5. Pursuant to Article 86 of the Articles of Association, cumulative voting system shall be implemented when two or more Directors or Supervisors are elected at Shareholders' general meetings. Cumulative voting system will be adopted for the Resolutions Nos. 6 and 8. Cumulative voting system represents that in the election of Directors or Supervisors at the Shareholders' general meeting, each share shall have the same number of votes as the number of Directors or Supervisors to be elected, and the voting rights held by Shareholders may be used collectively. Pursuant to Article 87 of the Articles of Association, cumulative voting system shall be voted as follows:
 - (i) When electing independent non-executive Directors, each Shareholder shall be entitled to a cumulative number of votes equal to the product of the number of Shares held by him multiplied by the number of independent non-executive Directors he is entitled to elect, and such votes shall only be cast for the independent non-executive Director candidates. When electing non-independent non-executive Directors, each Shareholder shall be entitled to a cumulative number of votes equal to the product of the number of Shares held by him multiplied by the number of non-independent non-executive Directors he is entitled to elect, and such votes shall only be cast for the non-independent non-executive Director candidates;
 - (ii) When electing Supervisors, each Shareholder shall be entitled to a cumulative number of votes equal to the product of the number of Shares held by him multiplied by the number of Supervisors to be elected, and such votes shall only be cast for the candidates for Supervisors.
6. Pursuant to Article 88 of the Articles of Association, the mechanism of the accumulative voting system to elect Directors and Supervisors is as follows:
 - (i) When Shareholders vote, please indicate the total number of shares Shareholders hold in the Company on the proxy form, and indicate the cumulative number of votes Shareholders cast for the Director or Supervisor candidate in the voting column for each Director or Supervisor candidate Shareholders elect;
When voting, only in favour votes shall be cast, but no against votes or abstentions. All Shareholders shall be entitled to cast Shareholders' cumulative votes, separately or in aggregate, for any one candidate for Director or Supervisor, as Shareholders wish (proxies shall comply with the instructions of the proxy);
If the total number of votes used by a Shareholder on the proxy form exceeds the total number of Shares legally owned by the Shareholder, the proxy form shall be invalid; if the total number of votes used by a Shareholder on the proxy form does not exceed the total number of Shares legally owned by the Shareholder, the proxy form shall be valid and the difference shall be deemed to be an abstention of voting rights;
 - (ii) After the poll is ended, all candidates shall be ranked in descending order according to the number of votes they have received (subject to the number of Directors or Supervisors to be elected), with those Directors or Supervisors receiving more than 1/2 of the valid votes held by Shareholders present at the general meeting (based on the total number of votes before cumulative voting rights are applied) shall be elected;
 - (iii) In the event that the number of candidates for Directors or Supervisors with more than 1/2 of the valid votes held by Shareholders attending the general meeting (based on the total number of votes before cumulative voting rights are applied) exceeds the number of candidates to be elected and the two or more candidates ranked last have the same number of votes, the other candidates ranked before them shall be elected. A new proxy shall be conducted for those candidates who have received the same number of votes using the cumulative voting system, and the candidates shall be ranked in descending order of votes in descending order, and the candidate who ranks first shall be elected;
 - (iv) In the event that the number of candidates for Directors or Supervisors who receive more than 1/2 of the valid votes (based on the total number of votes before cumulative voting rights are applied) held by Shareholders attending the general meeting in the first round of voting is less than the number of candidates to be elected, the cumulative voting system shall be applied to the candidates who have not been elected and a new proxy shall be conducted to rank the candidates in descending order of votes received, and the candidate who ranks first shall be selected to fill the number of candidates to be elected. In the event of the candidate cannot be determined due to the same number of votes, a new proxy shall be conducted according to the provisions of the preceding paragraph;
 - (v) If the number of Directors or Supervisors stipulated in the Articles of Association cannot be elected after three rounds of voting at the general meeting, another general meeting shall be held within two months after the conclusion of the general meeting to elect the vacant Directors or Supervisors.
