circular is set out in Appendix I of this circular.

LETTER FROM THE BOARD

General Mandate

The Company has in issue an aggregate of 500,000,000 Shares as at the Latest Practicable Date. Subject to the passing of the proposed resolution for the approval of the General Mandate and in accordance with the terms therein, the Company would be allowed to allot and issue up to a maximum of 100,000,000 Shares, representing 20% of the total number of issued Shares at the time of the passing of the resolution approving the General Mandate on the basis that no further Shares will be issued or repurchased by the Company prior to the Annual General Meeting.

Subject to the passing of the proposed resolutions for the approval of the General Mandate and the Repurchase Mandate, an ordinary resolution will also be proposed to authorise the Directors to extend the General Mandate so granted to the Directors by adding thereto any Shares repurchased by the Company pursuant to the Repurchase Mandate.

GENERAL

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors having made all reasonable enquiries, confirm that to their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Your attention is drawn to the information set out in the appendices to this circular.

The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,

By Order of the Board

Maiyue Technology Limited

Li Changqing

Chairman, Chief Executive Officer and Executive Director

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate. Neither this explanatory statement nor the Repurchase Mandate has any unusual features.

1. REPURCHASE OF SHARES FROM CORE CONNECTED PARTIES

The Listing Rules prohibit a company from knowingly purchasing shares on the Stock Exchange from a “core connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective associates and a connected person is prohibited from knowingly selling his/her/its securities to the Company.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 500,000,000 fully paid Shares.

Subject to the passing of the proposed resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 50,000,000 Shares.

3. REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchase would be funded entirely from the Company’s available cash flow or working capital facilities which will be funds legally available under the laws of the Cayman Islands and the memorandum of association of the Company and Articles of Association for such purpose.

An exercise of the Repurchase Mandate in full would not have a material adverse impact on the working capital or gearing position of the Company when compared with that as at 31 December 2023, being the date of its latest published audited consolidated financial statements. However, the Directors do not propose to exercise the repurchase of Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange since the Listing Date, and up to the Latest Practicable Date were as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2023		
October (since the Listing Date)	1.70	1.09
November	1.45	1.18
December	1.47	1.03
2024		
January	1.24	1.05
February	1.15	0.93
March	1.18	0.94
April (up to the Latest Practicable Date)	1.07	0.91

6. UNDERTAKING

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the Annual General Meeting and exercised.

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the memorandum of association of the Company, the Articles of Association and the applicable laws of the Cayman Islands.

7. TAKEOVERS CODE

If, as a result of a securities repurchase, a Shareholder's proportionate interest in the voting rights of the Company is increased, such an increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code), could obtain or consolidate control of the Company and becomes obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, the following persons are substantial shareholders of the Company as recorded in the register required to be kept by the Company under Section 336 of the SFO:

Assuming that there is no issue of Shares between the Latest Practicable Date and the date of the repurchase, an exercise of the Repurchase Mandate in whole or in part will result in the number of Shares in the public hands falling below the prescribed minimum percentage of 25% as required by the Stock Exchange. The Directors confirm that the Repurchase Mandate will not be exercised if the repurchase would result in the number of Shares which are in the hands of the public falling below 25% of the total number of Shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

8. SHARES REPURCHASE MADE BY THE COMPANY
