The Board hereby announces that on 22 May 2024 (after trading hours), the Company entered into the Subscription Agreement with the Subscriber, whereby the Subscriber agreed to subscribe for and the Company agreed to issue the Bonds with an aggregate principal amount of HK\$90,000,000 on the Completion Date.

Assuming full conversion of the Bonds at the initial Conversion Price of HK\$0.3, the Bonds will be convertible into 300,000,000 Shares, representing approximately 6.55% of the existing issued share capital of the Company and approximately 6.15% of the issued share capital of the Company as enlarged by the issue of the Conversion Shares.

The Conversion Shares will be issued and allotted by the Company pursuant to the general mandate granted to the Directors at the annual general meeting of the Company held on 30 June 2023 to allot, issue and otherwise deal with up to 815,837,600 Shares, representing 20% of the total number of Shares then in issue. As of the date of this announcement, such general mandate has only been utilised for the placing of 500,000,000 Shares on 21 February 2024. The unutilised portion of such general mandate is sufficient for the issue and allotment of the Conversion Shares. Accordingly, the issue and allotment of the Conversion Shares is not subject to the approval of the Shareholders.

No application will be made for the listing of the Bonds. The Company will apply to the Stock Exchange for the listing of, and permission to deal in, the Conversion Shares.

## **PROPOSED ISSUE OF 10% CONVERTIBLE BONDS**

### **THE SUBSCRIPTION AGREEMENT**

On 22 May 2024 (after trading hours), the Company and the Subscriber entered into the Subscription Agreement whereby the Subscriber agreed to subscribe for and the Company agreed to issue the Bonds with an aggregate principal amount of HK\$90,000,000. The principal terms of the Subscription Agreement are set out below:

#### **Parties**

The Company and the Subscriber

The Subscriber is a company incorporated in the British Virgin Islands and is indirectly wholly-owned by HSBC International Trustee Limited as trustee of The Cai Family Trust, a discretionary trust of which Mr. Cai Kui is the founder. HSBC International Trustee Limited as trustee of the said trust also indirectly holds a total of 37,276,000 Shares.

To the best of the knowledge, information and belief of the Directors having made all reasonable enquires, the Subscriber, HSBC International Trustee Limited and Mr. Cai Kui are not connected persons of the Company.

## **Consideration**

Upon Completion, the subscription price of HK\$90,000,000, being 100% of the aggregate principal amount of the Bonds, shall be offset by an equivalent amount of the Loan on a dollar-to-dollar basis. Subject to and with effect from Completion:

- (a) the Company shall be deemed to have repaid the Loan in the total amount of HK\$90,000,000 and to have fully satisfied its repayment obligations in respect of the Loan; and
- (b) all liabilities of the Company to repay the Loan shall then be deemed fully discharged, provided that if any payment to the Subscriber by or recovery by the Subscriber from the Company under or in connection with the Bonds is avoided or reduced for any reason including, without limitation, as a result of insolvency, breach of fiduciary or statutory duties or any similar events, the liabilities of the Company to repay the Loan, to the extent of the amount of payment or recovery as avoided, shall continue as if such payment or discharge had not occurred.

## **Conditions Precedent**

Completion is conditional upon the satisfaction or waiver of the following conditions:

- (a) the Listing Committee of the Stock Exchange having granted the approval for the listing of and the permission to deal in all the Conversion Shares, and such approval remaining valid and effective;
- (b) no order or judgment of any court or governmental, statutory or regulatory body having been issued or made prior to Completion (and no legal or regulatory requirements remaining to be satisfied) which has the effect of making unlawful or otherwise prohibiting the Subscription or any transactions contemplated by the Subscription Agreement and the Bond Documents;
- (c) no litigation, action, suit, investigation, claim or proceeding challenging the legality of, or seeking to restrain, prohibit or materially modify, the Subscription or any transactions provided for by the Subscription Agreement and the Bond Documents having been instituted and not settled or otherwise terminated;
- (d) the warranties made on the date of the Subscription Agreement remaining true and accurate in all material respects and not misleading in any material respect on the Completion Date by reference to the circumstances on the date of the Subscription Agreement; and

- (e) there has been no material adverse change in the business, operations, assets and financial position of the Group taken as a whole since the date of the Subscription Agreement.

The Subscriber may waive (in whole or in part, whether conditionally or unconditionally) any of the conditions precedent above (except for those referred to in paragraphs (a) and (b) above), provided that any such waiver shall be without prejudice to the Subscriber's right under the Subscription Agreement to elect to treat any further or other breach, failure or event as releasing and discharging the Subscriber from its obligations to subscribe for Bonds under the Subscription Agreement.

If the conditions precedent above are not fulfilled (or waived if applicable) by the Long Stop Date, either Party may (by notice in writing to the other Party) terminate the Subscription Agreement whereupon the Subscription Agreement shall lapse immediately thereafter and be of no further effect, but all rights and liabilities of the Parties which have accrued before termination shall continue to exist.

