AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide the Shareholders with information in respect of certain resolutions to be proposed at the Annual General Meeting relating to (i) the proposed re-election of Directors; (ii) the granting of the Share Repurchase Mandate to the Directors; (iii) the granting of

LETTER FROM THE BOARD

the Issuance Mandate to the Directors; (iv) the extension of the Issuance Mandate to include Shares repurchased pursuant to the Share Repurchase Mandate; and (v) the proposed re-appointment of the auditor of the Company to be held on Thursday, June 27, 2024.

2. PROPOSED RE-ELECTION OF DIRECTORS

In accordance with Article 26.3 of the Articles of Association, any Director appointed by the Board to fill a vacancy or as an additional Director shall hold office only until the first annual general meeting of the Company after such Director's appointment and shall then be eligible for re-election at that meeting. Accordingly, the Company's independent non-executive Directors (the "INED(s)"), namely Mr. Feng Jianfeng and Mr. Ng Yuk Keung (whose appointment by the Board became effective on January 5, 2024) and Mr. Liu Ming (whose appointment by the Board became effective on February 9, 2024) shall hold office until the Annual General Meeting and shall be eligible for re-election.

In accordance with Article 26.4 of the Articles of Association, at every annual general meeting of the Company one-third of the Directors for the time being (or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years, and that any Director who is required to stand for re-election pursuant to Article 26.3 of the Articles of Association shall not be taken into account in determining the number of Directors and which Directors are to be retired by rotation. Accordingly, Mr. Liu Letian (an executive Director) and Dr. Zhu Xiaorui (a non-executive Director) shall retire at the Annual General Meeting.

All of the above Directors, being eligible, will offer themselves for re-election at the Annual General Meeting.

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Directors, the qualifications, skills and experience, time commitment and contribution of the retiring Directors with reference to the nomination principles and criteria set out in the Company's Board Diversity Policy and Director Nomination Procedures and the Company's corporate strategies, and the independence of the retiring INEDs. Each of the retiring Directors has remained responsible for his/her performance functions and discharged his/her duties to the Company through active participation on the Board and by bringing balance of views as well as knowledge, experience and expertise. In addition, each of the retiring INEDs have confirmed their respective independence with reference to the factors set out in Rule 3.13 of the Listing Rules. Nothing has come to the attention of the Nomination Committee and the Board which may adversely affect the independence of the retiring INEDs in accordance with the independence guidelines set out in the Listing Rules, and the Nomination Committee and the Board believes the retiring INEDs will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. The Nomination Committee and the Board therefore recommended the re-election of all the retiring Directors, including the retiring INEDs, who are due to retire at the Annual General Meeting.

Details of the Directors proposed for re-election at the Annual General Meeting are set out in Appendix I to this circular.

Subject to the approval of Shareholders, the Company may use the Issuance Mandate for the sale or transfer of Treasury Shares after the amendments to the Listing Rules relating to Treasury Shares come into effect.

As far as the Directors are aware, as at the Latest Practicable Date, Mr. Ng does not have any relationships with other Directors, senior management or substantial Shareholders (as defined in the Listing Rules) of the Company.

As far as the Directors are aware, as at the Latest Practicable Date, Mr. Ng was not interested or deemed to be interested in any Shares or underlying Shares of the Company or its associated corporations pursuant to Part XV of the SFO.

Mr. Ng is entitled to a director's fee of RMB250,000 per annum, which has been determined with reference to the recommendation of the Remuneration Committee based on his qualifications, experience and the prevailing market conditions.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Share Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 450,939,423 Shares.

Subject to the passing of the ordinary resolution set out in item 4 of the notice of the Annual General Meeting in respect of the granting of the Share Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 450,939,423 Shares, the Directors would be authorized under the Share Repurchase Mandate to repurchase, during the period in which the Share Repurchase Mandate remains in force, a total of 45,093,942 Shares, representing 10% of the total number of Shares (excluding Treasury Shares, if any) in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that the granting of the Share Repurchase Mandate is in the interests of the Company and the Shareholders. The Share Repurchase Mandate can give the Company additional flexibility as such Share buy-back may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

As of the Latest Practicable Date, the Directors had no immediate plans or present intention to repurchase any Shares pursuant to the Share Repurchase Mandate.

With effect from June 11, 2024, the Listing Rules will be amended to introduce flexibility for listed companies to cancel shares repurchased and/or hold repurchased shares as Treasury Shares. Following such changes to the Listing Rules take effect, if the Company repurchases Shares pursuant to the Share Repurchase Mandate, the Company may (i) cancel the repurchased Shares and/or (ii) hold such Shares as Treasury Shares following settlement of such repurchase, subject to market conditions and the capital management needs of the Company at the relevant time such repurchases of Shares are made.

For any Treasury Shares deposited with Central Clearing and Settlement System (“CCASS”) pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to Hong Kong Securities Clearing Company to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders’ rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as Treasury Shares.

3. FUNDING OF SHARE REPURCHASE

The Company may only apply funds legally available for share repurchase in accordance with its Articles of Association, the Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended December 31, 2023) in the event that the Share Repurchase Mandate was to be carried out in full at any time during the proposed buy-back period. However, the Directors do not intend to exercise the Share Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. MARKET PRICES OF SHARES

The highest and lowest prices per Share at which Shares have traded on the Stock Exchange during the period from the Listing Date up to and including the Latest Practicable Date were as follows:

Month	Price per Share	
	Highest HK\$	Lowest HK\$
2024		
January (<i>since the Listing Date</i>)	44.40	41.10
February	43.00	33.35
March	45.15	33.00
April	42.80	37.50
May (<i>up to the Latest Practicable Date</i>)	79.00	38.00

6. GENERAL

As of the Latest Practicable Date, to the best of their knowledge and having made all reasonable enquiries, none of the Directors nor any of their respective close associates (as defined in the Listing Rules) had any present intention to sell any Shares to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

As of the Latest Practicable Date, the Company had not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to repurchase Shares pursuant to the Share Repurchase Mandate in accordance with the Articles of Association, the Listing Rules and the applicable laws of the Cayman Islands.

The Company has confirmed that neither the explanatory statement nor the proposed share repurchase has any unusual features.

7. EFFECT OF TAKEOVERS CODE

If as a result of a buy-back of Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of an exercise of the proposed Share Repurchase Mandate.

The Directors do not propose to exercise the Share Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

8. SHARE REPURCHASE MADE BY THE COMPANY

During the Listing Date prior to the Latest Practicable Date, the Company had not repurchased any of the Shares (whether on the Stock Exchange or otherwise).
