- (10) The cumulative voting method will be adopted by the Company for the election of director and supervisor at the Second EGM.

#### **Cumulative voting method**

When adopting the cumulative voting method for electing the director as proposed in Resolution 2, each of the shares held by a Shareholder shall carry the same number of votes corresponding to the number of directors to be elected. A Shareholder may exercise his voting rights by splitting his votes evenly for each of the candidates of directors corresponding to the number of shares he holds; or by casting all his votes carried by each of his shares corresponding to the number of directors to be elected for a particular candidate of directors; or by casting a portion of his votes carried by each of his shares corresponding to the number of directors to be elected for a certain number of candidates of directors.

For example: under the cumulative voting method, the maximum valid votes that a Shareholder is entitled to cast are calculated on the basis of the total number of shares held by such Shareholder times the number of directors to be elected (2 persons). If such Shareholder holds 100 shares, then the maximum valid votes he can cast = 100 (the number of shares held by him) × 2 = 200. The Shareholder could use his discretion to cast 200 votes evenly among 2 candidates, or to place all his votes on one particular candidate, or to split his votes to 2 candidates.

Where the total number of votes cast by a Shareholder for one or several of the candidate(s) of directors is in excess of the number of votes carried by the total number of shares held by him, the votes cast by the Shareholder shall be invalid, and the Shareholder shall be deemed to have waived his voting rights. Where the total number of votes cast for one or several candidate(s) of directors by a Shareholder is less than the number of votes carried by the total number of shares held by such Shareholder, the votes cast by the Shareholder shall be valid, and the voting rights attached to the shortfall between the votes actually cast and the votes which the Shareholder is entitled to cast shall be deemed to have been waived by the Shareholder.

The voting method of Resolution 3 is identical to that of Resolution 2.

The candidate is elected when the obtained exceed half of the number of shares (on the basis of non-cumulative number of shares) held by the Shareholders (including their proxies) attending this general meeting.

- (11) Shareholders or their proxies must present proof of their identities upon attending the Second EGM. Should a proxy be appointed, the proxy must also present copies of his/her proxy form, or copies of appointing instrument and power of attorney, if applicable.
- (12) The Second EGM is expected to last not more than one day. Shareholders or proxies attending the Second EGM are responsible for their own transportation and accommodation expenses.
