He received a Guangdong Science and Technology Award (Second Class) (廣東省科學技術獎(二等獎)) for his research on experimental study on the mechanism and prevention of intestinal mucosal inflammatory injury (腸黏膜炎性損傷機制與防治的實驗研究) by People' Government of Guangdong Province in the PRC (中國廣東省人民政府) in July 2009. Dr. Li was successively awarded the titles of "Good Doctor in Guangzhou" and "Lingnan Renowned Doctor".

Save as disclosed above, as at the Latest Practicable Date, Dr. Li (i) did not hold any other positions in the Company or any of its subsidiaries; (ii) did not hold any directorship in any public companies the securities of which are listed on any securities markets in Hong Kong or overseas in the past three years nor did he have other major appointments and professional qualifications; and (iii) did not have any relationships with any Directors, senior management, substantial shareholders or controlling shareholders (as defined in the Listing Rules) of the Company.

Dr. Li has entered into a letter of appointment with the Company for an initial fixed term of three years commencing from the Listing Date, which is renewable automatically subject to retirement by rotation and re-election at annual general meetings of the Company and until terminated by giving to the Company or relevant Directors not less than three months' prior notice in writing. Dr. Li is entitled to an annual director's fee of RMB240,000 since the Listing Date, such fee to be reviewed with reference to his duties and responsibilities as well as the prevailing market conditions.

As far as the Directors are aware, as at the Latest Practicable Date, Dr. Li was not interested or deemed to be interested in any Shares, underlying Shares or debentures of the Company or its associated corporations pursuant to Part XV of the SFO.

There is no other information which is disclosable nor is Dr. Li involved in any other matters required to be disclosed pursuant to any of the requirements under Rule 13.51(2)(h) to (v) of the Listing Rules and there are no other matters concerning Dr. Li that need to be brought to the attention of the Shareholders.

**FURTHER INFORMATION IN RELATION TO THE RE-ELECTION OF INDEPENDENT
NON-EXECUTIVE DIRECTOR**

Pursuant to code provision B.3.4 of the Corporate Governance Code contained in “Part 2 – Principles of Good Corporate Governance, Code Provisions and Recommended Best Practices” of Appendix C1 to the Listing Rules, when the Board proposes to elect an individual as an independent non-executive Director, the Company is required to disclose the information set out in B.3.4(a)–(d) of the Corporate Governance Code.

The recommendation of the re-election of Dr. Li Zijun to the Board was made in accordance with the Company’s nomination policy and objective criteria (including without limitation professional experience, skills, knowledge, gender, age, cultural and educational background, ethnicity, and length of service), with due regard for the benefits of diversity, as set out under the Company’s board diversity policy.

The Board has taken into account Dr. Li’s contributions (including the attendance of meetings, level of participation and performance on the Board, etc.) and his commitment to his role. The Company has also received his independence confirmation pursuant to Rule 3.13 of the Listing Rules and was satisfied with his independence.

The Board has also taken into the account the following factors in relation to the re-election of Dr. Li.

Dr. Li, being a member of the nomination committee of the Company, had abstained from voting at meeting of the nomination committee of the Company when his own nomination was considered. The Board (including the independent non-executive Directors other than Dr. Li) considers that Dr. Li has been and will continue to fulfil his role and responsibilities diligently as an independent non-executive Director. To this, the Board (including the independent non-executive Directors other than Dr. Li) has taken into consideration the fact that Dr. Li had attended most of the Board and all Board committee meetings where his attendance was required, and has made valuable contributions to the Board. Details of his attendance records are set out in the corporate governance report as enclosed in the annual report of the Company.

Therefore, the Board believes Dr. Li is independent and his education, background and experience ensure his continued ability to offer valuable insights and contribute to the diversity of the Board and therefore should be re-elected.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 726,250,000 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged on the date of the Annual General Meeting, i.e. being 726,250,000 Shares, the Directors would be authorised under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 72,625,000 Shares, representing 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the best interests of the Company and its Shareholders.

Share repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for share repurchase in accordance with its memorandum of association and the Articles of Association, the laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2023) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

At the request of the Company, trading in the Shares on the Stock Exchange has been suspended with effect from 9:00 a.m. on 1 April 2022 (Friday) due to the delay in publication of the annual results of the Group for the years ended 31 December 2021 and 2022 and the interim results of the Group for the six months ended 30 June 2022 and resumed with effect from 9:00 a.m. on 2 August 2023 (Wednesday). The highest and lowest prices per Share at which Shares have traded on the Stock Exchange in the previous 12 months up to and including the Latest Practicable Date were as follows:

Month	Price per Share	
	Highest HK\$	Lowest HK\$
2023		
May	–	–
June	–	–
July	–	–
August	1.450	0.530
September	0.770	0.485
October	0.530	0.465
November	0.580	0.460
December	0.510	0.440
2024		
January	0.480	0.385
February	0.490	0.420
March	0.460	0.400
April	0.495	0.405
May (up to the Latest Practicable Date)	0.790	0.455

6. GENERAL

To the best of their knowledge and having made all reasonable enquiries, none of the Directors or any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands. The Company confirms that neither this explanatory statement nor the proposed share repurchase has any unusual features.

7. TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company is increased, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Main Trend Limited ("**Main Trend**"), a wholly-owned subsidiary of China Aoyuan, and Best Discovery International Limited ("**Best Discovery**") were beneficially interested in 179,226,250 Shares and 217,148,750 Shares respectively, representing approximately 24.68% and 29.90% of the total number of issued Shares, respectively.

In the event that the Directors shall exercise in full the power to repurchase Shares in accordance with the Share Repurchase Mandate and if there is no other change in the total number of the issued Shares, the shareholdings of Main Trend and Best Discovery in the Company would be increased to approximately 27.42% and 33.22% respectively.

The Directors are aware that the above increase in shareholding of Best Discovery in the Company upon the exercise in full of the power to repurchase Shares pursuant to the Share Repurchase Mandate would give rise to an obligation for Best Discovery to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. However, the Directors have no intention of exercising the proposed Share Repurchase Mandate to such an extent as would result in takeover obligations for Best Discovery. Save as aforesaid, the Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any repurchases to be made under the Share Repurchase Mandate.

The Directors will exercise the powers conferred by the Share Repurchase Mandate to repurchase Shares in circumstances, which they deem appropriate for the benefits of the Company and the Shareholders as a whole. However, the Directors have no present intention to exercise the Share Repurchase Mandate to the extent that the number of Shares in the hands of the public would fall below the prescribed minimum percentage of 25%.

8. SHARE REPURCHASE MADE BY THE COMPANY

During the 6 months prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
