POSITIVE PROFIT ALERT

This announcement is made by Changjiu Holdings Limited (the “**Company**”, together with its subsidiaries as the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The Board (the “**Board**”) of directors (the “**Directors**”) of the Company hereby informs the shareholders (the “**Shareholders**”) and potential investors (the “**Potential Investors**”) of the Company that, based on its preliminary review of the unaudited consolidated management accounts of the Group for the six months ended June 30, 2024 (the “**Reporting Period**”) and other information currently available to the Board, as compared to the net profit of approximately RMB35.3 million for the six months ended June 30, 2023, the Group is expected to record a net profit of approximately RMB55.0 million to RMB60.0 million, representing an increase of approximately 55.8% to 70.0%, for the Reporting Period.

As compared to the adjusted net profit (non-IFRS measure), defined as net profit adjusted by adding back the listing expenses and share-based compensation expenses in relation to share incentive plans, of approximately RMB60.9 million for the six months ended June 30, 2023, the Group is expected to record an adjusted net profit (non-IFRS measure) of approximately RMB75.0 million to RMB80.0 million, representing an increase of approximately 23.2% to 31.4%, for the Reporting Period.

To the best knowledge of the Directors, the above increase was mainly attributable to (i) the increase of the revenue generated from pledged vehicle monitoring services which was primarily attributable to an increase in the number of the service agreements; (ii) the effect of change of tax rate.

The Board wishes to highlight that the “adjusted net profit” is not defined under the International Financial Reporting Standards. It is defined by the Group as net profit adjusted by adding back listing expenses and share-based compensation expenses in relation to share incentive plans (the “**Adjusted Items**”). The Board believes that the “adjusted net profit” would provide useful information to Potential Investors and others in understanding and evaluating the operating results of the Group by eliminating the effect of the Adjusted Items, which are either non-operating or one-off in nature and are not indicative of the actual operating performance of the Group.

The Board wishes to emphasize that the Company is still in the process of finalizing the Group’s consolidated interim results for the Reporting Period. The information contained in this announcement is only based on a preliminary review of the unaudited consolidated management accounts of the Group for the Reporting Period and other information currently available to the Board, which have neither been audited or reviewed by the Company’s auditors nor reviewed by the Board’s audit committee and are subject to finalisation and possible adjustments arising from further review. Shareholders and Potential Investors are advised to read carefully the interim results announcement of the Company for the Reporting Period, which is expected to be published by the end of August 2024.

Shareholders and Potential Investors are advised to exercise caution when dealing in the shares of the Company.
