## **PROFIT WARNING**

This announcement is made by Guangzhou R&F Properties Co., Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to the Inside Information Provisions (as defined in the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”)) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) and Rule 13.09(2)(a) of the Listing Rules.

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 June 2024 and the information currently available to the Board, the Group expects to incur a net loss of approximately RMB2.3 billion for the six months ended 30 June 2024 which is an improvement in profitability of approximately RMB2.7 billion compared with the same period last year. The decrease in loss is mainly due to the net gain from the sale of property projects by the Group during the period and a slowdown in the depreciation of Renminbi against USD dollars, resulting in the reduction in foreign exchange loss; however, as the operating conditions in the property sector are still challenging, recognised sales decreased which resulted in the net loss.

As the Company is still in the process of finalizing the interim results of the Group for the six months ended 30 June 2024, the information contained in this announcement is only based on the preliminary assessment by the Company’s management according to the unaudited management accounts of the Group which has not been reviewed or audited by the Company’s auditors or reviewed by the audit committee of the Company. Shareholders and potential investors of the Company should read the Group’s results announcement for the six months ended 30 June 2024 carefully, which is expected to be published on 28 August 2024.

**Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company.**
