NOTES TO THE CONDENSED CONSOLIDATED FINANCIAL STATEMENTS FOR THE SIX MONTHS ENDED 30 JUNE 2024

1. GENERAL INFORMATION

The Company was incorporated as an exempted company with limited liability in the Cayman Islands under the Companies Act of the Cayman Islands on 23 August 2016. The address of its registered office is at Cricket Square, Hutchins Drive, P.O. Box 2681, Grand Cayman, KY1-1111, Cayman Islands. The address of its principal place of business registered in Hong Kong is at Unit 1802, 18/F, Ruttonjee House, Ruttonjee Centre, 11 Duddell Street, Central, Hong Kong. The headquarters and principal place of business of the Group is at 23rd Floor, Plaza See Hoy Chan, Jalan Raja Chulan, 50200 Kuala Lumpur, Malaysia.

The Company is an investment holding company. The Company and its subsidiaries (collectively the "**Group**") are principally engaged in the provision of outbound telemarketing services and contact centre facilities for promotion of financial products and its related activities issued by authorised financial institutions, card companies or organisation worldwide.

2. BASIS OF PREPARATION

These condensed consolidated financial statements have been prepared in accordance with Hong Kong Accounting Standard ("**HKAS**") 34 "Interim Financial Reporting" issued by the Hong Kong Institute of Certified Public Accountants (the "**HKICPA**") and the applicable disclosures required by the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited.

These condensed consolidated financial statements should be read in conjunction with the 2023 annual consolidated financial statements. Except as described below, the accounting policies (including the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty) and methods of computation used in the preparation of these condensed consolidated financial statements are consistent with those used in the annual consolidated financial statements for the year ended 31 December 2023.

3. NEW AND AMENDED HONG KONG FINANCIAL REPORTING STANDARDS

A. New and amended standards adopted by the Group

The Group has applied the following amendments for the first time from 1 January 2024:

- Classification of Liabilities as Current or Non-current and Non-current Liabilities with Covenants Amendments to HKAS 1;
- Presentation of Financial Statements Classification by the Borrower of a Term Loan that Contains a Repayment on Demand Clause HK Int 5 (Revised);
- Lease Liability in Sale and Leaseback Amendments to HKFRS 16;
- Supplier Finance Arrangements Amendments to HKAS 7 and HKFRS 7.

As a result of the adoption of the amendments to HKAS 1, the Group changed its accounting policy for the classification of borrowings as below:

"Borrowings are classified as current liabilities unless at the end of the reporting period, the Group has a right to defer settlement of the liability for at least 12 months after the reporting period."

This new policy did not result in a change in the classification of the Group's borrowings. The Group did not make retrospective adjustments as a result of adopting the amendments to HKAS 1.

Except for those as mentioned above, the Group did not change its accounting policies or make retrospective adjustments as a result of adopting other amended standards or revised interpretation.

B. Impact of new and amended standards issued but not yet adopted by the Group

In September 2023, HKICPA amended HKAS 21 to help entities to determine whether a currency is exchangeable into another currency, and which spot exchange rate to use when it is not. These new requirements will apply for annual reporting periods beginning on or after 1 January 2025. The management does not expect the amendment to have a material impact on the consolidated financial statements.

In July 2024, HKICPA issued HKFRS 18 which is effective for annual reporting periods beginning on or after 1 January 2027, with early application permitted. HKFRS 18 introduces significant changes to the presentation of financial statements, with a focus on information about financial performance present in the statement of profit or loss, which will affect how the Group present and disclose financial performance in the financial statements. The key changes introduced in HKFRS 18 relate to (i) the structure of the statement of profit or loss, (ii) required disclosures for management-defined performance measures (which are referred to alternative or non-GAAP performance measures), and (iii) enhanced requirements for aggregation and disaggregation of information. The management is currently assessing the impact of applying HKFRS 18 on the presentation and the disclosures of the consolidated financial statements.

4. FAIR VALUE MEASUREMENTS

The carrying amounts of the Group's financial assets and financial liabilities as reflected in the condensed consolidated statement of financial position approximate their respective fair values.

5. REVENUE AND SEGMENT INFORMATION

The Group's operations and main revenue stream are those described in the last annual consolidated financial statements. The Group's revenue is derived from the transfer of telemarketing services over time in Malaysia.

Operating segment information

Operating segments are identified on the basis of internal reports about components of the Group that are regularly reviewed by the chief operating decision maker in order to allocate resources to the segment and to assess its performance.

As the Group is principally engaged in the provision of telemarketing services in Malaysia, which are subject to similar business risk, and resources are allocated based on what is beneficial to the Group in enhancing the value of the Group as a whole, the Group's chief operating decision maker considers the performance assessment of the Group should be based on the profit before tax of the Group as a whole. Therefore, management considers there to be only one operating segment under the requirements of Hong Kong Financial Reporting Standard 8 "Operating Segments".

Geographical information

All non-current assets and the Group's revenue from external customers during the period are located in Malaysia.
