## FORWARD-LOOKING STATEMENTS

---

This document contains forward-looking statements relating to our plans, objectives, expectations, predictions, intentions and beliefs, which may not represent our overall performance for the periods of time to which such statements relate. Such statements reflect the current views of our management with respect to future events, operations, liquidity, and capital resources, some of which may not materialize or may change. These statements are subject to certain risks, uncertainties, and assumptions, including the other risk factors as described in this document. You are strongly cautioned that reliance on any forward-looking statements involves known and unknown risks and uncertainties. The risks and uncertainties faced by the Company which could affect the accuracy of forward-looking statements include, but are not limited to, the following:

- our business prospects;
- future developments, trends and conditions in the industry and markets in which we operate;
- our business and growth strategies and our ability to achieve such strategies;
- general economic, political and business conditions in the markets in which we operate;
- changes to the regulatory environment and general outlook in the industry and markets in which we operate;
- the effects of the global financial markets and economic crisis;
- our ability to reduce costs;
- our capital expenditure plans;
- our dividend policy;
- capital market developments;
- the actions and developments of our competitors;
- our ability to identify and integrate suitable acquisition targets;
- changes or volatility in interest rates, foreign exchange rates, equity prices or other rates or prices in the industry and markets in which we operate;

- certain statements in the section headed “Financial Information” with respect to trends in prices, volumes, operations, margins, overall market trends, risk management and exchange rates; and
- other statements in this document that are not historical facts.

The words “aim”, “anticipate”, “believe”, “can”, “continue”, “could”, “estimate”, “expect”, “going forward”, “intend”, “ought to”, “may”, “might”, “plan”, “potential”, “predict”, “project”, “seek”, “should”, “will”, “would” or similar expressions or the negative thereof, as they relate to us, are intended to identify a number of forward-looking statements. In particular, we use these forward-looking statements in the sections headed “Business” and “Financial Information” of this document in relation to future events, our future financial, business or other performance and development, the future development of our industry and the future development of the general economy of our key markets.

These forward-looking statements are based on current plans and estimates and speak only as of the date they were made. We undertake no obligation to update or revise any forward-looking statements in light of new information, future events or otherwise. Forward-looking statements involve inherent risks and uncertainties and are subject to assumptions, some of which are beyond our control. We caution you that a number of important factors could cause actual outcomes to differ, or to differ materially, from those expressed in any forward-looking statements and should one or more of these risks or uncertainties materialize, or should the underlying assumptions prove to be incorrect, our business, financial conditions and results of operations may be materially and adversely affected.

Our Directors confirm that the forward-looking statements are made after reasonable care and due consideration. Nonetheless, due to the risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this document might not occur in the way we expect, or at all.

Accordingly, you should not place undue reliance on any forward-looking information. All forward-looking statements contained in this document are qualified by reference to this cautionary statement.
