
STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This document is published in connection with the Hong Kong Public Offering as part of the Global Offering.

The listing of the Shares on the Main Board of the Stock Exchange is sponsored by the Sole Sponsor. The Sole Sponsor has made an application on behalf of the Company to the Stock Exchange for the listing of, and permission to deal in, the Shares in issue and to be issued as mentioned in this document.

15,808,800 Offer Shares will initially be made available under the Global Offering comprising:

- the Hong Kong Public Offering of initially 1,581,200 Offer Shares (subject to reallocation) in Hong Kong as described in “—The Hong Kong Public Offering” below; and
- the International Offering of initially 14,227,600 Offer Shares (subject to reallocation and the Over-allotment Option) (i) in the United States solely to QIBs in reliance on Rule 144A or another exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and (ii) outside the United States (including to professional and institutional investors within Hong Kong) in offshore transactions in reliance on Regulation S, as described in “The International Offering” below.

Investors may either (i) apply for Hong Kong Offer Shares under the Hong Kong Public Offering; or (ii) apply for or indicate an interest for International Offer Shares under the International Offering, but may not do both.

The Offer Shares will represent approximately 2.5% of the total Shares in issue immediately following the completion of the Global Offering, assuming the Over-allotment Option is not exercised. If the Over-allotment Option is exercised in full, the Offer Shares will represent approximately 2.9% of the total Shares in issue immediately following the completion of the Global Offering.

References in this document to applications, **GREEN** Application Form, application monies or the procedure for applications relate solely to the Hong Kong Public Offering.

THE HONG KONG PUBLIC OFFERING

Number of Offer Shares initially offered

The Company is initially offering 1,581,200 Offer Shares for subscription by the public in Hong Kong at the Offer Price, representing approximately 10.0% of the total number of Offer Shares initially available under the Global Offering. The number of Offer Shares initially offered under the Hong Kong Public Offering, subject to any reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering, will represent approximately 0.3% of the total Shares in issue immediately following the completion of the Global Offering (assuming the Over-allotment Option is not exercised).

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities.

STRUCTURE OF THE GLOBAL OFFERING

Completion of the Hong Kong Public Offering is subject to the conditions set out in “—Conditions of the Global Offering” below.

Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which could mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

For allocation purposes only, the total number of Hong Kong Offer Shares available under the Hong Kong Public Offering (after taking into account any reallocation referred to below) will be divided equally (to the nearest board lot) into two pools: pool A and pool B. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, the SFC transaction levy, the Stock Exchange trading fee and AFRC transaction levy payable) or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, the SFC transaction levy, the Stock Exchange trading fee and AFRC transaction levy payable) and up to the total value in pool B.

Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If any Hong Kong Offer Shares in one (but not both) of the pools are unsubscribed, such unsubscribed Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of the immediately preceding paragraph only, the “price” for Hong Kong Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Hong Kong Offer Shares from either pool A or pool B and not from both pools. Multiple or suspected multiple applications under the Hong Kong Public Offering and any application for more than 790,600 Hong Kong Offer Shares is liable to be rejected.

Reallocation

The allocation of Offer Shares between the Hong Kong Public Offering and the International Offering is subject to reallocation. Paragraph 4.2 of Practise Note 18 of the Hong Kong Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering if the International Offering is fully subscribed or oversubscribed and certain prescribed total demand levels under the Hong Kong Public Offering are reached.

If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents (a) 15 times or more but less than 50 times, (b) 50 times or more but less than 100 times and (c) 100 times or more of the total number of Offer Shares initially available under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the

STRUCTURE OF THE GLOBAL OFFERING

International Offering. As a result of such reallocation, the total number of Offer Shares available under the Hong Kong Public Offering will be increased to 4,742,800 Offer Shares (in the case of (a)), 6,323,600 Offer Shares (in the case of (b)) and 7,904,400 Offer Shares (in the case of (c)), representing approximately 30%, approximately 40% and 50% of the total number of Offer Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option). In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Sole Overall Coordinator deems appropriate.

In addition, the Sole Overall Coordinator may, at its discretion, reallocate Offer Shares initially allocated for the International Offering to the Hong Kong Public Offering to satisfy valid applications in pool A and pool B under the Hong Kong Public Offering. In accordance with the Guidance Letter HKEX-GL91-18 issued by the Stock Exchange, if such reallocation is done other than pursuant to Practise Note 18 of the Hong Kong Listing Rules, the maximum total number of Offer Shares that may be reallocated to the Hong Kong Public Offering following such reallocation shall be not more than double the initial allocation to the Hong Kong Public Offering (i.e. 3,162,400 Offer Shares), and the final Offer Price shall be fixed at the bottom end of the indicative Offer Price range (i.e. HK\$19.00 per Offer Share).

