PROFIT WARNING REDUCTION IN LOSS

This announcement is made by Yunnan Energy International Co. Limited (the “**Company**”, together with its subsidiaries collectively, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and the potential investors that, based on the information currently available and a preliminary assessment of the latest unaudited consolidated management accounts of the Group for the six months ended 30 June 2024 (the “**Current Period**”), it is expected that the net loss of the Group for the Current Period will be recorded in the range of HK\$0.3 million to HK\$0.5 million as compared to the net loss of HK\$5.9 million for the six months ended 30 June 2023 (the “**Prior Period**”).

Based on the analysis of the information currently available, such decrease in the net loss for the Current Period was mainly due to (i) the increase in the revenue and gross profit of the supply chain business mainly caused by the increase in demand for certain agricultural commodities and industrial products, including panax notoginseng; and (ii) the decrease of administrative expenses due to effective cost control.

The Company is still in the process of finalising the interim results of the Group for the Current Period. The information contained in this announcement is only based on a preliminary assessment by the Board with reference to the information currently available including the unaudited consolidated management accounts of the Group, which have not been audited or reviewed by the Company's auditor or the audit committee of the Board and may be subject to possible adjustments. The interim results of the Group for the Current Period are expected to be disclosed by the end of August 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
