CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders,

Dear Sir or Madam,

**PROPOSALS FOR GENERAL MANDATES TO ISSUE AND
REPURCHASE SHARES;
RE-ELECTION OF RETIRING DIRECTORS;
RE-APPOINTMENT OF AUDITOR;
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM relating to, among other things, (i) the granting of general mandates to issue and repurchase Shares not exceeding 20% and 10% respectively of the aggregate nominal amount of the Company's issued share capital as at the date of the passing of such resolutions; (ii) the re-election of retiring Directors; (iii) the re-appointment of auditor; and (iv) the notice of the AGM.

LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE SECURITIES AND REPURCHASE SHARES

Pursuant to the ordinary resolutions passed at the last annual general meeting of the Company held on 17 August 2023, the Directors were granted general mandates (i) to allot, issue or otherwise deal with additional shares of the Company not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue as at that date (“**Existing Issue Mandate**”), being 143,627,273 Shares; and (ii) to repurchase Shares not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue as at that date (“**Existing Repurchase Mandate**”), being 71,813,636 Shares.

The Existing Issue Mandate and the Existing Repurchase Mandate will expire upon the conclusion of the AGM. The Directors consider that the General Mandate and the Repurchase Mandate are in the interests of both the Company and the Shareholders as a whole. An exercise of the General Mandate enables the Company to raise additional capital of the Company from time to time. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per share. Consequently, the Board recommends that the following resolutions will be proposed by the Company at the AGM.

General Mandates to allot, issue or otherwise deal with additional shares of the Company not exceeding 20% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing the resolution as set out in Resolution No. 5(A) of the notice of AGM will be proposed at the AGM. Subject to the passing of the resolution granting the proposed mandate to issue shares of the Company and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed under such mandate to issue a maximum of 41,364,254 Shares, representing 20% of the issued share capital of the Company as at the Latest Practicable Date. In addition, the Repurchase Mandate to repurchase Shares not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue as at the date of passing the resolution as set out in Resolution No. 5(B) of the notice of AGM will also be proposed at the AGM. A resolution authorising the extension of the General Mandate (the “**Extension Mandate**”) to the Directors to issue shares of the Company to include the aggregate nominal amount of such Shares repurchased (if any) under the Repurchase Mandate is to be proposed as Resolution No. 5(C) of the notice of AGM at the AGM.

With reference to the proposed new general mandates, the Directors, as at the date hereof, wish to state that they have no immediate plans to issue any new shares of the Company pursuant to the relevant mandates.

The full text of the above resolutions is set out in the resolutions numbered 5(A) to 5(C) in the notice of the AGM contained on pages 21 to 24 of this circular.

LETTER FROM THE BOARD

Each of the General Mandate, the Repurchase Mandate and the Extension Mandate will expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company following the AGM; (b) the date by which the next annual general meeting is required by the Companies Law or the Articles of Association to be held; or (c) when the mandate given to the Directors thereunder is revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

An explanatory statement containing the particulars required by the GEM Listing Rules to enable the Shareholders to make an informed view on whether to vote for or against Resolution 5(B) to be proposed at the AGM in relation to the proposed Repurchase Mandate is set out in Appendix I to this circular.

In order to enhance corporate governance, the Board has decided that all Directors shall retire at the AGM and shall offer themselves for re-election.

LETTER FROM THE BOARD

GENERAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular. The English text of this circular shall prevail over the Chinese text for the purpose of interpretation.

Yours faithfully,

By order of the Board

Shanyu Group Holdings Company Limited

Wong Ming Kwan Victoria

Executive Director

This appendix contains the particulars that are required by the GEM Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the resolution to be proposed at the AGM in relation to the proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of shares in issue was 206,821,272 Shares. Subject to the passing of the resolution granting the proposed mandate to repurchase Shares and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 20,682,127 Shares during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole for the Directors to have a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per share and/or earnings per share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

The Directors would exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and in circumstances where they consider that the Shares can be repurchased on the terms favourable to the Company. On the basis of the consolidated financial position of the Company as at 31 March 2024, being the date to which the latest published audited financial statements of the Company were made up, if the general mandate to repurchase Shares was to be exercised in full at any time during the proposed repurchase period, it may have an adverse impact on the working capital and gearing level of the Company.

The Directors do not propose to exercise the mandate to repurchase Shares to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company as compared with the position disclosed in the latest published audited financial statements of the Company or the gearing level which, in the opinion of the Directors, are from time to time appropriate for the Company.

FUNDING OF REPURCHASES

Repurchases to be made pursuant to the proposed mandate to repurchase Shares would be financed out of funds legally available for such purpose in accordance with the Company's Articles and the laws of the Cayman Islands and/or any other applicable laws, as the case maybe. Any repurchases made by the Company may be made out of profits, the Company's share premium account or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if authorised by the Articles and subject to the Companies Law (as revised) of the Cayman Islands (the "**Companies Law**"), out of capital and, in the case of any premium payable on the repurchase, out of profits of the Company or out of the Company's share premium account before or at the time the Shares are repurchased or, if authorised by the Articles and subject to the Companies Law, out of capital.

EFFECT OF THE TAKEOVERS CODE AND REPURCHASE CODE

Upon the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interests in the voting rights of the Company increases, and such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code and Rule 6 of the Repurchase Code. Accordingly, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and, depending on the level of increase of the Shareholders' interests, may become obliged to make a mandatory general offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following shareholders had interests representing 5% or more of the issued share capital of the Company:

Name of Shareholders	Number of Shares held	Approximate % of the issued share capital	<i>Notes</i>	Approximate % of the issued share capital should the Repurchase Mandate be exercised in full
DD Innovation Limited ("DD Innovation")	19,318,181	9.34	<i>1</i>	8.49
Ms. Wong Ming Kwan Victoria ("Ms. Wong")	22,727,272	10.99	<i>1</i>	9.99
Ms. Zhu Yuanyan	14,070,000	6.80		6.18

- Ms. Wong is the sole beneficial shareholder of DD Innovation. Therefore, Ms. Wong is deemed to be interested in the Shares in which DD Innovation is interested for the purpose of the SFO. In addition, Ms. Wong directly holds 3,409,091 shares of the Company.

On the basis of the aforesaid increase of shareholding held by the Shareholders set out above, the Directors are not aware of any consequences of such repurchases of Shares that would result in any Shareholder, or group of Shareholders acting in concert, becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code if the Repurchase Mandate was exercised in full.

The Directors will not repurchase the Shares if the repurchase would result in the number of the listed securities which are in the hands of the public falling below 25%, being the relevant minimum prescribed percentage for the Company as required by the Stock Exchange.
