

FORWARD-LOOKING STATEMENTS

Our Company has included in this document forward-looking statements that are not historical facts, but relate to its intentions, beliefs, expectations or predictions for future event. These forward-looking statements are contained principally in the sections headed “Summary”, “Risk Factors”, “Industry Overview”, “Business”, and “Financial Information”, which are, by their nature, subject to risks and uncertainties.

In some cases, our Company uses the words “aim”, “anticipate”, “believe”, “continue”, “could”, “expect”, “intend”, “may”, “plan”, “potential”, “predict”, “project”, “propose”, “seek”, “should”, “will”, “would”, “consider”, “estimate”, “going forward” and similar expressions or statements and the negative of these words to identify forward-looking statements. These forward-looking statements include, without limitation, statements relating to:

- our business strategies, plans of operations and our operations and business prospects;
- our capital expenditure and funding plans;
- general economic conditions, especially those related to the PRC, and macro-economic measures taken by the PRC government to manage economic growth;
- the changes to the regulatory environment in the industries and markets in which we operate;
- the future developments and competitive environment in our industry;
- our financial condition;
- margins, overall market trends, risk management and exchange rates;
- the effects of the on-going COVID-19 crisis;
- political; and
- other statements in this document that are not historical fact.

These forward-looking statements are subject to risks, uncertainties and assumptions, some of which are beyond the control of our Company. In addition, these forward-looking statements reflect the current views of our Company with respect to future events and are not a guarantee of future performance.

Additional factors that could cause actual performance or achievements to differ materially include, but are not limited to, those discussed under the section headed “Risk Factors” and elsewhere in this document.
