Food Dynasty shall pay the rent on a monthly basis by internal resources of the Group.

REASONS FOR AND BENEFITS OF ACCEPTANCE OF THE TENANCY AGREEMENT

The Premise is located in a shopping mall at the heart of Orchard Road, and nested within office buildings and high-end residential apartments. It will be operated as a food court by the Group, is located in the first basement level of an established shopping centre and office building in the heart of a high-end residential area, and right next to one of Singapore's healthcare hubs serving medical tourists from the region.

The acceptance of the Tenancy Agreement is in the ordinary and usual course of the Group's business, and is consistent with the Group's past (and prevailing) business strategies and conduct to increase its market share and scale of operations in the food and beverage industry in Singapore.

The Board believes that the venture would produce positive commercial results, including (i) foreseeable increase in revenue, profit and market share for the Group and (ii) greater economies of scale and certainty in costs.

Based on the above, the Board is of the view that acceptance of the Tenancy Agreement would be commercially beneficial to the Group as it would enable the Group to be well-positioned to leverage on potential growth and expansion.

Given that the Tenancy Agreement was entered into on normal commercial terms with rental rates being determined based on similar properties in similar locations and are fair and reasonable, the Directors consider that acceptance of the Tenancy Agreement is in the interests of the Company and the Shareholders as a whole.

INFORMATION OF THE PARTIES

The Group is principally engaged in (i) food and beverage retail business; and (ii) outlet management and leasing business in Singapore.

Food Dynasty is a company incorporated in Singapore with limited liability. It is an indirect wholly-owned subsidiary of the Company and is mainly engaged in operations of food courts.

The Landlord is a company incorporated in Singapore with limited liability. The largest ultimate beneficial owner of the Landlord is Choo Meileen who is interested as to 26.09% of the issued share capital of the Landlord. The Landlord is principally engaged in property investments. To the best of the Directors' knowledge, information and belief, and having made all reasonable enquiries, each of the Landlord and its ultimate beneficial owners is Independent Third Party.

IMPLICATIONS UNDER THE LISTING RULES

The transaction contemplated under the Tenancy Agreement is regarded as an acquisition of assets in the consolidated financial statements of the Company under the Listing Rules. On the basis of the acquisition of right-of-use assets under the Tenancy Agreement, the unaudited value that will be recognised by the Group pursuant to IFRS 16 is approximately S\$1.55 million (equivalent to approximately HK\$8.93 million).

Accordingly, entering into the Tenancy Agreement by the Group as a lessee will be regarded as acquisition of an asset in accordance with the Listing Rules.

Since the turnover rent under the Lease can only be reliably estimated according to the gross sales turnover generated from the operation of the Restaurant, such amount constitutes variable lease payments and were not included in the measurement of the lease liability at initial recognition under IFRS 16 Leases. Therefore, no right-of-use asset related to the turnover rent is recognised, and the turnover rent will be charged to the profit or loss of the Group in accordance with IFRS 16 Leases.

As one of the applicable percentage ratios (as defined under Rule 14.04(9) of the Listing Rules) for the transaction contemplated under the Tenancy Agreement is more than 5% but less than 25%, this transaction constitutes a discloseable transaction of the Company and is subject to reporting and announcement requirements under Chapter 14 of the Listing Rules.
