- Other businesses² reached **€56.7 million** as of March 31, 2024, which is equivalent to approximately **3.5%** of the total backlog as of March 31, 2024 (from **€57.7 million**, which is equivalent to approximately 3.9% of the total backlog as of December 31, 2023)

Net Backlog: €828.7 million as of Q1 2024, representing a slight decrease of approximately **3.4%** from **€858.0 million** as of December 31, 2023 and an increase of approximately **2.8%** from **€805.9 million** as of Q1 2023.

Net Revenue of New Yachts⁴: €313.0 million in Q1 2024, representing an increase of approximately **11.7%** when compared to Q1 2023 (**€280.3 million**) attributable to the strong order backlog built in 2023.

⁴ Calculated without pre-owned business

Net Revenue of New Yachts by Segment¹:

- Composite yachts reached **€145.0 million**, which is equivalent to approximately **46.3%** of the total net revenue of new yachts in Q1 2024 (from **€147.3 million**, which is equivalent to approximately 52.6% of the total net revenue of new yachts in Q1 2023)
- Made-to-measure yachts reached **€120.1 million**, which is equivalent to approximately **38.4%** of the total net revenue of new yachts in Q1 2024 (from **€99.9 million**, which is equivalent to approximately 35.6% of the total net revenue of new yachts in Q1 2023)
- Super yachts reached **€36.1 million**, which is equivalent to approximately **11.5%** of the total net revenue of new yachts in Q1 2024 (from **€18.1 million**, which is equivalent to approximately 6.5% of the total net revenue of new yachts in Q1 2023)
- Other businesses⁵ reached **€11.8 million**, which is equivalent to approximately **3.8%** of the total net revenue of new yachts in Q1 2024 (from **€15.0 million**, which is equivalent to approximately 5.4% of the total net revenue of new yachts in Q1 2023)

Net Revenue of New Yachts by Geographical Region³:

- Europe reached **€163.0 million**, which is equivalent to approximately **52.1%** of the total net revenue of new yachts in Q1 2024 (from **€127.0 million**, which is equivalent to approximately 45.3% of the total net revenue of new yachts in Q1 2023)
- MEA reached **€63.9 million**, which is equivalent to approximately **20.4%** of the total net revenue of new yachts in Q1 2024 (from **€46.0 million**, which is equivalent to approximately 16.4% of the total net revenue of new yachts in Q1 2023)
- APAC reached **€12.7 million**, which is equivalent to approximately **4.1%** of the total net revenue of new yachts in Q1 2024 (from **€25.1 million**, which is equivalent to approximately 9.0% of the total net revenue of new yachts in Q1 2023)
- AMAS reached **€73.3 million**, which is equivalent to approximately **23.4%** of the total net revenue of new yachts in Q1 2024 (from **€82.2 million**, which is equivalent to approximately 29.3% of the total net revenue of new yachts in Q1 2023)

⁵ Including ancillary activities, FSD, Wally sail

Adjusted EBITDA⁶: €48.2 million in Q1 2024, representing an increase of approximately **20.5%** when compared to Q1 2023 (**€40.0 million**) and with a **margin⁷** equivalent to **15.4%** in Q1 2024, representing an increase of 110 basis points when compared to Q1 2023 (**14.3%**).

This excellent performance confirms the strength of the commercial and industrial strategy employed by the Group. This strategy has enabled the Group to maintain strong negotiating power over prices, consolidate the most profitable made-to-measure segment, and absorb fixed costs more efficiently, in addition to greater procurement economies of scale capacity.

Net Profit: €22.2 million in Q1 2024, representing an increase of approximately 19.4% from Q1 2023 (**€18.6 million**).

Investment in Tangible and Intangible Assets: €58.9 million as of Q1 2024, of which approximately **€6.0 million** of maintenance for operations and product portfolio innovation and approximately **€52.8 million** for business expansion, mostly for the commissioning of the Ravenna shipyard.