### **Termination**

The Subscriber may, by notice in writing to the Company given on or before the Completion Date, terminate the Subscription Agreement if at any time prior to Completion:

- (b) the Shares cease to be listed on the Stock Exchange;
- (c) there has been a suspension of trading of the Shares on the Stock Exchange for 20 consecutive Trading Days or more after the date of the Subscription Agreement; or
- (d) any of the conditions precedent under the Subscription Agreement becomes incapable of being fulfilled (and is not waived by the Subscriber) on or prior to the Long Stop Date.

### **Covenant up to Completion**

### **Conversion Period**

Subject to the Cash Settlement Option (as defined below), each Holder has the right to convert all or any of its Bonds for Conversion Shares at any time during the period commencing from the Issue Date and expiring on the close of business on the earlier of: (i) the date which falls five Business Days prior to the Maturity Date; or (ii) if the Bonds shall have been called for redemption prior to the Maturity Date, the close of business on the date which falls five Business Days prior to the date fixed for redemption thereof.

### **Cash Settlement Option**

The conversion right attaching to any Bonds is subject to the Company's option to make cash payment to the Holder of the Bonds in lieu of the issue of Conversion Shares (the "**Cash Settlement Option**") exercisable by the Company by giving a notice in writing to the Holder within two Business Days after the date of the surrender of the certificate in respect of such Bonds and delivery of the conversion notice. The Company shall be entitled to exercise the Cash Settlement Option only in respect of the Shares that the Company cannot issue pursuant to the limitation of the general mandate to issue Shares granted by the Shareholders. In the exercise of the Cash Settlement Option, the amount of cash to be paid by the Company to the Holder shall be arrived at by multiplying (a) the number of Conversion Shares otherwise deliverable upon the exercise of the conversion right in respect of the Bonds, and in respect of which the Company has exercised the Cash Settlement Option; and (b) the closing price of the Shares on the last Trading Day preceding the date of the surrender of the certificate in respect of such Bonds and delivery of the conversion notice.

## **Conversion Shares**

The number of Conversion Shares to be issued on a conversion of the Bonds shall be determined by dividing the principal amount of the Bonds to be converted by the Conversion Price in effect on the conversion date.

Assuming full conversion of the Bonds at the initial Conversion Price of HK\$0.3, the Bonds will be convertible into 300,000,000 Shares. Based on the par value of HK\$0.01 per Share, the 300,000,000 Conversion Shares have a total nominal value of HK\$3,000,000.

## **Conversion Price**

The Bonds will be convertible into Shares at the initial Conversion Price of HK\$0.3 per Share but will be subject to adjustment in the manner provided in the Bond Documents.

The initial Conversion Price was determined with reference to the prevailing market price of the Shares and was negotiated on an arm's length basis between the Company and the Subscriber. The Directors consider that the Conversion Price is fair and reasonable based on the current market conditions and is in the interests of the Company and the Shareholders as a whole.

The initial Conversion Price of HK\$0.3 per Conversion Share represents:

- (a) a premium of approximately 9.09% over the closing price of the Shares of HK\$0.275 per Share as quoted on the Stock Exchange on the Last Trading Day;
- (b) a premium of approximately 2.39% over the average closing price of the Shares of HK\$0.293 per Share for the last 5 consecutive Trading Days immediately prior to the Last Trading Day; and
- (c) a premium of approximately 4.71% over the average closing price of the Shares of approximately HK\$0.287 per Share for the last 10 consecutive Trading Days immediately prior to the Last Trading Day.

## **Adjustments to the Conversion Price**

The Conversion Price of the Bonds shall from time to time be subject to adjustment upon the occurrence of certain events:

- (a) consolidation, subdivision or reclassification of Shares;
- (b) capitalization of profits or reserves;

