This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the appendices to this circular.

Yours faithfully
By order of the Board
Sundy Service Group Co. Ltd
Yu Yun
Chairman of the Board

This appendix serves as an explanatory statement, as required under Rule 10.06(1)(b) of the Listing Rules, to provide Shareholders with all the information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to approve the grant of the Repurchase Mandate to the Directors.

1. LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their securities on the Stock Exchange and any other stock exchange on which securities of the company are listed and such exchange is recognised by the Securities and Futures Commission of Hong Kong subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general mandate or by specific approval of a particular transaction.

2. SHARE CAPITAL

As at the Latest Practicable Date, there were a total of 3,840,000,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no new Shares are issued and no Shares are repurchased for the period from the Latest Practicable Date up to and including the date of the AGM, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 384,000,000 Shares, representing 10% of the issued share capital of the Company as at the Latest Practicable Date.

3. REASONS FOR THE REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase Shares on the Stock Exchange or any other stock exchange on which the Shares are listed. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

In making repurchases, the Company may only apply funds legally available for such purposes in accordance with the Articles of Association, the applicable laws of the Cayman Islands and the Listing Rules. The laws of the Cayman Islands provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The premium payable on repurchase may only be paid out of either the funds of the Company that

would otherwise be available for dividend or distribution or out of the Company's share premium before the Shares are repurchased. In accordance with the laws of the Cayman Islands, the Shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

5. MATERIAL ADVERSE IMPACT IN THE EVENT OF REPURCHASE IN FULL

Taking into account the current working capital position of the Group, the Directors consider that, if the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period, it might have a material adverse impact on the working capital and/or gearing position of the Company as compared with the position as at 31 December 2023, being the date on which its latest published audited consolidated financial statements were made up. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares traded on the Stock Exchange during the previous 12 months preceding the Latest Practicable Date were as follows:

7. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and the laws of the Cayman Islands and in accordance with the regulations set out in the memorandum of association of the Company and the Articles of Association.

8. CORE CONNECTED PERSON

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders at the AGM.

No connected persons of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the grant of the Repurchase Mandate is approved by the Shareholders at the AGM.

9. THE TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If a Shareholder’s proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase securities pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of interests kept by the Company pursuant to section 336 of the SFO and so far as is known to, or can be ascertained after reasonable enquiry by the Directors, the following persons were directly or indirectly interested in 5% or more of the issued Shares:

- (3) Sundy Heye is wholly owned by Success Base, which is indirectly wholly owned by CMB Wing Lung. CMB Wing Lung is the trustee of The Jianwu Yu’s Trust, which holds the entire issued share capital in Sundy Heye through its nominee companies on trust for the benefit of Mr. Yu and his family members.
- (4) Fuyang Mingjin New Energy was wholly owned by Shanghai Mingjin New Energy, which was in turn wholly owned by Shanghai Mingjin International, and Shanghai Mingjin International was owned as to 90% by Wang Xiangyu. On the basis of 3,840,000,000 Shares in issue as at the Latest Practicable Date and assuming there is no further issue or repurchases of Shares during the period from the Latest Practicable Date up to and including the date of the AGM, if the Repurchase Mandate were exercised in full, the shareholding in the Company of Sundy Heye would be increased from approximately 59.38% to approximately 65.97% of the issued share capital of the Company. Such increase would not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors will not exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

10. SHARE REPURCHASE MADE BY THE COMPANY
