PROFIT WARNING

This announcement is made by V & V Technology Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Future Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of Directors of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of unaudited consolidated management accounts of the Group for the six months ended 30 June 2024 and information currently available to the Board, the Group is expected that the consolidated profit attributable to owners of the Company is approximately HK\$800,000, representing a decrease of approximately 92% for the six months ended 30 June 2024, as compared to the consolidated profit attributable to owners of the Company of HK\$10,117,000 recorded for the corresponding period in 2023.

The decline in the financial performance of the Group was mainly due to a drop in the overall sales revenue and gross profit. Such decline was due to a weak demand in the consumer electronic market caused by unfavorable global business environment such as interest rate hikes and geopolitical instability.

It should be noted that the information contained in this announcement is only a preliminary assessment made by the Board based on the information currently available to the Company with reference to the unaudited consolidated management accounts of the Company and the information currently available to the Company, which have not been audited or reviewed by the Company's auditor and/or audit committee of the Company and may therefore be subject to changes. Shareholders of the Company and potential investors should read the Group's interim results for the six months ended 30 June 2024 carefully, which is expected to be published on 21 August 2024.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