- (c) capital distribution;
- (d) if and whenever the Company shall issue Shares to all or substantially all Shareholders as a class by way of rights, or issue or grant to all or substantially all Shareholders as a class, by way of rights, options, warrants or other rights to subscribe for or purchase any Shares, in each case at less than 90% of the current market price (as determined in accordance with the formula set out in the terms and conditions of the Bonds) (the “**Current Market Price**”) per Share on the date of the announcement of the terms of the issue or grant;
- (e) if and whenever the Company shall issue any securities (other than Shares or options) to all or substantially all Shareholders as a class by way of rights, or issue or grant to all or substantially all Shareholders as a class by way of rights, options, warrants or other rights to subscribe for or purchase any securities (other than Shares or options);
- (f) if and whenever the Company shall issue (otherwise than as mentioned in paragraph (d) above) wholly for cash any Shares (other than Shares issued on the exercise of conversion rights or on the exercise of any other rights of conversion into, or subscription for, Shares) or issue or grant (otherwise than as mentioned in paragraph (d) above) of options, warrants or other rights to subscribe for or purchase any Shares, in each case at a price per Share which is less than 90% of the Current Market Price on the date of announcement of the terms of such issue;
- (g) save in the case of an issue of securities arising from a conversion or exchange of other securities in accordance with the terms applicable to such securities themselves falling within the provisions of this paragraph (g), if and whenever the Company or any subsidiary shall issue (otherwise than as mentioned in paragraphs (d) to (f) above) or (at the direction or request of or pursuant to any arrangements with the Company or any subsidiary) any other company, person or entity shall issue any securities (other than the Bonds) which by their terms of issue carry rights of conversion into, or exchange or subscription for, Shares to be issued by the Company upon conversion, exchange or subscription at a consideration per Share which is less than 90% of the Current Market Price on the date of announcement of the terms of issue of such securities;
- (h) if and whenever there shall be any modification of the rights of conversion, exchange or subscription attaching to any such securities as are mentioned in paragraph (g) above so that the consideration per Share (for the number of Shares available on conversion, exchange or subscription following the modification) is reduced and is less than 90% of the Current Market Price on the date of announcement of the proposals for such modification; and

- (i) if and whenever the Company or any of its subsidiaries or (at the direction or request of or pursuant to any arrangements with the Company or any subsidiary) any other company, person or entity issues, sells or distributes any securities in connection with an offer pursuant to which the Shareholders generally are entitled to participate in arrangements whereby such securities may be acquired by them (except where the Conversion Price falls to be adjusted under paragraphs (d) to (g) above).

### **Ranking of Conversion Shares**

Conversion Shares will rank pari passu in all respects with the Shares then in issue on the relevant date of registration of holders of such Shares on the register of members of the Company.

### **Transferability of the Bonds**

The Bonds are transferable at any time to any person, provided that the prior approval of the Stock Exchange may be required for any transfer to any transferee which is a connected person of the Company.

### **Ranking of the Bonds**

The Bonds (when issued) will constitute direct, unconditional, unsubordinated and unsecured obligations of the Company and will at all times rank pari passu and rateably without any preference as between themselves, and with all other present and future unconditional and unsubordinated obligations of the Company (other than those preferred by applicable law).

### **Voting**

The Holders will not be entitled to attend or vote at any general meetings of the Company by reason only of being the holders of the Bonds.

### **Listing**

No application will be made for the listing of the Bonds. The Company will apply to the Stock Exchange for the listing of, and permission to deal in, the Conversion Shares.

## GENERAL MANDATE

The Conversion Shares will be issued and allotted by the Company pursuant to the general mandate granted to the Directors at the annual general meeting of the Company held on 30 June 2023 to allot, issue and otherwise deal with up to 815,837,600 Shares, representing 20% of the total number of Shares then in issue. As of the date of this announcement, such general mandate has only been utilised for the placing of 500,000,000 Shares on 21 February 2024. Assuming full conversion of the Bonds at the initial Conversion Price of HK\$0.3, the Bonds will be convertible into 300,000,000 Shares. The unutilised portion of such general mandate is sufficient for the issue and allotment of the Conversion Shares. Accordingly, the issue and allotment of the Conversion Shares is not subject to the approval of the Shareholders.

## EFFECT ON THE SHAREHOLDING STRUCTURE OF THE COMPANY

Based on the initial Conversion Price of HK\$0.3 and assuming full conversion of the Bonds, the Bonds will be convertible into 300,000,000 Shares, representing approximately 6.55% of the existing issued share capital of the Company and approximately 6.15% of the issued share capital of the Company as enlarged by the issue of the Conversion Shares.

## **REASONS FOR THE BONDS ISSUE AND USE OF NET PROCEEDS**

The Group is principally engaged in the production and sales of water products and beer products in the PRC.

The Bonds Issue is a strategic move of the Company to attract strong investors who can bring business collaboration, such as the Subscriber. The Board has given due regard to the background of the Subscriber and considers that by introducing the Subscriber as a potential Shareholder (as and when it exercises its conversion rights attached to the Bonds), the Company will be able to further enhance the Group's profile and diversify the Company's shareholding base. Furthermore, the Directors are of the view that the terms of the Bonds (including the Conversion Price) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole. Since the subscription price of HK\$90,000,000 will be fully set off against an equivalent amount of the Loan on a dollar-to-dollar basis, no cash proceeds will be received by the Company from the Bonds Issue.

The Board has considered other alternative fund-raising methods such as bank loan, rights issue or open offer. The Board considered that bank loan may incur security pledging on the Group's assets and may be subject to lengthy due diligence and negotiations with the banks with reference to the Group's financial position and the then financial market condition and it may be relatively uncertain and time-consuming. On the other hand, rights issue or open offer will involve the issue of prospectus with other application and administrative procedures (such as arrangements for nil-paid rights shares) which may lead to relatively longer time and additional administrative cost to complete as compared to the issue of convertible bonds.
