According to the International Financial Reporting Standards, the transactions contemplated under the Finance Lease Arrangement (Guotai) do not constitute a disposal of assets and will not give rise to any gain or loss to be recorded in the Group's income statement. Upon expiry of the lease term, the Group could pay the nominal retention money to have the Leased Assets (Guotai) transferred back to the Group. Therefore, in substance and in terms of accounting treatment, the Finance Lease Arrangement (Guotai) are in effect the largely similar to borrowing a secured loan.
