The Directors wish to state that currently they have no immediate plans to issue any new Shares of the Company pursuant to such general mandate. The Proposed Issue Mandate shall be limited by the applicable rules and requirements of the Stock Exchange as amended from time to time.

### **GENERAL MANDATE TO REPURCHASE SHARES**

In addition, an ordinary resolution No. 4(B) will be proposed to approve the granting of the Proposed Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the aggregate number of the issued Shares of the Company immediately after the passing of such resolution.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

### **SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,640,895,063 Shares of nominal value of US\$0.00000008 each. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 264,089,506 Shares which represent 10% of the issued share capital of the Company as at the date of the Annual General Meeting.

### **REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange with flexibility. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

### **FUNDING OF REPURCHASES**

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association and the Cayman Companies Act. The Cayman Companies Act provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purpose of the repurchase or out of capital subject to and in accordance with the Cayman Companies Act. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the Cayman Companies Act.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full at the current prevailing market value, it may have a material adverse impact on the working capital and/or on the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2023, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

**GENERAL**

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, in the event that the Proposed Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchase pursuant to the Proposed Repurchase Mandate in accordance with the Listing Rules, the applicable laws of the Cayman Islands, and the Articles of Association.

No core connected person (as defined in the Listing Rules) has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Proposed Repurchase Mandate is approved by the Shareholders.

**TAKEOVERS CODE**

If as a result of a repurchase of Shares pursuant to the Proposed Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, the following Shareholders are the substantial Shareholders of the Company under the Listing Rules. Assuming that the substantial Shareholders do not dispose of their Shares or exercise the conversion rights of the convertible preference shares, the convertible bonds and share options so that no further Shares will be issued, if the Proposed Repurchase Mandate were exercised in full, the percentage shareholdings of the substantial Shareholders before and after such repurchase would be as follows:
