
STRUCTURE OF THE GLOBAL OFFERING

THE GLOBAL OFFERING

This document is published in connection with the Hong Kong Public Offering as part of the Global Offering.

The listing of the Shares on the Stock Exchange is sponsored by the Sole Sponsor. The Sole Sponsor have made an application on behalf of our Company to the Listing Committee of the Stock Exchange for the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (including the additional Shares which may be issued pursuant to the exercise of the Over-allotment Option and the Shares to be issued under the Share Incentive Plans).

10,838,600 Offer Shares will initially be made available under the Global Offering comprising:

- (a) the Hong Kong Public Offering of initially 1,083,900 Offer Shares (subject to reallocation) in Hong Kong as described in the sub-section “The Hong Kong Public Offering” in this section below; and
- (b) the International Offering of initially 9,754,700 Offer Shares (subject to reallocation and the Over-allotment Option) (i) in the United States solely to QIBs in reliance on Rule 144A or another exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and (ii) outside the United States (including to professional and institutional investors within Hong Kong) in offshore transactions in reliance on Regulation S, as described in “The International Offering” this section below.

Investors may either:

- (i) apply for Hong Kong Offer Shares under the Hong Kong Public Offering; or
- (ii) apply for or indicate an interest for International Offer Shares under the International Offering,

but may not do both.

The Offer Shares will represent approximately 2.06% of the total Shares in issue immediately following the completion of the Global Offering, assuming that the Over-allotment Option is not exercised and no Share is issued under the Share Incentive Plans. If the Over-allotment Option is exercised in full, the Offer Shares (including Shares issued pursuant to the full exercise of the Over-allotment Option) will represent approximately 2.36% of the total Shares in issue immediately following the completion of the Global Offering and the issue of Offer Shares pursuant to the Over-Allotment Option, assuming no Share is issued under the Share Incentive Plans.

The number of Offer Shares to be offered under the Hong Kong Public Offering and the International Offering may be subject to reallocation as described in “—The Hong Kong Public Offering—Reallocation and Clawback” below.

References in this document to applications, **GREEN** Application Form, application monies or the procedure for applications relate solely to the Hong Kong Public Offering.

THE HONG KONG PUBLIC OFFERING

Number of Offer Shares initially offered

Our Company is initially offering 1,083,900 Offer Shares for subscription by the public in Hong Kong at the Offer Price, representing approximately 10.00% of the total number of Offer

STRUCTURE OF THE GLOBAL OFFERING

Shares initially available under the Global Offering. The number of Offer Shares initially offered under the Hong Kong Public Offering, subject to any reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering, will represent approximately 0.21% of the total Shares in issue immediately following the completion of the Global Offering (assuming the Presumptions).

The Hong Kong Public Offering is open to members of the public in Hong Kong as well as to institutional and professional investors in Hong Kong. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities.

Completion of the Hong Kong Public Offering is subject to the conditions set out in “— Conditions of the Global Offering”.

Allocation

Allocation of Offer Shares to investors under the Hong Kong Public Offering will be based solely on the level of valid applications received under the Hong Kong Public Offering. The basis of allocation may vary, depending on the number of Hong Kong Offer Shares validly applied for by applicants. Such allocation could, where appropriate, consist of balloting, which could mean that some applicants may receive a higher allocation than others who have applied for the same number of Hong Kong Offer Shares, and those applicants who are not successful in the ballot may not receive any Hong Kong Offer Shares.

For allocation purposes only, the total number of Hong Kong Offer Shares available under the Hong Kong Public Offering (after taking into account any reallocation referred to below) will be divided equally into two pools: pool A and pool B (with any odd lot being allocated to pool A). The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of HK\$5 million (excluding the brokerage, the SFC transaction levy, the Stock Exchange trading fee payable and the AFRC transaction levy) or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to applicants who have applied for Hong Kong Offer Shares with an aggregate price of more than HK\$5 million (excluding the brokerage, the SFC transaction levy, the Stock Exchange trading fee payable and AFRC transaction levy) and up to the total value in pool B.

Investors should be aware that applications in pool A and applications in pool B may receive different allocation ratios. If any Hong Kong Offer Shares in one (but not both) of the pools are unsubscribed, such unsubscribed Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that other pool and be allocated accordingly. For the purpose of the immediately preceding paragraph only, the “price” for Hong Kong Offer Shares means the price payable on application therefor (without regard to the Offer Price as finally determined). Applicants can only receive an allocation of Hong Kong Offer Shares from either pool A or pool B and not from both pools. Multiple or suspected multiple applications under the Hong Kong Public Offering and any application for more than 541,900 Hong Kong Offer Shares is liable to be rejected.

Reallocation and Clawback

The allocation of the Offer Shares between the Hong Kong Public Offering and the International Offering is subject to reallocation. Paragraph 4.2 of Practice Note 18 of the Listing Rules requires a clawback mechanism to be put in place which would have the effect of increasing the

STRUCTURE OF THE GLOBAL OFFERING

number of Offer Shares under the Hong Kong Public Offering to a certain percentage of the total number of Offer Shares offered under the Global Offering if the International Offering is fully subscribed or oversubscribed and certain prescribed total demand levels are reached under the Hong Kong Public Offering.

If the number of Offer Shares validly applied for under the Hong Kong Public Offering represents (a) 15 times or more but less than 50 times, (b) 50 times or more but less than 100 times and (c) 100 times or more of the total number of Offer Shares initially available under the Hong Kong Public Offering, then Offer Shares will be reallocated to the Hong Kong Public Offering from the International Offering. As a result of such reallocation, the total number of Offer Shares available under the Hong Kong Public Offering will be increased to 3,251,600 Offer Shares (in the case of (a)), 4,335,500 Offer Shares (in the case of (b)) and 5,419,300 Offer Shares (in the case of (c)), representing approximately 30%, 40% and 50% of the total number of Offer Shares initially available under the Global Offering, respectively (before any exercise of the Over-allotment Option).

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Sole Global Coordinator and the Sole Overall Coordinator deem appropriate.

If the Hong Kong Public Offering is not fully subscribed for, the Sole Global Coordinator and the Sole Overall Coordinator have the authority to reallocate all or any unsubscribed Hong Kong Offer Shares to the International Offering, in such proportions as the Sole Global Coordinator and the Sole Overall Coordinator deem appropriate. In addition, the Sole Global Coordinator and the Sole Overall Coordinator may in their sole discretion reallocate Offer Shares from the International Offering to the Hong Kong Public Offering to satisfy valid applications under the Hong Kong Public Offering. In particular, if (i) the International Offering is not fully subscribed and the Hong Kong Public Offering is fully subscribed or oversubscribed irrespective of the number of times; or (ii) the International Offering is fully subscribed or oversubscribed and the Hong Kong Public Offering is fully subscribed or oversubscribed with the number of Offer Shares validly applied for in the Hong Kong Public Offering representing less than 15 times of the number of Offer Shares initially available for subscription under the Hong Kong Public Offering, the Sole Global Coordinator and the Sole Overall Coordinator have the authority to reallocate International Offer Shares originally included in the International Offering to the Hong Kong Public Offering in such number as they deem appropriate, provided that in accordance with Guidance Letter HKEX-GL91-18 issued by the Stock Exchange, (i) the number of International Offer Shares reallocated to the Hong Kong Public Offering should not exceed 1,083,900 Shares, representing 10% of the Offer Shares initially available under the Global Offering, increasing the total number of Offer Shares available under the Hong Kong Public Offering to 2,167,800 Shares, representing approximately 20% of the Offer Shares; and (ii) the final Offer Price should be fixed at the bottom end of the indicative Offer Price range (i.e. HK\$28.92 per Offer Share) stated in this document.

In each case, the additional Offer Shares reallocated to the Hong Kong Public Offering will be allocated between pool A and pool B and the number of Offer Shares allocated to the International Offering will be correspondingly reduced in such manner as the Sole Global Coordinator and the Sole Overall Coordinator deem appropriate.

STRUCTURE OF THE GLOBAL OFFERING

Details of any reallocation of Offer Shares between the Hong Kong Public Offering and the International Offering will be disclosed in the results announcement of the Global Offering, which is expected to be published on Tuesday, July 11, 2023.

Applications

Each applicant under the Hong Kong Public Offering will be required to give an undertaking and confirmation in the application submitted by him that he and any person(s) for whose benefit he is making the application has not applied for or taken up, or indicated an interest for, and will not apply for or take up, or indicate an interest for, any International Offer Shares under the International Offering. Such applicant's application is liable to be rejected if such undertaking and/or confirmation is/are breached and/or untrue (as the case may be) or if he has been or will be placed or allocated International Offer Shares under the International Offering.

Applicants under the Hong Kong Public Offering are required to pay, on application, the maximum Offer Price of HK\$61.46 per Offer Share in addition to the brokerage, the SFC transaction levy, the Stock Exchange trading fee and the AFRC transaction levy payable on each Offer Share, amounting to a total of HK\$6,207.99 for one board lot of 100 Shares. If the Offer Price, as finally determined in the manner described in "Pricing and allocation" in this section below, is less than the maximum Offer Price of HK\$61.46 per Offer Share, appropriate refund payments (including the brokerage, the SFC transaction levy, the AFRC transaction levy and the Stock Exchange trading fee attributable to the surplus application monies) will be made to successful applicants, without interest. Further details are set out in "How to apply for Hong Kong Offer Shares".

THE INTERNATIONAL OFFERING

Number of Offer Shares initially offered

The International Offering will consist of an offering of initially 9,754,700 Offer Shares, representing approximately 90.00% of the total number of Offer Shares initially available under the Global Offering (subject to reallocation and the Over-allotment Option). The number of Offer Shares initially offered under the International Offering, subject to any reallocation of Offer Shares between the International Offering and the Hong Kong Public Offering, will represent approximately 1.86% of the total Shares in issue immediately following the completion of the Global Offering (assuming the Presumptions).

Allocation

The International Offering will include selective marketing of Offer Shares to QIBs in the United States as well as institutional and professional investors and other investors anticipated to have a sizeable demand for such Offer Shares in Hong Kong and other jurisdictions outside the United States in reliance on Regulation S. Professional investors generally include brokers, dealers, companies (including fund managers) whose ordinary business involves dealing in shares and other securities and corporate entities that regularly invest in shares and other securities. Allocation of Offer Shares pursuant to the International Offering will be effected in accordance with the "book-building" process described in "Pricing and allocation" in this section and based on a number of factors, including the level and timing of demand, the total size of the relevant investor's invested assets or equity assets in the relevant sector and whether or not it is expected that the relevant investor is likely to buy further Shares and/or hold or sell its Offer Shares after the Listing. Such allocation is intended to result in a distribution of the Offer Shares on a basis which would lead to the establishment of a solid professional and institutional shareholder base to the benefit of the Group and the Shareholders as a whole.

STRUCTURE OF THE GLOBAL OFFERING

The Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the Underwriters) may require any investor who has been offered Offer Shares under the International Offering and who has made an application under the Hong Kong Public Offering to provide sufficient information to the Sole Global Coordinator and the Sole Overall Coordinator so as to allow it to identify the relevant applications under the Hong Kong Public Offering and to ensure that they are excluded from any allocation of Offer Shares under the Hong Kong Public Offering.

Reallocation

The total number of Offer Shares to be issued or sold pursuant to the International Offering may change as a result of the clawback arrangement described in “—The Hong Kong Public Offering—Reallocation and clawback” above, the exercise of the Over-allotment Option in whole or in part and/or any reallocation of unsubscribed Offer Shares originally included in the Hong Kong Public Offering.

OVER-ALLOTMENT OPTION

In connection with the Global Offering, our Company is expected to grant the Over-allotment Option to the International Underwriters, exercisable by the Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the International Underwriters).

Pursuant to the Over-allotment Option, the International Underwriters will have the right, exercisable by the Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the International Underwriters), on or before Friday August 4, 2023, being the 30th day from the last day for lodging applications under the Hong Kong Public Offering, to require our Company to issue up to an aggregate of 1,625,700 additional Offer Shares, representing not more than 15% of the total number of Offer Shares initially available under the Global Offering, at the Offer Price under the International Offering to, among other things, cover over-allocations in the International Offering, if any.

If the Over-allotment Option is exercised in full, the additional Offer Shares to be issued pursuant thereto will represent approximately 0.31% of the total Shares in issue immediately following the completion of the Global Offering and the issue of Offer Shares pursuant to the Over-allotment Option, assuming no Share is issued under the Share Incentive Plans. If the Over-allotment Option is exercised, an announcement will be made.

STABILIZATION

Stabilization is a practice used by underwriters in some markets to facilitate the distribution of securities. To stabilize, the underwriters may bid for, or purchase, the securities in the secondary market during a specified period of time, to retard and, if possible, prevent a decline in the initial public market price of the securities below the offer price. Such transactions may be effected in all jurisdictions where it is permissible to do so, in each case in compliance with all applicable laws and regulatory requirements, including those of Hong Kong. In Hong Kong, the price at which stabilization is effected is not permitted to exceed the offer price.

In connection with the Global Offering, the Stabilization Manager (or any person acting for it), on behalf of the Underwriters, may over-allocate or effect transactions with a view to stabilizing or supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Stabilization Manager (or

STRUCTURE OF THE GLOBAL OFFERING

any person acting for it) to conduct any such stabilizing action. Such stabilizing action, if taken, (a) will be conducted at the absolute discretion of the Stabilization Manager (or any person acting for it) and in what the Stabilization Manager reasonably regards as the best interest of our Company, (b) may be discontinued at any time and (c) is required to be brought to an end within 30 days of the last day for lodging applications under the Hong Kong Public Offering.

Stabilization action will be entered into in accordance with the laws, rules and regulations in place in Hong Kong. Stabilization action permitted in Hong Kong pursuant to the Securities and Futures (Price Stabilizing) Rules of the SFO includes (a) over-allocating for the purpose of preventing or minimizing any reduction in the market price of the Shares, (b) selling or agreeing to sell the Shares so as to establish a short position in them for the purpose of preventing or minimizing any reduction in the market price of the Shares, (c) purchasing, or agreeing to purchase, the Shares pursuant to the Over-allotment Option in order to close out any position established under paragraph (a) or (b) above, (d) purchasing, or agreeing to purchase, any of the Shares for the sole purpose of preventing or minimizing any reduction in the market price of the Shares, (e) selling or agreeing to sell any Shares in order to liquidate any position established as a result of those purchases, and (f) offering or attempting to do anything as described in paragraph (b), (c), (d) or (e) above.

Specifically, prospective applicants for and investors in the Offer Shares should note that:

- (a) the Stabilization Manager (or any person acting for it) may, in connection with the stabilizing action, maintain a long position in the Shares;
- (b) there is no certainty as to the extent to which and the time or period for which the Stabilization Manager (or any person acting for it) will maintain such a long position;
- (c) liquidation of any such long position by the Stabilization Manager (or any person acting for it) and selling in the open market may have an adverse impact on the market price of the Shares;
- (d) no stabilizing action can be taken to support the price of the Shares for longer than the stabilization period, which will begin on the Listing Date, and is expected to expire on Friday, August 4, 2023, being the 30th day after the last day for lodging applications under the Hong Kong Public Offering. After this date, when no further stabilizing action may be taken, demand for the Shares, and therefore the price of the Shares, could fall;
- (e) the price of the Shares cannot be assured to stay at or above the Offer Price either during or after the stabilization period by the taking of any stabilizing action; and
- (f) stabilizing bids or transactions effected in the course of the stabilizing action may be made at any price at or below the Offer Price and can, therefore, be done at a price below the price paid by applicants for, or investors in, the Offer Shares.

Our Company will ensure or procure that an announcement in compliance with the Securities and Futures (Price Stabilizing) Rules of the SFO will be made within seven days of the expiration of the stabilization period.

Over-Allocation

Following any over-allocation of Shares in connection with the Global Offering, the Stabilization Manager (or any person acting for it) may cover such over-allocations, among other methods, by exercising the Over-allotment Option in full or in part, by using Shares purchased by the

STRUCTURE OF THE GLOBAL OFFERING

Stabilization Manager (or any person acting for it) in the secondary market at prices that do not exceed the Offer Price or through stock borrowing arrangements or a combination of these means.

STOCK BORROWING ARRANGEMENT

In order to facilitate the settlement of over-allocations, if any, in connection with the Global Offering, the Stabilization Manager (or its affiliates, or any person acting for it) may choose to borrow up to 1,625,700 Shares (being the maximum number of Shares which may be issued upon exercise of the Over-allotment Option) from Persistent Courage Holdings Limited pursuant to the Stock Borrowing Agreement. The Stock Borrowing Agreement is expected to be entered into between the Stabilization Manager (or any person acting for it) and Persistent Courage Holdings Limited on or about the Price Determination Date.

If the Stock Borrowing Agreement with Persistent Courage Holdings Limited is entered into, the borrowing of Shares will only be effected by the Stabilizing Manager (or any person acting for it) for the settlement of overallocations in the International Offering and such borrowing arrangement is not subject to the restrictions of Rule 10.07(1)(a) of the Listing Rules, provided that the requirements set out in Rule 10.07(3) of the Listing Rules, being that the Stock Borrowing Agreement will be for the sole purpose of covering any short position prior to the exercise of the Over-allotment Option in connection with the International Offering, are complied with.

The same number of Shares as that borrowed must be returned to Persistent Courage Holdings Limited or its respective nominees on or before the third Business Day following the earlier of (i) the last day on which the Over-allotment Option may be exercised, and (ii) the day on which the Over-allotment Option is exercised in full, or such earlier time as may be agreed in writing between the parties.

The stock borrowing arrangement under the Stock Borrowing Agreement will be effected in compliance with all applicable laws, listing rules and regulatory requirements. The stock borrowing arrangement with Persistent Courage Holdings Limited will only be effected by the Stabilizing Manager for the sole purpose of covering any short position prior to the exercise of the Over-allotment Option in connection with the International Offering.

No payment will be made to Persistent Courage Holdings Limited, by the Stabilizing Manager (or any person acting for it) in relation to such stock borrowing arrangement.

PRICING AND ALLOCATION

Pricing for the Offer Shares for the purpose of the various offerings under the Global Offering will be fixed on the Price Determination Date, which is expected to be on or about Wednesday, July 5, 2023 and, in any event, no later than Tuesday, July 11, 2023, by agreement between the Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the Underwriters) and our Company, and the number of Offer Shares to be allocated under the various offerings will be determined shortly thereafter.

The Offer Price will not be more than HK\$61.46 per Offer Share and is expected to be not less than HK\$28.92 per Offer Share, unless otherwise announced, as further explained below. Applicants under the Hong Kong Public Offering must pay, on application, the maximum Offer Price of HK\$61.46 per Offer Share plus brokerage of 1%, SFC transaction levy of 0.0027%, Stock Exchange trading fee of 0.00565% and AFRC transaction levy of 0.00015%, amounting to a total of HK\$6,207.99 for one board lot of 100 Shares. **Prospective investors should be aware that the Offer**

STRUCTURE OF THE GLOBAL OFFERING

Price to be determined on the Price Determination Date may be, but is not expected to be, lower than the minimum Offer Price stated in this document.

The International Underwriters will be soliciting from prospective investors indications of interest in acquiring Offer Shares in the International Offering. Prospective professional and institutional investors will be required to specify the number of Offer Shares under the International Offering they would be prepared to acquire either at different prices or at a particular price. This process, known as “book-building”, is expected to continue up to, and to cease on or about, the last day for lodging applications under the Hong Kong Public Offering.

Announcement of Offer Price Reduction

The Sole Global Coordinator and the Sole Overall Coordinator (for themselves and on behalf of the Underwriters) may, where they deem appropriate, based on the level of interest expressed by prospective investors during the book-building process in respect of the International Offering, and with the consent of our Company, reduce the number of Offer Shares offered and/or the Offer Price Range below that stated in this document at any time on or prior to the morning of the last day for lodging applications under the Hong Kong Public Offering. In such a case, our Company will, as soon as practicable following the decision to make such reduction, and in any event not later than the morning of the last day for lodging applications under the Hong Kong Public Offering, cause to be published on the websites of our Company and the Stock Exchange at <https://keep.com/> and www.hkexnews.hk, respectively, notices of the reduction. Upon the issue of such a notice, the revised number of Offer Shares and/or the Offer Price range will be final and conclusive and the Offer Price, if agreed upon by the Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the Underwriters) and our Company, will be fixed within such revised Offer Price Range. Our Company will also, as soon as practicable following the decision to make such change, issue a supplemental prospectus updating investors of the change in the number of Offer Shares being offered under the Global Offering and/or the Offer Price, extend the period under which the Hong Kong Public Offering was opened for acceptance to allow potential investors sufficient time to consider their subscriptions or reconsider their submitted subscriptions, and require investors who had applied for the Hong Kong Offer Shares to positively confirm their applications for Offer Shares in light of the change in the number of Offer Shares and/or the Offer Price.

Before submitting applications for the Hong Kong Offer Shares, applicants should have regard to the possibility that any announcement of a reduction in the number of Offer Shares and/or the Offer Price range may not be made until the last day for lodging applications under the Hong Kong Public Offering. Such notice will also include confirmation or revision, as appropriate, of the working capital statement and the Global Offering statistics as currently set out in this document, and any other financial information which may change as a result of any such reduction. In the absence of any such notice so published, the number of Offer Shares will not be reduced and/or the Offer Price, if agreed upon by the Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the Underwriters) and our Company, will under no circumstances be set outside the Offer Price Range as stated in this document.

If applications for the Offer Shares have been submitted prior to the day which is the last day for lodging applications under the Hong Kong Public Offering, such applications can be subsequently withdrawn if the number of Offer Shares and/or the indicative Offer Price range is so reduced.

The final Offer Price, the level of indications of interest in the International Offering, the level of applications in the Hong Kong Public Offering, the basis of allocations of the Hong Kong Offer

STRUCTURE OF THE GLOBAL OFFERING

Shares and the results of allocations in the Hong Kong Public Offering are expected to be made available through a variety of channels in the manner described in “How to apply for Hong Kong Offer Shares—D. Publication of results” in this document.

UNDERWRITING

The Hong Kong Public Offering is fully underwritten by the Hong Kong Underwriters under the terms and conditions of the Hong Kong Underwriting Agreement and is subject to, among other things, the Sole Global Coordinator and the Sole Overall Coordinator (on behalf of the Underwriters) and our Company agreeing on the Offer Price.

Our Company expects to enter into the International Underwriting Agreement relating to the International Offering on the Price Determination Date.

These underwriting arrangements, including the Underwriting Agreements, are summarized in “Underwriting”.

CONDITIONS OF THE GLOBAL OFFERING

Acceptance of all applications for Offer Shares will be conditional on:

- (a) the Listing Committee granting approval for the listing of, and permission to deal in, the Shares in issue and to be issued pursuant to the Global Offering (including the additional Shares which may be issued pursuant to the exercise of the Over-allotment Option and the Shares to be issued under the Share Incentive Plans) on the Main Board of the Stock Exchange and such approval not subsequently having been withdrawn or revoked prior to the Listing Date;

If, for any reason, the Offer Price is not agreed between the Sole Global Coordinator, the Sole Overall Coordinator (on behalf of the Underwriters) and our Company on or before Tuesday, July 11, 2023, the Global Offering will not proceed and will lapse.

The consummation of each of the Hong Kong Public Offering and the International Offering is conditional upon, among other things, the other offering becoming unconditional and not having been terminated in accordance with its terms.

If the above conditions are not fulfilled or waived prior to the dates and times specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offering will be published on the websites of our Company and the Stock Exchange at <https://keep.com/> and www.hkexnews.hk, respectively, on the next day following such
