**PROFIT WARNING**

This announcement is made by Sunfonda Group Holdings Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”) pursuant to the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the laws of Hong Kong) (the “**SFO**”) and Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”).

The board of directors of the Company (the “**Board**”) hereby informs the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the consolidated management accounts of the Group and other information currently available to the Board, the Group is expected to record a loss attributable to owners of the parent of no more than RMB97.0 million for the six months ended 30 June 2024, whereas we recorded a profit attributable to owners of the parent of RMB8.2 million for the six months ended 30 June 2023.

The expected change of position from a profit attributable to owners of the parent for the six months ended 30 June 2023 to a loss attributable to owners of the parent for the six months ended 30 June 2024 was mainly due to the decline in profitability of the sales of new vehicles as compared to the same period in 2023 as affected by factors such as the macroeconomic environment and the intensifying competitive landscape of the automobile industry.

**Shareholders and potential investors should note that the information set out in this announcement is based on a preliminary assessment by the Company based on the consolidated management accounts of the Group and other information currently available to the Company, which have not been audited or reviewed by the Company’s auditors or reviewed by the audit committee under the Board.**

Shareholders and potential investors should refer to the interim results announcement of the Company (which is expected to be published by the end of August 2024) for details of the financial information of the Group for the six months ended 30 June 2024.

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
