**6. Repurchase of our own securities**

As mentioned in “5. Resolutions passed in extraordinary general meeting of our Shareholders on 7 June 2024” above, a general unconditional mandate was granted to our Directors to exercise all powers of our Company to repurchase Shares on the Stock Exchange or on any other stock exchange on which the securities of our Company may be listed.

***(a) Provisions of the GEM Listing Rules***

The GEM Listing Rules permit a company with a primary listing on the Stock Exchange to repurchase its securities on the Stock Exchange subject to certain restrictions, the more important of which are summarised below:

***(i) Shareholders’ approval***

All proposed repurchases of securities (which must be fully paid up in the case of shares) by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution by shareholders in general meeting, either by way of general mandate or by specific approval of a particular transaction.

---

**APPENDIX V****STATUTORY AND GENERAL INFORMATION**

---

*(ii) Source of funds*

Repurchases must be funded out of funds legally available for such purpose. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange as amended from time to time. Subject to the foregoing, any repurchase by our Company may be made out of the profits or share premium of our Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase and, in the case of any premium payable on the purchase, out of the profits of our Company or from sums standing to the credit of the share premium account of our Company. Subject to the Cayman Companies Act, a repurchase may also be made out of capital.

*(iii) Trading restrictions*

The total number of shares which a listed company may repurchase on the Stock Exchange is the number of shares representing up to a maximum of 10% of the aggregate number of shares in issue (excluding treasury shares). A company may not issue or announce a proposed issue of new securities for a period of 30 days immediately following a repurchase (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. In addition, a listed company is prohibited from repurchasing its shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its shares were traded on the Stock Exchange. The GEM Listing Rules also prohibit a listed company from repurchasing its securities if the repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange. A listed company is required to procure that the broker appointed by it to effect a repurchase of securities shall disclose to the Stock Exchange such information with respect to the repurchase as the Stock Exchange may require.

*(iv) Status of repurchased securities*

Following a repurchase of Shares, the Company may cancel any repurchased Shares and/or hold them as treasury shares subject to, among others, market conditions and its capital management needs at the relevant time of the repurchases, which may change due to evolving circumstances. Shareholders and potential investors of the Company are advised to pay attention to any announcement to be published by the Company in the future, including but without limitation, any relevant next day disclosure return (which shall identify, amongst others, the number of repurchased

**APPENDIX V****STATUTORY AND GENERAL INFORMATION**

---

shares that are to be held in treasury or cancelled upon settlement of such repurchase, and where applicable, the reasons for any deviation from the intention statement previously disclosed) and any relevant monthly return.

For any treasury shares of the Company deposited with CCASS pending resale on the Stock Exchange, the Company shall, upon approval by the Board implement the below interim measures which include (without limitation):

- (i) procuring its broker not to give any instructions to HKSCC to vote at general meetings for the treasury shares deposited with CCASS;
- (ii) in the case of dividends or distributions (if any and where applicable), withdrawing the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the relevant record date for the dividend or distributions; or
- (iii) taking any other measures to ensure that it will not exercise any shareholders’ rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.

*(v) Suspension of repurchases*

A listed company may not make any repurchase of securities at any time after inside information has come to its knowledge until the information has been made publicly available. In particular, during the period of one month immediately preceding the earlier of (a) the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the GEM Listing Rules) for the approval of a listed company’s results for any year, half-year, quarterly or any other interim period (whether or not required under the GEM Listing Rules) and (b) the deadline for publication of an announcement of a listed company’s results for any year or half-year under the GEM Listing Rules, or quarterly or any other interim period (whether or not required under the GEM Listing Rules), and ending on the date of the results announcement, the listed company may not repurchase its shares on the Stock Exchange other than in exceptional circumstances. In addition, the Stock Exchange may prohibit a repurchase of securities on the Stock Exchange if a listed company has breached the GEM Listing Rules.

*(vi) Reporting requirements*

Certain information relating to repurchases of securities on the Stock Exchange or otherwise must be reported to the Stock Exchange not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the following business day. In addition, a listed company’s annual report is required to disclose details regarding

---

repurchases of securities made during the year, including a monthly analysis of the number of securities repurchased, the purchase price per share or the highest and lowest price paid for all such repurchases, where relevant, and the aggregate prices paid, and the reasons for making the repurchases.

*(vii) Core connected persons*

A listed company is prohibited from knowingly repurchasing securities on the Stock Exchange from a core connected person and a core connected person is prohibited from knowingly selling his securities to the company.

***(b) Reasons for repurchases***

Our Directors believe that the ability to repurchase Shares is in the interests of our Company and the Shareholders. Repurchases may, depending on market conditions, funding arrangements and other circumstances, result in an increase in the net assets and/or earnings per Share. Our Directors sought the grant of a general mandate to repurchase Shares to give our Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by our Directors at the relevant time having regard to the circumstances then pertaining. Repurchases of Shares will only be made when our Directors believe that such repurchases will benefit our Company and our Shareholders.

***(c) Funding of repurchases***

In repurchasing Shares, our Company may only apply funds lawfully available for such purpose in accordance with our Memorandum of Association and our Articles of Association, the GEM Listing Rules and the applicable laws of the Cayman Islands. There could be a material and adverse impact on the working capital and/or gearing position of our Company (as compared with the position disclosed in this document) in the event that the repurchase mandate were to be carried out in full at any time during the share repurchase period. However, our Directors do not propose to exercise the mandate to such extent as would, in the circumstances, have a material and adverse effect on the working capital requirements of our Company or the gearing levels which in the opinion of our Directors are from time to time appropriate for our Company.

***(d) General***

The exercise in full of the repurchase mandate, on the basis of [REDACTED] Shares in issue immediately following the completion of the [REDACTED] and the [REDACTED] (without taking into account any Shares which may be issued and allotted upon the exercise of the options which may be granted under the [REDACTED] Share Option Scheme), could accordingly result in up to [REDACTED] Shares being repurchased by our Company during the Relevant Period.

---

**APPENDIX V****STATUTORY AND GENERAL INFORMATION**

---

None of our Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates, has any present intention to sell any Shares to our Company or our subsidiaries.

Our Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the repurchase mandate in accordance with the GEM Listing Rules and the applicable laws in the Cayman Islands.

No core connected person of our Company has notified our Company that he or she has a present intention to sell Shares to our Company, or has undertaken not to do so, if the repurchase mandate is exercised.

If, as a result of any repurchase of Shares pursuant to the repurchase mandate, a Shareholder’s proportionate interest in the voting rights of our Company is increased, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, our Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the repurchase mandate.

Any repurchase of Shares that results in the number of Shares held by the public falling below 25% of the total number of Shares in issue, being the relevant minimum prescribed percentage as required by the Stock Exchange (or such other percentage as may be so prescribed from time to time), could only be implemented if the Stock Exchange agreed to waive the requirement regarding the public float under Rule 11.23 of the GEM Listing Rules. However, our Directors have no present intention to exercise the repurchase mandate to such an extent that, under the circumstances, there would be insufficient public float as prescribed under the GEM Listing Rules.

- (c) no such adjustments shall be made the effect of which would be to enable a Share to be issued at less than its nominal value; and any such adjustments shall, as nearly as practicable, be made on the basis that the proportion of the issued share capital of our Company (as interpreted in accordance with the Supplementary Guidance) for which any Grantee is entitled to subscribe pursuant to the options held by him shall remain the same as (but shall not be greater than) that to which he was previously entitled (as interpreted in accordance with the Supplementary Guidance as amended from time to time).

For the avoidance of doubt only, the issue of securities as consideration in a transaction shall not be regarded as a circumstance requiring an adjustment.