Net Financial Position: €205.7 million of net cash as of March 31, 2024, representing a decrease of €75.4 million from **€281.1 million** of net cash as of December 31, 2023.

Net Working Capital: Positive €27.7 million of net working capital as of March 31, 2024, representing an increase of €57.4 million compared to December 31, 2023, as a result of the order intake slowdown and the increase of inventories for the products on display in AMAS market and to be able to meet the next upcoming summer season's deliveries in Europe and Middle East.

CONFIRMATION OF 2024 GUIDANCE AND THE MID-TERM TARGET

The Group has established the following aspirational financial guidance (“**Guidance**”) for 2024, which it aims to achieve by executing its strategies.

- **Net Revenue of New Yachts:** approximately €1,220 million to €1,240 million (which is equivalent to an increase of approximately 9.8% to 11.6%) for 2024. For the mid-term c.10% CAGR organic with further upside from M&A.

⁶ Excluding listing expenses and related costs, Management Incentive Plan and other minor non-recurring events

⁷ Calculated as EBITDA adj./revenue without pre-owned business

- **Adjusted EBITDA:** approximately €195 million to €200 million (which is equivalent to an increase of approximately 15.2% to 18.2%) for 2024.
- **Adjusted EBITDA Margin:** approximately 16.0% to 16.1% (which is equivalent to an increase of approximately 80 basis points to 90 basis points) for 2024. For the mid-term greater than 18.5%.
- **Cash Conversion Rate:** for the mid-term greater than 85%.

The Guidance should not be read as forecasts and should not be read as indicating that the Group will achieve such performances, but are merely objectives that result from the Group's pursuit of its strategy. The Group's ability to meet these objectives is based upon the assumption that it will be successful in executing its strategy and is also dependable on the accuracy of a number of assumptions involving factors that are significantly or entirely beyond its control. The objectives are also subject to known and unknown risks, uncertainties and other factors that may result in the Group being unable to achieve them.

FINAL REMARKS

The global luxury yacht industry has continued to grow solidly throughout 2022 and 2023. Once again, the global luxury yacht industry has proven to be resilient in the face of geopolitical uncertainty, underscoring its stability and strength. In this context, the Group has continued to deliver outstanding performance, consistently gaining market share and reinforcing its strategic position not only in high-value segments but also in new emerging and high-growth segments. To continue building on the expected growth trends of the global luxury yacht industry, enhancing its value proposition and strengthening its overall resilience, the Group's future plans are based on the following strategic pillars:

- The Group will enhance and expand its product offering and product mix ahead of evolving market trends and customer expectations, with the aim to consolidate its market leadership position in both the composite and made-to-measure segments, focusing on the segments with the highest growth potential and marginality.
- The Group will continue to invest in innovation, technologies, and products with the aim of providing a more environmentally responsible yachting experience, attributable to the skillful use of more sustainable materials and processes aimed at reducing the environmental impact of the products.
- The Group will expand its made-to-measure offering into larger alloy yachts, developing new alloy-hulled super yacht models under its iconic Riva, Wally, Pershing, and Custom Line brands.

- The Group will also broaden both its yacht brokerage, chartering and management services and its after-sales and refitting services, extend its brand extension and licensing activities and further expand into the security and patrolling market.
- Finally, the Group will keep investing in the internalization of high value-added activities to support its future growth and product portfolio expansion.

COMPANY'S CEO COMMENT

“We open the new year reporting extremely positive results across all key economic and financial indicators. Q1 2024 testifies to the effectiveness of the Group’s strategy, consolidating and improving on Ferretti Group’s already excellent performance in 2023.

With revenues of €313 million, up 11.7% on the first three months of the previous year, and margins constantly rising to 15.4%, Ferretti Group confirms its profitability and financial solidity, as well as recording an all-time high order backlog of €1.6 billion, up 10.2%.

These highlights are the result of a meticulously planned commercial and industrial strategy that allows us to maintain our high-level performance and also capture new emerging high-growth market areas to add to the traditional high-value sectors where we already have a presence”.