If the Hong Kong Public Offering is not fully subscribed, the Sole Overall Coordinator may reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Sole Overall Coordinator deems appropriate.

Details of any reallocation of Offer Shares between the Hong Kong Public Offering and the International Offering will be disclosed in the results announcement of the Hong Kong Public Offering, which is expected to be published on Tuesday, 27 June 2023.

Applications

Each applicant under the Hong Kong Public Offering will be required to give an undertaking and confirmation in the application submitted by him/her that he/she and any person(s) for whose benefit he/she is making the application has not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any International Offer Shares under the International Offering. Such applicant's application is liable to be rejected if such undertaking and/or confirmation is/are breached and/or untrue (as the case may be) or if he/she has been or will be placed or allocated International Offer Shares under the International Offering.

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price in addition to the brokerage, the SFC transaction levy, the Stock Exchange trading fee and AFRC transaction levy payable on each Offer Share, amounting to a total of HK\$4,646.39 for one board lot of 200 Shares. If the Offer Price, as finally determined in the manner described in “— Pricing and Allocation” below, is less than the maximum Offer Price, appropriate refund payments (including the brokerage, the SFC transaction levy, the Stock Exchange trading fee and AFRC transaction levy attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in the section headed “How to Apply for Hong Kong Offer Shares” in this document.

STRUCTURE OF THE GLOBAL OFFERING

THE INTERNATIONAL OFFERING

Number of Offer Shares initially offered

The International Offering will consist of an initial offering of 14,227,600 Offer Shares offered by us (subject to reallocation and the Over-allotment Option), representing approximately 90.0% of the total number of Offer Shares initially available under the Global Offering. The number of Offer Shares initially offered under the International Offering, subject to any reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering, will represent approximately 2.2% of the total Shares in issue immediately following the completion of the Global Offering (assuming the Over-allotment Option is not exercised).

Allocation

The International Offering will include selective marketing of Offer Shares to QIBs in the United States as well as institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the “book-building” process described in the section headed “Pricing and Allocation” below and based on a number of factors, including the level and timing of demand, the total size of the relevant investor’s invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares and/or hold or sell its Shares after the Listing. Such allocation is intended to result in a distribution of the Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of the Group and the Shareholders as a whole.

The Sole Overall Coordinator (for itself and on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Sole Overall Coordinator so as to allow them to identify the relevant applications under the Hong Kong Public Offering and to ensure that they are excluded from any allocation of Offer Shares under the Hong Kong Public Offering.

Reallocation

The total number of Offer Shares to be issued pursuant to the International Offering may change as a result of the clawback arrangement described in the section headed “—The Hong Kong Public Offering—Reallocation” above, the exercise of the Over-allotment Option in whole or in part and/or any reallocation of unsubscribed Offer Shares originally included in the Hong Kong Public Offering.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, the Company is expected to grant the Over-allotment Option to the International Underwriters, exercisable by the Sole Overall Coordinator (on behalf of the International Underwriters).

STRUCTURE OF THE GLOBAL OFFERING

Pursuant to the Over-allotment Option, the International Underwriters will have the right, exercisable by the Sole Overall Coordinator (on behalf of the International Underwriters) at any time from the Listing Date until 30 days after the last day for lodging applications under the Hong Kong Public Offering (being Thursday, 20 July 2023), to require us to allot and issue up to an aggregate of 2,371,200 Offer Shares, representing not more than 15.0% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price under the International Offering to cover over-allocations in the International Offering, if any.

If the Over-allotment Option is exercised in full, the additional Offer Shares to be issued pursuant thereto will represent approximately 0.4% of the total Shares in issue immediately following the completion of the Global Offering. If the Over-allotment Option is exercised, an announcement will be made.

STABILISATION

Stabilisation is a practise used by underwriters in some markets to facilitate the distribution of securities. To stabilise, the underwriters may bid for, or purchase, the securities in the secondary market during a specified period of time, to retard and, if possible, prevent a decline in the initial public market price of the securities below the offer price. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including those of Hong Kong. In Hong Kong, the price at which stabilisation is effected is not permitted to exceed the offer price.

In connection with the Global Offering, the Stabilising Manager (or any person acting for it), on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilising or supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilising Manager (or any person acting for it) to conduct any such stabilising action. Such stabilising action, if taken, (a) will be conducted at the absolute discretion of the Stabilising Manager (or any person acting for it) and in what the Stabilising Manager reasonably regards as the best interest of the Company, (b) may be discontinued at any time and (c) is required to be brought to an end within 30 days after the last day for lodging applications under the Hong Kong Public Offering.

Stabilisation action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilising) Rules of the SFO includes (a) over-allocating for the purpose of preventing or minimising any reduction in the market price of the Shares, (b) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimising any reduction in the market price of the Shares, (c) purchasing, or agreeing to purchase, the Shares pursuant to the Over-allotment Option in order to close out any position established under paragraph (a) or (b) above, (d) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimising any reduction in the market price of the Shares, (e) selling or agreeing to sell any Shares in order to liquidate any position established as a result of those purchases and (f) offering or attempting to do anything as described in clauses (b), (c), (d) or (e) above.

Specifically, prospective applicants for and investors in the Offer Shares should note that:

- the Stabilising Manager (or any person acting for it) may, in connection with the stabilising action, maintain a long position in the Shares;

STRUCTURE OF THE GLOBAL OFFERING

- there is no certainty as to the extent to which and the time or period for which the Stabilising Manager (or any person acting for it) will maintain such a long position;
- liquidation of any such long position by the Stabilising Manager (or any person acting for it) and selling in the open market may have an adverse impact on the market price of the Shares;
- no stabilising action can be taken to support the price of the Shares for longer than the stabilisation period, which will begin on the Listing Date, and is expected to expire on Thursday, 20 July 2023, being the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilising action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- the price of the Shares cannot be assured to stay at or above the Offer Price by the taking of any stabilising action; and
- stabilising bids or transactions effected in the course of the stabilising action may be made at any price at or below the Offer Price and can, therefore, be done at a price below the price paid by applicants for, or investors in, the Offer Shares.

The Company will ensure that an announcement in compliance with the Securities and Futures (Price Stabilising) Rules of the SFO will be made within seven days of the expiration of the stabilisation period.

Over-Allocation

Following any over-allocation of Shares in connection with the Global Offering, the Stabilising Manager (or any person acting for it) may cover such over-allocations by exercising the Over-allotment Option in full or in part, using Shares purchased by the Stabilising Manager (or any person acting for it) in the secondary market at prices that do not exceed the Offer Price or through the Stock Borrowing Agreement as detailed below or a combination of these means.

STOCK BORROWING AGREEMENT

To cover any over-allocation of Shares in connection with the Global Offering, the Stabilising Manager (or any person acting for it) may choose to borrow up to 2,371,200 Shares (being the maximum number of Shares which may be issued pursuant to the exercise of the Over-allotment Option) from MIYT Holdings Limited pursuant to the Stock Borrowing Agreement, which is expected to be entered into between the Stabilising Manager (or its affiliates or any person acting for it) and MIYT Holdings Limited on or about Tuesday, 20 June 2023. Such stock borrowing will be conducted as follows:

- (a) such stock borrowing arrangement with MIYT Holdings Limited will only be effected by the Stabilising Manager for settlement of over-allocations in the International Offering and covering any short position prior to the exercise of the Over-allotment Option;
- (b) the maximum number of Shares borrowed from MIYT Holdings Limited under the Stock Borrowing Agreement will be limited to the maximum number of Shares which may be issued upon full exercise of the Over-allotment Option;
- (c) the same number of Shares so borrowed must be returned to MIYT Holdings Limited or its nominees, as the case may be, on or before the third business day following the earlier

STRUCTURE OF THE GLOBAL OFFERING

of (i) the last day on which the Over-allotment Option may be exercised and (ii) the day on which the Over-allotment Option is exercised in full, or such time as may be otherwise agreed by the parties;

- (d) the stock borrowing arrangement under the Stock Borrowing Agreement will be effected in compliance with all applicable laws, listing rules and regulatory requirements; and
- (e) no payment will be made to MIYT Holdings Limited by the Stabilising Manager or its authorised agents in relation to such stock borrowing arrangement.

PRICING AND ALLOCATION

Determining the Pricing of the Offer Shares

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be determined on the Price Determination Date, which is expected to be on or about Tuesday, 20 June 2023 and, in any event, no later than Tuesday, 27 June 2023, by agreement between the Sole Overall Coordinator (for itself and on behalf of the Underwriters) and the Company and the number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$23.00 per Offer Share and is expected to be not less than HK\$19.00 per Offer Share, unless otherwise announced, as further explained below. Applicants under the Hong Kong Public Offering must pay, on application, the maximum Offer Price plus brokerage of 1.0%, SFC transaction levy of 0.0027%, Stock Exchange trading fee of 0.00565% and AFRC transaction levy of 0.00015%, amounting to a total of HK\$4,646.39 for one board lot of 200 Shares. **Prospective investors should be aware that the Offer Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the minimum Offer Price stated in this document.**

The International Underwriters will be soliciting from prospective investors' indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as "book-building," is expected to continue up to, and to cease on or about, the last day for lodging applications under the Hong Kong Public Offering.

The Sole Overall Coordinator (for itself and on behalf of the Underwriters) may, where it deems appropriate, based on the level of interest expressed by prospective investors during the book-building process in respect of the International Offering, and with the consent of the Company, reduce the number of Offer Shares offered below and/or the Offer Price range as stated in this document at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, we will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published on the websites of the Company and the Stock Exchange at www.ysbang.cn and www.hkexnews.hk, respectively, notices of the reduction. The Company will also, as soon as practicable following the decision to make such change, issue a supplemental prospectus updating investors of the change in the number of Offer Shares being offered under the Global Offering and/or the Offer Price, extend the period under which the Hong Kong Public Offering was opened for acceptance to allow potential investors sufficient time to consider their subscriptions or reconsider their

STRUCTURE OF THE GLOBAL OFFERING

submitted subscriptions, and require investors who had applied for the Hong Kong Offer Shares to positively confirm their applications for Offer Shares in light of the change in the number of Offer Shares and/or the Offer Price. Upon the issue of such a notice and supplemental prospectus, the revised number of Offer Shares and/or the Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Sole Overall Coordinator (on behalf of the Underwriters) and the Company, will be fixed within such revised Offer Price range.

Before submitting applications for the Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares and/or Offer Price range may not be made until the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in this document, and any other financial information which may change as a result of any such reduction. In the absence of any such notice so published, the number of Offer Shares will not be reduced and/or the Offer Price, if agreed upon by the Sole Overall Coordinator (on behalf of the Underwriters) and the Company, will under no circumstances be set outside the Offer Price range as stated in this document.

Announcement of Final Pricing of the Offer Shares

The final pricing of the Offer Shares, the level of indications of interest in the International Offering, the level of applications in the Hong Kong Public Offering, the basis of allocations of the Hong Kong Offer Shares and the results of allocations in the Hong Kong Public Offering are expected to be made available through a variety of channels in the manner described in the section headed “How to Apply for Hong Kong Offer Shares—D. Publication of results” in this document.

UNDERWRITING

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms and conditions of the Hong Kong Underwriting Agreement and is subject to, among other things, the Sole Overall Coordinator (for itself and on behalf of the Hong Kong Underwriters) and the Company agreeing on the Offer Price.

The Company expects to enter into the International Underwriting Agreement relating to the International Offering on or around the Price Determination Date.

These underwriting arrangements, including the Underwriting Agreements, are summarised in the section headed “Underwriting” in this document.

CONDITIONS OF THE GLOBAL OFFERING

Acceptance of all applications for Offer Shares will be conditional on:

- the Stock Exchange granting approval for the listing of, and permission to deal in, the Offer Shares being offered pursuant to the Global Offering (including any additional Shares which may be issued pursuant to the exercise of the Over-allotment Option), and such listing and permission not subsequently having been revoked prior to the commencement of dealings in the Shares on the Stock Exchange;
- the pricing of the Offer Shares having been agreed between the Sole Overall Coordinator (for itself and on behalf of the Underwriters) and the Company;

STRUCTURE OF THE GLOBAL OFFERING

- the execution and delivery of the International Underwriting Agreement on or around the Price Determination Date; and
- the obligations of the Hong Kong Underwriters under the Hong Kong Underwriting Agreement and the obligations of the International Underwriters under the International Underwriting Agreement becoming and remaining unconditional and not having been terminated in accordance with the terms of the respective agreements,

in each case on or before the dates and times specified in the respective Underwriting Agreements (unless and to the extent such conditions are validly waived on or before such dates and times) and, in any event, not later than the date which is 30 days after the date of this document.

If, for any reason, the Offer Price is not agreed between the Sole Overall Coordinator (for itself and on behalf of the Underwriters) and the Company on or before Tuesday, 27 June 2023, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published by the Company on the websites of the Company and the Stock Exchange at www.ysbang.cn and www.hkexnews.hk respectively, on the next day following such lapse. In such a situation, all application monies will be returned, without interest, on the terms set out in the section headed “How to Apply for Hong Kong Offer Shares — F. Refund of application monies” in this document. In the meantime, all application monies will be held in separate bank account(s) with the receiving bank or other bank(s) in Hong Kong licenced under the Banking Ordinance (Chapter 155 of the Laws of Hong Kong).

Share certificates for the Offer Shares will only become valid at 8:00 a.m. on Wednesday, 28 June 2023; *provided* that the Global Offering has become unconditional in all respects at or before that time.

DEALINGS IN THE SHARES

Assuming that the Hong Kong Public Offering becomes unconditional at or before 8:00 a.m. in Hong Kong on Wednesday, 28 June 2023, it is expected that dealings in the Shares on the Stock Exchange will commence at 9:00 a.m. on Wednesday, 28 June 2023.

The Shares will be traded in board lots of 200 Shares each and the stock code of the Shares will be 9885.
